

## Community Meeting Poll Tally Announced

Organizers of the community meetings regarding Big Walnut Schools tallied results of the opinion poll made at the Mar. 15 meeting and supplied Big Walnut board members with the results prior to Monday evening's meeting.

Betsy Kintz, one of those organizers, noted there were 42 people present for that community meeting, with 34 taking part in the poll. The poll was broken down into four categories, including cutbacks, levy millage, salary range for the new superintendent and continuation of the community meetings.

In cutbacks, poll showed 22 people in favor of eliminating the position of assistant superintendent at Big Walnut, with eight against; 20 for elimination of the central office secretary, with ten against; five for cutting equipment replacement, and 21 against; nine for cutting all supplemental contracts, 17 against; and 13 for reducing the open order from \$150,000 to \$130,000 with ten against.

In eliminating positions, those

taking part in the poll voted as such: three music teachers, 13 yes, 16 no; one elementary physical teacher, 17 yes, 12 no; one industrial arts teacher, 14 yes, 16 no; one creative arts teacher, 16 yes, 14 no; one Spanish teacher, 17 yes, 12 no.

Others included neurologically handicapped tutoring, five yes, 24 no; ten teacher aides, keeping three, 23 yes, eight no; four part-time custodians, 19 yes, ten no; and one clerk-custodian, 17 yes, ten no.

As far as supporting millage, ten said they'd support a 6.5-mill levy, while nine said no; ten would support a five mill levy, five no, 12 would support a 4.2 mill levy, with two voting no, and 14 said they'd not vote against a levy, and one said they would.

Concerning the new superintendent's salary range, five agreed with \$25-27,000 per year, with nine disagreeing; eight approved \$23-25,000, with six against; 16 voted for \$21-23,000 figures; and six okayed \$19-21,000, with four against.

The persons answering the poll voted 27-1 in favor of continuing the community meetings. Next one is set for Mar. 31, next Thursday, 7:30 p.m. at the Sun-

bury United Methodist Church. Organizers hope to have state representatives to speak and answer questions.

## BLOODMOBILE TO BE IN SUNBURY FRIDAY FROM 12-6

Remember that the Red Cross Bloodmobile will be at Sunbury United Methodist Church tomorrow from 12 to 6 p.m. Your support is important for the success of this visit.

The blood program has had a difficult time in 1977, according to the Red Cross. The winter storms in January and February canceled many scheduled visits. All area hospitals cooperated by conserving their use of blood to emergency cases only.

Now that elective surgeries are again taking place, the demand is at an all-time high. The patients in our hospitals are depending on your donation.

If you haven't made your appointment to give, call Mary Ellen Miller, 965-1816, Diana Dally, 965-3137, or the Red Cross office, 362-2021.

## School Board To Place 5.9 Mills on June Ballot

### BOARD ALSO PASSED MOTION TO MAKE \$75,930 IN CUTBACKS, WITH AMENDMENT

Big Walnut Board of Education, after weeks of deliberation and receiving community input, Monday night voted to place an emergency levy on the June 7 ballot for \$347,138 for five years.

Dave Thomas, County Auditor, told the News Tuesday he would certify a millage of 5.9 back to the board.

Members also passed a motion to make \$75,930 in cutbacks covering the 10-month period in calendar year 1977, which will have to be carried over for the five-year period, according to Sue Beardsley, clerk. The lesser amount of money realized if the levy passes will not allow any build-up due to inflation and the amount the board has to pay back from borrowing, she says.

Board also passed an amendment to the cutback motion, which was written by Dr. Terry Day, board member, which stated that the

board has been cut out of the budget, including middle school and guidance personnel, books and educational supplies. We've got a responsibility but you're the losers."

Suzi Gulcher, member, requested the wording, "Let's work for our children for a common good."

Auditor Delays Taxes

Mrs. Beardsley informed the board she had received a notice from the county auditor and treasurer that the opening and closing of tax books will be delayed another 30 days. Souder told the board, "The delay is costing Big Walnut several thousands of dollars in interest on borrowed money for operation of schools."

Mrs. Beardsley said, "As of this morning, we have \$35,000 worth of bills. Most are utility bills and we need money to pay Blue Cross insurance for employees." Board voted to allow her to borrow \$70,000 right away for payment of bills and to borrow \$50,000 Apr. 15 to cover the payroll.

Members endorsed recent action by the superintendent in the county objecting to the extension of time for payment of real estate taxes completed by Feb. 20 of each year. 2) No tax advances can be obtained for school

## County Hires Consultant for Its Share of Sunbury, Galena Sewage Plants

County commissioners Monday agreed to a proposal for hiring professional engineering services for its share of the study of sewage treatment plants for the Sunbury-Galena area.

Commissioners agreed to contact Burgess & Niple, Ltd., Consulting Engineers, Columbus, in the Facilities Plan for the area as the county's representatives in the planning. Contract calls for maximum charges of \$22 per hour for the consultants' plus expenses, with a top limitation

of \$40,850 before further negotiations are in order.

The county's consultant will work with engineering firms from Sunbury and Galena to determine future sewage treatment needs for the area. The Facilities Plan will include data required by the National Pollutant Discharge Elimination System permit program, as regulated by the U.S. Environmental Protection Agency.

## 1976 Tax Rates Change Little From Last Year's

Delaware county auditor has received certification of tax rates for 1976 for the county and according to the new rates printed by the treasurer's office, most remain unchanged from last year.

According to the figures, tax rates for 1976 are about .4 of a mill lower in all taxing districts than they were in 1975. According to Auditor Dave Thomas, 8 mill was cut from the school for the mentally retarded funds, due to pay offs for the new school and for the mentally retarded at Kilbourne.

Voters in 1975 passed a 1-mill additional bond issue to pay for the new school, known as Hickory Knob. With the new school bonds and interest, that levy has been cut, and the new rate for the retarded program is 5 mills.

Auditor Thomas said he increased the inside millage for the county's General Fund budget by 4 mills, which is the other factor figuring in all taxing districts. He explained that with the reappraisal, that inside millage (within the 10 mill limitation) dropped to 2.1 for 1975 taxes. "I'm allowed to cut that inside millage during a reappraisal year," he said.

But then this year, commissioners requested the reinstatement of 4 mills for their General Fund expenditures from that inside millage. That raised the county tax to 2.5 mills for 1976. "They're allowed to eventually ask for all that inside millage back," Thomas said. He pointed

out that before the reappraisal, the county operated on 2.9 mills, the top limit allowed them from the inside 10 mills. "They can ask for full reinstatement of 2.9 mills next year," he said. The increase of 4 mills in county General Fund monies amounts to about a \$70,000 increase to the county coffers for this year. Thomas said that the county's valuation in 1975 was \$229,000,000 after the reappraisal, but that 1976's valuation dropped to about \$220,000,000 as more persons filed for the agricultural tax exemption on their farms' taxes than last year.

The net decrease of 4 mills for all taxing districts results from the 2 drop in the rate for the mentally retarded program, and the 4 increase for the county's General Fund.

In the 1976 rates, Big Walnut, Buckeye Valley, and the Delaware City-County Joint Vocational School tax rates remain the same as those of 1975. Olentangy's rate increased 2 mills, again largely because of the agricultural exemption filings in that district.

In some specific taxing districts, millage increased due to levies passed during the 1976 calendar year. For instance, Genoa township residents will be paying 1.6 mills more this year than last, after the Genoa police levy passed in November.

Brown township voters agreed in last year's Primary the township could increase taxes by 8 mills, for fire protection. And, Oxford township residents agreed to a 1 mill increase for fire protection during the November election.

Complete breakdown listing of the 1976 tax rates will appear in upcoming editions of the News when Treasurer Madge Conklin advertises them. Mrs. Conklin says she's hoping to mail out first

## Tax Statements To Be Mailed In Mid April

County Treasurer Madge Conklin tells the News she's trying to have 1976 first half real estate tax statements in the mail the middle of next month.

Mrs. Conklin says her office is shooting for the week of Apr. 10-15 to have the statements in the mails, with the deadline for the collection of first half taxes coming May 20.

The treasurer says the changing of tax records to the county's new \$60,000 computer system has held up the opening of the tax books this spring. She adds that tax statements this year will be sent out in white envelopes, instead of the traditional manila envelopes of past years.

All bills as well as the tax books are being run out on the computer.

Genoa firemen extinguished a fire in a stolen car early last Saturday morning along Tussie and Genoa roads. The car, stolen earlier in Columbus, was apparently set afire by the thieves and a passerby turned in the alarm about 3 a.m.

## Man, Son Face Charges Following Fight With Officer

Walnut View Dr. man and his son entered place of not guilty and requested jury trials in Municipal Court Monday when they appeared to face charges resulting from an alleged incident with a Sunbury Police Officer early Sunday.

Harold E. Farris, 48, 433 Walnut View Dr., and his son, Lynn, 22, were charged after they allegedly got into a fight with Officer Larry Mettler at the home. Chief Walt Nease said Mettler had stopped the younger Farris for a traffic violation on the west side of Sunbury, and as the officer was writing out his ticket, Lynn tied home.

Mettler followed and was attempting to arrest the younger Farris when the fight began, Nease reported. Mettler asked for aid, and about ten other area law enforcement officers arrived on the scene to help him make the arrests.

Mettler was injured in the scuffle and was treated at Grady Memorial for injuries. Chief Nease said he was told Mettler worked until the end of the week.

The elder Farris was charged with a misdemeanor count of assault, and Lynn was charged with a felony count of assault. He also faces misdemeanor charges for traffic violations for failure to stop at a stop sign, fleeing an officer and resisting arrest.

Conservationists Fete Retiring Jerry Soli

Friends and members of the Delaware Soil and Water Conservation District gathered Thursday evening at the Holiday Inn in Delaware to honor retiring conservationist Gerald E. Soli for his 27 years of service to the area.

In the above picture, district chairman Jim Burkhardt, Right, and State conservationist Robert Quilliam, left, look on as Jerry and his wife, Virginia, following the special banquet which saw approximately 160 persons honoring Soli.

Gen. Herb Eagon, on the conservation board when Soli first came to this district, acted as Master of Ceremonies, commenting on Jerry's "dedicated

and effective" manner and introducing guests who have worked with him in various conservation phases.

Ralph Scott, Del-Co Water, said Jerry actually first got the idea of a rural water system in the county going, taking organizers to Scioto county to see what such a system could be. Dean Miller, county commissioner, noted Soli's cooperation with the county over the years.

Bob Fuller, Delaware JVS, and Nancy Lafferty, Delaware city schools, commented on Soli's contributions to school conservation programs in the county. And, Quilliam presented Jerry with a Certificate of Appreciation from Secretary of Agriculture

Bert Bergland recognizing Soli's 30 years, 11 months and 25 days in conservation. Quilliam also presented the retiree with a 30 year pin for his service.

County extension agent Bob Irvin noted Delaware county has been made a better place to work and live because of Jerry as he presented a slide show entitled "Soli in Review."

Lawrence Colflesh and James Ufferman, supervisors for the district, presented Jerry with the plaque of appreciation and gifts from the district members for Soli's 27 years of service. Jerry and his wife have announced no plans for retirement, but they say they wish to remain in the Delaware community.

## JVS Board Objects to Real Estate Tax Payment Extension

Members of the Delaware City-County Joint Vocational School Board of Education Tuesday night passed a resolution objecting to the extension of time for payment of real estate taxes in the county from Mar. 21 to May 20.

Madge Conklin, county treasurer, says the changing of tax records over to the county's new \$60,000 computer system has held up the opening of the tax books this spring. She adds that tax statements this year will be sent out in white envelopes, instead of the traditional manila envelopes of past years.

All bills as well as the tax books are being run out on the computer.

Board objected for three reasons: 1) Local appropriations have been based on real estate tax collections completed by Feb. 20 of each year. 2) No tax advances can be obtained for school operations since real estate taxes are not being collected. 3) Without receipts from local property taxes, the schools of Delaware cannot determine what the

county will not be able to operate.

Supt. John Toth said, "We can't operate without funds. The only solution is to borrow money." Formal objection will be forwarded to the State Board of Tax Appeals which approved the extension request last week.

Employments, Resignation

Board authorized the superintendent to employ a social studies teacher pending board approval at the next regular meeting, upon the resignation of Keith McKnight, effective Mar. 4, for personal reasons.

Board also employed George Santho, an Occupational Work Experience student, to assist with food service and building house-keeping duties, effective Mar. 21 through June 8, three hours per day at \$2.30 per hour.

Approve Courses

Board approved the following adult education courses and authorized the superintendent to enroll students in them.

## Galena Man Injured in Saturday Motorcycle Mishap

Only accident reported over the weekend occurred on Home Road, one mile west of SR 315 at 4:20 p.m. Saturday. According to the Delaware Post of the State Highway Patrol, Francis E. White, 31, of 5165 Cheshire Rd., Galena, was westbound on Home Rd. on a 73 Honda motorcycle.

It ran off the right side of the road, oversteering in a ditch. White was taken to Grady Memorial Hospital, Delaware, for treatment. Patrol cited him for speeding and no cycle license. The emergency levy asking 5.9 mills

## Former Lt. Gov. Brown Will Speak At Lincoln Dinner

Former Lt. Gov. John W. Brown, Medina, will be the keynote speaker at this year's Lincoln Day Dinner sponsored by the Delaware County Republican Party.

This year's annual affair, postponed from February because of the bad weather, will be held Apr. 21 at the Delaware City-County Joint Vocational School, Delaware. Tickets are now available through Mrs. Grace Newhouse, 362-5072, and reservations are being made for 300 people.

Former Lt. Gov. Brown first began his public service in 1941-42 with the Highway Patrol. He then was elected mayor of Medina following military service during World War II.

Brown became lieutenant governor in November 1964.

## Election Board Says June Primary Unlikely This Year

With a 4 p.m. deadline today for the filing of candidate petitions for this spring, board of elections in Delaware county feels there will be no primary election this year.

As of Tuesday noon, one candidate each from the Democrat and Republican parties had filed petitions for the run for Municipal Court Judge, the only county-wide elective post to be filled this year. If no other candidates in either party file, there will be no primary. Betty Porter, director of the board, says,

"The deadline is past for state issues to be on the June ballot, and as long as the candidates for Judge are in opposite parties, they'll run against each other in November."

"Any local issues put up for a vote this spring will have to be run as Special Elections, with the political subdivisions requesting them footing the bill," Mrs. Porter adds.

Deadline for the filing of petitions for local issues is Apr. 8, the director tells the News. "So far we've heard Big Walnut wants a Special Election June 7, and the Westerville Schools have their Special Election Apr. 21."

Big Walnut board decided Monday to put a 5-year term emergency levy asking 5.9 mills

SEES SCOUTING AS ANSWER TO SPOILERS

Dear Editor,  
I do not have any answers to the problems with the "Spoilers" in the community or the "Mail Box Bangers" that travel the roads at night damaging or destroying our mail boxes. It costs around \$50.00 to replace a good mailbox and post. I have had three boxes destroyed and damaged many times over the years. When damaged, I have often been able to make repairs so the box is usable rather than replace it. I have wondered what joy or satisfaction a person or persons derive from a senseless attack on a mailbox and running away in the night.

It is about 5 years late to do anything about the present day "Spoilers" but we can and should do something about the youngsters around eleven or twelve years old. Sunbury needs a good active Boy Scout Program that will give leadership with activities for the youth of the community. I have long been interested in the Boy Scouts and was active for years in a leadership capacity. A good Scout believes in the Scout Oath and Scout Laws. One point in the Scout Law is that a Scout is thrifty, does not want to destroy property, he works faithfully, wastes nothing and makes the best use of his opportunities.

I have discussed this problem with Gary Moseley, a former Eagle Scout from Troop 300 in

IRS Says All Taxpayers Have New Tax Credit

All taxpayers, regardless of income or filing status, are entitled to the new general tax credit on their federal income tax returns for 1976, the Internal Revenue Service says.  
The new credit is the greater of two percent of the first \$9,000 of taxable income or a maximum of \$180 or 35¢ per exemption other than those for age and blindness. Married persons filing separate returns are limited to a maximum of \$90 when using the two percent method and both spouses must use the same method to claim the credit.

BW BOARD TO PUT 5.9 MILLS ON BALLOT

(Continued from Page 1)

operations since real estate taxes are not being collected. 3) Without receipts from local tax revenue the schools of the county will not be able to operate.

A letter to this effect was directed to the State Board of Tax Appeals, which allowed the extension. Board asked Mrs. Beardsley to write a letter of objection to the county auditor.

Voices Like, Dialikes

Two middle school teachers and one substitute teacher voiced their complaints about the board's refusal to negotiate and refused to follow what has been negotiated. Richardson told her.

Richard Tuttle told the board it was the opinion of the teachers and aides at the school that the "educational experience of three grade levels will be threatened by having too many kids in the building."

Charles Brobeck said, "The more I look the less I like and the less I see in Big Walnut's future. There is a quality staff

at the middle school which takes years to develop. It only takes one year, and I'm afraid it's only a year for that quality to go down. The situation there will be one of chaos."

Virginia Anderson told the board that, with three grades, the school will be very crowded. Liz Arnet, consultant for the Ohio Education Assoc. employed by BW teachers, told the gathering that Big Walnut teachers have a morale problem because of the board's refusal to negotiate and refused to follow what has been negotiated. Richardson told her.

Rusty Slack, high school teacher, told the board he hoped they would stay with asking for 8 mills because the community made the suggestion and the community should support the schools. He also reported that textbooks should be updated every five years to stay with North Central accreditation. He told the group, "If you're dead set

against raises for the teachers, then vote for the lower millage. But you will also be taking away help that's really needed at all grade levels."

Ruth Hoover, pre-school teacher, told him, "We aren't against teacher raises; we just want the schools to stay open!" Becky Planisek told the board many farmers say they have succeeded in lowering their taxes; now they wonder why they should vote to raise them again.

Gary Gliberd, president of the Athletic Boosters Assoc., attended good luck to the board. "We elected our representatives and we should trust them," he told the community group. "What we should do is exert our energies in the direction of the state legislature. Community, listen to what our leaders are telling us. If you're not satisfied with them you can change that at election time."

Other Business

In other business the board granted a leave of absence extension into the 1977-'78 school year to Frieda Perry.

Members accepted the resignations of Florence Masters, Big Walnut 8 teacher, and Donna Jaynes, high school head cook.

Board voted to submit application for five school buses, replacing five that have more than 100,000 miles. The board has to act on this replacement before May 10, according to Dr. Richard Miller, assistant superintendent.

Board approved and will reimburse the parents of a handicapped student for providing transportation for their child to and from the high school as per the reimbursement schedule of the Program Standards for Special Education. Home instruction was approved for a child undergoing surgery and Erma Morgan as the child's tutor.

Board also voted on contract adjustments for four teachers. Two reductions and two additions.

Another meeting is scheduled for Monday at 7:30 to place the levy on the ballot.

Southern told the board that levy passage is getting better. Since Feb. 23, six new operating levies have been passed and one has been rejected.

Superintendent's Report

Toh told the board student registration for the next school year was down from last year's because of bad weather. He said he expects it to pick up now that spring has arrived. Of the 198 juniors who have registered, 102 are from Hayes, 48 from Big Walnut, 23 from Olentangy and 23 from Buckeye Valley.

Other Business

In other business the board heard Rodney Cavanaugh, occupational work experience instructor, tell about the goals in his program, admission requirements, course content and credits. He took the board on a tour of the department.

## Sunbury Aerie FOE Holds Celebration Honoring Second Anniversary

In observing the second anniversary of the Sunbury F.O.E. Aerie and Auxiliary, a dual celebration was held Sunday at the aerie home on Old 3-C Highway North and at the American Legion Home.

In the picture above on the left is James Kellner, administrative assistant to the grand secretary, who was the guest speaker. Next is Bill Daugherty, aerie 3614 president.

Seated, left to right, Paul E. Elchman, grand secretary; George Wenzel, assistant grand secretary; Noel Miller, zone co-

ordinator; and Carl Thacker, zone auditor. Others in attendance included many past and present state, zone and district officers. The auxiliary met at the Col. Benson House Post and the floor work was performed by the ritual and escort teams of Linden Auxiliary No. 2252. Elchman and Robert McCray, Sunbury's vice-president, spoke at the auxiliary meeting.

Guests of the auxiliary included Madeline Dickinson, state madam trustee and Grace Kline, past state officer and advisor of the local auxiliary. Visiting auxil-

aries presented gifts to Juanita White, madam president of Sunbury. A three-tier cake was pro-

vided by Nancy Fuller for the dual celebration. A dinner followed in the aerie home following the meetings.

## PERSONAL NEWS

Sunday, Harley Wilson attended the First Baptist Church service and then joined Mary McDonald for dinner. He later had coffee with Locky Norman. Cheryl Ulrey attended the Highland basketball game in Dayton on Friday night.

by Red Fleming  
Hello to all senior citizens and to springtime. We hope all are ready for the "outside" weather as we are sure some folks have been fever from so much inside living.

Low Beck hasn't received any Post cereal box tops to help with school athletic equipment yet. We guess not too many remembered to save them. This ends Mar. 31, so let him have them if you have any.

Bowlers are still going on Fridays at 1 p.m. to Westerville. For information, contact June Wintermute.

Many brochures are being checked for possible trips this summer. We hope to have more later. We do hope all our members, new and old, will be able to tell Neil Budd, our program chairperson, what they would like in crafts, games and anything else to enable us to enjoy our get-togethers.

No sickness has been reported—for which we are thankful. No trips either. Our number for this information is 965-4387. Let's hear from you.

## Blindness Society To Speak to Lions

Nancy Truelove, program coordinator for the Ohio Society for the Prevention of Blindness, will be the guest speaker at the Sunbury Lions meeting Mar. 28, 1977.

Ms. Truelove will give the guidelines for a Glaucoma screening program, to be held by the Lions in the fall. The program starts at 7:30 p.m. in the recreation room of the United Methodist Church, in Sunbury and is open to the public. Anyone interested is encouraged to attend.

For further information about the society and its services, write the Ohio Society for the Prevention of Blindness, 1500 W. Third Ave., Columbus, Ohio 43212.

## Introduces New Correspondent

By Betty Johnson

When contemplating writing this column, I remember Joyce Selts' remarks when she took over for her mother. She knew she was just filling in and that's the way it is for me. Frances Fravel was indeed a rare person. It was a privilege to have known her and to have learned from her example.

A little background information about me may help some of you to enjoy this column more.

My mother, Mrs. Charles Wurm, and family have lived and worked on the same farm in Harlem township for more than 50 years. My brothers and sisters were graduated from Harlem High School and now live fairly near. I was graduated from Big Walnut High School and Capital University. I had some course work at Otterbein and Ohio State. After college I taught at Sunbury Elementary and Reeb Ave. Schools until my marriage to Gary Johnson. Gary is a Harlem Road product also. We have three children—Eric, Kathleen and Christie.

We attend New Hope Methodist Church where I teach Sunday School and sing in the choir. My interests are basically homemaker related: sewing, knitting, my latest is quilt making, my favorites are gardening, preserving, and flower arranging.

That will do you for a start—you may learn more about me as time goes by.

## Couple Plans to Marry

The wedding date for Margie Frazzelli and Mark Jeffers of Hatch Rd. has been set for Aug. 6. Margie will complete the course in Medical Assistance at Career Academy of Ohio on Apr. 1.

## Harlem Garden Club Meets

The Harlem Garden Club met Mar. 23 at New Hope Church. Norma Jean Hill was the hostess. The program included talks on cold frames by Shubille Lechler; Poisonous Plants and Edible Weeds by Lynda O'Quinn; and the "Dogwood Legend" by Jean Bachman. Janet Hergatz had an arrangement of forced branches.

## Social News

The northern migration of Harlem residents is in full swing. Mr. and Mrs. Chuck Easter of Mayfair addition have returned from a short stay in the sun-capital, Florida.

We are all glad to see Clarence and Nancy Bodo home from their trip to Florida. Luckily they missed all of that bad stuff we had in January.

Glenn and Donna Evans and family were visiting her sister, Arlene, Netzer, in Orlando, Fla., when their father, Bill Fling, sr., was taken ill. Donna and Arlene flew home but experienced some bad weather over Miami. It seems the plane circled Miami for two hours, and Donna learned

first-hand how that little bag worked. Bill Fling, sr., came home from Riverside Hospital last Tuesday. He is getting along real well and was even doing out Allen Fravel will be home from Pt. Leonard Wood, Mo., on, for a week.

My brother, Art Wurm, has returned from Florida and points south. While in Florida, he shivered a lot, observed citrus farming and visited Jim Taylor. He and Bob Piper stopped in Plains, Ga., for a chat with the colorful Billy Carter.

It is surely pleasant to see a sprinkling of crocus blooming now. It has been a hard winter for shrubs and trees so we had better be grateful for each plant that survived.

Mrs. Willie Hayes, Robble and Cindy, traveled to Chapman, Ky., last week visiting Bob's mother, Mr. and Mrs. F. M. Gamble. Mrs. Gamble suffered a stroke recently and is recovering slowly.

Russ and Norma Jean Hill's guests last Sunday were her brother, Howard Heaston and family, from Bowerston, Oh. Mr. and Mrs. Charles Ogden of St. Petersburg, Fla., have spent this past week visiting with his mother, Mrs. Jay Ogden, and his sister, Mrs. Tom Carr.

John Pisala of Fancher Rd. returned home from Riverside Hospital recently. He suffered a stroke but is able to have visitors.

Mrs. Bessie Hatten was extremely ill this past week but was able to come to church on Sunday. She is working on a two-year

attendance bar—so she'll have to be really sick to stay home. Her grandson and his wife, Mr. and Mrs. Larry Lambert, are making their home with her now. Other sick folks we need to remember are Mary Spitzer, Mrs. Butler, Don Paul and Mrs. Jay Ogden.

Mrs. Ruth Hoffman of Hatch Rd. is recovering from recent surgery. The Red Cross Bloodmobile will be at Sunbury United Methodist Church Friday, March 25, from noon to 6 p.m. Walk-in volunteers are always welcome. If you have news that you'd like included in this column, please call me at 965-1035.

## Macrame Workshop Is Tonight

Community Library is sponsoring a macrame workshop, fine-free week and a spring meeting this week. Children will return Saturday to finish their t-shirts started last Saturday.

Under the leadership of Phyllis Queltette, Shaw Pharmacy craft consultant, participants will learn the basic macrame techniques while they make a pot hanger or an owl hanger. Participants are asked to bring macrame cord, 1-1/2" ring, 1-pins, rubberbands, a yardstick and a board to pin the work into as it progresses. Tonight's class begins at 7:30. Part 2 of the workshop will be held next Thursday night in the library. Supplies will be available for purchase at the workshop.

Community Library Friends will meet Tuesday night at 7:30 in the library. Reports from several committees including the tour of homes and art collection committee will be on the agenda. Anyone wishing to join the group or learn more about it is invited to attend the meeting.

Fine-free week is in progress. Hunt through your bookshelves for volumes belonging to the library and return them. No questions will be asked and no fines will be charged. Books may be left at the desk or in the return box at the east door. Books must be returned by Mar. 31 to fine-free.

## Busy Folks Down Tussie Way

by Sandra Meacham

Janet, Tammy and Lance Booth returned home this week from a trip to Florida with other family members. They enjoyed a visit to Silver Springs and visiting with Janet's parents, who are staying in Florida.

Mr. and Mrs. William Kingery will celebrate their wedding anniversary on March 28. Best wishes to you both.

Mr. and Mrs. Paul Seelig traveled to Cincinnati on Thursday and enjoyed dinner with Evelyn's cousin who lives there.

Roger Seelig is in Doctor's Hospital following a recent accident in which he injured his back. We hope you have a speedy recovery.

Happy birthday to Karen Ballard. Karen celebrated her birthday on March 24.

On March 26, Mr. and Mrs. Clinton Cole will celebrate their 66th wedding anniversary.

Mr. and Mrs. Bob Daniels, Mr. and Mrs. Herb Mason and Robert Sparks, Jr., all returned home from a trip to Florida on their motorcycles.

Get well soon to Cora Wright. Cora is in Riverside Hospital following surgery.

Bertha Lawton returned home this week from Florida. Bertha enjoyed a stay with relatives there.

Julie Johnson celebrated her birthday on March 24.

Lillian Phillips is still in Riverside Hospital. Get well soon, Lillian.

Thought for the day: Kindness in words creates confidence, kindness in thinking creates profoundness, kindness in giving creates love.

## Song Spinners To Perform This Weekend

Song Spinners will present "Applause, Applause," a musical evening that features songs from the Broadway hit "Applause, Applause" as well as music from the 50's and a medley of show tunes.

The Men's Chorus has joined with the Song Spinners to present an evening of music and dance numbers.

"Applause, Applause" will be presented tonight thru Saturday, Mar. 24-26 at 8:00 p.m. at the Westerville South High School. Tickets may be purchased at the door.

## Shultz Named Miss Regional FHA Candidate

Dell Ann Shultz

Dell Ann Shultz, representing the Big Walnut FHA, won the title of Miss Northeast FHA at the regional meeting held at the Wayne County JVS, Friday. Dell Ann will compete in the Ohio Miss FHA contest Apr. 2, in Columbus.

In order to compete on the regional level, Dell Ann had to win the district contest held last fall at the Delaware County JVS. The girls are judged on poise, personality, grooming, personal appearance, activities in chapter, school and community, and a basic knowledge of FHA.

Dell Ann is the daughter of Mr. and Mrs. John Shultz of Carvers Corners Rd., Sunbury. Her many activities include: Big Walnut FHA chapter president; Big Walnut FFA member and chapter queen; Delaware county junior fair board secretary; and service on the Delaware and Hartford fair Queen's Court. Dell Ann is active in 4-H and The First Baptist Church of Sunbury.

## Out Around Olive Green Area

By Opal Easthom

Beware the idea of March, and it's well to observe this advice. Tuesday evening, Mar. 15, when a group of 35 people from the Olive Green church were traveling by motorcade to the E.C.Y. rally at Martinsburg Church, we came upon the scene of an accident. A large truck loaded with canvas goods that had been traveling at a high rate of speed upon a curve on 22nd St. had spun out of control. Since Rev. Long was not familiar with the area, he got on his C.B. radio and said he was the A Country Person from Sunbury area and wanted information on how to best get to his destination. A man he contacted told him just how to get to Mt. Vernon and then said he would meet

us at a service station there and guide us to be sure we got on the right road. That fellow surely was helpful. We finally arrived, late, and had to be seated in the extreme rear of the church. A drama group from the Circleville Bible College put on a skit. Four churches were represented at the rally including Hartens, Johnson, Olive Green, and Martinsburg.

The Old Trail Garden Club met Wednesday afternoon at the home of Mrs. Gladys Shuter on Centerburg Road. There were seven members and one guest, and Mrs. Shuter presided. Vice president, Gladys Shuter, presided. Carol Scholl read the minutes and gave the roll call which was answered by members telling what kind of bird they were "Birds" given by me, Opal Easthom. I discussed the characters of the Titmouse, Snow Buntings, Horned Larks, and showed a beautifully illustrated "Book on Birds" that had over 1000 pages. I had bought the book as a birthday present for my son, but he is a birdlover, and when I presented him with the book, he told that he already purchased one just like it. He did accept it and gave the one he had to the Ashland Library. Mrs. Shuter played two records of bird calls and songs. These were very interesting, and some familiar ones were heard. A fun was shown by Mrs. Shuter of scenes from her farm and garden, and others were shown by Mrs. Shuter. Refreshments were served by the hostess - Weary Willy cake, chocolate brownies, coffee and tea. I am sure we all enjoyed the hospitality of this home.

The Sunbury Workers met Tuesday at the home of Mrs. Clara Keene, where they enjoyed a light lunch and made some plans including a clean-up day at the church. This will be Mar. 31. Come one, come all help do a little spring cleaning.

Cottage prayer meeting was held on Monday, Mar. 27, at 7:30 p.m. Noah Salvers, Ulica, Friday night with 31 present.

Walt Mason of Westerville visited his sister and brother-in-law, Mr. and Mrs. Grover Bird, one day last week and took them some maple syrup. Other callers at the Bird home include Rev. Sam Eassey, Mr. and Mrs. Robert Cheadle of Stockwell Road. I hear they have a nice new home there.

Mrs. Glen McDavid, Mrs. Bernard Cheddes, Sr., Mr. and Mrs. Tommy Harris and little daughter, Heather Dawn, of Gallon were Saturday dinner guests of his parents, Mr. and Mrs. Thomas J. Harris. Mr. and Mrs. Bill Zenger and baby son, Joshua, of Marion were Sunday dinner guests.

### Humane Society Sponsors Essay Contest With WBNS

Humane Society of Delaware County in cooperation with WBNS-TV's "Schoolies" will hold an essay contest beginning Mar. 15 with the winners to be featured on the young people's show during "Be Kind to Animals Week" which begins May 1.

Contestants, who will be judged in three age groups of six to eight, nine to eleven, and 12 to 14, will be asked to complete the sentence "My pet is special because . . ." in 50 words or less. Entries will be judged on originality, sincerity, and independent thought, according to the Humane Society.

Preliminary judges will be Larry Grover, principal of Olentangy Elementary School, Mrs. Ann Weaver, public service director for the Upper Arlington Library, and Robert Blake, naturalist for the Columbus Metropolitan Parks. Grover, Mrs. Weaver, and Blake will select seven top letters in the three categories after which WBNS personnel headed by "Schoolies" hostess Carol Chaney will select a winner in each category and a top winner overall.

All winners will appear on both the "Schoolies" and "Flipper" programs with the top winner receiving a 14x20 color photograph of her pet from Cuddery Photography Studio, Delaware; a \$25 gift certificate for pet food from Buehler's IGA, Delaware; and a book relating to their pet from the Delaware County Academy of Veterinary Medicine. The runners-up will receive books relating to their pets from the Humane Society of Delaware County.

Persons should send their entries with their name, address, age, phone number, parent's name, and pet's name to My Pet c/o "Schoolies", WBNS-TV, 770 Twin Rivers Dr., Columbus, Ohio 43216, by Apr. 15.

## Catching Kilbourne Notes from Here 'N There

By Mrs. Karl Smith

Mr. and Mrs. Larry Colflesh returned from a two-month vacation in Florida, Nancy and Kelly. Larry's sister, Nancy, and Kelly's sister, Kelly, really loved fishing although he didn't catch anything. His great-grandmother, Mrs. Sarah Colflesh, came down with Mr. and Mrs. Raymond Colflesh and Kelly to look over on a bicycle-built-for-two ride. She also spent a week at Englewood with relatives. Larry Colflesh is in Florida for baseball camp and summer spring break with Ohio Northern University and Mrs. Larry Colflesh saw most of the games at Sanford. He stayed a few days with his parents and flew back to school. Mr. and Mrs. Ken Freeman and Mr. and Mrs. Raymond Colflesh also visited. They also visited Mr. and Mrs. Ross McKee. Before returning home, Larry Colflesh and Winniego Rilly at Eustis, Fla. Mr. and Mrs. Larry Colflesh were on a plaque for the best man and woman costume. Jeanne and Pat Fugate had the last one as a doorman.

Amyrills met Thursday at the home of Mrs. John Humes, 17 members. They had a delightful Irish luncheon. Mrs. Hostetter, assistant guide, was the selector took them on a tour of the building and they saw the classes at work. They returned to the meeting room for roll call and visiting. The next meeting will be at the home of Mrs. John Humes, who had her best man and woman costume.

Mr. and Mrs. John Humes, Mr. and Mrs. Kenneth Freeman, Mr. and Mrs. Walter Humes, Mr. and Mrs. Lester Pendleton, and Mr. and Mrs. Virgil Vankle attended the golden anniversary party of Mr. and Mrs. Orville Borkosky at Caledonia Methodist Church. Aaron Pittman, who had been their best man, was also there.

The N. Galena Euchre Club met Wednesday evening at Donna Reece's home. Shirley Bay had the last one and Sally Dauphin was low.

Mr. and Mrs. William E. Sheets attended the 50th anniversary celebration for Frank and Nora Daily Saturday afternoon at the Sunbury U. M. Church. Mrs. William D. Sheets had charge of the registration book. The William D. Sheets' also attended the wedding of their niece, Jane Liffman, Saturday at the Zion Church of Christ, Delaware. Mary Pfeiffer and children of Mr. and Mrs. Howard Cleland Saturday. Wednesday, Earl Cleland and Elva Kimbrough visited Howard Cleland who is recovering from recent surgery.

Twenty from the Kilbourne United Methodist Church toured the Pontifical Basilica, north of Northampton, Tuesday evening. Mr. and Mrs. Michael Sheets, Mr. and Mrs. Roger Glenn, Mr. and Mrs. Walter Humes, Jr., and Mr. and Mrs. Bill Thurston went from this area as guests of the Farm Bureau for signing up six members to the La Comedian Dinner (held at near Dayton and saw the "Sound of Music").

Doris Condit is improving at Riverside Hospital. Her mother, Mrs. Susie Leach, of Natchitoches, La., and her sister, Mildred Edison, of Foster City, Ga., came to see her and the Condit family. Mrs. Edison left Sunday evening and her mother left.

### Holds Services For Galena Nonagenarian

## IN MEMORIAM

Nancy, My Darling Wife,  
What a price you had to give, not  
in vain, but that others will live  
We tried together to save your  
earthly life.

I have 1/2 regrets you are a  
wonderful wife.  
You are a great Mother to Eddie,  
Joni and Tony.

Now the days ahead will be very  
long.  
I loved you from the very first  
start, and long after death due  
us part.

You will always be in my heart.  
I want you to know you died not  
alone.

As the days went on our love had  
grown.  
Now it's time to open heaven's  
door.

All of us will love you forever  
more.  
I will always remember The Way  
We Were.

Your loving husband,  
Chuck

Tammy Dally attended the Horse Clinic at OSU with her 4-H club on Wednesday evening. Diana Dally attended UMW & Circle meeting at Mrs. Robert Houser's on Monday evening.

## BW Chapter Observes National FHA Week

Big Walnut FHA is celebrating National FHA Week this week. The celebration is set for National Vocational Education Week held in February. Since school was not in session that week the chapter decided to hold their week in March.

Activities for the week include: Attending the First Baptist Church of Sunbury, on Sunday. The chapter attends the worship service where the chapter president belongs. Miss Dell Ann Shultz is the president of the Big Walnut chapter.

Monday is red and white day where the members wear red and white to school; Tuesday is cake day; cake is served in the

caterina with FHA written on it; a roller skating party is planned; at the chapter meeting Mrs. Lola Dell Searles will speak on "How to get better grades".

A fun night is planned for Thursday night, with members going to an ice cream parlor. On Friday members will assist the Red Cross at the blood bank to be held at the Sunbury United Methodist Church.

# Q-PON

You'll Save \$1 on Every  
\$5 You Spend at the People's Store  
March 16-26

**QUESTIONS** How do you use Q-pon? If your total purchase comes to \$5, hand the cashier \$4 and one Q-pon. You've saved \$1. If your purchase comes to \$10, hand the cashier \$8 and two Q-pons. You've saved \$2. If your purchase comes to \$50, hand the cashier \$40 and ten Q-pons. You've saved \$10. Now that makes good dollars and sense.

**QUALITY** The Q-pon can be used in all departments and applied to all famous brand names and quality store merchandise. Re-

member, no sale is ever final - we stand behind our merchandise 100%. We want you to be totally satisfied.

**QUANTITY** There are no limits on how many Q-pons each customer can use. We have extra Q-pons for all customers at the store if they are needed.

**QUOTE** "The Q-pon is another way The People's Store wants to serve the people in their best interest." - Store manager

**Foot Trouble . . .**  
W.C. Fields, the famous comedian, used to say that if he complained about his feet hurting him, nobody would care; but if he said that HE hurt his feet then everyone showed sympathy.

Yet, there is no difference between feet that are hurt and feet that are aching. When they are allowed to go out of condition, they will be as injured as if involved in an accident.

Foot trouble, the most common ailment of the U.S. population, can be avoided. If a person realized that his feet are entitled to the same health care as any other part of the body. Improperly fitted shoes is only one of the many causes. Any one who wishes to preserve healthy feet should be concerned about OVERWEIGHT, POOR POSTURE, and LACK OF EXERCISE.

Supplying prompt and dependable medical supply service is our concern at DEL RX PHARMACY, Cor. Sandusky & William Sts., Delaware. Bring us your prescriptions, or ask your doctor to PHONE: 343-5881. We also have trained, professional fitters for surgical garments.

## Ex-Big Walnut Star Helps His Newberry Team to 36-1 Season

by Jack Brehm

Basketball All-American, the first in the history of the Sunbury News area, is the honor bestowed on ex-Big Walnut star Scott Conant, a senior at Newberry College in Newberry, NC.

In addition to Conant's being named to the NAIA squad, his coach, Neil Gordon, was named the National Association of Intercollegiate Athletics' top coach. Both announcements were made at the Hall of Fame banquet in Kansas City two weeks ago at the time of the national championships.

Newberry's Indians completed a perfect 32-0 regular season and went to 36-0 before being eliminated in the national championships due to Conant being injured. Conant also was earlier named to the District 6 first team and Gordon was also its coach of the year.

Scott, in Newberry's Mar. 9 game, fell to the floor in a scuffle under the basket and suffered two torn ligaments and a crushed cartilage. He was returned to North Carolina and was operated on Mar. 11 at Richland Memorial Hospital, Columbia.

Many Newberry fans contributed their team's loss largely to the fact the 6'11", 215-lb. center did not play most of the second half. (He entered the game hampered by a severely bruised hip and left the contest less than three minutes into the second half with the knee injury.) The fans certainly had a right to their claim.

Conant was in the final game of a brilliant career and season at Newberry. The 1972 graduate of Big Walnut High School in Sunbury, where he earned AP All-Ohio honors, was second in the Newberry team's scoring, averaging 16.9 points per game, just under the leader, Bobby Griffin, who averaged 17.6 per game.

Newberry's No. 1 national rating not only was the result of Conant's scoring ability, but of his average of 14.8 rebounds per game. That mark placed him as the leading rebounder of the District 6 for the season. Also, Scott's field goal percentage of 61 percent was tops among the starters of the district.

Conant, considered a shoo-in for All-State honors, came to Newberry from Clemson University, where he started as a sophomore. In his two-year career at Newberry, a Lutheran-supported school with an enrollment of approximately 850, Scott scored 874 points and grabbed 769 rebounds. Against district foe, University of South Carolina-Alken on Feb. 10, (Newberry won 110-87) Conant snared 25 rebounds, blocked 7 shots, and scored 14 points in playing almost three-fourths of the game. Conant's sparkling 27-point effort against Allen University (Feb. 15 when Newberry won 102-67) was his season high.

Newberry's head coach, Neil Gordon, this year's NAIA National Coach of the Year, feels that the success of his top-ranked 36-1 Indians can be attributed largely to the play of Conant.

"We played Scott at forward last year, but moved him to his more natural position this season, and the results have been devastating. He is the second leading percentage shooter in the nation and ninth in rebounding in the country. And he's done this playing only about 30 minutes a game," explained the veteran mentor of the Indians.

"Scott is the best big man ever to play for Newberry. (Last year's center was 6-11, Luther College All-American Moses King). He has more all around ability than any center I've ever coached. His aggressiveness and intensity are very unusual for a big man. I think he could play for any team in the country. No center in our league has come close to outplaying him in head-to-head games," praised Gordon.

His parents, Mr. and Mrs. Dan Conant of Sunbury, told the

News that Scott was dismissed from the hospital Saturday and is in a full cast from his hips to his toes. "He is attending classes," said Dan.

Both Dan and Bebe were in Kansas City and returned with Scott to Newberry and stayed until last weekend. Both attended the appreciation dinner at Kaufman Hall last Monday while Scott was still in the hospital.

Dan and Bebe were featured in the writeup of the banquet in the Newberry Observer and they were shown in a three-column photo accepting a plaque and autographed basketball presented to Scott.

The Indian, the Newberry College paper, in their Wednesday, Mar. 17 edition said in part, "The 6'11" center ended his career in the Indians' single loss of the season to Central Washington 58-57 in the NAIA playoffs when he was forced to leave the contest with a knee injury. He concluded the 1976-77 season with a 17-point average while pulling down 15 rebounds a game. Conant's rebounding average was tops in the district. Conant also recorded a 61 percent field goal average for the year."

Newberry went 30-5 a year ago before losing in the quarter finals of the national tournament and this year was rated the NAIA top team going into the post season affair. There are 525 schools in the NAIA.

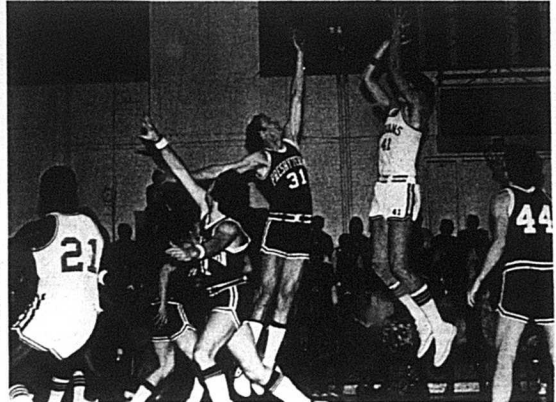

The Indians' 32-0 regular season record set a NAIA record for consecutive victories and most wins in a regular season. Their final total of 36 wins tied a NAIA record for consecutive victories in two campaigns.

Gordon's two-year coaching record of 66 triumphs in two seasons is bettered only in the history of college basketball by Adolph Rupp's 70 victories in over a two-year span in the late forties.

Only sad note to the triumphs of Scott, Newberry College and Coach Gordon is the fact Scott's knee might spell an end to his career. After the cast is removed, it could be six months before he is able to know the extent of the injury.

Scott had already been contacted about playing European ball for a year after his graduation and the rumor mill at Kansas City said at least one NBA pro team was interested in him.

Conant fired a long bomb in Feb. 2 win over Presbyterian.

### Track Team Readies For First Home Meet

by Paul Rice

The Olentangy track team has its first home meet scheduled April 1 at 4 p.m. with Columbus

Academy.

The Braves defeated Academy last year so this year the meet should prove competitive.

The Braves then travel to Big Walnut to face New Albany and the host team April 5 at 4 p.m.

## Champion Cagers, Wrestlers Draw Praises At Big Walnut's Winter Sports Banquet

**Phil Fox Snares Wrestling Trophies**

Senior Phil Fox stands behind the MOC championship wrestling trophy and two other trophies at the banquet. In his right hand is the Most Valuable Player while in his left hand is the Golden Eagle trophy.

Big Walnut Winter Sports Banquet held Tuesday night in the gymnasium.

Also recognized and given awards were members of the varsity and reserve girls' basketball team, reserve cage team members, cheerleaders, managers and statisticians.

In special awards, three athletes received two trophies apiece: Don Stover the varsity basketball Most Valuable Player and Best Defensive Player, Phil Fox the only wrestling awards including Most Valuable Player (this second straight) and the Golden Eagle, and Barb Baldwin of the girls' varsity cagers the Most Valuable Player and Golden Eagle trophies.

The annual potluck banquet, sponsored by the Big Walnut Athletic Boosters, was opened with Rev. Don Newland of the Sunbury United Methodist Church giving the invocation.

Gary Girberd, president of the boosters, gave the welcoming address and introduced Ken Ullom, faculty advisor, who intimated as master of ceremonies for the evening and introduced the coaches.

Shultz Given 4-Year Plaque

Heading the group of honored youths were the cheerleaders, introduced by their advisor, Lois Baby. Four-year senior veteran Darla Shultz was given a plaque. Other seniors honored were Kenna Hardy with a 2-year award and Carolyn Maxwell with a 1-year letter.

Underclassmen given second year awards include Jan Hiles, Katrina Kahrman and JoAnn Thompson. A first year award went to Nancy Condit. Second year reserve letters went to Margaret Hinton, Yvonne Endow, Pam Moodspaugh and Jo-

anna Schirzinger. First year awards went to Janet Rentler and Robin Borror.

MIP to Wetherbee, Bachman

"I've never had a group of athletes that worked harder than these girls," said Tom Peyton, head coach of the girls' varsity cagers. In addition to his giving two trophies to Miss Baldwin, he announced a tie in the vote for Most Improved Player.

Betsy Wetherbee and Connie Bachman tied for this honor and both were given trophies. Linda Yost received a 4-year letter (her 8th BW Varsity letter), Miss Baldwin third-year award, Janette Borchers, Karen Hamm and Peg Murphy second year awards, and Miss Bachman, Karen Longshore, Cassy Spurrier and Miss Wetherbee first year letters.

Coach Peyton also gave certificates of participation to manager Kim Conley, scorekeeper Mark Petry, and statisticians Sheri Girberd, Brownen Huffer, Sharon Lawless and Carrie Russell.

Robin Moodspaugh gave out awards to the reserve cagers and said, "We accomplished what we set out to do—I feel we will have good basketball in years to come."

She presented a second year award to Lori Dixon and first year to Nancy Hendershot, second leading scorer. Jolee Richards, Mona Richardson, Cheryl Sewell and Melody Shultz. Certificates of participation went to Jennifer Gohall, Mary McCusker, Sue Miley and high scorer Mary Murphy. Others receiving certificates were Carrie Abolins, Ann Arntine, Charleen Anderson and Sue Cring.

Mobley is High Point Grapppler

Coach Lassak gave out letters to his 17-man varsity squad with Mark Mobley (17-4 won-loss) honored as the top pointmaker on the team as he finished with 67 1/2.

Lassak said, "It was a fine outstanding season—a tribute to the boys on the team—all 38 of the gentlemen."

Six of his Mid-Ohio Conference champion grapplers were given second year awards including Mike Cooper (13-8), Fox (16-6-1), Scott George, Kevin Layton (13-8), Dan McKenzie (9-9), Pat Murphy (9-8) and Jerry Thacker (10-8).

First year letters went to Dwight Arthur, Jeff Gulcher, Dave Linnabary, Doug Linnabary, Kirk Mobley, Mark Mobley, Jeff Mosley, Steve Salyers, Larry Thacker and Dana Williams.

Statisticians recognized by Lassak included Vicki Bower, Christy Cooper and Kelly McWilliams. Managers honored were John Grady, Brad Landon and Wayne Wampler.

Chuck Diebert, reserve coach, gave out the awards to the 21 members of his squad. Certificates of participation went to Tim Bally, Greg Daugherty, George Ford and Kevin Williams. Certificates and letters went to Jay Arrington, Rick Bailey,

## Eagle Baseballers First to Open With Six-Game Southern Trip

by Steve Keeler

Coach Mike Nethero's Big Walnut baseball team is the first News area team to kick off diamond action for 1977 as they prepare for their annual journey to the southern portion of Ohio this weekend.

On Friday, the Eagles open the tough three day, six-set trip by playing Class AA Dawson Bryant in a doubleheader at 3:15 Saturday they have another twin-bill, Ironton St. Joe, one of last year's regional participants, at 12:00 and Sunday meet Chesapeake twice beginning at 1:00.

Nethero, when asked what he expects down south stated all are "decent ball clubs" and he would be "satisfied with a 3-3 split."

"We may be a little slow starting," he added.

After a break of three days, BW returns for their first home field contest when they host Olentangy on Wednesday and Ridgedale on Thursday. Both start at 4:00. Then on April 4, they travel to Buckeye Valley to open their Mid-Ohio Conference season at 4:00. BW shared the 1976 title with Mt. Gilead as each team ended with 9-3 records.

**30-Game Schedule Set**

Coach Nethero has lined up a 30-game schedule which features 15 games against "A" schools, 12 against "AA" and 3 against "AAA". Five of these are doubleheaders with 3 to be played during the already mentioned southern trip. Delaware Hayes and Ridgedale make up the other two.

In '76 BW scheduled 34 games with all being played plus the tournament where they advanced to the district semi-finals before being knocked off by BV.

**Will Field Young Team**

After graduating nine lettermen from last year's 6-6 MOC squad, (17-17 overall), Coach Nethero returns with six lettermen from which to build a young and learning club.

Topping the list is All-MOC second team selection Don Stover, a senior pitcher who compiled a 5-3 record in mound duties in '76. Following Stover comes another senior pitcher, Mark Dailey, who was an MOC honorable mention pick and finished with a 3-2 mark.

Next is Jim Sharon, who rejoins the team after a one-year lay-off. In his sophomore year, Sharon made the MOC first team as an infielder. Others who will give assistance are senior pitcher-outfielder Tim Newland, senior first baseman-outfielder, Jim Gulick and junior catcher-pitcher, Mike Cooper.

Non-lettermen seniors include

Give till it helps... be a blood donor on Friday.

third baseman Bill Burgess and outfielder Tom Brown. Juniors include third baseman-catcher Charlie Roederer, pitcher-outfielder Pat Livingston, shortstop-pitcher-outfielder Bill Borchers, outfielder-pitcher Keith McKenzie, outfielder Scott Craig, outfielder-pitcher Karl Hochuli, Outfielder Stu Tudor, second baseman Scott Forman and pitcher-outfielder Steve Adams are others. Sophomores include John Petraska, Todd Newland, Keith Barney and Doug Gulick.

Senior third year letterman Don Barney and second-year sophomore Barry Anderson are back to lend support in managerial duties while bat girls include Darla Shultz, Kathy Davidson, Donna Stover, Sue Anderson and Joanna Schritzing.

**Looking at the MOC Race**

"The league will be tough," stated Nethero when asked how he rated this year's MOC race, the last for Big Walnut, before it enters the Central Buckeye League in the fall. "Cardington

Mt. Gilead, Highland and Buckeye Valley (not necessarily in that order) all have a chance and we'll be competitive also," he further added.

In assessing the teams, Nethero said he thinks Cardington has the most back; Mt. Gilead will be good as they won a summer league with a 12-1 record; Highland "will have momentum" after their basketball tournament showing and "of course, you always look for BV to be at the top." Continuing, he said, "You can't count on Northmor and North Union either." Talking about his own squad, Nethero said their "attitude is real good" and "they are working well together."

Duffey, Stemen Back

Again coaching the reserves will be Craig Duffey, who guided last year's 10-8 club to the MOC Reserve Tournament title, where they beat Highland in the championship 7-4. Ron Stemen is also back to help on the freshman level. His 1976 unit was 10-8-1.

# Highland's Title Dreams Fade in Final Seconds

## Fenwick Wins 63-59, Scots Close at 17-6

Two short field goal attempts by Highland's No. 1 and 2 scorers failed to drop in the final seconds at Dayton Friday night and the Scots lost out in the Regional semi-finals to Middletown Fenwick 63-59, ending their season at 17-6.

Fenwick went on Saturday to lose big to Fort Loramie 68-48 and Loramie advanced to the State tourney. They are scheduled to square off against 20-6 Continental Friday night at 9:30. Fenwick finished with a 15-7 mark while Loramie closed at 17-9.

The defeat ended the finest season in the history of the Scots school. They had shown brilliance in knocking off No. 8 ranked Cardington in the district semi-finals and continued by taking No. 1 Ridgedale in the finals. For second year coach Jim Schoch, in closing this season at 17-6, his two-year mark at Highland now stands at 34-10. Last season his club finished at 17-4 while winning the sectional championship.

### Early Turnovers Hurt Scots

After the opening 19-ft. goal by Larry Squires, the situation looked rough for the Scots. Using two steals, Middletown bounded out to an 8-2 lead before the Scots' Wayne Hinkle hit his first goal on a layup.

Dave Porter, Larry Squires and Hinkle all hit to pull the Scots to within two points at 12-10 only to see Fenwick go on a 10-point spree and a 22-10 lead. Jeff Jahn was fouled on his first shot of the game with 10 seconds to go and converted one and came back with 2 seconds remaining with his first goal on an 8-footer for a 22-13 Fenwick lead at the end of the period.

6'2" senior Steve Rossi led Fenwick's first period assault on the Scots by scoring 10 of his game high 20 points. (He finished with 10 of 17 from the field.) Fenwick continued mid-court pressure into the second period

and twice mounted 13-point leads against the Scot man-for-man defense. Schoch then changed Highland's defense to a zone and they started to cut into Fenwick's lead.

Turnovers also stopped for Highland and they outscored the eventual winners 18-7 over the remaining distance to the half to cut the margin down to two points. Jahn and Hinkle paced the Scot attack through the first part of this drive and Larry Squires hit two long ones in the final 1:28 of the period.

Fenwick slowed their attack in the third period and eventually the Scots caught them when Dave Porter hit a 16-ft. baseline for a 39-all tie. The score was tied once more at 41 and Jahn put Highland ahead for the last time with a 19-footer and a 43-42 lead with 3:58 showing.

Fenwick tied the score and Craig Esposito's 16-footer put them into a lead they were never to relinquish. Highland tied the score two more times at 45 (Jahn) and 47 (Jeff Johnson) but could never go back on top. Hinkle's layup with 30 to go until the final break closed the score to 51-49. In the fourth period the Falcons used a deliberate four-corner offense and slowly pulled into a 61-55 lead before Larry Squires and Hinkle both hit to close it to 61-59 with 3:13 to go.

Fenwick stalled the ball and worked for the good shot until finally turning it over on a charging foul with 1:55 remaining. The Scots also worked for the good shot and Johnson's 15-footer missed with 1:10 to go.

Middletown was again unable to get off a shot and Esposito turned the ball over with 18 seconds showing. The Scots brought the ball down and Jahn shot a 10-ft. baseline with :08 on the clock. It rolled off to the other side and Larry Squires rebounded and missed from approximately 4-feet.

Mike Acra hauled in the re-

bound and was fouled by Hinkle, sending him to the bench with his fifth foul. Acra converted the one-and-one to make the final margin.

Scots Shoot 51% for Game

The Scots finished with 51% shooting from the field in the game, closing with 26 of 51 for 51% while the winners were 27 of 61 for 44%. At the line the Scots were 7 of 10 for 70% and Fenwick 9 of 13 for 69.2%.

Highland held a big margin in rebounds, pulling down 37 to 29 for the Falcons. Larry Squires led with 15, Hinkle had 8, Jahn 5, Porter 4 and Johnson 1. For the winners, Acra had 10 and Tom Rich 9.

Four Fenwick players cracked double figures and behind Rossi were Rich with 14 (6 of 15), and Farrow (4 of 6) and Esposito (4 of 11), both with 10 apiece. Jahn (8 of 19) and Hinkle (8

of 14) both had 18 apiece for the Scots while Larry Squires closed with 14 (6 of 12). Johnson finished with 5 (2 of 4) and Porter had 4 (2 of 2).

Other individual statistics show Jahn high in turnovers with 6 as Highland was charged with 19 compared to 17 by Fenwick. Larry Squires and Hinkle had 4 apiece. Kevin Squires and Porter two each and Johnson 1. Esposito and Rossi had 4 each for the winners.

Assists were tied at 17 apiece in the game; Esposito topping everyone with 10. Johnson led the Scots with 7, Jahn and Hinkle had 3 each and K. Squires and Porter had 2 apiece.

### Hutt, MacCreedy, Holly Given Top Olentangy Wrestling Awards

by Jeanne Cole  
The Olentangy wrestlers have closed their 1976-77 season. A banquet was held on Monday, Mar. 14, to present awards for the winter sports.

Coach James Kaser presented the wrestling awards.

The Most Valuable Wrestler Award went to junior Tom Hutt, a two-year letterman who placed second in the Granville Tournament, second in the Metro, was the sectional champion, and placed third in the District.

The Brave Award went to senior Rob MacCreedy, a three-year letterman who placed first in the Granville Tournament, second in the Metro, third in the

sectionals, and fourth in the District.

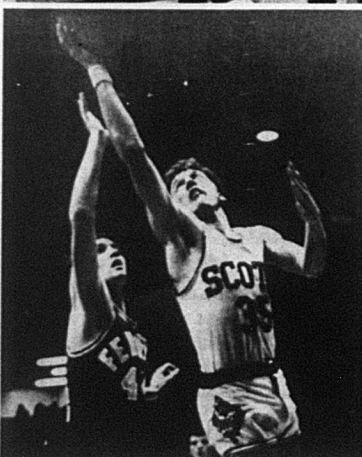

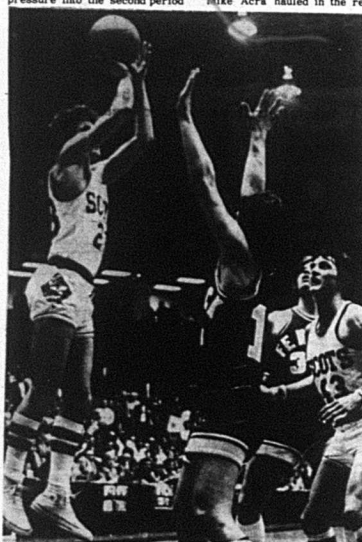

The Most Improved Wrestler Award was awarded to senior Brett Holly, a first-year letterman and wrestler. Brett was the Granville Tournament champion and placed third in the Metro.

First-year varsity letters went to Steve Arnold, Scott Bowser, Bill Chapin, Scott MacCreedy, Doug Moffett, Kenny Stein and Neta Studien, all freshmen. Dick Walker, sophomore, and Scott Brechbill and Brett Holly, seniors.

Second-year varsity awards went to Paul Austin, junior; Wes Glass, sophomore; Tom Hutt, junior; Matt Lawrence, freshman; and Rob MacCreedy, senior.

Kenny Marcum received a three-year varsity award.

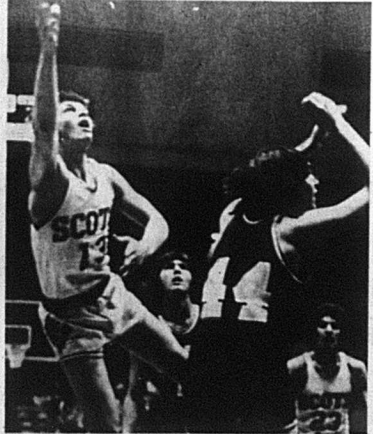

Reserve certificates went to Al Coughlin and Jim Rico, freshmen, and Scott Walker, junior.

**THREE IN DOUBLE FIGURES**—Jeff Jahn, Wayne Hinkle and Larry Squires were all in double figures in the loss to Middletown. Jahn, shown in the top photo, taking the last shot of his high school career, finished with 18. Fenwick's Craig Esposito guards Jahn while Dave Porter watches from the right.

In the second photo, Hinkle hits on a layup at the end of the third period as he got by Mike Acra (44). Hinkle also finished with 18 points.

In the lower photo, Larry Squires catches Acra off guard for a bank shot. Larry finished with 14 points.

With dropped heads, Highland's cagers and cheerleaders leave the floor at the University of Dayton field house Friday night after dropping a 63-59 decision to Middletown Fenwick.

Middletown's Catholic school fans celebrate in the background, however, their joy ended the following night when they dropped a 68-48 decision to Ft. Loramie who in turn advances to the state tournament.

### BRAVE CAGERS HONORED AT WINTER BANQUET

by Kyle Compton  
Members of the Brave basketball team were recognized at the Annual Winter Sports Banquet Monday, March 14, in the high school gym.

The Most Valuable Player Award went to senior Rhett Roll, who also received the Skill Award. Rhett has been chosen to play on the second team of the Metro League All-Stars.

Larry Cline received the annual Brave Award, and was chosen honorable mention for the Metro League All-Stars.

Varsity Coach Gerald Wagner presented two-year pins to Fred Beverly, Larry Cline and Rhett Roll.

Players receiving basketball letters are as follows: Fred Beverly, Charlie Brooks, Larry Cline, Chris Damsel, Rick Devault, Rod Grist, Rocky Lawrence, Tim Saunders, and Rhett Roll. Steve Davis and Mike Sesse received first-year certificates.

Corsages were given to statisticians Susan Kaple, Sherrie Keller, Terri Tillman, Sheryl Westinghouse, Karen Jackson, Laura Mann and Beth White.

Reserve Coach Steve Billkam presented all reserve players with certificates. The reserve statisticians, Melody Partlow and Gwen Wheeler, were also given corsages.

Members of the Freshman team were given numerals by Coach Mike Lowary.

Only one opinion poll (Gallup's) correctly forecast President Roosevelt's reelection in 1936.

LOTS OF HELP NEEDED... OR PROGRAM TO STOP!

## Will Big Walnut Boys' Baseball End Here?

by Jack Brehm

Big Walnut Boys' Baseball is in a critical situation. The reason—lack of support from the community!

By support, it isn't necessarily the monetary kind (although expenses are mounting). The reason is the physical kind, created by volunteers. Many are needed and not enough are available to keep the program operational.

Bill Fling, the current president tells, "It's going to fall on its nose if we don't get some

help. We have some of the regulars but they can't do it all!"

Only twelve men turned out last Sunday at the organizational meeting held at the Harlem Township Fire Department and Fling says this is not enough to even begin plans for this summer.

All categories are open—finance, concession, umpiring, grounds crew and three coaching positions. A year ago, with a small hard-working staff, they completed the season with only a few difficulties.

The concession business was turned over to others (because no one would take the time to organize it) and profits from it dropped to less than \$300, a far cry from what it could have been if it were all volunteer labor and operated efficiently.

Registration fees were increased to \$15.00 and this is to begin to cover expenses this season. If salaries have to be paid to everyone working for the group, another dollar here and there would be the added expense

of hiring umpires, inexpensive when considered on per game basis, but adding up to a big sum over the long season.

"We decided to try the paper and see if we couldn't get some people out—including women—we'd like to have some knowledgeable women," said Fling. "If this doesn't work, I won't guarantee what will happen," he added.

The meeting is set for Sunday night at 7:00, at the Harlem Fire Department. The choice is yours!

## FROM THE SPORTS WINDOW

By JACK BREHM

### Elyria Sentimental Favorite Against Powerful Barborton

Elyria will be the sentimental favorite for many of us when they tackle giant Barborton and their 50-game winning streak tonight in the opening game of the State AAA tournament. The Pioneers, of whom I've written before are coached by Mike Riley, brother of Bess (Mrs. James) Western of Sunbury. Naturally, Jim, Bess, Jodi, 16, and 12, and Joe 8, will be in attendance at St. John's cheering

them on. As you'll also recall, we had one of the three coaching Riley brothers here at the Middle School several years ago. Buck came here from Licking Heights, moved on to Kenton and from there went to Amherst. Wouldn't you know it, Buck drew Mike's undefeated Elyria team for his first tournament game and lost. He still finished with an excellent 14-5 season's record! Again, going back several years to 1968, Pat Riley, who has since been coached at Northridge, He beat Big Walnut in the Sectional A finals and went on to win the District co-championship before losing out in their first game in the Troy Regional. This still stands as the best game team to ever come out of the Licking county neighboring school. (They were led by the great Tom Witham.) Pat is now the only one of the three brothers who is not in coaching. He is a successful real estate broker in Albuquerque, NM. He flew in last night, as he did several years

ago when Mike's Elyria team went to the State, and he too, will be in attendance tonight. A couple of years ago, the Pioneers lost out to eventual two-time state champion Cincinnati Elder in the semi-finals. This year, Mike's team has its work cut out for them and they will be decided underdogs in attempting to stop the Barborton juggernaut. The Magics are riding the third-longest winning streak in Ohio boys basketball history. Middle-town's teams of 1956-'57, '58 posted 78 straight while next high is the great Bellport team (now Buckeye Valley district) of 1924-'25 who won 54 in a row. Harold "Bus" McMillen, former owner of Sunbury Golf Course, was a star on that team. To date, the closest any team has come to Barborton has been 11 points and it was reported it could easily have been 25. Elyria is 24-0 to date and have squeezed through several to get to the final four. Saturday, on a tip-in with two seconds on the clock, they tied the game in regulation and won 52-48 in overtime. They are led by All-Stater, Rich Montague, a 6'9" superstar. Eldon Miller would like to get at Ohio State. The Pioneers face quite a task in their game tonight but anything can happen in basketball, and maybe the ball will bounce in their favor in this one. All the Riley's, even mom and dad from Upper Sandusky will be there, and we too, will be cheering for Mike.

## Fastpitch Softball To Start at Olentangy

by Sarah Elde

"We have lots of ability," stated Olentangy softball Coach Beth Moore. "My greatest responsibility is to get the players in positions where they will benefit the team the most."

This year the softball team has changed their slow pitch game to fast pitch. Coach Moore said, "Next year the State Tournaments sponsored by the Ohio High School Athletic Association will be fast pitch. We wanted to have some experience with it."

Fast pitch allows base stealing, the speed of the pitch is faster, and a runner can leave the base as soon as the ball leaves the pitcher's hand.

Coach Moore stated, "Hitting will be our biggest problem with fast pitch. We have a tough schedule. We'll be playing pick-up games instead of league games so we'll be playing against Class A, AA and AAA schools."

When asked about the team's weaknesses and strengths, Coach Moore replied, "Our strengths will be in the infield since we have had a lot of experience with that, however, since we have very little experience in the outfield, we'll have problems there."

Coach Moore also stated, "Our number one goal is to have an undefeated season. Although our batting average was above average last year, I would like to develop the girls' ability to control the hitting. Fielding ground balls is a weakness and I would like to have a 90% fielding average this year."

Returning lettermen this year are Alexis Austin, Debbie Baker, Ronda Brown, Carrie Crosbie, Cathy Gaborick, Donna Heath, Debbie Meade, Val Pfister, and Myla Weinstein.

Other members are Kara Atkins, Jane Fatbrucker, Ginny Freese, Alice Grist, Charlie Hill, Maryteresa Johnson, Cheryl Mellen, Melody Parlow, Karen Pillion, Venus Simmons, and Janice Wright. The team has not been divided into Reserve and Varsity teams.

## 4-H

New 4-H Horse & Pony Club

by Sharon Livingston

The newly formed 4-H Horse and Pony Club held its first meeting on March 17, with a terrific turnout of prospective members, their parents, and of advisors.

This meeting was a "get acquainted" session, however, several applications were taken. Mrs. Marilyn Bergman, one of the advisors, filled everyone in on some of the things that the members would be required to do during the year. Dues were discussed and some of the plans for the upcoming year.

The next meeting will be held Thursday, March 31, at the United Methodist Church in Galena, at 7:30 p.m. The church is located behind the Galena Elementary School. Applications are still being taken. They must be filled out and turned in at this meeting. On the agenda for the meeting will be, election of officers, voting on a name for the club, and club colors.

Any prospective members are welcome, as well as their parents. Parents are invited to attend any or all of the meetings and activities.

Berlin Bunnies

by Carolyn Voelker

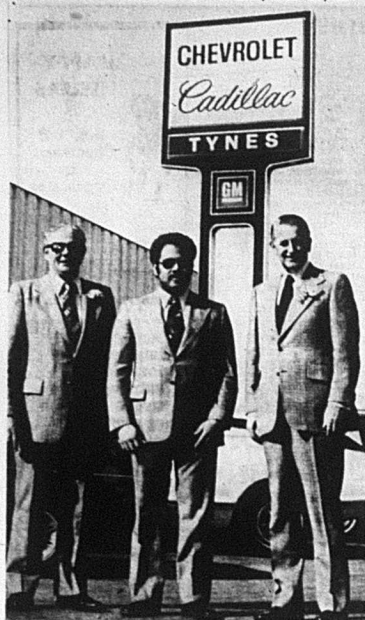

Ther Berlin Bunnies met on Monday, Mar. 14, at the home of their advisor, Mrs. Josephine Hites.

The club plans to tour the Ohio Historical Center on April 6, and then go to High Banks Park. As money making projects, the Bunnies plan to sell Christmas lamps and plates.

The next meeting will be held on April 6. Members are to meet at High Banks Park.

## Westerville Schools Will Close Oct. 15 Without Levy Passage

Westerville City Schools Supt. Hal Rowe has released information about the two-year emergency operating levy to be on the ballot Apr. 21 in the amount of 11.3 mills. He states, "The goal is getting our district out of debt by the end of 1979. The need is simple. Without this levy, we cannot keep our schools open beyond the middle of next October."

That board has made many cutbacks, meaning fewer course choices in high school, no field trips, no new textbooks or instructional programs and fewer supplies. "We've reduced our budget in every area we can and still maintain the education program," Rowe states.

What the levy will enable the board to do in 1977 is borrow \$1.8 million to stay open next fall but no cutbacks would be reinstated. "By continued careful budgeting, we can operate through 1978, borrowing against collectable taxes," Rowe continues. "By the end of 1979 we should be out of debt and ready to reach a conclusion about where we are financially."

Westerville currently has one of the lowest school operating millage rates in Franklin county. Since state aid is tied to the degree of local tax effort, voting more local mills would bring in more dollars in state education money. "Today, more than 52 percent of our operating budget is in state dollars," Rowe said. "Without that the entire burden would fall on the local taxpayer. Continued levy failure would force our board to consider closing schools and ultimate absorption into other school districts."

Rowe reports that inflation and ongoing student population growth has increased Westerville's problems.

## Kindergarten Forms Ready for Westerville

Parents planning to register children for kindergarten in Westerville schools next fall should pick up forms now at this elementary school or at the district administration building, 336 S. Otterbein Ave.

Kindergarten registration will take place Apr. 18-25. Families are encouraged to get the registration sheet and the physical exam form now, so that there will be time to schedule a physical checkup for the child before registration week.

Children must be five years old by Sept. 30 for kindergarten, and six years old by that date for first grade.

## NEWS IN CONDIIT

by Nancy Fuller

Congratulations to Ken and Robble Stohl for qualifying for the Columbus East Zone Bible Quiz team. The boys are the sons of Mr. and Mrs. Ron Stohl. Sunday I enjoyed the second anniversary celebration of the Fraternal Order of Eagles. I baked their three tier cake with a green water fountain underneath, with other decorations being in green and white for St. Patrick's Day. The Linden Ritual and drill team did the honors for the Sunbury Auxiliary ladies meeting held at the Sunbury American Legion Hall while the men held their meeting at the aerie home.

Mr. and Mrs. Luther White, Jr., attended the P.O.E. celebration, along with daughters and families, Mr. and Mrs. Dennis Warner and Barb Wolfe and son.

I was glad to see Dennis improving since his recent knee surgery. He is still unable to work and will be under doctor's care for a few more months. It's still hard getting around on those crutches, but was nice to see Dennis up and out.

Recent overnight guests of Mr. and Mrs. Junior White were Barbara Wolfe and son, Charlie, and Chloe Warner and daughter.

Get well wishes are extended to Kate Neibarger, one of the school bus drivers. She has returned home from the hospital and is improving.

oldest Women Birds Lackey Circle were entertained at the church on Wednesday afternoon. Mrs. Mary Green, Ruby Sherman and Mrs. Mildred Griffith as hostesses. Beryl Dulin had charge of devotions and Pearl Dunham was program leader. Next meeting is a combined meeting with Lydia Circle.

Mrs. Virginia Buell has been ill this past week. And the substitute bus driver has been taking her place.

Saturday evening the Fritzsche family met at the home of Mr. and Mrs. Perry Schriener in Columbus to celebrate Malcolm Wilson's and Beulah Fritzsche's birthdays. Those attending were Mr. and Mrs. Ben Fritzsche, Mr. and Mrs. Carl Fritzsche, Mr. and Mrs. Malcolm Wilson, Mr. and Mrs. Larry Wilson and Steve, Bill Fritzsche and Ernest Fritzsche who had just flown in from Florida.

Mr. and Mrs. Malcolm Wilson, Mr. and Mrs. Jack Wilson, visited their brother, Kenneth Wilson at Chillicothe Veterans Hospital where he is recovering from surgery.

Last Sunday Mr. and Mrs. Jack Wilson were honored by their children, Garth and Debbie, at the American Legion Hall, north of Westerville, for their 25th wedding anniversary. Relatives co-workers of Jack and Marviline and friends totaling 75 to 80 attended. Hostesses were Mrs. Gary Glass and Mrs. Larry Wilson.

Mrs. Amella Ann Hall was in Columbus on Friday, Saturday and Sunday to attend the Sweet Adeline convention.

Carol Hall spent Saturday overnight with Heather McCready. Friday night Mr. and Mrs. Larry Wilson and Charles Hall were guests of Mr. and Mrs. Jim Rogers. Jim, Jo and Christy were all day Sunday guests of Mr. and Mrs. Earl Holbrook.

Last Saturday Jim Rogers was elected to the Board of Directors of Delaware Farmers Exchange Assoc. at the meeting held at JVS.

Mrs. Janet Weaver and Doug were Saturday night guests of Mr. and Mrs. Ralph Sherman.

Mr. and Mrs. Ray Sherman and family visited Mrs. Erma Sherman and Mary E. Sherman, and also visited Homer Sherman at Marion Convalescent Center on Sunday.

Mr. and Mrs. Ralph Monk visited Mr. and Mrs. Fred Miller

In Columbus on Monday.

Happy Birthday to our granddaughter, Beth Helwig, a belated one, and to her other grandpas, Melvin Helwig, on Mar. 21. Another birthday coming up in our community will be Ralph Reda's on Mar. 25. On Mar. 26 Tom Kase and Malcolm Wilson will have birthdays.

Many happy returns to Mr. and

Mrs. Herbert Lackey Mar. 24 with 45 years together, and happy anniversary to Mr. and Mrs. Tom Kase.

Our callers this past week have been Mr. and Mrs. Clyde Griffith and Harold Moore, Mrs. Delores Rogers.

Don't forget to attend church service these weeks before Easter.
