Big Walnut Seeks Board Applicants

HOPE TO FILL GULCHER SEAT AT SEPT. 17 BOARD MEETING

Big Walnut is seeking applicants to fill a vacancy on the board of education.

Board members decided at Tuesday night's meeting to ask interested persons in the community to apply for the position created by Suzie Gulcher's resignation. Mrs. Gulcher, the former board president, resigned Sept. 1 to move to California.

Applicants should write a letter to the board stating their intention of seeking the position by Sept. 14. Depending on the number of applicants, the board expects to decide the question at a special meeting held Monday, Sept. 17. Applicants could be interviewed at that time.

According to Ohio law, the vacancy must be filled no sooner than ten days following the resignation date, and no later than 30 days. After 30 days, if the vacancy is still open, Common Pleas Judge Henry Shaw would appoint a new member.

Official board candidates involved in this November's race are also eligible to apply for this vacancy.

Applicants should address their letters to Big Walnut Board of Education, attention Sue Beardsley, clerk.

Board member Rachel Stockwell resigned the vice presidency at this meeting, as she and Ted Forman were reassigned by someone who will continue on the board after her term of office expires. Mrs. Stockwell is not seeking reelection.

Board members elected Dr. Terry Day as president, and Ted Forman as vice president. Both men will act in these offices until the January reorganizational meeting.

Board approved a policy permitting the recording of board meetings by any individuals and the media, as well as making a recording of the public portion of meetings as a part of the board's official record.

As Mrs. Stockwell remarked, "There is no place in the law that would forbid anyone to record any part of a public meeting. It would be unenforceable to forbid the recordings."

Superintendent Dr. Richard Miller opposed the policy and argued the board would lose some of its openness and spontaneity if recordings were permitted. He also mentioned the members

might become more "political." He cited the Columbus board and said "I think the Columbus board says things because the radio audience is out there. If we knew we were being broadcast, we would be much more careful."

Mrs. Stockwell said "We are guarded, but we need to be. We are in a transitional phase of education, and we need to be careful."

Board member Ted Forman remarked, "I think we're telling the taxpayer that our business is non-business and not theirs." He continued he didn't like the idea of being recorded, but didn't want a policy to forbid it.

Board member Bill Richardson said "I just want us to record when someone else does."

The measure passed unanimously. Board members denied the request by the Olive Green Church of Christ to rent the Big Walnut Elementary gym every Saturday evening through the winter.

Dr. Miller explained the difficulty in finding a custodian to work those hours. According to the contract with the custodial staff, one must be present. Dr. Miller also suggested rewording the board's policy on use of buildings.

Board members employed: Jean Lent, high school L.D. at \$11,404; Karen Hull, high school English, \$11,404; Lindsey Key, first grade, Souders, \$10,276; and Suzanne Van Sickle, 6th grade L.D. \$10,276.

Supplemental contracts were given to: Terry Mossbarger, Freshman advisor; Dave Collins, head baseball coach; James Pope, 8th grade girls' basketball; and Roy Merchant, head of English department.

A Cheerleader Advisor is still needed.

Regular non-certified contracts were given to Linda Downey and Nancy Murphy, both bus drivers, and Rosalie Pittman, cook.

Resignations were accepted from Chris McGonagle, high school communications, and Bonnie Solits, bus driver.

Jeffrey Little was approved for graduation.

Board members also approved the OAPSE contract, with the

Tennessee Resident Gives Scholarship In Honor of Uncle

During the recent Ohio State Fair, G. Eugene Cleveland, now residing in Memphis, Tenn., presented two sophomore scholarships to students, as related in last week's News.

A Galena native, he made the presentations in honor of his uncle, the late John L. Ryant, the Johnycake Delaine-Merino breeder who died five years ago. Ryant farmed the Johnycake Farm near Cheshire all his life. For many years, in the 20's and 30's, Ryant raised registered Percherons and for over 40 years he had one of America's outstanding flocks of Delaine-Merino sheep, according to Cleveland.

He had sheep exhibits at the Ohio State Fair and at many county and state fairs from Ohio to California since 1930. In addition, he had outstanding wool displays, especially at an international wool show in Orland, Ca.

The presentations were made during the State 4-H Awards Recognition Breakfast at the fair.

Chamber Sets CPR, Candidates Nights

Big Walnut Chamber of Commerce discussed plans for two upcoming special sessions at its regular meeting last Thursday.

This month, the Chamber will host an introductory Cardio-Pulmonary Resuscitation (CPR) presentation following its regular meeting at Mr. Tom's Country Flinn's Restaurant. Chamber will move its meeting time up to 7:30 p.m., Sept. 27, with the CPR presentation following at 8:30 p.m.

The presentation will be strictly an introduction to CPR, including a movie and the answering of questions. CPR representatives will then offer registration for classes regularly taught in the area. Anyone interested in CPR or a CPR refresher course is welcome to attend the meeting and talk with the representatives.

Then, Oct. 25, Chamber's government committee will sponsor its annual Candidate's Night, starting at 8 p.m. at the Sunbury K of P Hall, above Piling Hardware. All local candidates for any offices in the eastern six townships of the county will be invited, and those in contested races will be asked to speak.

Government committee is presently drafting letters to the candidates who have so far failed to be on this November's ballot. There will also be a presentation by the Council for Retarded

which has a one-mill operating levy countywide on the ballot this fall.

Members discussed the Share-A-Ride program and heard reports from the doctors committee and planning and development, but no actions were taken.

Next meeting is set up for 7:30, Sept. 27, at Mr. Tom's with the CPR demonstration and movie immediately following.

Commissioners Approve Subdivision

County commissioners Tuesday approved a 5.260 acre subdivision in Orange twp. belonging to John and Georgia Osborne. The Osbornes are dividing the acreage into three lots along S. Old State Rd.

County Tables Annexation of Genoa Land to Westerville

County commissioners tabled a motion to allow the annexation of 476.114 acres from Genoa twp. into Westerville.

Ten persons attended the hearing Tuesday, with Genoa trustee Bill Johnston pointing out the only opposition to the annexation.

Nine property owners including the area of the township basically bounded by the 3C Highway, Maxtown Rd., Tussock and Westerville petitioned commissioners in July to annex to the city.

Property owners signing the petition include Harry Hoff, Doris Taylor, Albertene Lust, Alice S. Beekman, Michael Beckman, Florence Benton, Pete Martin, William and Mae McCorkle, and Consolidated Rail Corp.

Blood Donor Criteria Changes

Many people who have wanted to be blood donors but were restricted because they were on medication for blood pressure or other reasons, may now be able to give blood.

Dr. Robert G. Westphal, director for the central Ohio region of American Red Cross Blood Services in Columbus, announces revised medical standards as a result of changes in scientific knowledge.

Newer knowledge about how drugs work enables persons who are perfectly healthy but have their blood pressure controlled by medication to be donors.

There really are only two reasons for establishing criteria. The first is to protect the health of the patient receiving blood and to protect the health of the donor.

Almost all medications for the control of high blood pressure now will be acceptable. The only exceptions are apresoline, pentolinum, minoxidil and lasmetin.

Asthma medications no longer are cause for deferral. As long as the donor is symptom-free at the time of donation, he may give.

The Red Cross Bloodmobile will be at the William Street United Methodist Church, Delaware, on Wednesday, Sept. 12, from 10 a.m. to 4 p.m.

Donors may make appointments now by calling the Red Cross office, 362-2021. Donors still may designate their blood to local leukemia patients, Kim Miller, 22 of 3880 Platt Rd., and Wayne Tompkins, 32, of 386 Hickory Ln., according to Pat Powers, Delaware County Red Cross blood program chairman.

Faces Behind the Scenes of Annual Labor Day Festivities

Pictured above are some of the faces behind the scenes of Monday's annual Sunbury Lions Labor Day Ox Roast and Flea Market which pulled one of its largest crowds ever to the square.

Lions club President Dan Shaw, who snapped these photos, reports the club sold out of 1000

lbs. of beef and a couple hundred pounds of ham. "They just kept coming. We were indeed fortunate to have such a nice day and such a large crowd with it," Dan says.

The News was unable to contact Dr. Paul Millem, in charge of the Flea Market, to determine how many dealers were selling their wares Monday. But from what we heard, it was definitely a buying crowd which didn't break up until early evening.

Shaw says his committee chairman haven't finished tabulating all their receipts and expenditures from the event, but this year's is sure to go down

What's New Around Condit Vicinity?

By Nancy Fuller
The signs of fall are starting to appear, even with all the rain we have had. Leaves are starting to fall off some trees and things are turning toward the fall colors.

Friday night, at the Big Walnut football game, Jeff Hatfield of Trenton Rd. was injured during one of the plays and was taken to the hospital. He appeared to have a broken leg or ankle. Many folks attended the ox

roast and flea market on the town square on Labor Day. Seems like it gets bigger every year. Peggy Murphy of Lake of the Woods is still in Mr. Carmel East Hospital recovering from her recent auto accident.

Callers this past week of Mr. Randy Longshore and new baby have been Mr. and Mrs. Dale Bailey, Mr. and Mrs. Steve Morgenstern and children of Marengo, Mr. and Mrs. Tim Steele and children also of Marengo,

Darlene Kean, Maxine Longshore, Debbie English of Delaware, Mr. and Mrs. Steve Spanner and children of Fargo, Mr. and Mrs. Bill Beaton and children of Sunbury and Gee, Jr., Matt Murphy and Brian White.

The BW bus drivers held a get-together at Mr. J. J. restaurant Friday for driver Bonnie Solits. She is giving up bus driving to become a mail carrier. Best wishes Bonnie.

Sunday, Mr. and Mrs. Art Glaze tended her family reunion at the Blacklick Woods. Helen's brother, Mr. and Mrs. Carl Bell of Sunbury and her sister, Mrs. Grace Boyd of Mt. Vernon also attended.

My father, Richard Darst, spent a week visiting with us Wednesday, Aug. 29, we visited with Mr. and Mrs. Randy Longshore and Stacy Ann and took pictures of the four generations. We also helped celebrate great-grandpa's 60th birthday.

Had a good week.

Army Services Force Holds 13th Reunion

A. C. Metzger hosted a reunion of the 152nd Station Hospital Unit of WWII at the Porter Grange Hall on August 26. Over 48 people attended the potluck dinner. Interest was shown in reminiscing through old pictures and items in the historical display.

Groups' display shown above was enlarged and displayed on the tables and centerpieces. The patch is of the European Theater of Operations (WWII) symbolizing the United States striking power.

Reunion is scheduled for next year, Sunday, Aug. 4, 1980, same place and time.

Three Big Walnut Graduates Are OSU Freshman Scholars

Three area students who will enroll autumn quarter at The Ohio State University have been designated as Freshman Scholars in recognition of outstanding academic records.

They are Brenda Kay Lord of 4361 Sunbury Rd., Galena; Jane Reavill Ransom of 3534 Old 3C Highway, Galena; and Pamela Ann Moodebaugh, 165 Hill St., Sunbury. All are Big Walnut High School graduates.

Those selected ranked in the top 3% of their high school classes and in the upper 5% nationally among high school seniors taking the American College Test or the Scholastic Aptitude Test.

Galena UMYF Is In Charge of Newspaper Drive

Imperial of Delaware will be buying newspapers on the last two Saturdays of each month from 8 a.m. until noon at the rear of the Porter St. collection center site.

Collections in September will be on the 22nd and 29th and will be handled by Galena United Methodist Youth Fellowship.

Groups and individuals are encouraged to bring in truckloads of one or more tons.

All loads need to be weighed before delivery and empty weight of the vehicle should be known. Papers purchased will be loaded into semi-trailers.

Those who get loads weighed at Delaware Farmers Exchange, which is open from 8 a.m. until noon on Saturdays, will have the weigh charge deducted from their paper weight.

Imperial wants to continue to accommodate those who collect newspapers to sell for recycling into cellulose fiber insulation.

CAO Offering Free Winterization Program

Community Action Organization (C.A.O.) of Delaware, Madison and Union counties is now operating a winterization program, cost free, for eligible residents of the tri-county area.

The program is funded by the department of energy and the community services administration.

Using these services to be provided by this program are installing of cellulose or fiberglass insulation in attics, crawl spaces, basements, weather stripping of doors and windows; caulking; minor foundation repair; wrapping of pipes to prevent freezing; and installing temporary or permanent coverings for windows and doors, along with any other steps deemed necessary to prevent the infiltration of cold air.

In order to be eligible for this service, a person must meet the following federally-mandated income guidelines (SSI recipients are automatically eligible): 1 in family, \$4,250 for non-farm or \$3,638 with farm; 2 in

Memories and Memos

By Nancy Havens

* The ox tasted great! And the Lions, and a nice day for their annual flea market and ox roast. It seems like such a long time until the next "flea" invades Sunbury's square.

* However, we still have The Delaware County Fair to which to look forward. Remember to save money and get your fair ride tickets early. See the Olatungu Music Parents' ad in today's News.

* Can you top this? Mrs. George Griffith, who lives west of Galena, picked a large tomato out of her garden over the weekend and when she weighed it, she was surprised to find it weighed exactly 3 lbs.

When she left The News office Tuesday, she went home and found a larger one, weighed it and found that it weighed exactly 4 lbs. 1. The large beefsteak tomatoes and she has some big ones, but not a smaller this year than in the past, she says.

* New music director and Conductor, Dr. Glenn Muegel, stresses that qualified string players from high school age

and above are especially needed and important to the success of the Central Ohio Symphony Orchestra headquartered in Delaware, which will be composed of musicians from the OSU campus and the surrounding central Ohio community. Contact him at the university, or orchestra members, Mrs. John (Hulu) Hay or Gerald Smith, both of Delaware.

* AURA is Americans United To Rediscover America and is a national organization dedicated to reestablishing the traditional values that made the United States a great nation. It is based at Suite 625, 500 Skokie Blvd., Northbrook, Ill. 60063.

* News release from AURA Tells us that shoplifters add to inflation. AURA suggests that individuals take positive action to reduce shoplifting by speaking out when they see or hear of it, teaching children that it is a crime, not a game, and if you own a business, adopt codes of ethics for employees, make workers feel a real part of the business and the security equipment to take away temptation and buy only from known vendors (unknown ones may be offering stolen goods).

* ROOTS author, Alex Haley, will speak at the banquet of the Ohio Historical Society's annual meeting Sept. 22.

THOUGHT FOR THE WEEK

By Richard DeVore

Sensational changes in and for labor have been seen since 1894 when Congress made Labor Day a legal holiday. . . Perhaps the most significant development of all is now in the offing. . . A few firms and labor unions have dipped their feet in unknown waters to try to determine the depth and current of a four-day working week idea. . . The test so far is non-conclusive. Perhaps it can be proved that the working man can work less - and live better. Perhaps it can be proved more and better production is possible in a four-day week. Perhaps it can be proved more leisure time can bring better day by day living. Time will tell.

There can certainly be no "perhaps" about one fact. . . There can be no prosperity for either labor or management unless there is prosperity for both. Neither can make it alone. . . DEVORE FUNERAL HOME, SR 3 at 61, Sunbury, Ohio, Phone 965-2938. . . Marengo, Ohio, Phone 419-253-3541.

Croton Couple To Celebrate Golden Wedding Anniversary

Mr. and Mrs. Forest Cross

Mr. and Mrs. Forest Cross will celebrate their golden wedding anniversary Sept. 16 in the New Bethel Church Fellowship room, Bethel Rd. in rural Croton. Their son and family, Terry and Donna and two daughters, are hosting the event.

Forest and the former Florence Kirts were married in Newark by the late Rev. Harry Wickens on Sept. 11, 1928. They have lived in their present home, 12138 Downing Rd., Croton, all their married life.

He is a farmer and saw mill operator and she retired from clerking in Horsch's grocery store. In 1969 after working there 16 years.

The couple invites all their friends to come and help make this day a special one. They request no gifts.

Chuck and Della Raming moved to Lake St. Louis, Mo., over the weekend. They were everybody to stop and see them when they're traveling westward. The Ramings live in what they call a 12-month resort area just one mile off 70E. It has two golf courses, two lakes, a large swimming pool, lighted tennis courts and a club house!

Battered Women Is Topic of Help Anonymous Meeting

Battered women was the topic of the in-service training session for Help Anonymous volunteers last week. Randy Heffern, social worker and volunteer coordinator for Turning Point in Marion was the speaker.

Ms. Heffern gave a test on the facts and myths of battering, told about the formation and current operation of the Marion shelter and showed the film "Violence Behind Closed Doors."

Turning Point provides shelter, counseling for women, vocational direction and counseling programs for children and men. A peer support group has been established that meets twice a month and is open to any woman who is experiencing domestic violence.

In the four months of its existence, Turning Point has served 50 women and 80 children and has provided 100 client days of service to Delaware county residents. Ms. Heffern reported that 68% of the persons who have sought shelter at Turning Point have obtained a divorce, while approximately 11% have sought counseling with their spouse.

It has been estimated that 50% of all married women are physically abused and that wives who experience battering have frequently been abused as children and may in turn batter their own children, thus perpetuating a pattern of household violence.

Turning Point and other shelters are established because studies have shown that abused women need a source for strength they do not now have in order to cope with their lives and to seek to improve them.

Persons interested in learning more about the Marion program or other resources available to battered women may call Help Anonymous at 369-3316, 24 hours a day.

Help Anonymous is a hotline for Delaware county residents and is funded by United Way, the Community Mental Health Board and private donations.

would like to come) are cordially invited to the first meeting.

After lunch, Bill Havens will speak on "The How To of Personal Motivation." The meeting which will be a short business meeting and the "sing-a-long". It will be nice to get back together again after this rather unusual summer.

Wednesday, Aug. 29, 38 senior citizens enjoyed a trip to Malabar Farm and Kingwood Center. We started out in a fog (not mental) but it takes more than that to dampen the spirits of this "young" group.

Because of the heavy rains on the night before, there was a bridge out and we had to take a beautiful detour through the hills and valleys of the back country on the way to Malabar. A few had previously visited this interesting home of Louis Bromfield but all appeared to enjoy this unusual house. The ride on the wagon around the farm was fine, too.

Lunch was in downtown Mansfield and then on to Kingwood Gardens. It seems that many of us who had been there before had gone in the springtime. I heard comments as to what could possibly be lower than the tulips and daffodils and spring blooms. We found out.

Even with all the rain the gardens were beautiful. The large pond with geese, ducks, a swan and doves came in for attention, too. The young people who tend the gardens are learning as they volunteer their services.

VOLUNTEER FOR HELP ANONYMOUS

Galena Women Finds Work Exciting, Satisfying

Candy Hartzler

The young woman picked up the phone on the first night. "Good evening, this is Candy at Help Anonymous. May I help you?" It turned out that she certainly could.

Candy Hartzler remembers this call vividly. Just out of training, it was the first one she was about to handle alone. Candy can't reveal the details of this call since all calls handled by Help Anonymous are confidential. She relates in general terms the types of calls she has handled.

Many callers need someone to listen and to help them sort out their problems and possible solutions. If necessary, Candy can give them a phone number of another agency set up to handle their specific problem. Other callers need information, such as the person who wanted to know where to register to vote.

After each shift, Candy has an enormous feeling of satisfaction. She feels good about herself and good about her decision to become a volunteer at Help Anonymous. Asked what had brought her to the decision to volunteer, she explained that after moving to Galena in August of '75 with her husband and now three children, Keith, 10; Brian, 7; and Christine, 2, she looked for a way to become acquainted with the Sunbury-Delaware area, with the agencies and services offered. She also wanted to find friends who shared her interest in helping others and who were "caring" people.

Help Anonymous provided all this for her. "After four years I am still struck by the feeling of camaraderie which exists at H.A.," she declares. "Much of what I learn I have been able to carry over into my personal life. It's great to know how to REALLY listen," she adds.

Candy consented to this interview because she wants to share her excitement about the work of Help Anonymous and to urge others in the Big Walnut community to share the advantages she has found in becoming a volunteer. She points out that opportunities are not limited to telephone counseling but include such diverse openings as work with the agency library, help to maintain the extensive computer file or assist with publicity and public relations, to name only

What They Say Down Tussie Way

By Sandra Meacham
It seems it is that time of year again, Labor Day weekend, when we feel like our summer is really

coming to an end. The summer did seem short (and wet), but we still have fall with all of its loveliness to look forward to. Mr. and Mrs. Don Landis, Shelby, Ill. and Sandy traveled to Milan over the weekend to visit the annual melon festival.

Two new Rotary exchange students have arrived in Westerville. Welcome to Anne Fuhrer from West Germany, who is presently living with the Bob Elliott family, and to Per Corcoran from Sweden, who is living with the Peter Ball family.

Delma Rammelsberg celebrates her birthday on Sept. 12, a special birthday wish to you, Delma.

Mr. and Mrs. John W. Price will celebrate their wedding anniversary on Sept. 15. Best wishes to you both.

Mr. and Mrs. Sonny Evans, Kim and Tommy enjoyed the Labor Day weekend camping. The Grosse Church League softball games are still in progress. The wet weather this summer has made it very difficult to complete scheduled games.

The Grace Chapel Community Church auction will be held on Saturday, Sept. 8 at 1 p.m. at the church. The youth fellowship will be serving lunch and the ladies' aid will have a bake sale (see ad in today's News).

Congratulations to Mr. and Mrs. Jeff Rice on their marriage on Saturday at Grace Chapel Community Church.

Scott Holdrege celebrated his 18th birthday last Wednesday with a party in his honor at his home. Emma Fetherolf and Blanche Higgins enjoyed dinner out to

gether on Wednesday evening. Mr. and Mrs. Don Serjak, Laura and David entertained friends with a picnic on Friday evening.

Jim, Doug and I entertained about 50 of our family members from Newark, Springfield, Columbus and Westerville on Labor Day with a picnic at our home. Thought for the Week: "A miracle can happen through a handshake and a kind word."

UNFINISHED FURNITURE FESTIVAL

YOU CAN

... Create the beautiful look of expensive, show room furniture with a modestly priced piece of unfinished furniture.

3rd generation antique refinisher

Discover the value of buying unfinished furniture and finishing it yourself with Formby's Wiping Stains and Formby's Tung Oil Finish.

Formby's stains are jelled so they're easy to apply without runs, drips or lap marks, and they offer exceptional color control. Simply add more stain for darker colors or wipe with a cloth for lighter shades. You can mix any of our ten stains for greater color selection. There's almost no mistakeproof so you don't have to worry.

To protect and enhance the wood's beauty, Formby's Tung Oil is the perfect finish. It will not check, deteriorate, mildew or darken with age. Unlike ordinary varnishes, lacquers or shellacs which sit on the surface, Formby's Tung Oil Finish feeds down into the wood and protects from the inside out.

Give your unfinished furniture the best finish—

IN THE COURT OF COMMON PLEAS DELAWARE COUNTY, OHIO LEGAL NOTICE PETITION FOR TRANSFER OF FUNDS

In the Matter of the
Transfer of Funds of the
Board of Township Trustees of
Porter Township,
Delaware County, Ohio
Case No. 79-CIV-454

The Board of Township Trustees of the Township of Porter, Delaware County, Ohio, says that it has under its supervision public funds in the sum of \$5,300.00 in the General 1A27 Fund, which are not required for the purposes for which said Fund was established. By reason of existing necessity of expending further monies for the improvement of roads in the township it is necessary to transfer \$5,300.00 from said Fund to the Gas Tax 3B2 Fund. The following is a copy of the resolution declaring such necessity passed by said Board of Township Trustees on the 3rd day of July, 1979.

RESOLUTION DECLARING NECESSITY OF TRANSFER- RING CERTAIN FUNDS

The Board of Township Trustees of the Township of Porter, Delaware County, Ohio, met in regular session on the 3rd day of July, 1979, at the office of the Township with the following members present: Harry Lee Limings, Jr., James M. Thorpe, Ellis Lewis, and R. Marvin Collins, Clerk. Mr. James M. Thorpe moved the adoption of the following Resolution: WHEREAS, The Board of Township Trustees of Porter Township, of the County of Delaware, Ohio, has under its supervision public funds in the sum of \$5,300.00 in the General 1A27 Fund, and WHEREAS, This Board of Township Trustees finds that \$5,300.00 in said Fund are not required for the purposes for which said Fund was established, and WHEREAS, by reason of existing necessity of expending further monies for the improvement of roads in the township it is necessary to transfer \$5,300.00 from said Fund to the Gas Tax 3B2 Fund, therefore, it is RESOLVED, That it is necessary to make such transfer, and be it further RESOLVED, That a petition be prepared and addressed to the Court of Common Pleas of Delaware County, Ohio, as provided by Sections 5705.15 and 5705.16 of the Revised Code of Ohio, and that a duplicate copy of said petition be forwarded to the Department of Tax Equalization for examination and approval and be it further RESOLVED, That, when notified that said petition has been approved by the Department of Tax Equalization, said petition be filed in the Court to which it is addressed and prayer of the petition and of the time when it will be for hearing be given as provided in Section 5705.16 of the Revised Code of Ohio. Mr. Ellis Lewis seconded the resolution and the roll being called upon its adoption the vote resulted as follows: Mr. Harry Lee Limings, Jr., yes; Mr. James M. Thorpe, yes; Mr. Ellis Lewis, yes. Dated this 3rd day of July, 1979.

R. Marvin Collins
Clerk of
Porter Township Trustees,
Delaware County, Ohio

WHEREFORE, your petitioner prays that authority be granted to transfer \$5,300.00 from the General 1A27 Fund to the Gas Tax 3B2 Fund and for such other relief in the premises as may be just and proper.

Harry Lee Limings, Jr.
James M. Thorpe
Ellis Lewis

Said Petition will come on for hearing on the 3rd day of October, 1979, in the Common Pleas Court of Delaware County at 10:00 o'clock A.M.

Happenings in Vans Valley

By Mrs. Derman Bell
Ellen Refnatt returned home after spending a week with her son and family at Buckeye Lake. She attended the corn roast at Millersport, and was lucky enough to get to all besides Jean Braun, who is Bob Braun's sister. She also got Bob's autograph and shook his hand. She really spent an enjoyable day.

John Wrinkle, Scott Hubbard and Tim Scott attended the Swap Meet at the Sportsman's Club, Monday. They all ate dinner with Mr. and Mrs. Phil Scott. Callie at the Scotts home were Ray and Ethel Oert from Columbus and Randy and Roy Scarbury. Monday evening, Scott Hubbard, Tim Scott and Ann Sunshine all visited Mr. and Mrs. Harry Day at Cardington and played cards.

Rev. and Mrs. Everett Swackhammer and Eddie visited Elsie Swackhammer and Richard at Newark and Mr. and Mrs. Everett Boggs at Canal Winchester. Rev. Swackhammer had the Sunday morning church services held at the Christian Apostolic Church in Delaware.

Jean Scott took Mr. and Mrs. Norman Silver and Annie Sunshine to dinner in Delaware Saturday. Emma Skiver and Annie Sunshine attended the senior citizens' activities in Sunbury, Thursday and Friday. They attended church at Vans Valley, Sunday.

Corra Clayton visited Mr. and Mrs. Tom Shear and son and Mr. and Mrs. Dave Murphy and son in Columbus, Sunday. She also visited Hattie O'Quinn on her way home. Merle Clayton from Harlem visited Sunday morning. Sunday morning.

Monday, Jody Belger, a drummer percussionist, and Ralph, the guitarist (Clyde Holobaugh), visited here. They play with the Plus Six Walter Hurley, who plays the keyboards as Joseph, and Clyde Holobaugh had birthdays during the week. Clyde was 32 on the 21st and Walter's birthday was on the 23rd.

Carl and Harriett Price from Clinton and Tom and Sue Evans visited Mr. and Mrs. Buddy Price and Greg, Sunday. Jeff Hirt spent Sunday overnight with Greg.

Fred Series, Mr. and Mrs. Everett Miesse, Post and Linda Gladys Miesse, Saturday. Kitty Jervis, Sheila and John visited here Sunday afternoon. We all attended the annual Walker reunion, Sunday, held at the Grange Hall in Centerville. There were about 75 relatives attending the occasion. Have a nice week.

Cross Country Is Off And Running

BOYS OPEN TODAY AT CARDINGTON. GIRLS HOST SCOTS ON LOCAL COURSE

By Dave Kiehl

Roaming the area byways, highways, county roads and the neighborhoods in the pouring rain does not stop these determined athletes — the cross country runners.

If you have spotted this group of boys and girls, they are members of Big Walnut cross-country team going through their daily practice sessions.

The boys have been looking up for today's opener at Cardington along with Crestline. The girls also start their season this afternoon by hosting Highland in a 4:15 match.

Jim Boyd, head coach for both teams, scrambled around in that mud so he could find out how his training methods have worked out.

The disappointing note is that the boys have no home meet, as of Tuesday. "Next year the majority will be at home so I guess it will even out," he says.

Boyd would like to pick up one or two more invitations, "but so far I haven't found any."

Boys Potential
"It will be hard to describe the boys' overall strength until

first BW team representative in 11-12 sports and placed 40th on the Ohio State University Sprinter. He also was voted co-MVP of the fall sports season.

Forman was 31st on the CHL and 16th in the Sectional and Bloom finished 42nd in the CHL and 21st in the Sectional.

Lost through graduation were Ron Stacy, John Winkler, Darren Lacy and the late Jim Overstark. Stacy was honored at the banquet with the Golden Eagle Award.

Girls Potential

"The girls team appears to be strong, but like the boys, it will be awhile before our new girls see how good they can become," comments Boyd.

None of the lady runners are in their first year while six ran last season. "We don't like to make predictions, but we feel the girls can improve on last year's state place in the District," the BW mentor adds.

Five letter-winners return to bolster a program only in its second year. One is a senior, two are juniors and the other is a sophomore.

Karen Hahn leads the list as she represented Big Walnut and Delaware County as the first-ever state meet by placing 23rd. Hahn was also voted co-MVP of the fall season.

Senters Mary Murphy, Cheryl Gering, Justine Derris Messer and Kathy Kato round out the rest of the current winners.

State meet last year on a Watkins Memorial runner and finished in the top 10. Murphy,

Gering and Kato are all considered runners and contribute a great amount to the team.

There was no CHL meet in 1978 due to lack of participants. (Come from last year are Carrie Hahn and Kelly Roach. Hahn received high praise from assistant coach "Red" Edwards for her efforts and Roach placed 16th in the District.

Boys Opponents
Marysville is slated by Boyd as the team to beat in the CHL.

"They return everyone from last year's championship team," says Boyd.

Other teams mentioned are Dublin, Berley and New Albany.

The league should be strong this year because most of the top runners were underclassmen," Boyd continues.

Big Walnut runs at Marysville and will also then, three-time state Class A champ West Liberty School, Fredericktown in the District meet.

league opponent by Boyd.

Girls Challengers
For the lady runners, Berley is the toughest line that is presently on the schedule. The Lions finished as runner-up in the District in '78.

"We will also face last year's District champion, River Valley, at the Watkins Memorial Invitational," Boyd comments.

Big Walnut could also be meeting a few other schools "to give us better competition before the District meet," Boyd concludes.

In 1978, the boys finished with an overall record of 44-21 and the girls were 12-2.

First of the fuel-efficient U.S. luxury cars by Cadillac.

Introduced as a dramatic new concept in U.S. luxury cars, Seville has become an American success story. International in size... Cadillac in craftsmanship... one of the world's most honored cars. With its EPA estimated 18 mpg (city) and its highway estimate of 24 mpg.

Remember: Compare the cited estimated mpg to the esti-

mated mpg of other cars. You may get different mileage depending on your speed, trip length and weather. Your actual city mileage will be lower in heavy city traffic. Your actual highway mileage will probably be less than the highway estimate. California EPA estimate (city) will be lower. Cadillacs are equipped with GM-built engines produced by various GM divisions. See your Cadillac dealer for details.

SPORTS WINDOW

BY JACK BRIDEN

Both Big Walnut and Highland will be opening their 1979 home schedules Friday night, the Eagles playing host to Columbus Academy and the Scots to New Albany. Coach Jerry Rensel's club supplied us with many bright spots despite the fact they lost to Ready in their opener. The Silver Knights, 2-2 a year ago, had to struggle for their 14 points. "We did a very good job defensively except for the two times that Rick Miller got outside," said Coach Rensel. "I felt we played exceptional defense against the run. Our pass defense needs some work and we have been doing a lot of it this week. Offensively we had too many mistakes and I'll take the blame for that — we have to be more consistent. We can't afford four turnovers, three of them in close. On the brighter side, I was pleased that we didn't let down in the second half. We had our best practice of the year Tuesday, the boys were really spirited. I feel we have come together as a group," Rensel said. Against Academy Friday night, the Eagles will be out to upend a team that beat them a year ago. They will have their work cut out for them since the Vikings have their entire backfield back from last season. Included in quarterback Mike Crawley, running backs Dave Hess and Marty Nesbitt. Rensel said Academy runs the winged T offense with a lot of mis-direction and counter action. Decker is released on pass patterns. Nesbitt runs outside. Hess is good on the reverse. Crawley throws very well. "With this type of offense we'll have to be on our toes," said Rensel. Asked about sophomore Greg Hunter, who has taken over the quarterbacking chores, and how he is doing, Rensel replied, "he appears to be calm and is taking it in stride. He went on to say how the team is rallying around him. 'This I feel is great. They have a challenge Friday night — watch these young men give it their best! Three players were cited by Rensel for the excellent defensive job they

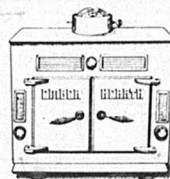

did against Ready. — Jeff George. Keith Baer and Randy Coffman were thrilled with his team's win over East Knox. "It was quite a showing offensively although we had too many breakdowns defensively, especially in the secondary. But, to be fair, we are playing a lot of young kids there and it was a case of inexperience — they just haven't played much varsity football. The kids have been working hard to correct a few things. We should have a good home opener," he said. Against East Knox, the Scots had lots of stars — Dan Grooms hit 8 of 15 passes for 108 yards, with Galen Chapman the leading receiver, catching 4 for 84. Drew Orecchio caught one for 10 yards and also carried 16 times for another 118 yards. Larry Daniels caught one pass for 55 yards, Fred Adkins 1 for 3 and Tracy Nauman 1 for no yardage. Art Moreland rushes for 99 yards, in 14 carries and Nauman hit for 55 yards, in 17 attempts. That is a lot of yardage for an opening game! This week the Scots have an excellent team for their opener. They did not give up a point in the second half. Marquis said New Albany is a basic power football team, running a lot of different formations. "Defensively they run a 5-2 and are very aggressive in the secondary," he said. The Scots came out of their first game without any injuries. "It should be a good home opener," he emphasized. And, looking ahead a bit, next Friday night the Scots will be here against Big Walnut. That is always one of the better ball games of the year!

Both Big Walnut and Highland JV's should kick off their season Saturday morning. The Eagle JV's will play at Academy at 10:00 a.m. while the Scots hope to host the New Albany JV's on their own field. The game was originally set at New Albany but they have a junior high game scheduled and Marquis hopes to get it changed to the Sparta

field. Coach Rensel is showing game films to everyone interested in the BW program each Monday night at 7:00 p.m. at the high school. Sponsored by the Athletic Boosters, these showings are open to the public and Rensel would like to see a lot of us in attendance! Billy Helton finished as BW's leading ground gainer, picking up 47 yds. in 14 attempts. Jeff George followed with 43 yards on three pass catches. Dennis Gray caught one for 10 yds. Keith Baer carried 9 times and gained 11 yards. Tonight's volleyball game against Granville has been moved up one hour.

It will start at 5:00 p.m. 1978 BW grad Doug McPherson, of whom I wrote about in the spring in this column, finished second in a golf tournament held in Korea recently and was pictured in the army post newspaper there. He also coached a girls' softball team on the base and won the championship and was named "coach of the year" at their annual banquet. The son of Mr. and Mrs. Harold McPherson of Center Village Rd., Doug starts computer-audit school in Seoul this week. It will run for four months and Doug is due to come back to the states around Mar. 1.

LOOSE: 14-0 LID-LIFTER TO COLUMBUS READY

Academy Here for Home Opener Friday

Columbus Ready scored two second quarter touchdowns and applied a stiff defense in shutting out Big Walnut 14-0 Friday night on the Columbus West field in the opening football game for both teams.

The Eagles of Coach Jerry Renai will be home tomorrow night when they play host to Columbus Academy with both teams seeking their first wins of the year. The Vikings, 4-4-1 last year and 3-4-1 in the CBL, lost to Cleveland (Gates Miles) Hawken Academy 26-20 on the Viking turf Saturday.

A year ago Big Walnut lost to Academy 19-9 here and the Eagles went on to finish with a 3-6-1 overall and 2-4-1 Central Buckeye League slate. Two years ago the Eagles topped the Vikings 6-0 here in the first meeting between the two teams. Friday's contest is a non-league game.

Big Walnut will be playing Friday's game without the services of starting quarterback Jeff Hatfield who was injured in the Ready game with four minutes to go. He suffered a severe ankle sprain and will be lost for an indefinite period.

Big Walnut was able to get only 97 total yards against the Silver Knights on the West stadium turf while the host team finished with 213. The Eagles turned the ball over four times and were given back twice. The Knights were on top 10-8 in first downs.

On the first play of the second period, quarterback Rick Miller passed 12 yards to Ken Girard for the first score of the game and Mike Pigg booted the extra point. This came with 11:54 showing on the clock.

This score was set up by a 17-yd. return of a Big Walnut punt. The Eagles were on their own 6-yd. line when on fourth down Keith Baer punted to the 33 and it was returned to the 16. Miller ran to the 12 on the last play of the first period. The Knights were deep into Big Walnut territory two other times in the opening frame, both as the result of fumbles. Mark Halsell recovered a Hatfield fumble on the BW 40 on Big Walnut's second play of the game.

4-H CLUB

Condit Chatterbox

On Aug. 13, the Condit Livestock and Condit Chatterbox clubs had a swimming party. Despite the brisk weather, there was a big turnout at Berkshire Campgrounds.

On Aug. 13, the club had a bike sale. It was a very big success. For those members who could not bring their bikes, they are asked to bring money contributions for the fair booths. The next meeting, Sept. 11, 7-9 p.m. Refreshments will be served.

and they moved it from there to the 8-yd. line before BW stiffened and took over the 21. A second down and six situation on the 8-yd. line proved to be the stopper on this drive. Wayne Schmitt broke through to dump Miller, nailing him on the 20-yd. line. Jeff May blocked Miller's attempted pass on third down and his fourth down toss was overthrown.

After the Eagles took over on the 20, Hatfield ran to the 26 and Baer to the 33 for BW's initial first down on the game. On the next play Hatfield fumbled and David Girard recovered on the 31. Miller ran to the 11 for a first and the next four plays saw them gain only to the 2-yd. line where the Eagles took over again.

It was from this point that Ready returned the punt that set up their first touchdown.

After taking the kickoff following Ready's score, Big Walnut staged their longest drive of the game. Starting from their own 9-yd. line, they marched down the field, posting five first downs, before eventually turning the ball over on the Ready 26-yd. line.

Bill Helton gained 11 and 17 yds. in two carries in this drive. Jeff George caught 15 and 7-yd. passes from Hatfield, and Dennis Gray had a 10-yarder, also from Hatfield.

Ready dumped Hatfield for a 10-yd. loss on fourth down at the climax of this drive. The Silver Knights then drove 64-yds. for their second and final score of the night.

Big gainers in this drive were two Miller passes, one for 21 yds. to Girard, to the BW 30 and another for 31 yds. that went to Marty Blanton to the BW 3. James McFadden scored two plays later from the 2-yd. line and Pigg booted the conversion with 1:12 remaining until the half.

The Eagles stopped Ready defensively in the third period and saw another drive of their own fall short. Tim Mackley recovered a Miller fumble on the Ready 48 to set it up.

Hatfield hit George for a 21-yarder to the Ready 26 for the biggest gain. Helton ran 7 to the 19 and Baer gained 6 to the 13 for another first. Hatfield kept to the 9 and Helton stopped for no gain. Helton gained a yard to the 8 and on fourth and 5, Hatfield's pass fell incomplete.

The last time either team came close to scoring was in the fourth when Ready intercepted Hatfield for the second time when Ken Cahill picked it off and a clip spotted the ball on BW 33. Miller ran to the 14 for a first on the first play.

McFadden failed to gain and two straight Miller passes missed their mark. On fourth down Pigg's field goal of 32-yd. went under the uprights. Hatfield was hurt on the first play as BW took over on the 20-yd. line.

Sophomore Greg Hunter came on to finish game for the Eagles and when the final gun went off Big Walnut was in possession of the ball on their own 30-yd. line. Final statistics show Big Walnut gaining 86 yds. on the ground and losing 42 for a net of 44. Hatfield completed 4 of 12 aerials for 53 yds., giving the eagles a net of 97.

Ready rushed for 134 yds. and added 109 through the air as

Miller hit 6 of 15. They lost 30 yds. rushing and passing for a net of 213. They had four fumbles and turned two of them over while BW lost 2 of 3. The host team had 70 yds. in penalties compared to 30 yds. stepped off against the Eagles.

Big Walnut: HOST NEW ALBANY IN HOME OPENER FRIDAY

Scots Show Offense, Rip EK 36-28

Junior quarterback Dan Grooms made his first offensive start an auspicious one as he personally scored two touchdowns and passed for two more as Highland's Fighting Scots won over East Knox 36-28 in the opening football game for both teams Friday night at Howard.

Grooms scored the first two Highland touchdowns on 1-yd. keeper plays and passed 30-yds. to both Drew Orecchio and to

Galen Chapman, as Highland started out the year at 1-0. This Friday night they will host New Albany, a 14-0 loser to defending Class A champion Newark Catholic, in their home opener at Sparta.

East Knox jumped out to an early 6-0 lead when quarterback Mark Krownapple broke loose on the second play of the game and raced 73 yds. for a touchdown. Highland came right back, returning the kickoff to the 45 and moving on to the EK 10 before the drive ran out of gas and the Bulldogs took over.

However, East Knox fumbled on the first play and Rick Tobin fell on the ball at the 9. Two plays later Grooms went in from the 1 to tie the count at 6-6. The run for extra points failed.

Krownapple went to work again as the Bulldogs started from their own 35. He completed passes of 18 and 23 yds. and combined with 15 and 5-yd. penalties on the Scots, moved them to the Scot 8-yd. line. From here Kirk Jeffries carried it in and Krownapple passed to Troy Savage for the 2-point conversion to put EK out front 14-6.

Highland came right back and before the half was over they were on top 18-14. Starting from the Scot 35 after the kickoff, Drew Orecchio broke free and ran 55 yds. before he was pulled down at the EK 15.

Several plays later Grooms carried it in from the 1 and the pass for points failed. The Scots got the ball right back as EK fumbled the kickoff and Tobin covered it again, this time on the 3-yd. line.

On the first play Grooms hit Orecchio with a 30-yarder and he went into the end zone for the third Highland score of the night. The pass for the PAT failed.

Highland scored three more times before East Knox struck

for two in the final period. The Scots scored twice in the third frame, the first one coming after a 65-yd. drive climaxed by Orecchio's second run of the night to paydirt. This one he ran in from 2 yards out and for the third time the pass for extra points missed its mark.

The second score of the quarter came after a 55-yd. drive. It was completed when Tracy Nauman went for the final yard. Pat Miller's placement failed.

Early in the final frame the Scot lead went to 36-20 as Galen Chapman scored from 30-yds. out after taking a Grooms' pass. The placement missed.

East Knox roared back to make a game of it. Krownapple completed a 63-yd. bomb to Denny Woods and threw to Savage for the PAT to narrow the gap to 36-20.

The Bulldogs kicked off. Highland fumbled the ball and East Knox recovered. On the first play Krownapple hit Mark Swartz with a 28-yarder to the Scot 1-yd. line. On the next play Krownapple carried it in and his pass for the PAT failed.

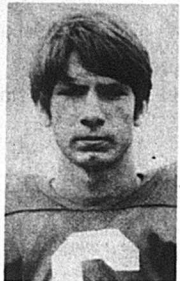

Final statistics show the Scots on top 16-5 in first downs and in rushing yardage 272 to 130. They had double the number of rushing possessions, 44-22.

Passing yardage saw the Bulldogs on top 122-102 although Grooms completed a better percentage and he was not intercepted. He hit 8 of 15 while Krownapple connected on 5 of 15 with two interceptions. EK also lost 2 of 3 fumbles while Highland was 1 for 1.

The home team was ahead by a wide margin in the penalty department. 105 yds. was stepped off against Highland for 13 infractions while EK had 5 for 45 yds. Both teams punted three times, the Scots averaging 33 yds. and EK 37. High-

land had two punt returns for 16 yds. and the Bulldogs one for 4 yds.

Highland: 1-0 12 12 4-24
East Knox: 0-1 0 0 0-0
Highland scoring: TD's: Grooms (2), 1 yd. run; Orecchio (1), 30 yd. pass from Grooms; 2 yd. run; Nauman, 1 yd. run; Chapman, 30 yd. pass from Grooms.
East Knox scoring: TD's: Krownapple (2), 73, 1 yd. run; Jeffries, 8 yd. run; Woods, 13 yd. pass from Krownapple. PAT's: Savage (2), passes from Krownapple.

Squirrel Season Friday

Ohio squirrel hunters awaiting the opening of the 1979 season on Friday should find a good supply of both gray and fox squirrels in most parts of the state, according to the Division of Wildlife of the Ohio Department of Natural Resources (ODNR).

Field reports show the nut (mast) crop from hickory, oak, beech and walnut trees is good. Squirrel reproduction and survival are heavily dependent on the annual nut crops.

One index used to show trends in the Ohio squirrel population is the number of squirrels seen by springtime turkey hunters. This yearly survey shows the 1979 squirrel population in south-east and east-central Ohio is up from 1978.

The 1979 squirrel season is open from Sept. 7 through Nov. 10 on private land and from Sept. 7 through Dec. 22 on public hunting areas.

Hunting hours are one-half hour before sunrise to one-half hour after sunset. The daily bag limit is four, with a possession limit of eight after the first day.

AIR CLEANER

The Space-Gard Air Cleaner removes even the microscopic size particles from the air circulated through your forced air system. And because it removes this dust and dirt, there's less of it in the air to settle on the many places in your home you have to dust and clean. Smudging of walls is reduced too, so the need for redecorating occurs less frequently.

**Now,
your small savings
can earn high interest
too!**

The Delaware County Bank has three new ways to help you earn high interest on small savings.

New 4-Year Investment Certificate

Deposit any amount you want for four years during the month of September and it will annually earn 7.95% interest. The actual annual yield will even be more because we daily compound your interest. A substantial interest penalty is required for early withdrawal.

The New Investment certificate's annual interest rate for four years is established each month three days prior to the end of the preceding month.

New 5 1/4% Regular Savings Rate

Now, your savings earns one quarter of one percent more at the Delaware County Bank—Your New 5 1/4% annual interest is from day of deposit to day of withdrawal and of course you can deposit or withdraw any amount at any time.

Since Aug. 1, your 5 1/4% annual interest is daily compounded to annually yield 5.46%.

New: No minimum deposit requirements on passbook savings or certificate of deposit

All minimum deposit requirement for higher interest on passbook accounts and certificates of deposit have been eliminated, with the one exception of the \$10,000 six month Money Market Certificate. Now, you can earn the high interest that previously only the big investors could afford.

Olive Green 'Chitchat'

By Opal Eastman

September days are here and the first hint of autumn is in the air. Gradually, we must, a little heavier clothing wear. Flower is the aster and birthstone the sapphire. So, 'Happy Birthday' to all you September-ites.

Ernestine Murphy, Henrietta Bird and Mr. and Mrs. Cliff Boyd were among those who went on the Sunbury Senior Citizens trip to Kingswood Gardens and Malabar Farms. From all reports this was a very interesting and enjoyable tour.

Rev. and Mrs. Dwight Long and sons, Steve and several members and friends of the Olive Green Church of Christ, Christian Union held their annual campout at Bannan's retreat over the Labor Day weekend. Rev. Long's brother, Bob of Marion, was guest minister and preached the Sunday evening service at camp.

Deila McKay was admitted to Riverside Hospital Monday for tests and observation. Hope she doesn't have to stay long this time. Her room number is 18709.

A card shower would be nice. I heard that Alvin Nittinger had surgery in a Columbus hospital. Wish him a speedy recovery.

Recent callers at the home of Mr. and Mrs. Grover Bird have been Ida Perry, Mary Echelberger, Marge Brady and Marge Smith. Sunday evening supper guests were Ben Bird and Scott of Delaware.

Raymond, was also a Sunday dinner guest.

The tomato, formerly known as the love apple, seems to me to be the most versatile of vegetables. Though the dictionary states it is a fruit, seems like this year's crop of tomatoes has been unusually sweet and delicious. A tomato is also old slang for an attractive young lady.

Newsnotes From Kingston Center

By Joyce Seitz

Dr. and Mrs. Robert G. Honser and children, Amy, Laura, Beth and Rob, entertained the Kingston 4-H club on Saturday evening for a swimming party. About 30 persons attended and had a very enjoyable evening. The next meeting is Monday night at 8:00 p.m. in the Kingston Twp. Hall.

Mr. and Mrs. LaVerne Crooks and Steven furnished the corn for a corn roast at the home of Mr. and Mrs. Greg Leaf, Mary and Pete, on Labor Day. Others attending were Mr. and Mrs. Donald Conley and Heather, Orville Tuller, Mr. and Mrs. Robert E. Seitz and Beth, Mr. and Mrs. Eric Crooks of Westerville, Mr. and Mrs. Robert Herb, Margaret and Angie of Columbus. About 40 persons attended in all.

Kingston Grange will not meet in September.

Many up our way are having the "bug" going around and not getting out this weekend.

There seems to be quite a controversy about whether it is advisable to freeze tomatoes. I have read and heard pros and cons. Personally, I have never tried freezing them. In one of my books I advised against this method. So, I am handing this with the old methods of canning. This kind of weather makes it a real hot, steamy job.

Opal Chrysler came, from her home in Thornville, to spend the weekend with me. Sunday evening we went with Henrietta Bird to attend service at the Sunbury Church of the Nazarene. Her daughter, Mrs. Bill Howard, sang a beautiful song she had written and dedicated to Rev. Pete of Delaware. Bill Howard accompanied his wife on the guitar. I thought it was a very inspirational service.

Upon our arrival home I was dismayed to find my dog, Sally, had chewed up a big pool of thread, my new fancy floral tablet, and a new 'Upper Room' devotional guide book. Guess he was really frustrated and thus showed his displeasure in being left alone. Dumb Mutt!

Tri-County Homemakers' Craft Club will meet Sept. 13, at the home of Ethel Hayes at 10:30. A mystery dinner will be served. All members or anyone interested is invited to attend.

Eckham and Jeanne Hayes and sons, E. B. and Jason, ate dinner at a restaurant and went to a movie in Westerville, Saturday evening.

Opal Chrysler and I attended the flea market Monday morning in Sunbury. We had a great time bargaining with those wheeler and dealers. Saw a lot of familiar faces as we trooped the grounds there.

We also enjoyed the ox roast. Saw our friendly funeral director, Dick DeVore, busy cleaning off tables and serving coffee. I must say he gave us really good service.

Those Lions were really with it. Wonder if they helped much at home? Well, it was a very worthy cause. That's for sure. And I think we will should support our local folk in their projects.

Hope you all have a bright, beaming, better than average week.

Beacom To Celebrate 40 Years at Nestles'

Lewis C. Beacom

Lewis C. Beacom, who resides on SR-61, Sunbury, with his wife, Mary Lou, will celebrate his 40th anniversary with the Nestle Co., Inc. on Sept. 25.

He was employed Sept. 25, 1939 in the manufacturing of cheese, served in the US Air Force from 1942-46, became an electrician's helper Sept. 13, 1947 and qualified as an electrician in the maintenance and repair department Oct. 13, 1952.

One Big Trophy

Thirteen-year-old Kriste Kintner won honors in a big way Monday at the annual Labor Day Horse Show at Huntsville sponsored by the Indian Lake Lions Club.

Kriste and her pony, Queenie, won the Pleasure Pony class in that show this year, and the rotating trophy pictured above with her. The trophy, named the Pinky Herren Rotating Memorial Trophy is as tall as she is. Kriste, her dad and mom, Keith and Dianne, and brother Bobby, all showed in the Huntsville competition, but Kriste came home the only winner. "They not only rotate the trophy between winners each year, but each year the trophy goes to the winner in a different class," she explains.

MR. ADVERTISER — People buy newspapers because they want them. Junk mailers and "trash" tossed on your lawn are irritating. So, why not offer your bargains to people who want them?

She'll have to give it up next Monday at the annual Labor Day Horse Show at Huntsville sponsored by the Indian Lake Lions Club. Kriste just turned 13 Tuesday.

Grain Marketing Outlook Meeting Is at Marion OSU

Outlook for grain prices during 1979-80 will be discussed by Dr. John Sharp, extension economist, The Ohio State University, at an afternoon meeting on Tuesday, Sept. 11. The program will be held at the Marion branch of OSU, located on SR 95 at the east edge of Marion, from 1-4 p.m.

Topics will include production projections for grain crops in the United States and abroad, supply and demand factors affecting grain prices and alternative marketing strategies under varying conditions.

During 1976-77, Dr. Sharp taught a grain marketing school at Marion OSU for over 200 farmers in the area. This program is an update for that school; however, all interested persons are welcome to attend, according to Robert D. Fleming, MG Gilead area extension agent, farm management, and L. Robert Irvin, county extension agent, agriculture.

We were all very sorry about the accident of Roger Wilson, age 19, at the home of Mr. and Mrs. Jack Backora on S. 3B's & K Rd. He started to burn a brush pile, throwing gasoline on it and then lit a match. The flame back at him, burning his face, whiskers, hands and arms. He ran in to take a cold shower. Mrs. Hoover, next door, called the emergency squad and they took him to Grady Memorial Hospital. He is improving. The Backoras were shopping and nobody else was home.

Mr. and Mrs. Melvin Green and Mr. and Mrs. Robert Fling of Centerburg went to Lima on Thursday to see Melvin's sister and brother. They went out to lunch with his brother, James Green. He told them that Melvin's sister, Flossie Hunt, was in St. Rita's Hospital and had surgery for a broken hip. Hope Mary Green's foot improves so she will be able to get her shoe on and walk.

Mildred Griffith planned a surprise birthday party for Max Griffith at his home in Marion on Friday evening. Mildred, Max and John Bailey of Philadelphia, Pa., went out to eat and returned home. Soon to arrive were Mr. and Mrs. Henry Hansen, Carla and Darla Frakes, Ora Wood, Lois Ramsey, Mr. and Mrs. Tom Davis and Zack, Mrs. Dave Baurle, Shane and Marnie, Elise Sulvely and Mr. and Mrs. Bill Shively and Sarah Beth.

Wednesday luncheon guests of Mr. and Mrs. Donald Ross to honor her aunt, Connie Nutter, and Mr. and Mrs. Eugene (uncle) Nutter of Atlanta, Ga., were daughter, Susan Nutter who is going on to Indiana University, son, Wayne, Lowell Nutter and Rick and Melody Ross.

On Wednesday, Mr. and Mrs. Ron Gooding were hosts for a

supper for Connie Nutter and the Eugene Nutters. Others attending were Mr. and Mrs. Donald Ross, Rick and Melody, Lowell Nutter, Mr. and Mrs. Glenn Nutter, Mr. and Mrs. Dave Ray and two children and Larry Nutter.

The Eugene Nutters have been staying at Mrs. Carl Hansen's in Westerville, and on Tuesday night they stayed with Mr. and Mrs. Wendell Nutter. They all left for home on Friday.

Mr. and Mrs. Ron Bricker entertained Mr. and Mrs. Richard Bricker of Cleveland and Mrs. David L. Taylor on Sunday to celebrate Amy's 9th birthday. Mr. and Mrs. Charles Hall had a cookout Monday evening for Mr. and Mrs. Bob Canagall, Mr. and Mrs. Roy Dolin, Mr. and Mrs. Eldon Schoenleber, Mr. and Mrs. Ted Jaycox, Mr. and Mrs. Ronald Jaycox, Mr. and Mrs. Jack Price, Mr. and Mrs. Harlan Showers, Carol Hall and Randy Hughes.

Rev. Don Newland of Sunbury United Methodist Church, Rev. Max Powell of Galena United Methodist Church and Rev. Dennis Rinehart of Rural Chapel United Methodist Church are coordinating and are resource persons in the rural ministers' training program. Ed and I were one of those interviewed.

MYF of Rural Chapel church held a corn roast and sandwich bar in back of the Cheshire Market on Saturday, Sunday and Monday. From the amount of cars, trailers, boats, etc., around that area they should have been very busy and I guess they were.

Visitors of Mr. and Mrs. David Howard on Thursday were Mrs. Douglas Ricca, Les and Kara from Oak Harbor. Laura Howard is spending this week with her grandparents.

Mr. and Mrs. Denney Fisher announce the birth of a son last week. They named him James Paul Fisher.

Denise Davenport of Findlay spent a few days last week with his aunt and uncle, Mr. and Mrs. Ralph Monk.

Florence Tagg has been spending the past two weeks in Findlay. She is trying to straighten out with the Social Security Administration that she still is living! The post office sent back one check saying she had died!

Mr. and Mrs. Jim Rogers have been to Las Vegas, Nev., and Dorothy Rogers has been with Christy and Cathy.

Florence McNamara Darenkamp is leaving Wednesday for her home in Cincinnati after spending the summer with her brothers, T. Ed McNamara and Paul McNamara. She said she could not wait for her birthday here, since she had three parties for her in Cincinnati and she is on the entertainment committee for senior citizens.

Happy birthday wishes are on Wednesday for my mother's, Edna Shade, 95 or 96. Also on that day are her granddaughters.

Rachael Gooding's and Gail Vance's birthdays. Davy Sherman will be five years old, Jimmy Heda will be two years old on Friday and Marie Wilson's is on Thursday.

We are happy to report that Donald Girberd was dismissed from Grady this past week. Annabel Angel was able to be home again on Sunday. She had received another blood transfusion.

I am sure Jo Lee would be happy to hear from people in the community for she will be in Riverside Methodist Hospital for some time, room number 2012.

Well, Ed and I went to Delaware on Friday afternoon. We took the family out to eat for Virginia's and Dick's 25th wedding anniversary. They seemed very happy to see us as this is the first time we have been up since May 6, at the time of Melvin Heilig's death. We came back Sunday morning, stopping at a muskmelon farm and buying a bushel. So far, they've all been very good. We'll ball some of them and put on a flat pan to freeze and then package. We like them very much. Do not let them thaw too much or they are not as good. We have been fixing corn, marrowfat beans and red kidney beans, so we are busy.

Wesleyan Church Plans Revival For Next Week

Rev. G. R. Bateman, Sunbury Wesleyan Church at Harrison and Otis Sts., plans a revival on Sept. 10-16, 7 p.m., with Rev. G. R. Bateman of Chesterfield, In., as general evangelist.

Rev. Cedric Wilson, pastor, and the congregation extend an invitation to all to attend.

I will be back in my shop Sept. 12 for my standing appointments only.
