

Chamber Invites All Big Walnut Residents

Everyone who is interested in the Big Walnut community's happenings is invited to attend the Big Walnut Area Chamber of Commerce's first meeting of 1980.

Under new president, Cliff Cook, the meetings are held the last Thursday of each month with January's falling next Thursday, at Mr. Tom's Country Plain's Restaurant.

Residents of Porter, Trenton, Harlem, Genoa, Kingston and Berkshire twps., as well as Galesburg and Sunbury villages, are

urged to attend. All committees need new ideas and more people to help, says Cook.

Committees continued from last year's activities include the planning and development committee, historic sites, civic affairs, doctor program, government/safety, and promotion of the area. Other committees will be considered at this month's meeting, Cook adds.

Chamber meets at 8 p.m. Jan. 31, at Mr. Tom's Restaurant.

JVS Will Install Natural Gas Heat

Delaware JVS Board members voted last Thursday to pursue installing natural gas to replace the currently used propane system.

Board member Louis Hoffman commented, "We're looking at a good investment. We further commented the cost of installing the system would be \$40,600 but the school could save \$27,000 per year on the cost of propane. Superintendent Dr. John Toth explained the board could save money by using 50 to 100 percent natural gas, and noted a propane gas increase in his report to the board.

Dr. Toth reported the increase of 1.71 cents per gallon effective Jan. 1, is only part of the 27.5 percent increase since last August. Dr. Toth further reported this translated to an increase of \$10,240 on the school's annual heating bill.

Board member Robert Whitehead requested the JVS become involved with a veterans educational program, at no cost to the school. He suggested "we strive

to become a certified school for the Veterans Administration."

Dr. Toth said he already has the information from the VA concerning requirements for certification. The board approved the request to become certified.

Board members also agreed to participate in the "Year of the Schools in Ohio" program. Proposed activities include an all-county board of education meeting, teacher of the year awards, and other activities to inform the public on the workings of Ohio schools.

The board approved three bookkeeping measures at the meeting, including amending 1979 appropriations so the calendar year could be closed, advancing money from the general fund so all funds could end the year in the black, as required by law, and transferring funds to the closed accounts include two CETA programs.

The JVS board agreed to pay

Council Takes First Step On New Municipal Building

**TAKES OPTION ON ADJACENT SITE;
PRESENT BUILDING COULD BE DOOMED**

Sunbury Village Council took an option to buy the building next to the municipal building and considered the tearing down of the present building to highlight the events at last Wednesday's regular meeting.

Former Mayor Harold Kintner has agreed to sell the Bob's Barber Shop building to the village for the same price for which he purchased it eleven years ago, \$6500.

The six-month option, for \$1,000, includes provisions that the site must be used in conjunction with the present municipal building for a new structure.

Donna Baranek moved to pass an ordinance accepting the option and Dennis Bell made the second reading.

The suspension of the rules and the ordinance passed 5-1 with Baranek, Bell, Bob Reed, Betty Jo Hayes and Alton Wigton voting yes and Jack Brehm casting the negative vote.

Brehm objected to the fact that the village has only six months to come up with a concrete plan for a new building. "We'll have to build, without knowing where the money is coming from," he said.

Solicitor Peter Manos informed council, "It gives you six months to decide — you are not making a commitment to do anything."

Mayor Jeannette Curran commented, "We have been talking about this for years, let's quit spinning our wheels."

Immediately after the passage of the option ordinance, Mayor Curran asked the approval of council to move into rented trailers to be located on the former used car lot next to the playground.

"The present plan is infeasible. I want to move out, give our workers a decent place to work. I would eventually like to have something to be proud of," she said.

Her suggestion included the renting of two trailers, one for the police department and the other for the village offices and another for the police department and the ground. She estimated the cost at approximately \$200 a month.

"We would be squeezed but we could get along," the mayor added. Larry Edwards, Board of Public Affairs member, commented that he felt it would be obligating the village to build. He asked how the money would be raised.

He answered that there were many options including increasing the income tax, being frugal, and he cited the growth in the village that will be bringing in more money. "I'm not saying any one thing is the answer but we can accomplish it if we work towards this goal," he said.

Edwards suggested knocking it around further and suggested public meetings. Mayor Curran responded that it had been put

Punch-Card Voting Cuts Costs of Local Elections

Delaware county Board of Elections and the political subdivisions of the county which had to pay their shares of this fall's election discovered yet another

benefit of the punch card voting system now operating here.

Director Dorothy Wolford says she finished her year-end reports for the board this week and discovered charge-backs for election expenses are the lowest in some time for an off-year election.

Total charges for the 1979 elections amounted to \$20,702.38, down from \$26,057.85 in 1977, and \$24,944.12 in 1975.

Charge-backs, Mrs. Wolford explains, are the amounts charged back to local political subdivisions to pay for elections in their districts during off-year elections. "On even years such as this (1980), the county will pick up the entire tab for the primary and general election. But in off years, the odd years, we charge costs back to the political subdivisions which actually have candidates and/or issues on the ballot."

Mrs. Wolford says 1979 was the first such charge-back year since the county first started using punch card voting in 1978. "We saved large amounts in payroll categories and the moving of elections equipment, which savings we were able to pass back to the districts which had candidates and issues on the ballot."

Payroll savings came from the fact the precincts, open in this fall's election were able to get along with fewer people manning them. "With the punch-card voting, we didn't need the normal six persons in each precinct, but only four," Dorothy points out.

And, as far as savings in the transporting of the election booths around the county for election day, the punch card booths, as most everyone knows, fit up into a suitcase and are easily transported from one polling place to another, unlike the cumbersome metal frame and cloth booths of old.

The three charge-backs represent quite a difference from elections of previous years, Mrs. Wolford concludes. "We know the political subdivisions having to foot the bills are glad to see that."

Ninth Person Indicted Nov. 15 Turns Himself In

Number nine of the ten persons indicted secretly Nov. 15 by the Delaware county grand jury turned himself in last Thursday.

Christopher Lilburn, 21, of Miami, Fla., pled not guilty to one count of engaging in organized crime and is free on \$25,000 cash bond awaiting his next court appearance.

Lilburn apparently turned himself in to Columbus authorities and then appeared in Delaware court late Thursday afternoon. Lilburn is the ninth of the ten persons secretly indicted Nov. 15 by the Delaware grand jury and charged in connection with an alleged drug ring operating out of county homes.

Two others indicted at the same time and arrested last Wednesday in Florida are apparently fighting extradition proceedings to bring them back to the county to face charges against them. James Homanie, Jr., 30, of 1924 Worthington Rd., Westerville, and Guy Robert Moffatt, 31, formerly of an S.W. 521 address, are both in jail in Sarasota, without bond. Both men face four charges of trafficking in marijuana as well as one charge of engaging in organized crime. Extradition proceedings are in progress on both between the governor's offices of the two states.

Thefts Reported At Two House Sites

Thefts were reported at two house construction sites in the area this week.

Ken Long, 4227 Worthington Rd., told Dep. John Fox a \$200 space heater was taken from a house he's building at 4281 Worthington Rd. over the weekend.

And, Dan L. Smith, Columbus, building a home at 6144 Hoshure Rd., reported the theft of six glass windows and two metal doors sometime last Wednesday night. He told Dep. Fox the materials were valued at \$2,500.

Olentangy Superintendent Announces Retirement July 31

Superintendent with the longest tenure in the history of Olentangy Local Schools, Dr. D. Belville, announced he will retire July 31.

Belville, after 34 years in the teaching profession and ten years as superintendent at Olentangy, says he will take time for awhile with plans for gardening, fishing and hunting.

Belville began his teaching career after graduating from Ohio Wesleyan University in 1946. Those first years, he worked as athletic director and coach for all sports in a small Ohio county school.

He took his first administrative position at Mechanicsburg where he was principal in both the high school and junior high, as well as basketball coach. He then moved into his first superintendent's post at Mount Sterling.

Supt. Belville served two years at Fairfield School for Boys in between his superintendencies at Fairfield Union and Northmor, in Morrow county, where he was the five years prior to coming to Olentangy in 1970.

Marriage Licenses Now Cost \$21

It costs more to get married in Delaware county this week as the Probate Court increased the fees for a marriage license to \$21.

Probate Court increased the license effective Friday to be in step with a new state law passed last year. "Previously, licenses here cost \$11.00."

The new law provides for a fund for battered and abused women, according to Probate deputy Phyllis Draper, and the increase will go into that fund from each license issued. Mrs. Draper reports the Probate Court reached 50th marriage licenses in 1979, the first time for the local court to reach that mark. "The new high mark ends a two-year drought in which new licenses issued in this county dropped to just 41 last year."

Mrs. Draper reports 479 marriage licenses were issued in 1977, but the previous high of 495 licenses issued was reached during the Bicentennial year, 1976.

IN CLERK OF COURTS OFFICE

Support, Legal Fees Offset Title Slowdown

Delaware county Clerk of Courts, office continues its growth in collections and disbursements as the office again collected nearly a million dollars more in 1979 than it did in 1978.

Clerk Betty Porter notes the past year's business did show a decline in the number of court titles issued, but increases in child support and alimony collections and in legal department fees and costs more than offset that decline.

Clerk's office collected a total of \$1,273,302 in 1979, up from \$1,056,593 in 1978, and \$2,804,

492 in 1977. Taxes collected on car titles and boat titles continued to be the largest of the three major functions of the office, even though those collections totalled \$56,000 less than a year ago. In 1979, the Clerk's office collected \$1,631,881, compared to \$1,732,648 in 1978.

Auto titles issued dropped about 10% in 1979, to 20,869, while boat titles issued showed enough to merit a separate category on Clerk Porter's yearly report. "Always before, we haven't had enough boat titles to break them out separately from the car titles, but this year we issued 993 boat titles," Mrs. Porter says.

But the increase in support and alimony of just over \$220,000, and the increase of about \$51,000 in legal fees and court costs collected, more than offset the decline in title taxes. In 1979, the Clerk's office collected \$1,354,845 in support and alimony, and \$226,575 in legal fees.

Large rise in the support debt stems from the fact there are about 160 more persons paying into the debt, in 1979 than in 1978. (Continued on Page 2)

THOUGHT FOR THE WEEK

By Richard DeVore
It has been said that, "Human nature being what it is does not change." True? Absolutely not! To those that claim, "Human nature never changes", it is fair to reply, "It is human nature to change itself!"
There have been people down through history who HAVE changed the direction of their lives. They have come to a moment in life when they said, "From here on out I intend to alter my ways, to change my course of living."
Before we give up all hope in man changing, before we throw our weight to those who do not give man the benefit of the doubt, should we not remember the twice-born men, like Paul, who changed the course of their lives?
The power of God on the human heart can change a person's habits, impulses, and tastes. The important fact is that religion can take men where it finds them and change them into what God wants them to be.
God wants men who are weak, for in him they become strong. God wants men who are afraid, for if they let Him, he can make them men of courage. God wants men who are profane, for when they gamble their lives on Him they become men of great praise. In short, God wants you!

I had gone downtown shopping and got on the elevator at the first floor of a department store and as it rose upward rapidly, I became very frightened. I reached over and clutched the arm of the person standing next to me. When it stopped at the next floor, I

January meeting of Tots to Teens CCL was held at the home of Doty Dravenstott. The evening began with a surprise baby shower for Renda Bennett.

Members and guests played several games and then watched Renda open many baby gifts. Punch and a cake, decorated with edible baby booties, was served by the hostess and Sandy Oman, co-hostess.

A short business meeting followed the shower. The film which was scheduled for the program failed to arrive from the state OCCL library. In its place, Sue Butterfield read excerpts from Let Children Be Children by Dr. Joe L. Mini and Dr. Freda S. Kehm. A discussion followed.

During the business meeting, new scouts, Matthew Patocki, Aaron Martin, Scott Ransdale, Ray Sullivan, Ronnie Fuller, Todd Heine and Larry Barnes received their Bobcat badges. Mike Young, Bobby Demorest, Jimmy Weber and John Miller were awarded their Wolf badges and Joe Sutton is now a Bear.

Agency Conference Group

To Discuss Emergency Services

Emergency services will be the topic for discussion at this month's Agency Conference Group meeting, Friday at 12 noon at Asbury United Methodist Church.

Don Fisher, Delaware county disaster coordinator, city of Delaware representatives, Sgt. Bill Smith, Police Dept., Capt. Steve Robinson, Fire Dept. and John Ward, Red Cross, will give brief updates on their present equipment, supplies and man-power status.

They will re-cap disaster policies and state regulations so that all social service agencies will be aware of their responsibilities when and if a major disaster occurs. If you do not know what to do you can very quickly become a part of the problem, said Nancy Frankenberg, ACG coordinator.

The second half of the meeting will be devoted to a discussion of needs of a growing number of persons seeking help with utility bills and rent payments.

In addition to an explanation by the welfare department, CAO (county staff who must follow federal and state regulations, Eugene Lettler of the gas company and John White of the electric company will explain their policies regarding overdue accounts.

Clergy are invited to attend because they are often asked for help and they need to understand the policies of the public aid agency.

Help Anonymous, United Way and Legal Aid will set the stage

for this discussion with the statistics on the number of persons seeking help in December and January because of financial problems created by utility bills and overdue rent payments. Reservations should be made by noon, today. Call the United Way office, 380-9614, or Help Anonymous, 548-7324.

Big Deal...

By Cheryl A. Tuller
Well, friends, they've done it to us again—only bigger! Let's face it—even the most ardent football fan was worn down by the five hours dedicated to Super Bowl XIV.

Super Sunday came off with all the pageantry of the Roman Colosseum—roaring crowds, gladiators in full battle dress and Mr. Rooney riding out in an automated chariot like Caesar. What about all those flash-backs of old games?

I felt like I was watching the old Kung Fu series again. To tell the truth I thought maybe the God of Gladiators would descend from the blimp in fact, the only thing missing was the human sacrifice and I'm not so sure they didn't get that, too. Five hours in front of the tube is a sacrifice to me.

Now I know some of you feel that it was one of the best Super Bowl games ever, and with some ambivalence I will agree. All that pre-game foo-foo gets boring and distracts from the real purpose we're all sitting there for—THE GAME.

Thanks to Pittsburgh and Los Angeles, the game was great. But no thank you to the TV programmers who planned the 2-hour warmup.

IN MEMORIAM

In loving memory of Marshall C. Pittman, who passed away Jan. 27, 1978.

Time speeds on, two years have passed.

Since death hit home, its shadows cast.

Within our homes, where all seemed bright.

God took from us a shining light.

We miss you, and forever will.

Your vacant place there's none to fill.

Many silent thoughts, many secret tears.

Keeps your memory ever dear.

Sadly missed by wife, Ronaldie.

About Galena Area

By Donna Brewer
Tuesday, Jan. 22, the Independent Fundamentals Bible Group had their first meeting of their "Bible Club" at the home of Mrs. Marty Mazzei, 385 Rose St., Galena. This group is for children. Please call 965-2724 for information.

Zoar Rebekah Lodge met Jan. 21 with 14 members present. Pearl Zimmerman gave exquisite, ruby glass crosses to Barb Powell and me for our birthdays. Coffee cake with trick candies was the dessert. A reminder to all members, next meeting the losers of the smile contest will be treating the winners. It's a surprise—just come with a big smile. We want all old members to come and join in the fun.

Bonnie and Randy Matlow had a welcome guest last week. One of Bonnie's childhood friends stopped by. He is in the service stationed in California. He left here to see her parents in Pennsylvania.

Estel Miller and Vi just returned from a principals' conference. They had a wonderful time and Vi has a gorgeous tan to prove it.

Holly, McCaughey Pace Eagles Revenge Over BV

Win by 8 After Losing 1st by 19; Eagles at Dublin, BV Hosts NU Friday

Scoreless in the first period, Jerry Holly and Scott McCaughey bounced back with 17 points apiece here Friday night to pace Big Walnut to a 64-56 win over arch-rival Buckeye Valley.

In beating the Barons for the fourth time in the last five games, Coach Norm Nelson's team gained revenge for a 19-point 68-49 defeat suffered at BV on Dec. 5.

The defeat dropped BV out of a second place tie in the Central Buckeye League and reduced their record to 2-4 while hiking the Eagles' record to 6-5. The Eagles are 9-5 overall while BV is 8-5.

Friday night BW travels to Dublin to take on the 2-9, 2-10

Shamrocks who lost at Marysville 66-61 Friday. In the first game on Dec. 14, BW won 70-67 at Sunbury.

Coach Dick Meyer's team hosts North Union, 5-6, 5-7, a third that handed Bexley their third straight loss by a 63-60 count Friday. BV won at Richwood 62-55 on Dec. 14.

String 11 points in Comeback

McCaughey and Holly had all the points as BW scored 11 straight points at the end of the third period and the opening minutes of the fourth to come from behind and go into the lead for good.

Prior to this outburst, the score had been tied 9 times and

dropped in two free throws for a 58-49 lead.

BW out-scored BV 8-2 in the next minute with Dave Hyatt getting two goals for the Barons, cutting the margin to four points with 45 seconds to go.

However, BV was unable to score again while Barry Fry, who had the two previous free throws, added two more and a field goal to make the final margin 11 points.

Eagles Top Statistics

Big Walnut led all statistics in the game, shooting from the floor and foul line, rebounds, turnovers and OER.

Finishing with 6 of 7 in the fourth period, BW totaled 22 of 46 for 48% from the field while BV was 10 of 43 for 23%. At the line, BW was 20 of 28 for 71.4% and BV 16 of 24 for 66.7%. 20 personals were called on BW and 21 on BV.

Bill Buckley led BV with 8 of 13 and 2 of 2 at the line; Hyatt hit 2 of 3 and 8 of 10 for his 12 points. Mike Richards was 3 of 5 and 4 of 7 for 10 points; and Ray Fuller 3 of 7 and 1 of 5 for 7 points.

Bart Miller, who scored 15 points in the first meeting of the two teams, sat out this one due to disciplinary action.

Phil Meir Steals Ball With Authority

Lack of Patriotism At Games Draws Wrath

"That was a big one. I really needed it to improve our confidence," exclaimed a jubilant Norm Nelson after his Eagles had beaten Buckeye Valley Friday night. "Both teams played fairly well, we could have folded several times and didn't. We came back in a closely officiated contest," he continued. Playing without 6'4" junior Bart Miller, Coach Dick Meyer's team was hurt late in the third period when their next biggest man, 6'1" heavyweight Bruce Philliam, fouled out. He fouled BV leader Jerry Holly with 30 seconds to go in this period and Jerry promptly dropped two charity tosses to give BW a 38-38 lead. 17 seconds later Philliam committed his fifth foul and left the game. No doubt this hurt BV, but by the same token, Nelson's Eagles were so charged up for this one, I feel they would have beaten anyone at this stage. They have the ability to play with anyone when they take the notion. It will be interesting to see how they fare from this stage of the season on through the tournaments. The Eagles have won five out of their last six games and have six more before starting tournament action. It will be interesting to see what happens Friday night at Dublin. Remember last season when we played there on Dec. 15 and they thumped us 72-55, breaking our 19-game Central Buckeye League winning streak? The Shamrocks haven't done much so far this season — but, I'll wager a new hat that Norm Rul (the ex-Olemiss coach) will have his team fired for this one. An added factor to the rivalry is the fact that BW grad Ralph Fessel is principal of the school. This game should be another good one."

Coach Bob Parrington's Highland reserve team went to the top of the heap as far as the best record in the area is concerned in taking Crestline and moving their overall mark to 13-1 on the season Friday. They will be involved in what would be termed "the game of the year" Friday when they host co-leading Marion Catholic with five wins in the MOC reserve standings at stake. Both teams are 7-1 in the league. The Scots only defeat coming at Marion by Irish futures losers at Cardington 50-42 on Nov. 30, averaged that defeat Friday night by winning 48-35 on their own floor. Now it is Highland's turn to gain revenge if form is followed. This should be quite a game and we wish both teams lots of luck.

I saw the Big Walnut girls play for the first time this season last Thursday when they went down to Dublin for their first loss of the season. Karen Longshore had a fantastic game with 27 points, but her effort wasn't enough. Everyone tells me I saw the team in what was probably their worst game of the year and this I can understand. (Look at what happened to the Highland varsity last week.) The Eagle girls bounced back to win Monday night against Bexley and tonight play host to a good Jonathan Alder crew. The girls play exciting ball and their 11-1 overall record is the best in the CBL. A good crowd was in attendance at Thursday's game but there were still plenty of seats available. Drop out tonight and watch Coach Tom Peyton's team. You won't be disappointed. While on the subject of crowd, Friday's game here was probably the best attended game in several years, ranking ahead of the Olenyanti contest earlier this month. Here's the Central Buckeye League Standings

getting a lead much higher than 5 points in the first three quarters. BW opened up three-point margins in the first when Mark Forman hit a 10-0 bank and a 1-12 and again when John Kelly made a two-shot foul with 1:07 left.

Buckeye regained the advantage in the second frame and took a 23-21 lead into the locker room on Scott Coonard's rebound with 01. In the third, BV went out to a five-point edge before the Eagles fought back to tie on Kelly's 10-footer at the buzzer.

Kelly displayed his best game of the year by twisting in 10 points and pulling down 2 rebounds. McClary closed with 9 points including 3-4 foul shooting. Scott Low netted 7, Mickey Sheets 4, Lacy 3, Forman 2 and Doug Mitchell 1.

In what has to be a record low for each team, the Barons controlled the glass 13-12. McClary and Sheets hauled in 3 rebounds apiece and Lacy and Low picked off 2. OER rating shows BW with 82 to BV's 95.8.

Each squad was respectable from the foul line, BW shooting 10-16 (62.4%) and Buckeye Valley 12-17 (70.9%). The Eagles missed 20 times for a loss of 22 points while BV lost only 6 points on 9 turnovers.

In field shooting, BW attempted 21 shots and made 13 and the Barons put up 36 shots, canning 17.

Big Walnut slipped to a season record of 4-10 and to 2-9 in the Central Buckeye League. The Barons now have 10-3 and 9-2 marks respectively. The win was also BV's fifth straight.

Schmidt, Linnabary Win at Northwest

Schmidt, Linnabary Congratulate Each Other's Efforts

By Steve Kessler
"It was the first time we've been able to win championships up north," related Big Walnut Coach Ed Foster about two of his wrestlers' performances over the weekend.

Wayne Schmidt and Doug Linnabary captured titles in weight classes 185 and 126 respectively at the prestigious Northwest Tournament Friday and Saturday to highlight action for the local entry.

"Everybody did a tremendous job and after the first round, we came back and wrestled well," stated an elated Foster during a phone conversation Tuesday.

Big Walnut finished with an 8th place in some mighty strong competition. Parkersburg South won with 156 points, Manchester was second (135), followed by Akron Central Hower (116 1/2), Barberton (115 1/2), Northwest (114 1/2), Akron Kenmore (113 1/2), Conner, Ky. (86), BW (76), Ellet (71), Akron Firestone (61), Massillon (40) and Akron Garfield (27).

Schmidt raised his record to an impressive 10-1 with three victories, including one by pin. That came in the opening match against Willis of Manchester who lost in 51. The other two were by decisions, heavy of Parkersburg falling 11-2 in the semi-final and Simonelli of Firestone biting the dust 8-2 in the championship.

Linnabary, who went to 13-7, had the distinction of whipping the first, second and third seeds in his class. Brady of Kenmore was beaten 8-6 in the title bout. Power of Hower was downed 8-5 in the semi and Conley of Firestone was decisively 11-9 in the second match. In Linnabary's first start, he pinned Hester of Conner, Ky. in 1:47. Foster also told The News that he was "pleased with the efforts of (Mark) Gallagher and (Mike) Hicks."

Gallagher, wrestling in 155-lbs., finished fifth by defeating Conks of Manchester 2-0. McNab of Conner vied with 5:19 and by default to Yoder of Massillon. Gallagher's record is now 14-8.

Hicks, performing in heavy weight, pinned Kasunick of Manchester in 56 and gained a 10-2 win over Shaffer of Ellet for his fourth place finish. Hicks posts a 5-9 mark to date.

Big Walnut goes to Akron Hoban this weekend, not as was reported in The News several weeks ago. That tournament will also last for two days, starting at 5:00 Friday afternoon. On Feb. 1 and 2, the Eagles travel to Grandview for the Central Buckeye League championships.

CRESTLINE PULLS SHOCKER 50-41

Bulldogs Bite Swordless Scots

Highland's Eighting Scots, who have pulled off a few major upsets in their illustrious sports history, played a different role Friday night when they traveled to Crestline.

Coach Rock Mazza's Bulldogs, a dormat in the Mid-Ohio Conference since joining it three years ago, played the role of giant killer in knocking off the mighty Scots 50-41, recording their first ever win over the Sparta school.

Crestline had never been able to get closer than 24 points to the Scots, including last year's second game when they went down 50-45, the first meeting of the two teams this year when they lost 82-58 at Sparta, and the second game of the 1977-78 season when Highland won 77-53.

In the other two games in the six-game series, Crestline lost their first game last year 56-61 (1.5 points and Highland's point record last year) and in the second game of the 77-78 they went down by 75 points (100-30).

That 75 point defeat stands today as the all-time Highland spread margin. And, the 105

points is only one off the Scot all-time record of 106. Winning Margin at Foot Line Crestline out-scored Highland 16-10 in the fourth period to win after the end of three quarters of action found the score tied at 34-34.

The Bulldogs achieved their victory margin at the foot line where they out-scored Highland 16-4. The Scots had 20 field goals to 17 for the Bulldogs.

(No other details are available since the game was not reported. The box score was taken from a Columbus newspaper.)

The loss drops Highland into a tie with Cardington for first place in the MOC, both with 7-1 records. Overall the Scots are 12-2. The win lifted Crestline to 2-6 in the league and to 4-8 overall.

Friday the Scots will play at home in the first of three straight Marion Catholic, 4-4 in the league and 6-6 overall will be their guests. The Scots on the first meeting between the two teams at Marion by a 73-63 count.

Last Friday night the Irish played host to Cardington and went down by a whopping 68-35 count. The first Pirate-Irish game at Cardington went to the home team, 98-80.

No game is set Saturday night for Highland. The following week they play host to Centerburg and on Fri., Feb. 1, entertain Cardington.

Dawson Bags Trophy on Next to Last Day

John Dawson of North Old 3-C Highway is shown above displaying the 8-point buck he brought down with arrow while hunting Friday north of Delaware.

The archer is shown above with his son, John, 14, who was hunting with him along with his wife, Linda. The trio spent hours getting the 180-lb. out of the woods to their truck.

This buck is the fifth deer bagged by Dawson (four of them bucks) and the third this season. In the last minutes of the Pennsylv-

vania season he got his first doe. "You might call me a last min- and this one on the next to last ute hunter," he quipped. — News Photo by John Wilsey

Seeger Comes Out of Scramble With Ball

Flying Effort Doesn't Faze Richardson

Goff, Mason, Grandstaff Pace Scot JV's to 13th Win

Shooting 56% from the field and with three players in double figures, Highland's Junior Varsity team won its ninth straight game at Crestline Friday night by a 59-27 count.

In winning, Coach Bob Partington's team kept pace with Marion Catholic, a team it squares off against this Friday night, by increasing its Mid-Ohio Conference record to 7-0 on the year.

Overall, the Scots are now 13-1 on the season while the Irish will be bringing a 7-3 record to Sparta. (Three Irish games are unreported.) Highland has not lost since falling at Marion 35-26 in their fifth game of the season, while the Irish are undefeated in the MOC since going down at Carlington 50-42 in their second game.

The Irish avenged that loss when they downed the Pirates 48-35 at Marion Friday night. A year ago, the Irish tied Fredericktown for the JV title (12-2) while the Scots finished third with a 10-4 mark.

8th Grade Girls Lose by 1 Point

By Steve Kessler
Big Walnut 8th grade girls basketball team upped their record to 4-3 by beating Marysville 30-21 Thursday on the Monarch court.

BW dominated the game much more than the score indicates, according to Coach Jim Pope. This despite the fact that the Eagles got off 56 shots from the field, canning only 15 for 26% shooting.

"An even colder night was experienced from the charity stripe as the girls missed on 17 attemps," Pope informed The News.

Lisa Severance was the top pointmaker with 14, Janell Podersy was next with 8, Trish Schoonover had 6 and Kristi Kintner netted 2.

A cold night from the field and the bonus area proved the difference as Big Walnut's 8th grade girls lost to visiting Jonathan Alder 18-17 Monday.

The defeat evoked Coach Jim Pope's cagers to 4-4 on the season with the Radnor Tournament to be played Feb. 2, 4 and 6.

Janell Podersy led all scorers for both teams with 11 points. Lisa Severance followed with 5 and Kristi Kintner added 1. Four

Out-Score Bulldogs 23-2 in 4th. Highland out-scored the home team 23-2 in the final period to break a close game wide open. Highland led 12-10 at the end of the first period and 24-16 at the half as Scott Goff, the leading scorer in the game with 16 points, poured through all of his points.

Jon Mason and Jeff Grandstaff took up the slack in the second half as they scored 21 of their combined 25 points. Brett Altizer came in and did a good job at point guard when Larry Daniels got into foul trouble, said Coach Partington.

Mason finished with 15 points and led rebounders with 10 while Grandstaff had 10 points and 8 rebounds. They helped Highland to a 30-16 advantage off the glass. Mark Deems led the Bulldogs with 5 and Gary Walker finished with 4. Chris Spifford led their scorers with 8 points.

The Scots finished with an exceptional 28 of 50 night from the field and were 3 of 7 at the line. Crestline hit 12 of 35 for 34% from the floor and 3 of 6 at the foul line.

players — Oiler, Wolfe, Schiederer and Spires — helped Alder with 4 points each. According to Pope, BW was 5 of 25 from the floor and 5-24 the charity stripe for a poor 20% shooting. Pope also credited an aggressive Pioneer defense to the loss.

Victory No. Three Slips From Eagle Frosh

By Steve Kessler
Big Walnut's freshmen, not knowing how to handle being in the lead for three quarters, let victory number three slip away Tuesday night.

The Eagles had a chance with 9 seconds left to send the contest into overtime but failed to get a good shot off and lost 28-26 to West Jefferson at the local gym. BW's record is now 2-9.

You got a 50-50 chance of the ball going in the basket. Naturally I would like to have seen a better shot, but so would 100 other coaches," related instructor Lou Sartori about the heartbreaker.

"I was extremely proud of the kids. This was by far their best game of the season including our

By Steve Kessler
Although disappointed in seeing their school record 10-game winning streak stopped, Big Walnut's Lady Cagers rebounded with a solid win against Bexley Monday.

Playing before a vocal home audience, Coach Tom Peyton's squad easily handled the Lions 52-33. It was the second victory of the season against Bexley as the Eagles won 48-30 Dec. 10.

Big Walnut also remained in a tie with Dublin for the Central Buckeye League lead as both sport 8-1 records. Despite the loss to the Shamrocks (later in this article), the Eagles are still off to their best start ever with a 11-1 seasonal slate.

Two tough opponents are on the horizon with Jonathan Alder here tonight and North Union Monday. The Pioneers and Wildcats ended up with BW as last year's CBL tri-champions. The Eagles played at NU Dec. 13, winning 48-46.

Big Walnut pulled away from a nip and tuck contest when Theresa Severance hit a 10' turnaround baseliner with 2:58 in the first period. Nora Seeger added two straight buckets and BW never trailed again.

Jennifer Godshall gave the Eagles a 20-9 halftime margin by sinking a two-shot fogl with 2:35 and Karen Longshore drove in for a lay-up for the decisive third quarter edge. Mona Richardson scored the final points of the game with 28 as Peyton was able to get his entire team in the game.

Molly McCaughey finished as the game's leading scorer with 13 points. The 5'7" sophomore was also dominant on the boards by pulling down 17.

Richardson took runner-up honors for BW with 10 points and 4 rebounds. Seeger was a factor with 9 points, 10 rebounds and 3 steals.

Severance and Longshore tied in points with 8, the former picking off 13 boards getting 3 steals and the latter grabbing 9 and swiping the ball 2 times. Jennifer Godshall added 2 points, 6 rebounds and 3 steals.

Karen Haban had 2 points and 1 rebound while Sheri Girberd, Pam Spurrier and Mary Murphy were credited with 2 carsoms each.

Go To 5-3 in CBL

Coach Dean Duffey's reserves won their third straight game with a 26-12 verdict.

Becky Jackson was in the spotlight by scoring 7 points. Maria Seeger followed with 4 points, 5 rebounds and 3 steals. Karen Haban tallied 3 points and boarded down 4 rebounds.

Jeanna Slone led the board wars with 8. Lori Fravel and Suzie Schumick followed with 6 and Pond added 4. Slone also chipped

in with 3 steals while Chapin and Pond swiped the ball 2 times.

Streak Comes to an End
Big Walnut's bid to extend its record-setting winning streak to 11 games fell short in a 50-52 loss to Dublin Thursday.

The Lady Eagles didn't give up after trailing by 10 points with 1:51 left in the game and almost succeeded in overtaking the visiting Shamrocks. In fact, BW held Dublin to two points for the remainder of the contest while itself falling 9.

"We did not box out," Peyton said of his team's sometimes sluggish play, and got beat on the offensive and defensive boards. The Shamrocks had an excellent night at the foul line, shooting 13-20 (65%) to BW's 6-14 (42%).

Longshore finished with a career best of 27 points, including 11 goals and 5-11 at the line, and 9 rebounds. Molly McCaughey followed with 15 while Mona Richardson and Theresa Severance tied at 4 apiece.

In rebounds, McCaughey hauled down 20, Nora Seeger and Severance picked off 8 and Richardson had 5.

"We weren't shooting very well," commented Peyton, "but Dublin has a good team and they played good defense."

Down Around Harlem Vicinity

By Betty Johnson

There is to be a benefit for Thomas Hayes on Jan. 31. Hayes is the policeman who was paralyzed while trying to arrest these two youngsters. Kay Starkey, who has tickets and more information, tells me they are working toward getting a van for him. I saw him on the news one evening. He surely had a wonderful attitude toward life which I hope he can hold onto.

The new Browne troop at Souders school had their first meeting on Tuesday, Jan. 22, for family and friends. This is a big step for little girls to join an organization and is serious business, too, for first and second graders. Nan Crier is their leader.

Hylen Souders Elementary School is winding up this year's Campbell soup label campaign. The number of labels they have seemed monumental event to me, a confirmed label-saving addict of probably 20 years. I told someone I wrote a book about Campbell soup labels and I can come out of the closet. I read an article in a St. Louis paper that spelled the Campbell Co. sure was not losing any money over the campaign because of the outrageous numbers of labels needed to buy playground equipment, etc. The article also pointed out lots of those soups are very high in salt content and other things that we should watch out for. A lot of companies give out school material freebies that I would expect all conscientious teachers to do the same.

The gold fever that we are all reading about has caused me to search for and retrieve the two gold teeth that I had found in two different boxes of bottomies I had fallen for. These particular teeth don't have any sentimental value to me (since I don't even know whose mouth they were in originally) so I may be in the line to sell when the price gets right.

The balmy weather has surely been one good thing that has happened to us recently. It seems like everything is going from bad to worse in the world scene. With the flurry of new gold rush and everything else, let us not forget the people who are held hostage in Iran. Everybody has time to mill around and shout obscenities to the cameras. I'm glad the news-

Do You Suffer From Recurring Headaches?

15,000,000 AMERICANS SUFFER FROM RECURRING HEADACHES. THE KIND OF HEADACHES THAT STRIKE HARD AND FAST AGAIN AND AGAIN.

Those 15,000,000 Americans do not include the ones who have occasional mild headaches — the kind that come from over-eating, too much congestion, stress or too much drinking or smoking too much.

Those occasional headaches cause little concern. It's the chronic, recurring headaches that are dangerous.

There are two major types of chronic headaches — the tension headache and the migraine headache. In this article, we discuss the most common chronic headache — the MIGRAINE, also called Vascular Headache, Migraine Syndrome, or Sick Headache.

The outstanding feature of the Migraine Syndrome is that they usually start on one side of the head — but may spread to the entire head as the headache develops.

Other symptoms of the Migraine Syndrome are irritability, nausea, and sensitivity to bright light. Vomiting occurs, accompanied by constipation and diarrhea.

Usually, the migraine headache is felt as a severe, throbbing pain in the temples, but some victims experience the throbbing migraine pain anywhere in the head, including the face and neck.

Pre-headache phenomena usually starts with a slight, fluttery feeling in the stomach, rapidly followed by the sensation that lights and colors seem brighter than normal.

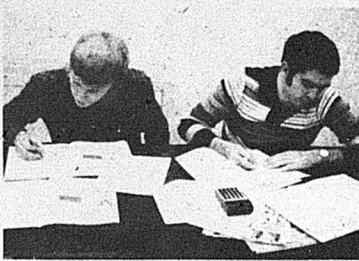

After a few experiences with this pre-headache symptom, the victim learns to anticipate and fear the second phase. He sees spots before the eyes. The vision dims as he loses sight in about 50% of his visual field, and he fears he may be going blind.

Still another part of the migraine syndrome, doctors call "the migraine equivalents." These include a variety of abdominal pains, chest pains, and pains in the arms and legs, non-painful attacks of vomiting, diarrhea, swelling in various parts of the body and rapid mood changes and fever.

If you think you may have migraine headaches, consult us. Chiropractors have been helping migraine victims for more than 70 years.

We, the family of William S. Boy, gratefully acknowledge the generous gifts received from central Ohio organizations and individuals too numerous to acknowledge separately.

Thank you

Tooth Or CONSEQUENCES

Views On Dental Health by MICHAEL S. ANTHONY, D.D.S.

DENTAL X-RAYS

For a dentist to conduct a complete dental examination without using dental x-rays, is like watching TV with your eyes closed.

"Why," you may ask, "can't the dentist use his eyes and trusty mirror to do the same diagnosis?"

Because, as the "unsinkable" Titanic discovered, like icebergs, most serious dental trouble is beneath the surface and out of view.

Dental x-rays often reveal beginning decay between the teeth or beneath a filling or at the bottom of a narrow pit or groove in the chewing surface. The amount of bone supporting teeth that has been destroyed by periodontal disease, the development of root abscesses and cysts, the presence of unerupted
