

# Officials Get 'Questioned' Approval on District Revamping

## Election Board Has Registration Hours in Sunbury

Registration for the June Primary is open and board of elections personnel remind potential voters they must be correctly registered by the May 6 deadline to vote this spring.

Elections office is holding special hours for the registration period and is offering registration in Sunbury for an extended length of time. The board is also publicizing registration by mail with the new registration laws this year.

In Sunbury persons wishing to register may do so during regular hours at the Community Library. Library personnel have the necessary forms and will be registering voters till the May 6 deadline.

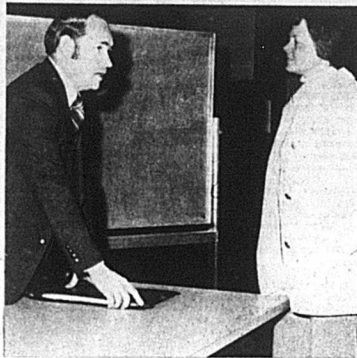

Elections office will be open extended hours during next week. They'll be open Wednesday evening, Apr. 18; Thursday evening, Apr. 19; Friday evening, Apr. 20; and Saturday morning, Apr. 21, 22 and May 6.

## Highland Voters Turn Down 4-Mills

Highland voters turned down the school's request for 4-mills more operating money Thursday and the Highland board voted that night to have the issue back on the ballot in June.

Voters decided 539-394 against the request for the 4-mill additional operating money, which if passed, will continue forever. Highland officials foresee the possible closing of the school at the end of this calendar year if voters do not pass the millage.

Registration deadline for the June Primary is May 6, according to Morrow county elections officials, and they remind Morrow county residents that this year, for the first time ever, they must be registered to vote before the deadline passes.

## Supt. Talks District's Revamping

Dr. Richard Miller, above, chats with Mrs. Ann Mathews, 60 residents of the community who attended the meeting to hear the proposal in detail presented by Dr. Miller and board president, Dr. Terry Day.

Second meeting on the proposed revamping is tonight, at the Sunbury Elementary school, at 7 p.m. The Big Walnut board is to make a decision on the revamping plan, as well as four other alternatives at its meeting Monday evening. The two meetings are being held to gain citizen input into the idea to help guide the board's decision.

# Board to Make Decision Monday

## SECOND PUBLIC INPUT MEETING IS TONIGHT AT SUNBURY ELEMENTARY

School officials received 'questioned' approval Tuesday evening in the first of two public input meetings regarding one proposal to revamp the Big Walnut School district next year.

Second meeting on the proposal is tonight at Sunbury Elementary, at 7 p.m.

About 60 persons turned out at Souders Elementary Tuesday evening to hear the proposal which would make Souders and the present middle school into two comparable elementary for the district, Galena into a 6th grade, and Sunbury into a 7th and 8th grade building.

Supt. Richard Miller and the board president Dr. Terry Day met with plenty of questions regarding the revamping, but no voiced opposition as they gathered input for the board's decision on the matter to be made Monday night.

"I feel one of our biggest problems in the district is our students' going from a closed classroom concept into an open one, and then back into a closed situation," Dr. Miller said at one point. "This proposal will change that."

The proposal would make the middle school into a building similar to Souders, and those two buildings would then house grades K-5 next year. Traditional teaching methods would be used at both.

With the proposal, Dr. Miller explained, grade 6 would be by itself in what is now the Galena Elementary, while grades 7 and 8 would be in what is now Sunbury Elementary.

Dr. Miller said he estimated that with about \$10,000 in sound-proof partitions, like those at Souders, and with about \$15,000 in blacktopping at the middle school for a playground area for Kindergarten, also similar to Souders, the switch can be made.

Dr. Miller explained that the present overcrowding of Galena and Sunbury Elementary is one of the main reasons for the proposal. "This gives us a few more options without involving new building right away," the superintendent said. "I foresee it getting us through the next 5 years."

Dr. Miller pointed out one of the benefits will be separating high school students from grade schoolers on the buses. He gave tentative school-day times, with K-5 going from 8:50-2:20, 6th, 8:00-2:20, 7th & 8th, 8:00-3:00, and high school, 8:00-3:00.

"Now we transport 600 students at 2:00 p.m. from the middle school," he said, "and 1800 to 1900 at 3:00 from the other schools. The proposal will make those loads more equitable and hopefully cut route return times for the buses."

The superintendent pointed out that at present, teachers in some of the classes "are babysitting" between the first bus pick-ups and the last, cutting into the actual education time. We're losing about 45-50 minutes each day out of the school day with this. We hope this proposal can cut that loss down."

Dr. Miller also stated that the

proposal does nothing for the high school crowding conditions. "But more and more people going to the JVS each year helps us in not making that crowding any worse than it is," he added. He added that the high school, presently being utilized about 97%, would probably be the next building where more space will have to be made available, down the road.

In answer to questions raised, Dr. Miller said the 6th grades can't be split into the two elementary buildings without having the same busing problems as now exist. He noted that the 6th grade by itself would have a self-contained elementary program, complete with music, art and physical education.

Asked what the proposal help the student-teacher ratio in the district, Dr. Miller said no. He added that a state mandate says Big Walnut will have a 25:1 pupil-teacher ratio next year "or we'll lose more money from the state than it costs to hire additional personnel."

He explained this year Big Walnut is operating with 87.9 teachers, and with the state mandate, he will have to add about 10 teachers (broken down into eight full-time teachers and three new Extra Service Personnel) next year. "This year's pupil-teacher ratio in Big Walnut is 26.7:1, he said.

Giving enrollment projections, Dr. Miller said he uses a 3.5% increase factor in his projections. That's the highest overall increase we've ever had, and in the past couple years we've been below that. However, growth recently has shifted from the Harlem-Genoa area to the areas around Sunbury and north, overcrowding the Sunbury and Galena schools.

Dr. Miller also pointed out that the new proposal will make better use of building capacities in grades K-8. His projections show 1247 students in grade K-5 in 1981, with capacities totaling 1240 at Souders and the middle school. For grade 6, he estimates the high school year of 1981 tapering off to 167 in 1981, with the Galena building having a capacity of 270. And for grade 7-8, 383 next year tapers to 338 in '81 with the Sunbury building having a capacity of 392.

Miller added that all his projections are based on the present

## Council Votes Water, Municipal Building Studies

Sunbury council took the first steps toward expanding the village's present water supply system and also authorized a plan toward eventually building a new municipal building in action last Wednesday evening.

The water study plan authorizes Mayor Harold Kintner and Clerk Becky Jo Hildes to enter into contract with Alden E. Stillson Associates of Columbus, consulting engineers, to make application to the U. S. Environmental Protection Agency (EPA) for a loan of up to \$20,000 in the first stage of the program.

If approved by EPA, the low interest loan would permit Stillson to study the overall Sunbury system and its expansion. This would include the building of an other upground reservoir on village property north of Route 36, present and future storage facilities, line distribution, both new and proposed.

The new study was OK'd after Paul D. Covert of Stillsons told council that the EPA would not accept an old water study completed many years ago. He said some money is available to villages for these studies.

Stillson & Associates also received the contract for the municipal building study, which is called phase 1 of three phases. This study will attempt to cover what the village needs at the present time and several years into the future.

The proposed building would be built on the 140 x 80 lot on the southwest corner of the square. Covert suggested the building could be three floors, including basement, and contain 7,200 sq ft of floor space. The initial cost of the phase 1 study will be \$6,000. The

motion by Adrian Abolins passed 5-1 after a lengthy discussion. Fred George cast the lone dissenting vote.

### Road Race Memorial Day

Three members of Sunbury Lions Club appeared before council and were given approval to hold a road race here on Memorial Day. Dean Johnson said Don "Red" Edwards is acting as their technical advisor for the 5-mile (8,000 meter) run.

The race will start at the playground, go around the square, to the Galena square and back to the finish on the Sunbury square.

"There will be no admission fee for watching, just a small entry fee," said Johnson. "There is nothing else in Ohio Memorial Day, according to the Lions newsletter," he added.

Contact with the county sheriff's department and Galena Village is to be made concerning the closing of the streets and roads for the short period of time. Preliminary arrangements were also made for police help.

The Lions also put in their bid for the flea market next Memorial Day.

## Local Policeman, Fireman Dave Potts Dies in Truck Wreck

Law enforcement officers from around the county as well as local firemen, relatives and friends gave their respects to one of their own Sunday in services for Galena native, Dave Potts.

Potts, 37, was killed last Thursday evening in a two-truck crash near Medina as the rig he was driving rammed into the rear of another semi on St. Rt. 224. Dave, of 133 Harrison St., Galena, was hauling brick for Galena Shale Tile & Brick Co., driving Lawrence Rader's truck when the mishap occurred.

Potts, formerly chief of police in Galena, was a policeman with Sunbury Police Dept., and a volunteer fireman in the BST&G dept. at the time of his death. He is survived by his wife, Marjorie, son Kevin, and daughter, Kimberly Wynne, of his home. Officers from Ashley, Genoa, Sunbury and Galena police departments, as well as the BST&G volunteers turned out in force to pay tribute to Dave, of whom one of his peers, Sunbury Chief Walt Neace, said "I never knew him to refuse to help out anyone."

Potts, like so many of the volunteers around the area, (Continued on Page 2)

## Galena Village Loses Fire Truck

Galena is to lose its pumper fire truck after action Tuesday of the BST&G Fire Board in a meeting at the Berkshire twp. hall.

The International truck will be moved into the Sunbury fire building and an old pumper will be moved into the Berkshire twp. building temporarily to make room.

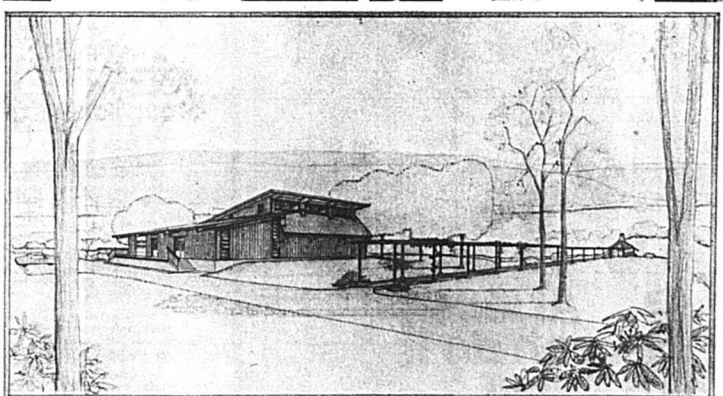

This action was the result of a meeting of 24 members of the fire district and the three county commissioners, Dean Miller, Jim Whitney and Merle Law. Harold Kintner, chairman of the fire board, opened the meeting with the statement, "Several of our men were concerned about being pushed out of Galena." The long discussions which followed, at times nearing the boiling point, saw the height of one of the doors on the Galena building, the decreasing participation of Galena firemen, and the emergency squad being stationed at Galena, occupying the bulk of the time.

Galena Mayor Willie York expressed concern for such a big meeting, including the county commissioners. He said it was the first time he had heard about the door height being a factor and Galena would raise it, if necessary.

York also said moving the pumper out of Galena might cause some concern and suggested a campaign to get more volunteers from the village, another condition he said he did not know about until it was brought out at the meeting.

"I would make this recommendation," he said, "The Galena town fathers should get together and recruit some good

## Two Viewpoints on the 'Aesthetics' of County Sewage Treatment

Two different types of 'aesthetics' could be considered in the overall view of the county's groundbreaking ceremonies Monday for the proposed sewage treatment plant off SR 315 across from Highbanks Metropolitan Park in Orange twp.

Top photo shows the 'aesthetics' of county Sanitary Engineer Gary Gilbert, a Sunbury resident, as he has his mustache measured and then trimmed after the long wait for the sewer plant's construction. Gilbert be-

gan growing the mustache when he went to work for the county, and vowed to have it trimmed off only when the plant and its sewer lines became a reality.

In the top left photo, county Engineer Fred Stults measures Gilbert's mustache in at 19 inches, while his daughter, 8-year-old Allison (back to camera) looks on. Allison got the first trim Monday and engineer secretaries Betty Horn and Rae-Jean Harrington, right photo, the second as county officials, con-

sultants, state and federal representatives and construction men looked on.

Lower drawing shows another viewpoint of the 'aesthetics' involved with the sewer project. It is an architect's drawing of one of the filter bed buildings that will be built on the site for the county's sewage treatment.

This 'aesthetics' is quite a bit more expensive than Gilbert's growth. He estimated two years ago that the county's having to make the plant pleasing to the eye

of visitors to the neighboring Highbanks Park would cost in the neighborhood of a quarter-million dollars.

With the groundbreaking ceremonies, construction on the plant and total project tabbed at \$18-million got under way Monday. Don Fisher, county administrator, invited everyone present to return in 18 mos. when the plant will be completed, and the system hopefully operational, for dedication ceremonies.

Local police and firemen are holding a benefit basketball game this Saturday to help his family following Dave's death. Details can be found in today's Sports pages.

Services were held Sunday at DeVore Funeral Home, Sunbury, with the Rev. Max Powell and the Rev. Leslie White, officiating. Burial was made in Galena Cemetery.

Besides his immediate family, Dave was survived by his father and mother, Webster F. and Viola Marie Potts, and brother, Verle N., all of Galena; three sisters, Mrs. Dora Stockdale, Coatesville, Mrs. Joyce Harris, Apple Creek, and Mrs. Velma Hicks, Sunbury; grandmothers, Mrs. Grace Johnson, Westerville, and Mrs. Rita Potts, Sardinia; several aunts, uncles and cousins.

## Editorially Speaking...

## PICAYUNE POLITICS AT ITS BEST...

A great show of picayune politics in our community was performed Tuesday evening as the BST&G Fire Board decided to take its ball and go home — remove its equipment from Galena.

The BST&G firemen are mad because the county commissioners decided to place the eastern-county emergency squad TEMPORARILY in the former Galena municipal building, where one of the department's back-up pumpers has been housed.

Galena town fathers pulled the rug on the firemen — by contracting with the county without the firemen's knowledge.

Firemen give as reason's Galena's doors (the two on the front of the building) aren't big enough to house both a squad and a fire truck. And besides, Galena doesn't support the fire department with manpower as everyone else does.

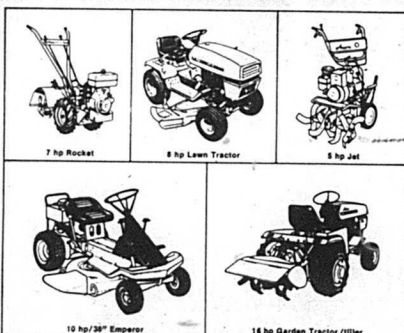

The cause and effect relationship utilizes picayune reasoning. Once again the small-town politics, petty gripes, and one-upmanship will serve to do more harm than good for our community. They drive the wedge of incompatibility deeper between the individualists — those that are all for themselves and to "h---" with everyone else.

Isn't there anyone else out there who wants this community — not JUST Sunbury, not JUST Galena, not JUST Berkshire, Trenton, or whoever — to develop as a community?

Picayune politics, for which smaller areas everywhere are paying as they're gobbled up by outside forces, is not the way to run a community. Sure wish our elected officials and community leaders could see that.

firemen. Try this, before removing the pumper."

"I did not know it was this bad," said York when told that Galena's firemen, 15 in number at the time they joined the BST department a few years ago, had dropped to three active members.

"We will do anything to keep firemen happy, will do it any way necessary to keep firemen together, even move it from Galena if necessary, although it would be nice if we gave the people in Galena a chance," he said.

After Berkshire fire board representative Ernest Bond said he thought the whole department needed a recruiting session, Assistant Fire Chief Bill Fisher cited the cost to the district if too many men responded to a fire.

Fisher, Roger Nettelhorst, and Dick Darity spoke out in favor of bringing the pumper to Sunbury. They said they have to send personnel to Galena for it to use as backup in case of a fire.

Fisher brought up the gas bill for the Galena fire station and this drew a reaction from Gale Cook, Galena fire board rep., saying this matter had been settled.

Fire board clerk Bonnie Soltis confirmed this had been written into the minutes, with Galena and the fire district splitting it.

Chuck Barney, Trenton's rep., started the discussion on the emergency squad going to Galena. Commissioners Law and Whitney talked about the squad service in the county and the unknown factors in existence at the present time.

"We looked at the dollars we had to work with and decided to try to get the best possible service with what we have," said Whitney.

At the close of the meeting, Fisher said the new pumper had to be sent to a plant in Mansfield for repairs. He told a loaner will be sent here for use while it is in the shop.

A short discussion was also held on the building of a new building on the present site.

## THOUGHT FOR THE WEEK

BY RICHARD DEVORE

Much has been publicized in the past decade about youth.  
Their views and moods. Their behavior. Their alienation  
from regeneration. Their rejection of respect for elders.  
Adult dissatisfaction with youth dates back a long time.  
Socrates complained about the youth of his day in 400 B.C.  
This partial quote from an Assyrian tablet dated TWENTY  
FOUR HUNDRED YEARS PRIOR TO SOCRATES was  
inscribed: "...Children no longer behave pleasingly to  
their parents".  
It is time for a long delayed question to be asked. "What  
percentage of all youth in America are we hearing about?"  
The truth is that an overwhelming majority of our youth are  
NOT contributing to the sensational, bizarre antics of the  
FEW who make the headlines in our news media. . . It is  
time to recognize the majority of our youth who are  
dedicated with energy, idealism, social and economic con-  
sciousness to bring about a better America in the years  
ahead. . . DEVORE FUNERAL HOME, 35 E. Granville,  
Sunbury, Ohio, Phone 965-3936 . . . Marengo, Ohio, Phone

## Buckeye Valley Sets Kindergarten Registration

Buckeye Valley Schools have set pre-school registration dates for the Ashley and Radnor Elementary school.

All eligible students in the Radnor area who will be five on or before September 30 should be registered Tuesday, April 18 at 9:30 a.m., at the Radnor school.

Those students in the Ashley area will register Thursday, April 20 at 10 a.m. in the Ashley School Library.

Students who have not attended Kindergarten are eligible for the first grade if they will be six on or before September 30.

According to Buckeye Valley

Superintendent Roy Cherry, no child will be permitted to begin school without their basic immunization shots, as required by state law.

Parents are asked to bring the child's birth certificate and immunization records when they register their child.

## Pin-a-Map. Register for Macrame

Community Library is ready to do a map study of the patrons using the library for a month being conducted April 27. Community Library will be closed tomorrow for OLA conference.

As a part of the Community Analysis of the Big Walnut School District being sponsored by the Community Library, the map study will begin Monday morning and continue through May 13. Each patron is asked to put a pin on the map to indicate their home when they visit the library. Pins will be color coded to record household usage of the library. Later a traffic survey will be conducted to see which roads are taken on the trip to the library. Information obtained from these studies will help in determining the service of the library and aid in future plans for development.

Phyllis Queltette of Shaw Pharmacy will be teaching a three week macrame workshop featuring plant hangers, jewelry and purses. The first of the three sessions will be 10 a.m. Thursday, April 27 in the library. Participants will need a macrame board or ceiling tile to pin the

work into, t-pins, rubberbands, a yardstick and scissors for all the sessions. The first session will feature a plant hanger and participants will also need 20 yards of 5 ply lute or comparable weight cord, three wooden beads about 5/8" in size, and a 2 or 2 1/2 inch metal, wood or plastic ring. All items may be purchased locally. There is no cost for the workshop. Materials for the jewelry workshop the following week will be available at the class. Fee will vary with supplies but most will be less than 75¢ for the jewelry materials. Again the basics will be needed. Materials for the purse will be listed later.

Macrame participants may attend any or all of the classes. Examples of the finished items will be on display in the library. As part of the in-service training, the entire staff of the library will attend the Library Conference Friday. The library will be closed. Any books due April 14 will be renewed for two weeks. Community Library will be open Monday through Thursday 10-8, Saturday 1-6. For information call the library 965-3901.

## County's OSU Alumni Club Meets Thursday

George Hill, defensive coordinator of the Ohio State University football team, will be the featured speaker at the annual alumni meeting of the Ohio State Alumni Association of Delaware County.

The meeting will be Thursday, April 20, at the Elks Club in Delaware. A social hour will begin at 6:30 p.m. A prime rib dinner will be served at 7 p.m.

Anyone desiring additional information may call 369-5082.

Hill has been defensive coordinator since 1971. Under his leadership, the OSU defense has annually ranked among the best in the country. During the past season, the Buckeyes were sixth nationally in scoring defense.

In addition to those duties, Hill coaches the OSU linebackers. All of his 1973 starters were chosen in the professional football draft.

Hill is a 1958 graduate of Denison where he won four football letters. He began his coaching career in 1959 as a line coach at Findlay College. He then spent four years as defensive coordinator at Denison.

In 1965, he moved to Cornell to take over the defensive program before spending five years at Duke. He then moved to OSU.

A short business meeting will precede the speaker. All interested are invited to attend.

AT LINCOLN DAY DINNER

## Smith Says GOP Needs Commitment for Leadership

Franklin County Prosecutor General George C. Smith told Delaware county Republicans the GOP must have widespread commitment and strong leadership to win elections this year as he addressed the Lincoln Day Dinner Thursday at Hayes High School in Delaware.

Smith likened the commitment to the same type felt in the defeat last fall of the instant voter registration bill at the polls. And, he likened the leadership of Gov. James Rhodes against this winter's blizzard to that of Lincoln's during his political life.

Smith urged the 275 county party members present to work like Lincoln and turn the party around in '78. He noted President Lincoln's numerous defeats in the early 1800's prior to his becoming President of the United States.

The Attorney General candidate criticized the Democratic majority in Ohio and the nation for "not responding to our problems." He pointed to violent crime as one of those problems, and added "the only security they worry about is being re-elected."

He noted S.B. 61, presently in the state legislature, sponsored by his opponent, Attorney General Bill Brown, which he said would centralize law enforcement in the state, removing local authority. And, he criticized Brown for fighting the county's sewer plant project "with state money when its construction directly affects him personally."

Smith concluded his comments by saying the Republican message this year should be "let's make it to the people it serves." He added the secret to success is "getting ready," and said all Republicans should work to give "Ohio the leadership it needs in '78."

County Central Committee chairman Fred Sults introduced the various candidates for the year's elections to the gathering as well as former and present officeholders from the party. And, executive committee chairman George Hoffman presented special services awards to three party workers - Roxie Murnane, Ruth Scott and Dave Thomas.

Lincoln Day Dinner is annually put on by the county's GOP Women's club, with Judy Spain, president this year. Jeanne Ekberry was general chairman of the event this year.

## No bank in the country pays higher interest rates on savings.

And that's only part of the story at BancOhio.

Naturally you want security and safety for your savings, with the highest bank interest rates available. But there's more to consider.

A truly effective savings or investment program also provides convenient accessibility to your money.

You need the right combination of long and short term savings to provide you an excellent return without tying up all of your funds.

At BancOhio, we will work with you to recommend the right combination for your individual needs.

If you need quick access to your money, save with a BancOhio Regular Savings account that pays 5% interest and you can make deposits or withdrawals anytime. Or our 90-day Savings account pays 5 1/2% interest, and you can make deposits anytime and withdrawals quarterly.

For longer term investment, choose from any of these plans:

PLAN	ANNUAL RATE	ANNUAL YIELD	DEPOSIT TIME	BENEFITS
Pacesetter Savings <sup>SM</sup> Certificate	6.00% 6.50% 7.25% 7.50%	6.27% 6.81% 7.63% 7.90%	1 to 2 1/2 years 2 1/2 to 4 years 4 to 6 years 6 years	Interest compounded daily, paid annually.
Negotiable Bonds	6.00% 7.25%	6.27% 7.63%	1 to 12 years 4 to 12 years	Daily compounding, interest paid when redeemed. Easily transferred. Rate guaranteed to 12 years.
Certificates of Deposit*	5.00% 5.50% 6.00% 6.50% 7.25% 7.50%		30 to 89 days 90 days 1 to 2 1/2 years 2 1/2 to 4 years 4 to 6 years 6 years	The longer you invest, the higher the rate.

So whatever your savings goal, BancOhio has your savings plan. Stop in and talk with a BancOhio banker. Have your savings investment program tailored to your needs.

\* Interest paid monthly, quarterly, semi-annually or annually. Monthly interest is available with a minimum deposit of \$5,000. All certificates are available in amounts of \$1,000 or more, except the one-year Negotiable Bonds which are issued in \$100 minimums. Federal Regulation requires that interest on time deposits redeemed prior to maturity will be recomputed at the prevailing regular savings account rate, less 90 days interest.

**Now when you save money, save memories, too!**

Kodak's Pacer Instant Camera is yours for only \$15.95 plus tax when you deposit \$100 or more in a new or existing savings account or a new checking account; or have a BancOhio Negotiable Bond, Pacesetter Savings<sup>SM</sup> certificate or certificate of deposit; or with any installment loan.

A great deal on a Kodak Pacer Instant Camera is more reason than ever to save at BancOhio.

miles Northwest of Westerville, Ohio, 6 miles northeast of  
Worthington, Ohio, just north of East Powell Rd. (Co. Rd. 14)  
& Worthington Rd. Intersection on east side of Alum Creek.  
Farm is just south of Indian Run Golf Course & Africa Rd.  
(Co. Rd. 21), being approx. 2 miles north of Columbus City  
limits in Orange Twp.

WEDNESDAY, MAY 3, AT 2:00 P.M. (On Premises)

Selling a choice small farm, the kind that are rare on the  
market, priced out of sight and usually sold before you have a  
chance to look at it. Here we have it all, 46.2 acres of beau-  
tiful scenic rolling land with a commanding view of Alum  
Creek Valley. Farm has 766.5 ft. of road frontage, is prac-  
tically all tillable, has approx. 27 acres plowed with balance  
acres being in pasture, hay, barn, lots and lawn. There is a  
small farm pond w/brick fireplace, etc. Farm is comprised  
of two soil types, being Gel-Fox and Cardington-Grandia,  
has good natural drainage and is a good producing farm. The  
present farm tenant has agreed to continue farming this year  
and this arrangement will be between the tenant & buyer.

IMPROVEMENTS: Includes a frame 2-story house w/kit-  
chen, 2 bedrooms down, 2 bedrooms & up-dated bathroom  
upstairs. There is no toilet. Part basement w/late model fuel  
oil furnace, like-new elec. water heater & updated elec. wir-  
ing service. There is a 2x6" concrete block garage w/finish-  
ed apartment overhead w/modern kitchen, 2 bedrooms, liv-  
ing & dining rooms, large bath room w/laundry hookups.  
There is no toilet. Apt. is heated w/fuel oil circulating heater  
and rents for \$100.00 per month. There is a well water both  
residences. There are two outside toilets. Water well at  
barn. Good 28x40 ft. frame barn being used for horses and  
several other small bldgs.

OPEN FOR INSPECTION DATES: MONDAY  
EVENINGS, APRIL 17, 24 and MAY 1. FROM 5  
TO 7:30 p.m. Come, look it over, arrange your  
financing and come to the sale prepared to buy.

TERMS & CONDITIONS: Farm was appraised by appraiser  
in Estate for \$100,000.00 for the 1/2 interest and \$50,000.00 for  
the 1/2 interest owned by the children of Elmer Stauch, total  
appraisal being \$150,000.00 and cannot be sold for less than 1/2  
of total appraisal. Buyer will be required to deposit \$15,000.00  
on day of sale by Certified Check made payable to Don  
DeVault, Realtor, Trustee Account, and balance will be due  
in cash upon delivery of deed which shall be on or before May  
22, 1978. This down payment will be forfeited if transaction is  
not closed. Sellers will furnish a good marketable & transfer-  
able deed, an abstract, new survey & plat, and a termite  
report. Premises will be sold subject to all easements of  
record and in place. All mineral rights pertain with farm. Real  
Estate Taxes are \$436.55 per half and will be prorated to date  
of closing. POSSESSION: Immediate possession on house,  
barns, and land upon delivery of deed, 30 days from closing  
on apartment.

AUCTIONEER-REALTOR'S NOTATION: An opportunity to  
purchase a good small farm in a prime location, only 2 miles  
north of Columbus City limits, 2 miles south of Alum Creek  
Lake, near Golf Courses & recreation, I-71, Columbus,  
Westerville, and Columbus International Airport, Columbus  
telephone service, Orange Twp., Olentangy School District.  
Whether it's horses, cattle or just a country spread, this could  
be the end of your search. This farm lends itself to a nice  
subdivision, now having Delco water service and an ease-  
ment for the upcoming Delaware County Sewer. This farm  
area are scarce.

NOTE: Any information given on day of sale will take  
precedence over printed matter. All figures herein are ap-  
proximate. A PERSONAL PROPERTY AUCTION, SAME  
DATE, SAME LOCATION WILL START AT 12:00 NOON.

# JVS FFA Honors Year's Achievements

Fourth annual Delaware JVS FFA Achievement Night was held Thursday, March 20. Cheryl Meyers offered the invocation which was followed by a covered dish supper. Following the meal, the senior officers conducted the opening ceremonies. Dana Buell welcomed everyone to this program. Ed Greasamar introduced the toastmaster, John Greasamar, for the evening. Jerry DeWitt in-

troduced the guests after which Jan Harmon and Brenda Russell announced the outstanding project book winners.

The awards, sponsored by the First National Bank and presented by Dale Wigan, were presented to John Jackson, Agri-Business; Ed Greasamar, Agri-Mechanics I; Russ Lechleiter, Agri-Mechanics II; Amy Smart, Equine Science I; Cathy Conklin, Equine Science II; Kathy Mobley, Horticulture I; and Jeff Stacy, Horticulture II.

A slide presentation showing activities of the various agricultural programs was narrated by class members. John Greasamar crowned queen Rebecca Bodine. Also recognized was first runner-up, Becky Minot; second runner-up, Marsha Backora.

Vicki Dunning, retiring queen, recognized the state finalists: Kevin Davis, Horticulture; Jeff Stacy, Agri-Business; Dale Huffman, Agri-Mechanics; and Steve Degree winners, Bob Silbeck, Kevin Davis, George Harmon, Jeff Stacy.

Honorary degrees were presented by the senior officers to Harold Rittenhouse, Delaware Tractor Sales, and Milo Condit, Marsha Backora and Jeff Stacy awarded FFA Foundation Awards to: George Harmon, Turf and Landscape Management; Kevin Davis, Horticulture, Fruit and Vegetable Production and Agricultural Electrification; John Jackson, Placement in Agriculture Production; Russ Lechleiter, Agriculture Mechanics; John Hill, Crop Production and Agricultural Sales and Service; Dana Buell, Sheep Production; Ed and John Greasamar, Public Speaking; Jim Van Buskirk, Agricultural Processing. Robin Brandt recognized all the members of the parliamentary procedure team. Kevin Davis and Bob Silbeck presented the outstanding junior awards; Jerry DeWitt, Agriculture Mechanics I (this award was sponsored by Ohio Valley Distributors); Lisa Mathews, Equine Science I; and Eugenia Hogg, Horticulture I.

Mona Colley and Bob Piper presented the Star Program award. Awards sponsored by the Delaware County Bank represented by Clyde Beougher. The Star Agri-Business Award went to John Hill and John Greasamar. Star Agri-Mechanics Award was given to Russ Lechleiter. Horticulture Star Award went to Jeff Stacy and Kevin Davis. Star Equine Science Award was given to Carol Cockrell.

The feature speaker of the evening was Shawn Sprinkle, sectional vice-president. Following the speech, John Greasamar presented the president's gavel sponsored by Mitch Ross and presented by Incoming president Ed Greasamar. Bruce Shober discussed briefly the forming of the new FFA alumni group. The program was performed by closing ceremonies performed by the senior officers.

## Highland North Announces Date for Kindergarten Registration

On April 24th, at Highland North Elementary School, at 9:00 a.m., registration will be held for kindergarten students for next school year.

Students must be at least 5 years old, before September 30th to register.

Parents of kindergarten students are asked to call the school at 768-2631 to obtain exact registration information. It is very important to register students on this date for next year.

## Prosecutor Likes Latest Penn Central Tax Proposal

County Prosecutor Duncan Whitney says the most recent plan of paying the bankrupt Penn-Central Railroad's back taxes to county subdivisions seems to be the best yet for the county to accept.

Whitney will explain the new proposal Saturday morning to the County Budget Commission and representatives of the various subdivisions in the county. Public hearing on the matter will be held at 10:30 a.m. in the Common Pleas courtroom.

The prosecutor traveled to Lima last week to hear the latest plan at a district meeting of the

Ohio Prosecuting Attorneys Assoc. He says the proposal is much less onerous than local last fall, except that this plan gives added security to the notes that will be issued to pay remaining taxes after the first settlement.

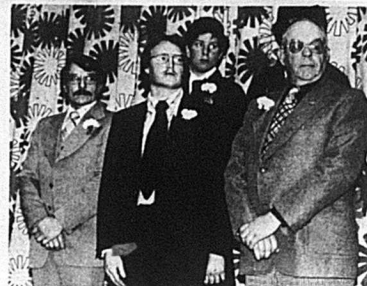

Like last fall's offer, the attorneys for Penn Central are proposing to pay 44¢ on the dollar in back taxes, plus 6% interest compounded from the time they became delinquent. These first settlement payments would be made the first 18 mos. after the federal court in Philadelphia approves the measure.

In addition to the 44¢ figure, Whitney says, each taxing authority will be issued notes, with 7% interest, on the remainder due in back taxes, with the notes becoming due no later than 1989.

The best part is that these notes will be secured by the valuation case presently being fought between Penn Central and Conrail on the purchase price of the property conveyed to Conrail April 1, 1976.

The prosecutor explained last fall that county and local taxes have a high priority in getting settlement monies from the bankruptcy, according to the classification of claims from the federal court. "From what I understand, even if the valuation case settles at the low price (that offered by the buyer, Conrail), there will still be enough to pay entirely our claims group."

County auditor Dave Thomas, last fall, estimated the total owed by Penn Central to the county at \$274,469.01. That figure starts with the last half 1969 collection period until Conrail took over April 1, 1976.

Honored at JVS FFA Banquet

Pictured above are the top award winners at the Delaware JVS FFA Achievement Night held Mar. 20.

Top photo shows winners of the Star Program awards, and the Outstanding Junior honors. Front row, left to right, are Eugenia Hogg, Jr. Horticulture; Lisa Mathews, Jr. Equine Science; and Carol Cockrell, Star Equine Science.

Back row includes, left to right, Russ Lechleiter, Star Agri-Mechanics; John Greasamar, Star Agri-Business; Jerry DeWitt, Jr. Agri-Mechanics; and Jeff Stacy and Kevin Davis, Star Horticulture. John Hill, co-winner for Star Agri-Business, is not pictured.

In the second photo are the winners of the outstanding Project Book awards at the JVS banquet. Front row includes Kathy Mobley, Horticulture I, and Amy Smart, Equine Science I. Back row shows Russ Lechleiter, Agri-Mechanics II; John Jackson, Agri-Business; Jeff Stacy, Horticulture II; and Ed Greasamar, Agri-Mechanics I. Cathy Conklin, winning the Project Book honor for Equine Science II, is not pictured.

Bottom photo shows community members the JVS FFA honored as Honorary Degree Recipients this year. They include Harold Rittenhouse, of Gibson's The Florist; Eldon Wigan, representing Delaware Tractor Sales; and Milo Condit, of Condit Farms.

## How to get maximum phone service for the bare minimum.

### or Five Ways to Save When Using the Phone.

1. Dial all long distance calls yourself. This is the least expensive way to call.
2. Take advantage of special calling hours that offer reduced rates (after 5 p.m. and weekends).
3. Call, don't drive.
4. Have an extension telephone handy. Save time, steps and shoe leather.
5. Don't make unnecessary local calls. Increased local service call volumes require additional switching equipment which costs thousands of dollars... a cost that is ultimately borne through higher local service rates.

UNITED TELEPHONE COMPANY OF OHIO

By Mrs. Karl Smith

The Kilbourne United Methodist Women met Wednesday afternoon at the home of Mrs. Donald Hickman with 15 members present. Mrs. Hickman read several short items from the booklets "Bits of Silver and Gold" and "Gentleness". The program was given by Mrs. James Fleming and Mrs. Charles Mosher on "What You Are is God's Gift to You, What You Make of Yourself is Your Gift to God". Mrs. Fleming read from Acts and Mrs. Mosher told about the women of the Bible and closed with a poem she had written, "Mary and Martha Today". Mrs. Fleming asked each one how she witnessed for Christ, then closed with an article "I Goto Church."

NEWS of Eden met Saturday evening at the home of Mr. and Mrs. James Sheets with 10 present. The discussion was led by Jim Sheets on "What Can We Do to Prevent Farm Accidents?" Walter Humes, Jr. reported on his trip to Washington D.C. with Ohio Farm Bureau representatives. Officers were elected to take over in September as follows: chairman, Marilyn Sheets; secretary, Roberta Humes; women representative, Carol Sheets; and public affairs chairman, Bill Merrill Sheets. The next meeting will be May 13 at the home of Mr. and Mrs. R. Roland Augspurger, U.S. 42.

Congratulations to Jeff Humes who was named to the first team

in the Central Buckeye League for basketball. At the B.V. sports banquet from this area, Eric Acker and Jeff Humes, seniors were awarded varsity letters for varsity basketball. Reserve basketball players from the area were Bill Buckley, Phil Carper, Bruce Phillian, and Bryant Bay. The wrestling team, Tim Bryant was named winner of the Baron Award. Bryan and Early shared the Captain Award. Paul Acker, a freshman, received his first letter. Ray Fuller, Thad Ray, Mark Duhman, Bryan Reese, and Greg Martin were on the freshman basketball team from Kilbourne Area. In girls varsity basketball, Tammy Buckley received her four year letter and Denise Sheets her third letter. Sheets and Buckley were both named to the first Central Buckeye League. Denise Sheets received the Captain Award and Tammy Buckley the Most Valuable Player Award. For gymnastics Denise Bess, freshman and junior, Annette Reece received reserve letters.

A son was born to Mr. and Mrs. Fred White, III, Beard Rd. April 6 at Grady Memorial Hospital. Mother and son are home and doing fine. Mr. and Mrs. Fred White, II, of Lewis Center Rd. are the paternal grandparents. Mr. and Mrs. Carl Rogers of S. 3B's and K. Rd. are the maternal grandparents. The new baby's name is Gary Samuel. A son was born to Mr. and Mrs. Richard Fleming, St. Rt. 521,

Thursday afternoon April 6 at University Hospital. They have named him James Brett Price. Mother and son came home Sunday. Mr. and Mrs. James Fleming are the paternal grandparents and Mr. and Mrs. H. Owen Price, Delaware are the maternal grandparents.

Mr. and Mrs. Howard Cleland visited Mr. and Mrs. John Cleland and family at Gambler last Friday afternoon and were there for supper. In the evening Mr. and Mrs. Ed Cleland of Ashland came and Erin and Lars stayed until Sunday. ## Highland 5th Grades Study Library

The two fifth grade classes at Highland West have been doing a library skills unit.

All fifth graders now know how to use the card catalog and the Dewey Decimal system of classifying books. Mrs. James was assisted in this unit by four volunteers, Marilyn Rogers, Judy Jones, Margaret West, and Barbara Loles. Mrs. Freda Moreland, the assistant librarian, also helped.

As a culminating activity, we will take a fieldtrip to the Columbus Public Library.

Pictured are: Mrs. Marilyn Rogers, circled by Frances Swint, Janice Lewis, Dawn Potter, Sandy Adams, and Craig Stover.

## LOOKING AT NEWS IN CENTER VILLAGE

By Sheila Minkins

Birthday wishes this month go to Dave Hammond April 4, and Randy Longshore April 5th. They are both part of my family, Dave being Dennis' brother-in-law and Randy being my brother-in-law. They both had enjoyable birthday get-togethers.

Other birthday wishes go to my sister Teresa, April 13th, Lori Ashbrook April 19th, and Charlie House April 23rd.

This past week we were sorry to watch some of our neighbors move away from the Lake Estate Park, especially Mr. and Mrs. Yogi Riner and girls, but we all wish them good luck and happiness with their new home.

Darren Mitchell and his father enjoyed the Cincinnati Reds game Saturday along with the other members of their baseball team.

Last Tuesday 8 members of the Center Village Church of Christ went to Canton, O. for a Team for Christ Rally. They all spent the night and returned home Wednesday.

Sunday I enjoyed dinner with my mother and father-in-law, Mrs. Walter Minkins and son Don. Sunday afternoon I visited with my brothers Gee and Jesse Fuller.

Be happy and enjoy your week.

17, 169 N. Liberty have qualified in the school's competition for the contest. "We hope they will go on to the state and national contest," said John Tritt, instructor at the school's automotive shop department.

The state finals are set for Columbus Motor Speedway on May 18, and national finals are set for Kansas City in June. In the Plymouth Trouble Shooting State Contest, competing teams race to find malfunctions, which have been placed in a new Plymouth car, fix them, and get the car in perfect running order. All cars in the contest are "bugged" identically, with malfunctions related to the electrical, starting and fuel systems or body hardware on the car.

State champions will win all-expense-paid trips to the Plymouth National Trouble Shooting Finals, where teams representing each of the fifty states will compete for scholarships and other valuable prizes.

## 'QUESTIONED' APPROVAL ON REVAMPING

(Continued from Page 1)

school population, as classes move up the grades. He also added that his projections include capacities which are "comfortable, not at all squeezed."

Asked about the principal and staff situation, Dr. Miller said he has given staff members and administrators the choice as to whether they would prefer to go next year. Those specialties will be ironed out more thoroughly, he said, after the board makes a decision Monday at its meeting whether to go ahead with the proposal or not. Asked why not completely enclose classrooms in both the Souder and middle school buildings, Dr. Miller responded that completely enclosing rooms would waste just enough space to drop the capacities of the buildings. "We would then have corridor space wasted, as well as wall space. By making the middle school like Souder, we will have the best use of space for capacity sake, and still maintain the traditional school concept."

Asked about the athletic program of the junior high, Dr. Miller said probably it would have to be run much as it is now. "We transport students

for athletic programs to open gyms, just as we transported the 8th grade to Galena for basketball practice this year. That situation will have to be worked out as the plan is put into operation."

He further commenting on the 7-8th grade proposal, Dr. Miller said "it really works out perfectly for next year. We have just the right number of classrooms in the newer part of the Sunbury building to comfortably house the 7th and 8th graders, and then we can use the rooms in the older part for specialties, such as art, music, library, etc. We will have to buy some equipment, such as laboratory desks for science, etc."

Speaking to a comment that the middle school as it is presently operating is the biggest problem in the district, Dr. Miller pointed out that when the middle school was opened in 1969, "all the staff members were trained through a federal grant to teach in the middle school concept. Over the past nine years, we've constantly chipped away at the program, cutting out teacher aides, field trips, mini-courses, and we've had a major turn-

over in staff. Now we have no teachers at the middle school who are trained to teach in this atmosphere. "I've spoken with the staff these numerous times this year," he added. "They all agree last year was one of the best ever at the middle school, and this year is the worst ever. They're looking forward to a change."

Asked if this proposal can be set up within the present operating expenses of the district, Dr.

## Sunbury PTO Sponsors Raffle

Fourth and Fifth Graders are helping the Sunbury PTO raise money for the elementary school by selling raffle tickets for the Sunbury Fun Fest. The Fun Fest will be held at the Sunbury Elementary School on Saturday, April 29 from 4 to 8 p.m.

Pictured is Heidi Baer selling Principal Merrill Castle's first of the raffle tickets. The tickets are on sale now from the fourth and fifth graders. On April 24 they will also be sold at the Sunbury IGA and at the Elementary school.

Proceeds from the raffle will help the PTO with the purchase of playground equipment and books. See the ad in today's News for details.

## Harlem Items of Interest

By Betty Johnson

April 10 is the date of Harlem Township Garden Club's annual guest night. Connie Sager and Kay Starkey will be hostesses for the meeting which will feature Mrs. Oliver Roll, Region 7 HOGRAH arrangements are to be made on the spot by Betty Johnson, Rachel Piper, Wanda Tucker, and Florence Route. Members are asked to bring items for the regional meeting sales table. Region 7 Spring meeting will be held April 26 at Grotto Hall in Mansfield. It is Delaware county's turn to put on the meeting so the ladies have been busy making gingham flowers and name tags in a colorful motif. Quite a few of Harlem Club members are planning to attend.

Harlem Garden Trotters 4-H club met at the Johnson home on Thursday evening. Eight members and three advisors were present. The next meeting will be held at the Hayes home on Miller Paul Road on April 24.

The Harlem Guys and Gals (no guys attended) met at New Hope Church Saturday April 8. This is quite a large club and had at least four advisors present. The next meeting will be April 22 at the church.

Visitors of Carrie and Esther Pravel this week were Mary Endow, Rose Waggamon, Bessie Hatten, Mr. and Mrs. Everett Garrabrant, Myrtle Hill, William and Bernard Hill, Mr. and Mrs. Jim Pravel of Sunbury, Mr. and Mrs. Sanford Compton, and Vera Paul. Carrie continues to improve.

Tom and Katherine Carr enjoyed the orchid display at North Mall this weekend. Katherine said every cultivar imaginable was there in marvelous settings.

Visitors of ours this week were one 4-H club and Mr. and Mrs. Sterling Johnson.

Remember the Fireman's Auction that will be held May 13? Your donations will make this an ongoing project.

Kathleen Johnson spent Friday evening with Tammy Piper and other classmates of the fourth

grade at a "no slumber" party. Cloanna Garrabrant and Ora Kauder visited Doris Kuhn who lives near Northern Lights on Monday. Thursday Barbara Claypool, Geraldine Mays and Mrs. Kauder had lunch in Columbus then attended the evangelistic meeting at the Baptist church. Friday Mrs. Kauder took Cloanna and Wilbert to celebrate their belated birthday.

It has been grand to see the daffodils spreading their brand of cheer and sunshine this week. The days that have been nice have really been super, the other dreary days were sort of a bummer. I wish we could keep the weather from adversely affecting our moods the way it does.

# Eagle Runners 'Swim' Past Braves 70-57 in Home Opener

By Steve Kesler  
Actor-dancer Gene Kelly, best remembered for the movie "Singing in the Rain," would have loved last Thursday afternoon. With a downpour as the backdrop, Big Walnut and Olentangy scripted their own flick called "Running in the Rain," only without the convenience of umbrellas in the Eagle-Central Buckeye League home opener. After everyone had dried off and put away their swim trunks and towels, the final score showed BW in front 70-57.

The young Eagles demonstrated their strength as they won 10 out of 15 events despite trailing at one point in the meet 22-5.

Olentangy proved itself in the field events by winning 3 out of 4 shots. As the meet "rained" on into the running events, BW gradually took control of the lead.

Big Walnut was paced by the meet leading efforts of Bruce McClary and Dana Williams. McClary ever so swiftly won the 100 and 220-yd. dashes plus anchoring the victorious mile relay team. Williams sparkled in the low and high hurdles and also was a part of the winning 880-yd. relay foursome.

Supporting the duo with top finishes were Les Lanning in the discus; Ty Weber in the pole vault; Dan Sechrist in the 440-yd. dash; Randy Richards in the 330 low hurdles; Dave Ishler in the two mile run and BW's mile relay unit.

Richards won in the 330's was interesting in the fact that he

gained his time in the second heat of the event.

For the Braves, McCormick was the force, capturing the mile and 880-yd. run. Other winners were Gilead in the shot, Malik in the long jump; Beavers in the high jump and Walker in a tie with Richards in the 330's.

**Over The Last Hurdle**  
The excitement builds as Big Walnut prepares to host the first annual combined girl-boy Golden Eagle Relays this Saturday at 10:00. Robin Roney, Tangy sports reporter, tells that the Braves will host a CBL Triangular with New Albany and Jonathan Alder today at 4:30 and then travel to the Marysville Invitational Saturday.

## McClary's Performance Not Enough to Overcome Bexley

BW 2nd, BV 3rd, In CBL Triangular

By Steve Kesler  
Jim McKenna, Big Walnut track coach, called speedy Bruce McClary upon the telephone the night before Monday's home triangular with Bexley and Buckeye Valley and said that he was going to run in four events.

Undaunted, McClary promptly won the 100 and 200-yd dashes and helped the 880 and mile relay squads to first place finishes. He could not help his team overcome tough Bexley as the Eagles fell 86 1/2-58 1/2 in a Central Buckeye League meet.

Distance events proved the Eagles' downfall as Bexley swept the mile and 880-yd. run along with firsts in the 440-yd. dash

and two mile. Big Walnut did have its moments, however, as Dana Williams won both the low and high hurdles (with his best times this year) and placed third in the pole vault. Roger Brown placed second in the shot. Les Lanning took third in the discus, Tom Borror fourth in the long jump, Mike Arthur third in the high jump and second in the high hurdles. Ty Weber and Brian Powell second and third in the pole vault. Randy Richards third in the high and second in the high hurdles. Dan Sechrist, Dave Castle and Webster 2, 3, 4 in the 440 and Dave Ishler second in the two mile.

## The Bank Splits, Wins Round, Title

Delaware County Bank split four points with Sunbury IGA Monday night at Westerville. Lanes to wrap up the 1977-78 title for the Sunbury Bowling League.

The winner of the first round title earlier in the year, Monday's two point win, combined with May's Roofing loss of four,

stretched out The Bank's second round lead to nine points with only one week to go. The DCB's team members include Paul Twinn, Kerry Road, Dutch Stronider, Eldon Chambers and anchorman Frank Hause. In other action Monday, Hoke Electric won three points from Murphy Siding, Sparks' Sohio beat Farmers Exchange 3-1, and Diehl Plumbing topped Mays 4-0.

Delaware County actually won the title in the first game although IGA captured this one by nine pins. Mays had the only chance to catch them and dropped their first game, giving the title to DCB. The Bank won the 2nd game by 30 over IGA and the grocermen came back to take the finale by two pins.

Mallon Has 255 Single Carroll Mallon of Diehls became the fourth bowler in the

league to roll 255, missing by one pin a tie for the top single game set by Brian Bowers of Mays last week. Substitute Oake Potts had a 264 scratch game several weeks ago although it is not figured for the trophy.

Mallon finished with a 265 handicap game and also won the high 3-game handicap series with 611. Gene Ship of Hokes won the scratch series high with 552.

## Big Walnut Loses 3rd, 4th Straight With 14 Errors

Errors marked the play of Big Walnut's baseball team in two games they were able to complete during the past week as Columbus Academy won 6-1 here Friday and Marysville won out 4-0 on their own field Monday.

Against the Vikings, the Eagles committed eight errors to ruin a creditable pitching performance by Keith McKenzie and Keith Barney, and Monday Karl Hochuli suffered from six errors as he pitched a 5-hitter.

The two losses, both in Central Buckeye League competition, drops Coach Dean Duffey's team to 0-3 in the league and to 1-4 overall. They now have suffered four straight losses since McKenzie's no-hitter against Centerville in the opening game of the season.

Academy pitcher Howard held Big Walnut to a lone hit as he went the distance. Evans caught for the winners with Mike Cooper going the distance for the Eagles.

Monday night at Marysville, Spain of the winners allowed only three hits to BW. His team committed only one error.

## Tobin's 1-Hitter Lifts Scots To 2-0 Win in MOC Opener

Coach Bob Partington's Highland baseball team was able to get only one game in between the raindrops during the past week out of the five that were on the schedule.

Last Wednesday the Scots won their Mid-Ohio Conference opener as they clipped visiting Northmor 2-0 behind the 1-hit pitching of Doug Tobin.

Tobin fanned 10 batters and didn't issue a free pass in sending the Knights to an 0-3 record. "Doug pitched a fine game. He

faced only 25 batters, three men getting on base by errors and another by a hit. He retired the

## Scots Top Crestline 6-3 For 2nd in Row

Doug Tobin returned to the mound Monday afternoon at Crestline and fired a 4-hitter at the home team as Highland posted its second straight win 6-3.

In winning his second straight win and pushing his record to 2-1, Tobin struck out 12 while walking 1. He was helped by Highland's 9-hit attack.

The victory increased Highland's Mid-Ohio Conference record to 2-0 and their overall mark to an even .500 at 2-2. The loss was the first for Crestline in the MOC where they stand 1-1. They are now 3-3 overall.

Rick Wells and Wayne Warwick led Highland's hitting attack. Wells had two key doubles that drove in a pair of runs in the 2nd and 6th innings. Ron Ragor also doubled in the sixth to drive in another tally and Billy Miller doubled in the 7th.

It was in the seventh when the Scots scored three times to get the victory. A walk and single followed Miller's double and Warwick tripled to empty the bases to give the Scots their winning runs.

For Crestline, Simmermacher homered in the first inning and Biglin doubled in the 3rd.

Coach Bob Partington announces one addition to Highland's schedule Friday afternoon. His team travels to Mt. Gilead to make up a rained out game. This will be an MOC contest. Tuesday's game with New Albany was rained out.

MONDAY AT CRESTLINE Highland.....010 000-4 9 1 Crestline.....101 010 0-3 4 1 Batteries: Tobin and Belcher; Biglin, DeWalt (7) and West.

## JV Baseballers Defeat Monarchs for 4-0 Mark

By Steve Kesler Big Walnut's junior varsity baseball team is off to one of its fastest starts in years as they currently own a 4-4 game winning streak.

Coach Denny Cockayne's youngsters increased their victory margin Monday afternoon with John Ballies going the distance for a 4-2 Central Buckeye League win. The Eagles now stand 3-0 in the conference.

Ballies struck out 7, walked only 1 batter and scattered 5 hits. The BW offense slammed 10 hits and committed just 2 errors. Marysville misused 6 times.

In Saturday's 10-0 win at Delaware Hayes, Jerry Holly proved the durability of the Eagle pitching staff by going the full 7 innings. Holly whiffed 9, walked 3 and gave up 5 hits. BW smacked 10 hits and had 1 error.

The Eagles demolished CBL

for Columbus Academy 12-4 last Thursday as Ballies and Jeff Hatfield teamed up to limit the Vikings to 8 hits. Ballies fanned 4 and walked 5 while Hatfield struck out 2 and walked 3.

Holly and Hatfield formed a super duo as both moundmen silenced Grandview's bats with just 4 hits in the home CBL season opener on Apr. 3. Holly fanned 5 batters and walked 2 and Hatfield struck out 5 and sent 2 batters to first on free passes. The duo also threw a shutout as BW won 7-0.

Big Walnut was slated to play at Ridgedale yesterday, host county rival Buckeye Valley today at 4:30 and Saturday entertain the Barons for non-league doubleheader beginning on the high school diamond at 1:00. Monday, BW travels to Dublin for another CBL encounter.

## Ishler, Williams Efforts Fail Tuesday

By Steve Kesler Big Walnut, try they might, couldn't defeat pre-season Central Buckeye League track favorite Marysville Tuesday afternoon.

Despite the efforts of Dave Ishler and Dana Williams, the invading Monarchs won the CBL dual contest 71-55 with a virtual one-man show. BW now evened their dual record to 1-1.

Dan Hays, a super sprinter and fortunately for BW a senior, captured three events - the long jump, 100 and 220-yd. dashes in leading his team to the victory. Ishler and Williams received top billing for the Eagles with the former winning the mile and 880-yd. run and the latter grabbing both hurdle categories. In the lows, Williams broke his own school record set in Monday's triangular.

Other firsts registered by Big Walnut were Ty Weber in the pole vault (only two people performed); Dan Schrist in the 440-yd. dash and a fourth in the long jump and BW's mile relay team.

Seconds belonged to Mike Arthur in the high hurdles; Les Lansing in the discus; Bruce McClary in the 220; BW in the 880 relay; Mark Gallagher in the two mile and Eric Arrington in the pole vault.

Thirds were earned by Roger Brown in the shot; McClary in the 100; Joe Bloom in the two mile and Dave Castin in the 440.

## Tangy Baseballers Grab First Win

By Steve Keeler

Oleantangy Coach Gary Curtis is a happy man as the result of his Braves winning their first game of the season against Grandview Monday afternoon.

Playing on the home field, the Braves also captured their first Central Buckeye League contest and gave Curtis his first victory at Oleantangy as Steve Lee pitched a six-hitter. By fanning 8 batters and walking only 2, Lee improved his record to 1-1.

Grandview didn't waste any time, immediately taking a 1-0 lead that held up to the sixth inning. Then things started going Tangy's way.

In the sixth, Vernon Graham walked, Brian Shaw popped out to Troy Manley sacrificed Graham to second and then Tom Hutt singled and got to third on a passed ball, the Tangy catcher scored the go ahead run on a wild pitch.

The top of the seventh featured Grandview tallying what turned out to be their last run of the game as Doug Campbell slammed

a home run to tie the contest. Oleantangy came right back in the eighth with pinch-hitter Ben White walking. Then Shaw singled White to third and Grandview intentionally walked Manley to load the bases.

This set the stage for Hutt to be the hero and he came through by hitting a line drive into left field off a 2-2 pitch enabling White to score the winning run.

Curtis had high praise for Hutt and pitcher Lee. "Both these boys did a tremendous job," he remarked.

Bombed by Township In a non-league contest at Hamilton Township last Wednesday, the Braves were bombed 13-3.

Although HT had 9 hits, Oleantangy committed 5 errors to seal their doom. Tom Gaborcik took the loss while Kovach earned the win.

Shaw had 2 hits, both singles, with 2 stolen bases. Hutt also smacked 2 singles with an

RBI and 2 stolen bases. Lee had 1 RBI and Tom Strom swiped 2 bases. "We are an aggressive running team," stated Curtis.

Go to 2-0 in CBL.

Oleantangy extended its victory string to two straight Tuesday afternoon as they easily handled Dublin 8-1 in a make-up game on the home field. Two schools were scheduled to have played last Thursday but rain forced a delay.

The Braves also went to 2-0 in the CBL with the victory as Mike Gaborcik threw a 6-hitter, including 4 strikeouts and 2 walks. On the season, Tangy stands 2-3.

Bats were booming for Coach Curtis unit as Tom Hutt went 3 for 4, including a triple and 4 RBIs; Steve Lee was 2 for 3 with a double and triple while Dwayne Wise and Brian Shaw had 2 hits apiece. Oleantangy had a total of 12 hits for the contest.

Schedule Outlook

The Braves play two CBL games during the upcoming week as they travel to New Albany tonight and host Jonathan Alder Monday. A non-league re-match with Pleasant away takes place Tuesday. All games are slated for 4:30 starts. Last week's CBL game with Dublin was postponed because of rain but the News did not know at press time what date the two coaches decided on.

## Benefit 'Pigs-Fire Bugs' Cage Game Added to Saturday Pancake Festival

"Bigger and Better" will be the third annual Pancake Festival that starts at 7:00 a.m. Saturday morning at the high school in an event that is the best fund raiser for the Big Walnut Athletic Boosters. A benefit event for the Dave Potts family was added early this week which will be held after the pancake dinner ends. It will be a basketball game between the Sunbury Police Department (Sunbury PIGS) and the B.S.T.A.G. Fire Department (Fire Bugs). "Boobie" Barcus will coach the Fire Bugs and "Stormin'" Norm Nelson will

efficiently and always with a smile on his face. (Donations can also be mailed to either the PD or B.S.T.A.G.) Team members of the "Fire Bugs" includes "Dirty Dick" Dority, "Crash" Longshore, "Corvus" M. Lawless, "Awful Knaul" B. Lawless, "Flying Farmer" Brenner, "Hawkeye" Flaher, "Hashal" Breece, "Curly" Haase and "Hairlip" Potts. For the "Pigs" will be "Head Hog" Nease, "Hurricane" Hall, "Snowflake" Bohanan, "Sore Fire" Shoal, "Human Slab" Sabados, "T-Bone" Reas, "Slippery" Sherman, "Awful" Abolina, "Strike-Out" Murphy and "Rip-Off" Reed. The pancake serving starts at 7:00 and goes on until 7:00; a track meet with six participating teams starts at 10:00 a.m. at the all-weather facility, a doubleheader baseball game is scheduled at 1:00; and a bake sale begins at 8:00 a.m. The price of the 99¢ ticket for the pancake breakfast, dinner or supper includes a chance of 12 grand prizes of car parts and more. Hope everyone will support these events and we also hope Mother Nature is kind.

Joe Gullik, son of Mr. and Mrs. Bob Gullik of Ocala, Fla., who graduated from Big Walnut last year, made the Dean's List at the University of Cincinnati for the winter term. Joe is on the UC team this spring throwing the discus and javelin. He won the "Golden Eagle" award as a senior footballer here. A two-year track letterman, he currently holds the school's discus record. The Columbus Clippers open their season, the first of nine straight home games, when they host Toledo next Friday night at 7:30. From the information arriving, the Clip-

pers could have quite a team this year. Pre-game ceremonies start at 7:30 p.m. with game 15 minutes later. Sunday's game will be admitted free with their Clipper Crew Cards. The cards are available at the ticket office, 1155 West Mount St.

## Gals Swamp Bexley, BV in First Meet

By Steve Keeler

"We were very ragged," commented Red Edwards, assistant Big Walnut girls track coach, on Tuesday afternoon's triangular with Bexley and Buckeye Valley, although the Eagles won 66-46-32. "But we will continue to improve as the season wears on," he quickly added. Running on the Lions track, Big Walnut gained 9 out of 14 events in the season opening Central Buckeye League contest. Winners include Karen Hamm in the discus (94' 10 3/4"); Bea Hutson in the long jump (15' 1") and the 100-meter hurdles (16.4);

Patti Saunders in the 100-meter (13.0) and 220-meter dashes (27.8); Kelly Roach in the mile (5:53.7) and 800-meter run (2:40); freshman Katy Mudry in the 440-meter dash (67.2) and BW's mile relay unit (4:33.0).

Upcoming Highlights Big Walnut's next action is in the Golden Eagle Relays this Saturday at 10:00 on the all-weather track. Tuesday the Eagles will entertain North Union and Dublin and then the 440 and 800 relay teams will perform at the Bexley Relays Wednesday. BW is at Marysville next Thursday.

Airman First Class Joe D. Blanton, whose parents are Mr. and Mrs. Carmine Blanton of 201 N. Columbus St., Sunbury, recently participated in Team Spirit '78, a joint U.S.-Republic of Korea military exercise held in Korea.

Airman Blanton is an aircraft maintenance specialist at Mountain Home AFB, Idaho, with the 36th Tactical Fighter Wing.

Airman Blanton is a 1973 graduate of Big Walnut High School.

Larry Riley  
Navy Aviation Fire Control Technician Third Class Larry R. Riley, son of Mr. and Mrs. Robert Riley of 164 E. Granville St., Sunbury, has returned from a deployment to the Caribbean Sea.

He is serving as a member of Fighter Squadron 102 (VF-102), homebased at Oceana Naval Air Station, Virginia Beach, Va. While deployed, VF-102 was embarked aboard the nuclear-powered aircraft carrier USS Dwight D. Eisenhower.

During its one-month cruise, VF-102 conducted flight operations and carrier accident trials in preparation for an upcoming, extended deployment in the Mediterranean Sea.

James Redinbaugh  
Navy Mess Management Specialist First Class James N. Redinbaugh, son of Mr. Maude Kohler of Ashley, is assigned to the Navy's newest ship.

He is serving as a crewmember aboard the nuclear-powered submarine USS Omaha which was commissioned Mar. 11 at Groton, Conn.

U.S. Senator Edward Zorinsky (D-Neb.) was guest speaker for the ship's commissioning.

Manned by 127 officers and enlisted men, Omaha is 360 feet long, displaces 6,800 tons and can travel at speeds faster than 20 knots while submerged. She is designed primarily for anti-submarine operations and is capable of operating covertly in enemy waters. Armament includes four 21-inch torpedo tubes and anti-submarine rocket launchers.

Omaha is the fifth ship of her class and third to bear the name of the city Omaha. She will be homeported in Groton, Conn.

## Class Works to Improve Farms

Farm Management class of the BW FFA studies farm management to increase profit and improve farm practices and marketing.

The juniors and seniors are currently involved in testing the soil on the chapter farms. Plotted are Deane Wampler, Karl Hochul, Scott Craig and Bruce McClary testing soil. The samples are taken by members of the class and being tested under direction of Mr. Jeff Shaner, who teaches the class.

The conservation class, made up of juniors, is primarily concerned with care and maintenance of the chapter ecology center which is located behind the high school. This year they are collecting maple sap on an experimental basis to see if boiling it down into maple syrup would be profitable in future years. The conservation class is also completing a stone fireplace in the new shelterhouse which was

built last year. The class is taught by Mr. Michael Kinsinger.

The home improvement class, which is made up of juniors and seniors, is currently involved in starting seedlings for their home gardens which many members keep as projects. The seedlings being raised are tomatoes, green peppers, cabbage, broccoli, brussel sprouts, and many others including flowers.

Other members of the home improvement class are constructing a small greenhouse as an extension to the one they already have. The home improvement class will also be setting up a scene at the State F.F.A. Convention similar to the one set up by the chapter every year for the Parent-Youth banquet.

## JVS Students Visit State Legislature

Six trades and industrial students accompanied by their advisor, Mrs. Marjorie Phillips, visited the State House in Columbus on Mar. 7.

The students included the president of VICA, Andy McNamara from Construction Electricity; Mark Peterson, Occupational Work Experience, Sheila Fields and Rose Ward both from Diversified Health Occupations; and Kathy Freeman, Cosmetology. Kathy Freeman is also regional vice-president.

The day's activities included a visit to the House of Representatives and a visit to the Senate. The visit to the Senate included a question and answer period chaired by Senator Oliver O'Caslick.

The highlight of the day was a luncheon which was held at the Neil House with Senator Ted Gray and Representative Lawrence Hughes present as guests of the Delaware JVS delegation. Senator Gray and Representative Hughes were very helpful in answering many of the students questions.

It's For The Birds  
As part of their study of birds, Mr. Swesey's fifth grade received a helping hand from the high school. Seven boys from Mr. Stevens' class took time out from their busy schedule to pre-cut several bird houses and feeders. They then made the trip to the West building and assisted the students with the assembly and hanging of the houses.

## Ohio Grain Honors BV FFA'ers

Ohio Grain Co., in cooperation with Ohio Soil Service, Inc., recently honored ten members of the Buckeye Valley FFA during its Annual Achievement Awards Banquet in Marysville.

Pictured, left to right, front row: Greg Trimble, Dave Martin and Mark Davis; second row, Tim Bauder, Rick Martin, Gary Stegner; and third row, Mark Dennis, Rodney Eagon, Tim

Harsh and Jeff Thompson.

The awards, given by Ohio Grain for unusual agricultural production achievements, were for agronomy in areas of corn, beans, wheat, oats and hay, and livestock, including swine, beef, lambs, breeding ewes and dairy.

The Marysville company honored over 100 FFA'ers in nine chapters at the dinner.

## BV FFA Judging Teams Win

Two of the seven Buckeye Valley FFA teams attending the Benjamin Logan Invitational Judging contest Mar. 25 placed first.

In the above photo, Tod Boger, Laura Wornstall and Tim Boger, on the chapter's horse judging team, placed first. General livestock judging team of Tod, Jeff Thompson and Tim Harsh also won.

Other members attending the invitational were: Wool team - Tim Harsh, Jeff Thompson and

Glen Byrd; poultry - Richard Knauber, Tim Bauder and Steve Allan; Agronomy - Loren Hart, Allan Denst, Brenda Bell; milk - Rick Martin, Steve House and Chuck Wiley; and general livestock - Lora Wornstall, Tim Bauder and Tim Boger.

High individual honors went to Jeff Thompson, 7th and Tod Boger, 8th, in general livestock; Glen Byrd, 6th, in wool; and Tim Boger, 2nd, in horse.

All teams competed in the state judging contests April 1.

like downtown, never a dull moment.

The Fred Potts had some birthday celebrations going on Tuesday evening.

The family gathered to help celebrate three of the members who were observing them at the supper hour. These were Mrs. Potts, Karen Potts, and Mike Noland. Guests present were Mr. and Mrs. Richard Potts and family, Mr. and Mrs. Zane Potts, Karen and Michele, Rachel Potts, Mr. and Mrs. Richard Hoke and son David.

Denise and Elaine Hoke had just recently returned from a trip to Rome, Italy with their group from Dublin High School. Other places they visited were Naples and Isle of Capri. Gee, doesn't that sound fascinating? Kids in school these days seem to really get a lot of fringe benefits.

I was sorry to hear that Rebecca Potts, little daughter of Mr. and Mrs. Raymond Potts, had been very ill and a patient in Children's Hospital recently. She is only about two years old.

## Nazarene Church Holds Revival

## REV. ELLIS and RUTH TEASDALE

Sunbury Church of the Nazarene will hold revival services April 18 through 23 with services beginning at 7:30 each evening.

Revs. Ellis and Ruth Teasdale will be the evangelists. Both the Teasdales are evangelists, singers and musicians. They play a variety of instruments including Vibra-harp, cathedral chimes, sleigh bells, electric guitar and Schuimier handbells.

Each service will be filled with spiritual songs, choruses, music and an evangelical message. All interested are invited to attend.

ball Saturday evening. I went up a little early in order to see the contestants in the Children's Home, eating pancakes. Two boys were resting 'em away. Rick Malkey from the Children's Home won first prize; he had eaten nine. He was awarded a set of Bic pens. He slowed down a lot on the last pancake and barely finished it. Second was a boy by the name of Bill Grubbs. He told me he had eaten eight. Some girls were competing, but couldn't keep up to the boys' numbers. All enjoyed the diversion.

At times across the table from Mr. and Mrs. Bill McFadden of Sunbury. They are new residents, as they have only lived in Sunbury since December. It was their first time to attend the pancake supper. They told they liked living in Sunbury and were getting acquainted in the area.

Several nice prizes had been donated by various business establishments. Saw several familiar faces working. These included Lois, Ricky and Charlie Lewis, and Beryl Johnson, scoutmaster. Mr. and Mrs. Charles Bowsher and Stanley. Quite a few other folk were busy too, as were Mr. and Mrs. George McCraw who have long been active in the Boy Scout organization.

Mr. Kenneth Crowl, Mr. and Mrs. Jerry Crowl and Jessica of Sunbury were Sunday afternoon callers of Mr. and Mrs. G. L. Crowl, Mrs. Jean Roy, Renee and Greg.

I heard that Sue Nunn's goat had quadruplets, which they say is quite unusual.

Marvin Collins and son Chris went to Charleston, S.C. last Thursday where they visited and spent the weekend with Lynn and Jenny. Edna had spent two weeks with them and they all returned home together on Monday. Edna told that the weather down there was just "wonderful."

Penny Toops died Wednesday evening at his home in Centerville. His funeral was Saturday, "Denny" as we always called him was well known around here. When we first moved here, he was our oil and gas man.

As I remember it he drove up in his big truck on a Saturday p.m. He really arrived about noon, after getting lost en route up here from Columbus. Things were really in a turmoil. I hardly knew my head from my heels. He probably thought I was about the most

disorganized person he had met. Fortunately the Krentinger boys came along and they pitched right in and helped us unload our household furniture. Along with Deb Edwards, they really saved the day.

Trying to move in and also take possession of a store was almost more than I could cope with. I never saw such a conglomeration. Soaps and cereals were even stacked out in the barn. For awhile I thought sure I was going to come unraveled. A trap door opened up into the basement from the store and after nearly falling through it half a dozen times, I soon eliminated that booby trap. Little by little we tried to modernize, but we are no longer in business. Just plodding along.

Call me if you have news. And have a wonderful week.

## CONSERVATION CORNER

## Forage Seeding Here

By Harry Slawter

USDA Soil Conservation Service

The time to make spring forage seedings is drawing near. Many farmers do not manage pastures for high production. But just like cropland, more dollar return per acre can be realized from pastureland through high fertility and good management practices. Renovation is often needed to replace low-yielding grasses.

Adjusting the fertility level is the first step in any renovation project. An available phosphorus level of 50 and potassium level of 200 pounds per acre are reasonable starting goals. A pH of 6.0 to 6.5 is adequate for most pasture seedling mixtures. Lime and fertilizer should be applied according to a recent soil test.

A seedbed can be prepared by conventional tillage. Tillage, however, is time consuming, costly and may result in excessive soil and water loss. The availability of herbicides makes possible the suppression of existing vegetation without tillage. Paraquat and 2, 4, D are generally used but other herbicide combinations may be needed to control problem weeds.

Several types of sod-seeding

equipment have been used for no-till pasture renovation. The zip-seeder is one of the most common implements used for this purpose. This seeder has an overall width of 53 inches and an empty weight of 975 pounds. It is equipped with a fertilizer and two seed boxes. The sod is opened by six plain coulters spaced nine inches apart. Seed and fertilizer are dropped in a narrow furrow with a zig-zag packer wheel following to firm the seedbed.

The pasture should be closely grazed or clipped before a seeding is attempted. This reduces competition to the new seedlings and allows more precise seed placement. For best results, spring seedings should be completed during April. Delay seeding until the soil is in condition to crumble and allows for closure of tillage furrows.

Use standard seeding rates for grass and/or legume mixtures. Orchardgrass (6 lb./ac.) and lespedeza (1 lb./ac.) yields well on long-lay pastures. Legumes such as alfalfa or red clover may be added where pastures are rotationally grazed; fertility is high and drainage is good.

A large tractor is not needed to operate a zip-seeder. A 35 to 40 horsepower tractor is usually adequate. The tractor must have a three-point hitch (category one). One acre per hour is the normal seeding speed after adjustments are made.

Like any implement the zip-seeder has its faults. Exact calibration is very difficult. It does provide a safe alternative for pasture renovation on erosive soils.

A zip-seeder is available locally from the Delaware Water Conservation District. Contact the District office for more information on pasture renovation and management.
