

BW Homecoming Is Friday Night

It's getting cold outside, so it must be time for Big Walnut's annual fall football homecoming. Student Council and cheerleaders begin activities this evening (Thursday) with a bonfire set for 7:00 p.m. at the high school. Cookies and cider will be available throughout the event.

The Alumni Band has also scheduled a practice for tonight (Thursday) at 7:00 p.m. and will meet Friday at 8:00 p.m., both in the high school bandroom. Those

still wishing to participate can contact Valerie Bower Hamill at 476-6596.

Friday has also been declared "Red and Gold Day," according to Craig Prim, Student Council president. Results of the week-long door decorating contest will be announced as well.

The BW Athletic Boosters will begin their second year of having box chicken dinner by serving from the new concession building at 5:30 p.m. A full menu appears elsewhere in The News.

A pom-pom will be awarded to the first 400 fans that enter the game, adds Donna Evans, cheerleader advisor. She promises more surprises and advises to "arrive early."

As for the formal homecoming festivities, junior class queen candidates include Joy Hale, Laura Burkhardt and Anne Grumney.

Joining that trio are Pam Wentz, senior attendant; Gretchen Ambrose, sophomore attendant; and Lisa Burkhardt, freshman attendant.

The high school and alumni marching groups will unite for pre-game and halftime pageantry. The former includes "Fanfare," "The National Anthem" and "Tunnel Entrance" and the latter will present "Oldies But Goodies."

Saturday night brings the "Elite Exposure Dance featuring Modern Art" that will run from 8:30 until 11:30 p.m. in the high school gym.

Disc jockey will be Music King, which has a screen that projects videos to each song. Cost is \$3.00 tag (single) and \$5.00 drag (couple).

"We've been working on it since school started," said Prim of the many hours putting the homecoming project together. "If the students get involved, it will be fun."

Newest Councilman, Larry Butterfield

Sunbury's newest councilman, Larry Butterfield, 47, of 310 Greenbrier Rd., was sworn in after being elected to fill the vacancy left by Park Mayhew at council's Sept. 21 meeting.

Butterfield, who has been employed as a lineerman for Columbus Southern Power Co. for 28-plus years, says he's done electrical work around the village "for the past 10 years" and adds that gives him insight into the village operations.

"I know most of the village employees, and I've worked with all departments, so I know most all facets of the village's operations," he says.

Larry most recently served on the village's Board of Public Affairs before resigning from that post in August. He's lived on Greenbrier since 1971, and adds he's been active in the community and village for most of the last 25 years.

Butterfield says he hopes to work with the water dept. to "see the village's water situation through. I've been on the Board of Public Affairs, and I hope to work from

this (council's) point of view to make decisions between the two go more smoothly."

Larry collects books on "all facets of warfare" as his main hobby. "I'm a history buff, specializing in World War II and after. I'm especially a fanatic about anything to do with airplanes."

Butterfield says he also likes auto racing as his other main hobby.

Larry's wife, Sue, works as deputy registrar for the local Bureau of Motor Vehicles office. Son, Jeff, lives in Columbus while son, Mark, is just in the process of moving back home.

Daughter Vicki, and her husband, Bobby Baker, have given the Butterfields two grandchildren, Lindsey, 5, and Lauren, 2, and they all live at 200 Rainbow Ave.

"I've been involved with and seen much in the village government over the years. I don't know whether that's good or bad," Larry philosophizes. "I guess we'll find out."

Council Moves to Lower Old 3C Speed

Sunbury council last week instructed solicitor Keith Boger to draw up an ordinance to have the speed limit reduced along S. Old 3C where an 11-year-old girl was killed and to request the county to follow suit.

Council also approved a rezoning resolution for the Village Center property at 62 E. Cherry St., and discussed committee reports about town hall work, the cemetery, a village engineer and part-time administrative consultant.

Councilman Len Weatherby, who lives along the stretch of Old 3C where the 11-year-old girl was struck by a car last month, introduced the motion to have Boger draw up the speed limit ordinance. Weatherby's motion followed Boger's explanation that he feels that section of roadway qualifies for a 25 mph limit as it "would appear that it would be a through street as defined by statute."

Boger pointed out the problem is that at present, from about Letts Ave. south to the curve just past the Gill property, the road is a county road, before re-entering the village from that curve on south to past Southview Dr. As a county road, the speed limit is 55 mph if not posted otherwise, then drops to the 35 which is presently posted at the curve.

The solicitor said council can send a request on to the county engineer's office, which in turn will send it on to the Ohio Dept. of Transportation, to set a new, lower speed along that section in the county. Meanwhile, Weatherby's motion requests the reduction of the speed in the designated village areas to be 25 mph. All councilmen present agreed with Weatherby's motion.

Councilman Roy Janson explained his committee had met with engineer Bill Vaughn of Stults & Assoc. to look at the structural problems on the second floor of the town hall. Weatherby is also on that committee.

Janson said Vaughn could install a monitoring device where the floor seems to be settling to report it on a regular basis. "There's no question there is a

problem. We can either have the number of years and pointed to the Fawn Druggan trust, which is being used for maintenance of the property, as a possible money source to have the bed rock removed."

Councilman Ted Forman pointed out the work at the cemetery could become a major decision, especially when weighed against the purchase of additional land elsewhere for cemetery expansion. Sparks and Mayor Dan Conant are to talk to Druggan trustee Carleton Burrer regarding the trust and possible money from it for the project.

Mayor Conant reported the committee studying whether the village can hire a part-time administrative consultant has talked with former Westerville

BW Plans Open House on Bond Issue

An Open House set for next Saturday, Oct. 22 for the purpose of discussing the \$16.5 million bond levy on the Nov. 8 ballot, was announced by Superintendent Carl Martin at Monday's Big Walnut Board of Education meeting.

The Open House, to be held from 2:00-4:00 p.m., is open to the community. Ohio Company, Huntington Bank, and Delaware County Bank, the three banks financing the bonds, will be available to discuss and answer questions. Architects and asbestos consultants will also be on hand to discuss proposed plans.

The board also approved the filing of a resolution of necessity for another bond issue to be put on the February ballot in case the current one fails next time. This is essentially an insurance policy," Martin notes. He ex-

plains the deadline for filing a resolution for February's ballot is Oct. 20. The board is making sure they meet this deadline in case the current bond levy does not pass, says Martin.

Martin also noted that their federally required asbestos management plan, handled by Chrysalis Inc., was completed and would meet this Wednesday's 3:00 p.m. deadline. Martin explains the plan must be re-written once every three years, which involves re-inspecting, re-testing, re-writing, and training of maintenance and custodial staff.

Martin says most of Big Walnut's asbestos is located in the high school and intermediate. However, while he says there is still more to do, he comments, "We're in pretty good shape, really."

Four asbestos has been maintained.

Also Monday night, the board accepted the resignation of agriculture teacher Steve Gratz. Gratz accepted a position with the State Department, the department of vocational agriculture, according to Martin. Hardy Hale was granted a one year limited contract, along with ten days extended service, as his replacement.

The board accepted the resignation of Jean Scott, second grade teacher at Hylen Sorters. Martin says Scott's husband, who works for the FBI, has been transferred to Winchester, Va. Her last day will be Friday, Oct. 28. Cynthia Whitney was approved as her replacement.

Julie Chance was granted a one year limited contract as a 5th grade tutor. Margot Eves was granted a release for transportation to Westerville City School.

The following contracts were adjusted by faculty who completed additional course work during the summer: Luvena Spires, from BA to MA; Delores Erickson, from BA to BA+; Judy Fisher, from BA to BA+; Linda Bell, from BA to BA+; and Mary Stamm, from BA to BA+.

The board also approved the transfer of funds from the general fund, \$500.00 was transferred to the Drug Free Fund, and \$1,491.00 was transferred to the Chapter Fund.

Money was also transferred from the general fund to establish two new funds. A total of \$1,166 went to the Memorial Health Grant Fund, while \$232,600.00 went to the Employment Health Benefit Fund.

A total of \$570.40 was transferred from the FBFA Fund to the Principal Fund at the high school.

County Raises Dog Tag Fees

County commissioners Tuesday approved a resolution raising dog tag and kennel license fees effective with the new tag year, 1990. Dog tags will now cost \$6.00 each in Delaware County, while kennel licenses will be \$30.00 each. The kennel license includes tags for five dogs, and additional tags may be purchased for \$1.00 each in conjunction with it.

KYM 4-Hers Take Trophies At Delaware Fair

Editor's Note: The following story is about Delaware County Fair winners whom The News missed in its reports this year. We regret the omissions, and ask that any other area fair winners let us know or bring in your results, too.

KYM 4-H Club members won several of the trophies during the Dairy Goat Show at this year's Delaware County Junior Fair, according to the club's advisor, Nancy Hale.

Michael Takatch won the senior showmanship honors, as well as trophies for the Best Toggenberg goat, Best Dry Toggenberg, and Best Dry goat. Junior showmanship trophy went to fellow KYM'er Kelli Colvin.

Amy Duncan won the first place rosette for the Novelties class, and Nissa Johnson won the trophy for the Best Alpine goat in the show.

Ambroses Host Italian Exchange Student

By Kay Harris

"Oh my God. I'm in the United States!" was all Stephanie Cagnoni of Vimerate, Italy, could think when she first stepped off the plane and onto American soil about two months ago.

Stephanie, an exchange student at Big Walnut High School, arrived in mid-August and is staying with Eddie and Karen Ambrose, 5021 Plantation Rd., Sunbury. While Stephanie has no brothers and sisters at home, she joins a full house here. The Ambroses have two daughters, Renee, 21, and Gretchen, 15, and a son, Toby, 10.

Stephanie came to the states through the E. F. Foundation, an organization which arranges international study programs. She is 17 years old and is enrolled as a junior.

Her home town is located in the northern part of Italy, near the city of Milano. While she explains she lives in a country setting in

some differences in culture. One observation is that Americans are more social than Italians. "Here, everyone says 'Hi'... How ya doin'...," she notes. "They're all so nice."

As for the family unit? "They're very close here," she comments. "They do everything together." Contrasting this to her view of an Italian family, she gives an example of a Sunday morning at home. The parents may say, "We're going to church. Do you want to come?" And we (kids) may say "Bye-Bye. We're going to the disco."

She mentions some differences in "teen life" as well. She explains that teenagers here seem to "get together" more, where as in Italy, they keep more to themselves. Also, she says teenagers in her country are not allowed to drive until age 18. At 18, one may then buy a small car. At 21, one may then buy a big car, she says.

With notebook and books open in front of her on the table, and pen in hand, Stephanie describes the differences between school systems. "In Italy, we have to study a lot, not like here," she says. Actually though, Stephanie says she thinks one learns more in the states because students have set assignments and know what is expected of them. In Italy, she says, the work load is extreme and unpredictable, she says.

While she reports she is a soccer player, Stephanie says she decided against playing while at Big Walnut since she needs the time to study. She notes that because she is still learning the language, it takes her longer to do her work. Laughing, she explains, "For them (other students), it takes two hours. For me... four hours."

So far, Stephanie has briefly visited Chicago, Ill., and Toledo, And she jokingly says she saw glimpses of New York City, N.Y. and Detroit, Mich., but only through the window of the plane. Future plans include a skiing trip to Colorado during Christmas vacation, and a trip to Florida during Easter vacation.

While she says she realizes she is a long way from home, she has not been too homesick. She says her parents plan to visit in March.

However, she comments that being so far away has taught her to appreciate her family and her home. "I think while I'm here," she says, "I can really understand that I love my parents

and (love) everything..." Stephanie will be with the Ambrose family until next June.

Sunbury Clerk Jean Lehrke reports The News erred last week in reporting the awarding of the village's insurance package at council two weeks ago.

Jean points out council entered a one-year contract with Whitney Insurance, Sunbury, for the insurance, not a three-year pact as reported. "We entered a new contract each year for insurance. I don't know why, but we only have to advertise for bids on it every third year," she explains.

TV 4 Anchorman Plugs United Way at Grief Bros. Luncheon

TV Channel 4 news anchorman Doug Adair told representatives of business and industry "there's nothing like the United Way that reaches as many people, and does so much for them" as he talked before the annual Grief Bros. Corporation Luncheon Thursday at the Methodist Theological School.

Adair is pictured above, center right, with some of the key personnel in this year's Delaware county United Way campaign.

and Grief Bros. chief executive officer, John Dempsey, right, who hosted the event.

Next to Adair is this year's United Way president Jan Mills, of Sunbury, while BW Inter-mediate principal Steve Butler, one of the co-chairmen of the campaign, is left of her. And, Sylvia Gensler, Galena, executive director of the United Way in Delaware county, is to the left in the picture.

Adair had been quite active in the United Way Campaign in Cleveland, prior to coming to TV 4 in 1983. He said one facet of that campaign is a door-to-door drive, wherein solicitors go "right into people's homes to get the message across."

Adair pointed out one of the United Way's "greatest advantages" is its greatest disadvantage, "in that people don't go to the United Way for help, but to its member agencies. You go to Red Cross or to Boy Scouts" to get the services which the United Way campaign helps finance, he added.

enough, people will get the idea what we're trying to do and it won't be as difficult to wrap it all up together."

Adair said he has an idea for a one-minute promo to represent all United Ways in the Central Ohio area, "each is now competing against the others it seems." He also threw out an idea for a "United Way telenovela" to wrap up the campaign, as a means of reaching those we haven't otherwise reached."

Adair also reminded those attending the luncheon "We've got to remind our volunteers how valuable they are" and he continued, campaign workers need to "sell the need to people. When you do, they can be extremely generous."

Adair concluded his comments by reciting a poem which he said, "feels is what United Way stands for: 'giving love'."

Campaign chairman Butler reminded those present that this year's goal is \$553,536, and he pointed out the theme is "Help Others Celebrate Life... the United Way."

out for it before our next council meeting on the 19th of October. The building, he and Millem explained, would also be built along the west bank of the playground area between the Lions' community building and what currently serves as the concession stand for the ball field.

In other business, Mayor Conant introduced a petition signed by 11 property owners, asking for an alley running west of McGill St. along the rear property lines of owners on High and Case Sts. Solicitor Boger said the petition would have to be checked to make sure all property owners affected are included before going on to the council.

Mayor Conant appointed Councilman Butterfield to be the village representative on the BSA Fire board.

And, Big Walnut Supt. Carl Martin gave council a presentation on the school's \$18.5 million bond issue on the November ballot, including initial drawings for a new high school building on the west end of the current school. Martin pointed out the school will be hosting an Open House Oct. 23, 24 p.m. to give residents the chance to speak with bank financial advisors, asbestos consultants, and architects, concerning work to be done with the bond issue money.

Funeral for Marengo Wreck Victim, Jo Dee Farmer, Is Thursday

WRITER STRESSES PRESENT SCHOOL FACILITIES FAIL TO MEET NEEDS

Dear Editor:

When Big Walnut High School was built in the early 1960's, it adequately met the needs of the time. In the late 1980's, the present high school facility is not adequately meeting the educational needs of our students and community. The laboratory facilities for science, art, home economics, computer programming, business, vocational agriculture and industrial arts do not enable the staff to deliver the curriculum as effectively as we would like. The bandroom, the gymnasium, the library, and the cafeteria are too small to meet the demands of an increasing enrollment, and expanding curricular and extra-curricular programs. The lack of an auditorium does not permit the drama and musical productions to be presented in the appropriate environment.

In addition to the above concerns, other facility problems that need to be addressed include asbestos removal, limited storage area, inadequate parking space, and the condition of the extra-curricular facilities.

In the spring of 1987, Big Walnut High School was evaluated by the North Central Association of Secondary Schools and Colleges. The evaluation involved a team of outside educators and community people who evaluated the educational program and facility of Big Walnut High School. The final report was very complimentary of the education offered to the students considering the conditions under which the educators had to function. The single most glaring deficiency expressed by the evaluation team was the inadequacy of the facility. It was their belief that either a new or improved facility would result in improved educational opportunities for the students.

In the final analysis, there are at least four factors to consider as one contemplates the possibility of a new high school. One, our enrollment is increasing, thus, causing the present structure to burst at the seams. Two, the Ohio State Department of Education is continually mandating the teaching of certain courses. We all agree that they should be taught but it is becoming increasingly difficult to find places to schedule them. For example, over the past several years, high schools have been mandated to teach biology, economics, CPR, and to offer minimum number of courses in areas such as math, science, social studies, English, foreign language, and the arts. Just recently all high schools have been required to teach, in our courses, the following topics: civics, education, citizenship, human relations education, multicultural education, energy and resource conservation, and instruction in study skills. Three, today's educational process is more technologically and sophisticated than in previous years. By the infusion of the computer and other high-tech audio-visual equipment, the learning process has been modified greatly. Some aspects of the facility are not adaptable to this new technology. An example is the lack of space and adequate electrical wiring for a computer laboratory. The final and most important issue to consider is that our kids deserve the best education that we can possibly offer. A good education is the foundation for a morally sound, self-reliant, and strong community and society. Our kids should have the opportunity to realize their fullest potential, and then to direct their own lives toward a stronger community.

Sincerely,
Charles E. Workman
Principal

Missions Dinner
Morgansboro for Missions Dinner will take place at the Centerburg United Methodist Church this Saturday. Serving begins at 4:30 p.m. and continues until 7:00 p.m. The ad says there will be a big assortment of meats, vegetables, salads and desserts.

CROP Walk
It's a first for the Big Walnut community. The CROP Walk will begin Thursday morning at the Evangelical Lutheran Church on Meredith State Road this Sunday. The approximate five-mile walk is from 1:30 to 4:00 p.m. Registration will be from 1:00 to 2:00 p.m.

One To Another
There were 130 volunteers last Thursday when the American Red Cross Bloodmobile visited Sunbury. Sixteen of these were first-time donors, 40 were walk-ins and 115 donors were productive. Twenty-three of the donors hadn't given in the last three years. The quota was 130 units of blood. The bloodmobile will be at Sunbury High School on Dec. 1 with a quota of 40 units, and at Sunbury United Methodist Church on April 13. The News appreciates the service in Thursday which was provided by Carol Wierick and Mary Ellen Miller.

Protects Employees
United Telephone Company of Ohio is instituting even stronger safety standards in an effort to protect employees, according to James Palmer, community relations manager at the company. Palmer and cones and extensive training have been implemented in order to assist in making the workplace as safe as possible for employees, he adds.

"We have had situations in the past where some motorists have actually sped up and attempted to see how close they could come to an employee working near a power line."

LEGAL NOTICE

A public hearing will be held by the Berkshire Township Zoning Commission at the Berkshire Township House on Nov. 15, 1988, 8:00 p.m., on a rezoning application for a parcel of land in Berkshire Township. The parcel is that belonging to Flying J, Inc., Brigham, Utah for rezoning 25 acres of northeast corner of Rt. 36 & 37 at I-71, from Agriculture District to Planned Commercial District.

Beggar's Night
Beggar's Night for the villages of Galena and Sunbury is set for Saturday, Oct. 29, from 6:30 to 7:30 p.m. There will be a party at Ruffner Park in Galena beginning at 7:45 p.m. A Children's Halloween Costume Party will be that same night from 7:00 to 9:00 o'clock at the BSA Firehouse in Sunbury. Check the Big Walnut Jaycees' ad in today's News and get busy on those costumes.

Honored On Birthday
Happy belated 90th birthday to Wilma Ward. She was honored with a card shower at the Eastern Star meeting for Tuesday of the week, her birthday. Each member also presented Wilma with a rose. What a nice way to celebrate.

school. And to close out an account, \$2.93 was transferred from the Student Council Fund to the Principal Fund at Hylen School.

Martin also discussed the fundraising drive for Jennifer Slavens, a sophomore at Big Walnut who has Acute Lymphatic Leukemia. Slavens will be traveling to Minnesota for a marrow "cleaning." While insurance will cover medical bills, says Martin, money will still be needed to handle other miscellaneous expenses. See related story in today's News.

Jason Liming Receives Eagle Scout Ranking

Jason Lee Liming

Jason Lee Liming, son of Joe and Nancy Liming of Sunbury, will be recognized as an Eagle Scout at a court of honor at the Galena United Methodist Church this Sunday, Oct. 16.

Jason, a junior at Big Walnut High School, has been active in Scouting since becoming a Cub Scout in 1980 and a Boy Scout in 1983. He is among two percent of the Boy Scouts in the United States, who have met the national B.S.A.'s requirements of earning at least 21 merit badges, showing leadership, and completing a service project for one's school, church, or community.

Jason's Eagle service project consisted of developing four hiking trails at Alum Creek State Park. He worked with naturalist, Darryl Knauss, to develop a plan to map, measure, and time each trail so a park brochure could be printed for use by visitors. The second phase of the project consisted of making markers and posting them on each trail.

LEGAL NOTICE

A public hearing will be held by the Berkshire Township Appeals Board at the Berkshire Township House on Nov. 3, 1988, 8:00 p.m., on a variance application for a parcel of land in Berkshire Township. The parcel is that belonging to Jas. H. Best, 3022 Orange Blossom Lane, Gahanna, OH, a variance of 20 feet at 3481 Rome Corners Rd., west, 30 ft. north of Plum Rd.

BW Soph Needs Marrow Cleansing

Fundraising drive to raise \$10,000 has been established for Jennifer Slavens, 15, a sophomore at Big Walnut High School with Acute Lymphatic Leukemia (ALL), announced assistant principal Gerald Rensel.

Slavens is the daughter of Bill Slavens and Bev Slavens, 3625 Green Cook Rd., Johnston.

She has been battling the illness for the past 26 months and was recently informed that a bone marrow transplant is necessary to sustain life, according to Rensel. Rensel explains that because an attempt to find a perfect marrow match among family members has been unsuccessful, Jennifer will need to undergo a complete marrow "cleansing" in Minneapolis, Minn. He notes the minimum length of stay could be one to two months.

Collected money will be used for airfare, housing expenses while in Minneapolis, and other miscellaneous costs not covered by insurance.

Steve Lisano, senior facilities engineer at G.E. Superabrasives, Bill's place of employment, is heading up the drive at G.E. He has agreed to incorporate both Big Walnut and G.E. donations into a single checking account in Jennifer Slavens' name in the form of a non-tax deductible gift.

Account monies will be distributed on an as-needed basis, with any remaining funds going to a charity designated by the Slavens family.

Contributions may be made to: Steve Lisano, Mail Drop H16, G.E. Superabrasives, P.O. Box 568, Worthington, OH 43085.

THANK YOU NOTE

Thanks to Bev and Bobby Fracasto for purchasing my 1988 Delaware County Fair market lamb. Your support is appreciated very much. Thanks again, Angie Ide

Artist Atwood Shows at Village Gallery

Village Gallery, 25 Vernon St., Sunbury, will present W. James Atwood as featured artist Oct. 10-29.

Atwood resides in Westerville where he paints and teaches art privately. His collection of paintings included in this exhibition are Ohio wildlife, wildflowers and the United States, notes the Gallery.

An evening reception will be held from 6:30-8:30 p.m. Tuesday, Oct. 18.

CARD OF THANKS

Words cannot express how thankful we are for the Sunbury Community. The donations from the merchants, friends and families will help defer medical bills since Keith's diagnosis of Hodgkin's disease. Everyone from our community went out of their way to make our benefit a success, which was greatly appreciated.

A special thanks to all the Sunbury merchants for their kind donations for the auction, the Delaware Amvets Post #104 and Mr. and Mrs. Barry Smith for having the benefit. Mr. and Mrs. George Fuller and families, Mr. and Mrs. Gary Davis and families, for making everything a lot easier and for always being there; Mrs. Jennifer Kuhn, Mrs. Melody George, Mrs. Stephanie Tear, Mrs. Lesli Richardson and Mr. Heidi Baer for working hard at the benefit.

Your love and support will be remembered forever.

Keith, Jona, Kyle Baer

farm scenes.

Atwood belongs to many area art associations, is director of the Ohio State Youth Arts and Crafts Division, and is a committee member for the Westerville Music and Arts Festival.

His work hangs in private and corporate collections throughout the United States, notes the Gallery.

An evening reception will be held from 6:30-8:30 p.m. Tuesday, Oct. 18.

Memory Makers Discuss Children With Counselors

Memory Makers CCL held their Oct. 4 meeting at the home of Debbie Jackson, with Gale Koehler acting as co-hostess, reports Debbie Jackson.

According to Jackson, Cindy Lytle, Cathy Alexander, and Jean Forsythe of Concord Counseling Services were guest speakers. Topics discussed were the building of children's self-esteem and stress in children.

Jackson reports 16 members attended, along with two guests, Charlene Kuhn and Alice Newman.

Marcia Seitz won the early bird gift. Robin Hagelberg won the mystery gift.

The next meeting will be held Nov. 8 at the home of Jean Purovski. Co-hostess will be Jody Daily.

Jackson reminds members to bring food for P.I.N.

BOYS SOCCER...

Blank BV, End Streak

by Bob Kennedy

Big Walnut's soccer team broke its seven-game losing streak this past Monday, beating

CROSS COUNTRY...

BW Boys Win 2 Dual Meets

by Steve Kessler

Big Walnut's boys cross country team took first place honors in two separately scored dual meets Tuesday afternoon. Running in windy, arctic-like conditions at the high school, the Eagles defeated Buckeye Valley 17-43 and Highland 23-37. The reason for the split scores is due to a new Central Buckeye League rule that went in effect this season. All dual meets are worth one point and count toward the overall championship. Jim Weber was the winner as he completed the 5,000-kilometer or 3.1 mile high course in 17 minutes, 46 seconds.

Against the Barons, Craig Emrick was second with a time of 18:26. Mike Young was third in 18:38. James Cramer placed fifth with a 17:25 effort. Paul Gillenwater rounded out the scoring by getting sixth in 17:36. Others competing were Brad Brehm, tenth in 20:06; Troy Lambert, 17th in 22:29 and Dwight Souder, 20th in 24:22. BW will be competing in the CBL race Saturday at London Golf Course. Event is scheduled with reserve boys at 9:45, varsity girls at 10:15 and varsity boys at 10:45.

SOFTBALL MEETING

Big Walnut Girls Softball Association will hold its regular monthly meeting next week.

The session is set for Wednesday, Oct. 19 at 7:00 p.m. in the Lions Club Building. That facility is located near the Sunbury Playground of officers and a proposed amendment to the league's constitution will be the topics. The proposed amendment: "Coaches of record and succeeding coaches must be in attendance at no less than four (4) scheduled meetings from August through and including March but excluding December in order to maintain precedence for coaching appointment for the coming year. Any deviation from this article must have executive board approval."

and I think this helped pick up the morale. I hope it stays that way."

The Eagles beat a Buckeye Valley squad still regarded as a club team by their school district, and will be so through an eight-year plan implemented by officials. It's something Caudill is more than disgusted about.

"They, those kids (BV) played their hearts out," he said. "They simply don't get any of the support they deserve. I try and help support them any way I can by putting them on our schedule every year. We enjoy playing each other."

The Eagles fired 30 shots on goal to BV's six. Erich Joseph had only three saves in the net for the winners. Lydy corralled 14 for the guests.

"We played very well," Caudill said. "We finally got the ball in the hole."

Wellington 2, BW 1

"We played good enough to win. We just couldn't get the ball in the hole."

Those are the words Coach Jim Caudill and his Big Walnut soccer team have lived by for seven

games, being repeated after this decision at Wellington last Saturday morning.

The Eagles grabbed a 1-0 halftime lead on Oscar Blesa's first goal of the season three minutes into the match. Blesa, a junior, is a foreign exchange student from Spain. Darin Karbler assisted.

Wellington's hartzler brought the hosts from behind with back-to-back goals to seal the win. The first came on a passing kick at the 10-minute mark, the second on a corner kick two minutes later.

"On that first goal," Caudill said, "our kids thought the ball went out of bounds when it touched the white (side) line. What they didn't know is the referee hadn't blown his whistle, so they (Wellington) came in and kicked the ball home."

"You don't quit on the play until you hear the referee call you off the ball," he went on. "Next to Lexington, Wellington is very big and physical. They had some big, big guys (on their team)."

Dublin 1, BW 0

After a scoreless first half, the Shamrocks scored once in the second 40 minutes to capture this Central Buckeye League win last Wednesday at the high school.

Thompson gave the visitors the only lead they would need with the goal. It enabled them to cash in on their more-than-ample opportunities in the match to score.

Dublin fired 32 shots on goal, nearly twice as many as BW's 17. Hamley had 10 saves for Dublin, Erich Joseph 20 for the Eagles.

"Dublin's speed and ball skills were just a tad quicker than us,"

JIM WEBER/SH SPORTS

AMY CRAGO

Caudill said. "Still, I thought the kids played well."

Caudill announced Sunday night that officials of both Big Walnut and New Albany have agreed to play for the "Eagle Cup" trophy starting next year.

"We both started our programs the same year (1985) and this stimulates our rivalry all the more," Caudill said. "We're excited about it."

GIRLS SOCCER...

Elements, Foe Slow Eagles

by Bob Kennedy

Big Walnut's girls soccer team had to battle a talented opponent, gusty winds, and hops and barley this past Monday in losing 7-3 to Waterson.

"They (Waterson) play on the field behind the (Anheuser Busch) brewery," Coach Charly Monroe said. "With the wind the way it was, it smelled like someone was canning green beans."

Waterson grabbed a quick 3-1 lead at the intermission. Goals by Uritus, Stump and Pfeiffer offset one by Jennifer Christy's breakaway in the first half.

"We were going against the wind in the first half," Monroe said. "There was nothing to break it. It had to be about 40 miles an hour end-to-end."

"The ball kept blowing back at you," she continued. "I think we used up all of our strength in the half and it weakened our game. It was pretty discouraging."

Uritus gave the hosts a 4-1 lead in the second half with her second goal of the match. But BW cut it to 4-3 on two Becky VanArsdale breakaway goals. Waterson then pulled away on goals by Barnum, Haid and Farwick.

The winners took 41 shots against BW's 12. Courtney registered eight saves for Waterson, Lisa Heston 23 for BW.

Dublin 2, BW 1

A late second-half goal carried the Shamrocks to this verdict last

Thursday at Dublin.

Michelle Duffley gave BW a 1-0 lead at 15:15 of the first half with her 10th goal of the season on a pass from Jennifer Christy. Kenderline knotted the match at halftime with a goal near the end of the stanza.

The defenses took over for much of the second half until Vuduris got past BW goalie Lisa Heston with 3:40 left to give Dublin the win.

"It was a very well-played game," Coach Charly Monroe said. "Dublin has a mythical lane attack in their passing pattern, and we did a good job defending that. I feel pretty good about the game."

The Shamrocks had 27 shots on goal compared to BW's 11. Heston recorded 17 saves for the Lady Eagles while Meyer had eight for the hosts.

BW Booster Drive Slated For Nov. 12

Big Walnut Athletic Boosters will hold their annual membership drive on Saturday, Nov. 12.

Dave Prim will direct the canvass, which will take place from 9:00 a.m. until 1:00 p.m.

BW athletes will be going door-to-door to help with the event, adds Prim. Cost is a \$5.00 donation.

GOING STRONG with a 144-YEAR OLD PARTNERSHIP.

It was just 144 years ago when 28 factory workers in Rochdale, England, became partners when they formed the first cooperative.

Today, in the United States, 60,000,000 people are partners at 45,000 different cooperative organizations.

Cooperatives are partnerships that work. They're owned and operated by their members, who each have a vote, and they help their communities thrive because they provide goods and services that benefit everyone.

For example, there are co-ops for electric and telephone service, farm marketing and supply, credit unions, food, and health and day care.

Co-ops come in every size and are found anywhere people need to get things done economically and efficiently. So look for cooperative partners in your community. You can count on them to work hard for everyone's benefit.

You can't go wrong with a 144-year old partnership.

Vans Valley Hosts WGM Missionaries

Rev. and Mrs. John Miller,
missionary evangelists with
World Gospel Mission, will speak
at Vans Valley Community
Church, 1440 E. St. Rt. 37, Sun-
bury, Thursday through Satur-

World Gospel Mission since 1959.
From 1959-65 and 1968-75,
the Millers were on the staff of
WGM's Southwest Indian School.
In 1966, they assisted the
Mission's work in Haiti for one
year. They have served as
missionary evangelists through-
out the United States since 1975.
According to World Gospel
Mission, Johnny is talented on
piano and organ and uses it as a
means to glorify the name of the
Lord.

Peggy is also a musician and a
ventriloquist, and has developed
programs with puppets and
puppet shows, notes World
Gospel. Since 1978, Peggy has
directed the Kids' World
missionary program for children
at WGM's Southwest Indian School,
the International Celebration of
Missions, and in many churches.
The Millers are serving as full-
time evangelists with World
Gospel Mission. World Gospel
comments that their vast
missionary experience helps them
to assist pastors and
churches in missionary services,
planning and/or executing
missionary conventions, holding
Kids' World programs, giving
Gospel concerts, and helping
other missionaries in raising
needed share support and out-
going expenses.

Rev. and Mrs. John Miller -
day, Oct. 20-22, at 7:00 p.m., and
Sunday, Oct. 23, at 10:30 a.m.

Wesleyan Church Screens Video, To Host Revival

Sunbury Wesleyan Church will
host a special showing of
"Distant Thunder" this Sunday
evening, then will host Rev. Don
Haney in revival services all next
week.

Pastor Gerald Davis reports
"Distant Thunder" will be
screened at Sunday evening's
service at 6:00. "I invite every-
one to see this excellent video
dealing with the end-time
events," Rev. Davis says.

Then, Rev. Haney, of Orleans,
In., will lead revival services at
the Wesleyan Church, next Tues-
day through Sunday, Oct. 18-23.
Services will be each evening at
7:00, except on Sunday, when
Rev. Haney will speak at the
10:00 a.m. and 6:00 p.m. services.

Rev. Davis says special music
will be provided by local talent at
each service, and invites every-
one in the Sunbury community to
attend the special services.

Sunbury Wesleyan Church is
located at the corner of Harrison
and Otis Streets, in Sunbury.

Activities of Folks Around New Bethel Community

by Mrs. Carey Glaze

Mr. and Mrs. Robert Lane were honored with a 50th wedding anniversary celebration Sunday afternoon at New Bethel Church. Bob and Wilma enjoyed seeing and visiting with more than one hundred friends and relatives attending their party. They received many lovely gifts and over 100 anniversary cards.

Their special day was planned by their children, Larry and Sharon Lane of Sunbury, Bill and Karen Moody of Fredericktown, and the two grandchildren, Robin and Bart Moody.

This was a great day for Bob and Wilma, and everyone was so glad they were able to enjoy it. Congratulations and best wishes for many more happy anniversary.

The Ladies Friendship Circle will meet Thursday evening, Oct. 13, at 7:30 in the home of Mildred Della Flora, with Fern Glaze as co-hostess.

We wish happy birthdays this week to Charly Carroll, John Foster and Beulah Edwards. Annis Hancock is improving from her illness and was brought home Saturday from the hospital. Mr. and Mrs. Mark Wells enjoyed last week vacationing in the Smoky Mountains of Tennessee. They also spent a few days with the latter's sister and brother-in-law, Mildred and Curtis Reddy, of Lawrenceville, Ga. We wish Mark and Charlene a belated happy first anniversary.

Marguerite Bennett has not been well the past few weeks and is having tests now. We hope she feels better soon.

Sunday afternoon, Gail and Marge Clayton attended the dedication of the new post office at Irwin, and later attended Bob and Wilma Lane's anniversary party.

Sunday morning the Hartford Fire Department was called to put out a chimney fire in the

smaller house owned by Forest Cross. Burt Horn formerly lived here before moving to Sunbury. Wednesday, Mabel Bricker, Ruth Grove, Betty Bishop, and Imogene Boston met in Westerville for lunch. They later called on Annis Hancock in St. Ann's Hospital.

Helen Hunter called Friday evening on Velma and Phil Graves in Columbus. Phil returned home from the hospital that day.

Callers of Bob and Wilma Lane were Forest and Florence Cross, Bernard and Lola Dell Searies, Raphael Bell, Lee and Grace Butler, Thelma Leimberger of Hartwick, Ia., Perah Wetsakoff of Hartwick, Ia., and Marvin Reed of Victor, Ia.

Howard and Verena Warner of

Bradenton, Fl., are spending some time here in Ohio. Cary and Juanita Clark visited her mother, Hazel Evans, at Johnston Thursday evening. Hazel has been ill, but is feeling a little better now. They also called on their daughter, Pat Damron, and family.

Mr. and Mrs. Bill Bishop spent Sunday at the Scioto Fairgrounds near Lucasville.

Roger Bishop sang two songs during the worship service Sunday at the Sunbury Christian Church.

Bob and Rose Ella Grove called Sunday evening on Annis and Clarence Hancock.

4-Year-Old Gardener Grows 'Great Pumpkin'

It's almost as big as she is. Mariah Mazur, four, daughter of Mr. and Mrs. Joseph Mazur, 111 N. Three B's and K Rd., Sunbury, stands beside her giant Jack O'Lantern pumpkin she grew in her grandmother's back yard.

The Jack O'Lantern weighs 105 lbs., measures 34 in. around, and stands 2 ft. high, reports her grandmother, Myrtle Hey, 6765 E. St. Rt. 37, Galena. She says Mariah has other pumpkins that weigh around 25 lbs.

Mariah is a second year gardener and keeps her garden weeded herself, notes her grandmother. She also raised tomatoes, onions, and cabbage, as well as pumpkins. And the end of

summer hasn't stopped her. Where the onions and cabbage grew, she planted turnips and winter radishes.

What are her plans for the pumpkin? Mariah plans to carve him up, put a lighted candle inside, and place him by the lake at her home for neighbors to enjoy this Halloween.

YOUR EYES

By Dr. Brian A. Dittenber

EASING VDT STRAIN

Video Display Terminals (computer screens) are here to stay. Some VDT users experience headaches, burning or itching eyes, and a general feeling of eye strain after working in front of the computer for extended periods.

To ease VDT-induced eye strain, try following this four-point program:

• Adjust viewing angles. The top edge of the screen should be no higher than the operator's eye level, the bottom edge no lower than about 40 degrees below eye level.

• Control glare. Drape or close nearby windows. Nearby lights should not compete with the light from the screen itself. Consider installing screen hoods and anti-glare filters.

• Take 15-minute breaks every hour after strenuous work periods; during less strenuous periods, break for 15 minutes every two hours.

• Consult your optometrist about special lenses. Eyewear with special tints and certain prescriptions are available for VDT users.

Brought to you as a community service by Dr. Brian A. Dittenber, Optometrist, 30 South Vernon Street, Sunbury, Ohio, 965-4671.
