

Canadian Geese Hatch - Open House Is Sunday

BULLETIN: Phil Flattery and his Royal Canadians (geese that is) proudly announce the arrival of seven little Canadians on Mother's Day, May 9, 1976.

All are doing fine except the father who is busy bragging about the children and driving other fowl off the pond.

Visiting hours are set from 2:00 - 4:00 Sunday afternoon, May 16. Everybody is welcome.

"If anyone sees my Siamese cat 'Simon,' tell him it's safe to come home - the chicks have hatched. He left when things got too hot around the nest last week," said Flattery.

The open house for the new born is at the lake at 14000 Centerburg Rd.

Lake Estates Man's Car Vandalized

Lake Estates man reported persons unknown removed the nuts from the bolts on his car's engine and dropped them into his car's carburetor sometime Friday night. Robert Schultz, Lot 287, told Deputy Ed Dick he had been working on the car Friday evening and quit about 11 p.m. Then, Saturday, when he drove it about a mile, he discovered the nuts in his carburetor. Schultz said the nuts severely damaged his engine, causing about \$275 in damage.

Rutbig Is New Manager of Delaware County Bank

Delaware County Bank announces the appointment of Steven D. Rutbig as manager of its Galena office following the retirement of Hal Roberts.

Rutbig, who has been with the bank since December, 1970, is surrounded by other employees at his desk in the above picture. Laurabelle DeBolt, left, is assistant manager of the branch, while Debbie Leaf, Thelma Fichtelmann and Vicki Garee are tellers.

Rutbig, a 1966 graduate of Big Walnut High School, attended Ohio Wesleyan University where he received a Bachelor's degree in economics in 1970. He joined the Delaware County Bank staff the following December, and worked at London Rd., William Street and the main office in Delaware before being transferred to Galena as assistant cashier in June, 1973.

The 27-year-old Sunbury native now lives in the village with his wife, the former Theresa Perfect, and their four-year-old son, Chad. Steve served six years in the Ohio National Guard reserve, from which he received his honorable discharge papers this past December.

The new Galena bank manager golfs and tinkers with sports cars as his hobbies, and welcomes everyone in the community to stop in his office anytime, for business or just for a chat.

Sunbury Council Okays Gas Increases of 23.1%

GARY GLAZE RESIGNS COUNCIL POST; 100-HOUSE DEVELOPMENT ON DOCKET

Gas increase of 23.1 percent spread over four years, resignation of Gary Glaze from council, and preliminary reports of a 100-house sub-division seeking approval were highlights from Sunbury Council's regular meeting held last Wednesday in the municipal building.

Council's offer to increase Sunbury gas rate 22% over four years, made to Gene Leffler of the Columbia Gas Company at the April meeting, was turned down by the company and they presented a counter-proposal which increases the rate 23.1%.

Under this proposal, which was eventually approved 5-0 by council, the rate will increase 14% during the first year of the contract. The second year increase is 3.1% and the third and fourth year increases 3%.

14.2% Less Than First Offer
Council and Columbia Gas have been negotiating since Feb. 4. A new rate for the present contract which expired in February. Columbia's original request was for 37.3% spread over four years, with a 25.4% increase the first year.

A special session, plus three more regular meetings, resulted in the approved ordinance. Councilman Adrian Abolins said, "I feel it's a good one. I don't feel we can do any better."

Leffler pointed out to council and to Councilman Jack Brehm the new rate gives his company a 7.3% rate of return on investment, the same as a contract recently approved with the city of Marion.

Brehm brought out this "rate of return" in the original talks with Columbia. Leffler quoted a letter from F.J. Cadwell, director of rates for his company, "The rate of return on the first year is 7.3% which is the same return as we received in the first year in Marion, Ohio, and it is considerably below the 7.77% rate of return granted to Columbia in the last thirteen rate cases before the PUCCO."

The new rates will go into effect in the village as soon as the legal advertising is completed. Also included in the increases is a jump to \$4.15 for minimum monthly charge, up from \$3.24. This minimum monthly charge goes up 15% a year until it reaches \$4.65 the fourth year. In the first proposal, Columbia asked for a \$4.60 minimum increasing to \$5.20 the fourth year.

a letter from Glaze telling about his resignation from the body. Kintner said his work is now in Dayton and circumstances beyond his control brought about his leaving.

His letter said in part, "It has been a privilege and honor to have served with you and the other council members. I am sure with your leadership, Sunbury will continue to prosper and grow."

All council members expressed regret at Glaze's leaving and talked about filling the vacancy. Mrs. Mary Barnek was in attendance and expressed an interest in the job. She stated if she wasn't appointed she was considering running at the next election.

Council decided to wait until the next meeting to make its choice, giving the opportunity to anyone else in the community to express an interest.

Zoning Board Gives Approval
Mayor Kintner reported on two approvals given by the new Zoning Board at a meeting held Friday, April 30. Members of this board are Art Culver, Jr., Dai Shaw, Warren Hammond and Gary Glaze with Kintner, chairman.

They approved the re-zoning (Continued on Page 2)

Registration Ends, Absentee Voting Opens for Primary

Board of Elections is presently going through cards double checking voter registration after the registration period for the June 8th Primary closed Monday. Betty Porter, board director, reports that unofficially 21,622 persons are registered to vote in Delaware county this spring. She notes, however, that there may be several duplications yet to be found in the registration cards.

Mrs. Porter also points out that absentee voting for the Primary opened Tuesday. Anyone wishing to vote absentee this June may now make application and vote, as voting booths are set up in the commissioners' office in the basement of the courthouse.

"We want to make sure that people over 62 years of age know that they may vote absentee if they wish," Mrs. Porter explains. "and that they won't have to go to the polls on election day if they don't want to." Neither absentee applications, nor the ballots themselves, need be notarized.

Festival Committee Hears More Bicentennial Plans

Festival USA committee of the Big Walnut Bicentennial Commission Tuesday evening heard more finalized plans for the community's July 12-17 celebration this summer.

Festival committee co-chairman Will Neff announced that he has been successful in setting up tours of the community's industries on Friday, July 16, which is being recognized as Industry Day for the celebration. Neff said he has received permission from Nestle, Galena Brick, Bryant and Inland Finishing for the afternoon and evening, at which times the plans will be open for anyone wishing to visit the facilities.

Bob Barcus, working with Harold Kintner on getting a threshing machine exhibition, told the group Tuesday that he has secured permission to have a binder here for the celebration along with threshers. The two men are planning to harvest oats planted by Paul Miller using the old-time methods as they set up shop in the vacant lot next to Jon-Jon's Restaurant.

Juanita Davidson, co-chairman of the king and queen contest, reported she has found judges for the event which will be Saturday, June 19, at 5 p.m. The actual judging will be closed to the public, Mrs. Davidson re-

ports, and then the candidates and king and queen will be announced during the variety show that evening at the high school. Mrs. Loy Perfect said she feels this year's flea market on July 5 will be a big success if the response is in getting for Memorial Day is any indication.

She noted that the commission might have to allow more space for the flea market this year if the response is that favorable. Polly Brehm reported that tickets are available at the Community Library for the Library Friends "Tour of Homes" this Sunday. This event will officially kick off the community's bicentennial celebration.

Mrs. Brehm also gave an updated report on the bird walk being organized by Mrs. June Carter and scouting groups for Tuesday, July 13. The walk will begin at 8 a.m. in the west parking lot at Hoover Dam, just north of Central College.

Gary Bauer, festival co-chairman, reported that trophies and ribbons for all the various (Continued on Page 2)

Sunday's Tour of Homes Opens BW Community's Bicentennial

Tour of Homes of the Big Walnut area will be Sunday from 1-6 p.m. sponsored by the Community Library Friends, as the community kicks off its bicentennial celebration.

1976 tour features homes that are very old, very new, the old made new, the new made old, and the old reborn into another form. To visit all the homes, a ticket, available at the Community Library, follows the map provided with the ticket and tour the homes in the order you prefer.

Each home will have hostesses to answer questions and direct traffic. Signs in front of the homes and arrows to mark difficult turns will be displayed to make the journey more pleasant.

In the very old house, the Marlon Ackerman home, the hostesses to serve you will be Dale Raming, Sue Godshall, Helen Dillon, Mary Margaret Reppert, Mardessa Thorpe, Maxine Buck-

ingham and Diana Dally. The second shift will be Carol Wirick, Cathryn Wilson, Vivian Zink, Gladys Miller, Mary Kay Cochran, Donna Morton and Sandy Oman.

The new home built to look like an old home, the Frank Bergardine home, will be hosted by Francis Rutbig, Mable Gooding, Mureo Spangler, Loretta Day, Judy Merrill and Joyce Stockwell. They will be re-

ceived by Bea Hottle, Halile Day, (Continued on Page 2)

Gerry Reppert, Mary Daugherty and Lola Dell Searles.

In the old house which looks new, the Jim Dixon home, Bertha Milligan, Sherry Buel and Gale Paul will do the honors.

The second shift will be staffed by Barbara Forman, Nancy Hausse and Sue Butterfield. Mrs. Blanche Dawson from the state of Washington will also be in the home to answer questions and greet visitors. Her father built (Continued on Page 2)

Chorus Will Practice Tuesday

Big Walnut Community Chorus would Tuesday evening to change their next practice session to next Tuesday, May 18, at 7:30 p.m. in the music room at the high school.

The chorus is readying for the Bicentennial Variety Show, June 18 and 19, to be held at the high school. Ed Hoke is directing the chorus which he hopes to stage with 70 strong voices this year.

Sunbury Youths Arrested with Stolen Dump Truck

State Highway Patrol Tuesday arrested two Sunbury juveniles in Gallipolis in a dump truck they stole at the storm sewer construction site on High St. here.

Sunbury Police Chief Walt Neace reports charges are being filed against the two in Delaware Juvenile Court, but adds that neither has a previous delinquency record.

Chief Neace was informed of the theft shortly after noon Tuesday when construction workers at the site returned from lunch to discover the truck missing. John Plumley, Marion, owner of the truck, said the gas tank had been filled the evening before and he had left the keys in the ignition.

The workers had gone to lunch about 11:35 a.m. Tuesday and had been gone only about a half hour when they returned to find the truck gone. A neighbor near the site told police he had seen someone get into the truck and drive off, but thought the person was one of the workers at the site.

Six Plead Not Guilty At Arraignments This Week

Six of the defendants indicted last Tuesday by the Delaware county Grand Jury entered pleas of "not guilty" this past week to counts against them, and two others have not yet been apprehended.

And, last Thursday, court placed three persons on probation and sentenced a fourth at their probationary hearings.

According to Prosecutor Duncan Whitney, Thomas E. Trimble, 23, Delaware; Raymond L. Reynolds, 19, Stoutsville; John Trimble and Cook were released on recognizance bonds, and Hale paid his bond to be freed.

Trimble pled not guilty to two counts, receiving stolen property and theft, after he was arrested April 8 with a stolen stereo in his possession. He also was charged with stealing a calculator from Automotive Finishers Supply last

December. Reynolds faces counts of breaking and entering and theft for the April 22 break-in at Brown Elementary School in Kilbourne. Rich pled not guilty to dispensing hallucinogens to a minor and to improper handling of a firearm in a motor vehicle. Rich was arrested April 29 after allegedly giving drugs to a teenage girl, and Delaware police found a loaded gun in his car.

Cook is charged with passing a bad check at Bank's Market in Delaware Mar. 11. And, Livingston faces two forgery counts and a theft count for incidents Mar. 24.

Hale pled not guilty Tuesday to a count of forgery and three counts of passing bad checks. He allegedly forged a check on the

Several Expect
Dry YearBy Robert Irvin,
County Extension Agent, Agr.

Several persons have mentioned to me that they are expecting a dry year. April was one of the driest we have seen. Two persons from Delaware County have contacted Mel Palmer, extension agricultural engineer at Ohio State University, concerning irrigation systems. Normally, irrigation equipment will not pay in this area unless we are dealing with high value crops such as sweet corn or vegetable crops.

The April issue of The Furrow magazine carries an interesting article entitled "How to Hedge Against a Dry Season". The article points out that short of irrigation, there is no way that you can completely guard against a dry season.

The right amount of fertility is especially important in a dry year, according to most agronomists, says The Furrow. For instance, last year the University of Minnesota's Southwest Experiment Station at Lamberton received only 10 inches of rain from May 1 to Oct. 1. That's about half the optimum amount. Director Wally Nelson told The Furrow the corn with adequate nitrogen had a root system extending 60 to 80 inches deep, while the corn with less than roots in low nitrogen areas. The extra roots according to the article, sopped up two inches of extra moisture and yielded 30 to 40 more bushels per acre.

In Iowa, tests, reports The Furrow, well fertilized corn roots reached down 7 feet for moisture. Roots from unfertilized corn extended less than 5 feet.

A shortage of even one fertilizer element increases crop stress, according to research by the National Potash Institute. Growth slows but transpiration stays the same; the plants use no less water but produce less grain.

Water management practices go hand in hand with proper tillage and soil management for efficient crop production, according to the Ohio Agronomy Guide. Ohio's normal precipitation pattern shows fairly even distribution of monthly totals throughout the year. May, June and July values are each near 4 inches. This is high in rainfall compared with other months of the year.

Water requirements of Ohio's major crops reach their peak during grain development for corn, soybeans, and small grain, and during periods of rapid growth or re-growth after harvest for forage crops.

Research data from studies at the Coshocton Water Research Facility shows the following average amounts of water used during the growing season: corn - 20 to 22 inches; wheat - 12 to 15 inches; meadow (1st year) - 22 inches; and, meadow (2nd year) - 18 to 26 inches.

Corn reaches its peak water use after tasselling, wheat has peak water use in late May to early June, first-year meadows before the first cutting in early June and before the second cutting in July, and second-year meadows from May through July. In order to supply adequate moisture to growing crops, practices used should increase water intake into the soil and reduce evaporation losses.

The major soil and water conservation problems in Ohio involve (1) infiltration of rainfall at the soil surface and retention in the soil for crop use, (2) removal of excess water through surface and internal drainage, and (3) erosion and sediment control.

Retaining Moisture
Retaining soil moisture is a problem for many farmers. Reducing tillage and avoiding soil compaction can help farmers in retaining soil moisture by getting more water infiltration. This is especially true on our light colored silty loam soils.

Planting crops on time can help take advantage of using soil moisture in May, June and July as well as using heat degree units.

stress much better than others. Some hybrids have a greater ability to pollinate under stress and reduce barren stalks. Often early maturing hybrids are not hurt as badly as later maturing hybrids.

Row width can be a factor in moisture retention. Narrower rows that shade the between row space earlier will help conserve moisture.

Weed control is important also. Weeds that use the available moisture supply rather than the corn, soybeans, small grains or forages are costly.

Alfalfa growers should especially watch the second, third or fourth cuttings for potato leafhoppers. The potato leafhopper injects salivary substances into the plant. The presence of these substances in the plant sap causes plugging of the plant's water system which prevents the plant from using available moisture.

The present plants will not recover until the plant is cut. Many people think the plant is short because of dry conditions when the potato leafhopper is really the cause.

I have that the farmers who have the best yields in years with a plentiful rainfall also usually have the best yields in dry seasons also. Their management system takes advantage of all these practices discussed in this article.

The second re-zoning approved was for \$5.45 acres immediately behind Jon Jones Restaurant and Sunbury Farm Market on Cheshire Rd. from R-1 to R-2.

Owner Anthony Herouvis plans a 100-house sub-division on this land and has named it "Berkshire Plains."

Council talked about the subdivision and saw drawings of it. They discussed briefly the establishment of a green area in it before deciding to postpone further action until the next meeting.

Approve Bicentennial Decorations
Mayor Kintner asked council if they would be willing to decorate the Town Hall for the upcoming bicentennial celebration. Councilman Harold Currens spoke in favor of "doing it right for this one."

Councilman Abolins made the motion to spend up to \$300 for the decorations and it was approved 5-0.

New Cemetery Rates Asked
Mayor Kintner suggested to council they should consider new rates for Sunbury Memorial Park. The current costs are \$50 a lot for village residents; \$75 for in-county and \$100 for out-of-county. He suggested increasing the figures to \$75, \$100 and \$150. He also said the grave opening and closing fee should be increased from \$80 to \$100.

Three persons who waived indictment in January and then entered pleas of guilty in February were placed on probation.

Thursday in court Joe J. Browning, 20, CR 20, Marengo; Glenn E. Crotty, 26, Delaware; and Vernon, were all placed on probation.

Browning had pleaded guilty to two counts of theft from Robert Flaxible in his possession Jan. 14. Crotty said he illegally took a car belonging to K.R. Evans, CR 23N, Dec. 19 and drove it to Tennessee. And, Mrs. Meyer pleaded guilty to forgery. Browning was placed on three years probation. Crotty, one, and Meyer, two years.

Ruth Frances McCoy, 33, Delaware, was sentenced to 1-5 years at Marysville Reformatory for passing bad checks and forgery. Another defendant, scheduled for hearing in court last Thursday, failed to appear and court issued a warrant for his arrest.

James A. Aschcraft, 20, entered a plea of guilty to theft when he appeared in court Feb. 6 after having taken record albums from Jamesway Discount Department Store in Delaware Dec. 18. Court issued a warrant for his arrest when he failed to appear Thursday and he is presently awaiting transport back to Delaware.

Then, this Tuesday, a Delaware man who pleaded guilty Dec. 19 to counts of aggravated burglary and rape was sentenced to 4-25 years in prison following a stay at Junction City Mental Hospital.

In Perry county, Charles Meadows, 38, broke into a S. Liberty St. woman's apartment last Oct. 1 and raped her.

Trailer Looted At Campground
Gahanna woman who has a trailer at Berkshire Lake Campground reported to Dispatch that someone broke into the camper and stole about \$400-worth of goods from it.

Mrs. Donald Markley said fishing tackle, lawn chairs, a tape deck and speakers and pair of binoculars were taken sometime between Apr. 9 and Apr. 30.

TheatreSixty-Eight Characters Needed
For Bicentennial Production

Auditions will be held for the Sunbury Community Theatre's bicentennial production of Spoon River Anthology this weekend. This play, which is a classic of American literature, focuses on the lives of 68 characters in the small town of Spoon River. All 68 characters tell their life stories in a series of monologues that will be delivered by the four actors involved, two male and two female. There are also roles available for two singers, one male and one female, who provide musical transitions between the characterizations. The script, and

USDA Official Says There Is Room For Big Corn Crop

There's a possibility we'll have a record corn crop in 1976, and there appears to be more than ordinary room in the market and the bins for a big crop," Don Paarlberg, director of economics, US Department of Agriculture, told news reporters recently in Washington D.C.

On food prices, Paarlberg said that based on the Apr. 15 planting intentions report by USDA's Statistical Reporting Service (SRS), he anticipates relatively stable retail food prices the rest of 1976, rather than "some upsurge." He thought the average food prices would increase by substantially less than 8 percent this year. Cost of food rose 8.5 percent in 1975.

Clyde Liming, chairman of the Delaware ASC Committee said: "National average corn planting intentions will be about 6 percent more than 1975. That means about 82.7 million acres this year compared with the actual 77.9 million acres seeded last year and slightly less two years ago."

"Ohio planting of corn will be about 4,100,000 acres, nine percent more than 1975. Last year's planted acreage was 3,750,000, and the 1974 acreage was 3,950,000 in this state," Liming said.

Paarlberg noted: "Planting by areas are interesting. In the corn belt there's been a shift of intended acreage from soybeans to corn that I believe is largely a result of the price relationship of these two crops, which are alternatives to one another."

"The corn belt, the north-central states, prospective corn planting showed a 5 percent rise over a year earlier compared with prospective soybean planting down 10 percent."

Paarlberg added: "We had some surprise at the dip in durum wheat planting intentions and the strong increase in other spring wheat."

Durum wheat growers showed intentions to plant 4.7 million acres, 2 percent below last year but 13 percent above the 1974 crop seedings. This year's indication is 10 percent below last January's prospective plantings of 5.2 million acres. Spring wheat prospects, other than durum, totals 16.4 million acres, 17 percent above last year and 11 percent above the 1974 crop seedings.

Clyde Liming said farmers are planting about one week ahead of normal as a result of above average temperature.

'Great 8' Staff Views Exhibit

News from Vans Valley Area

by Mrs. Berman Bell

We hope all the mothers enjoyed their day on Sunday. It was a beautiful day. Well, I see the "Vans Valley Nuts" had another bean party on Wednesday and they have added someone to their group. They

had beans and garlic bread this time. Last time they didn't have cornbread either. Wonder if any of them know how to make it. Anyhow those attending were: Chuckie Laverne Clark, Nutty Jean Scott, Crazy Emma Skiver, Terrible Annie Sunshine, and the new one, Bashful Edith Tanterelli. The party was at the home of Norman Skiver this time.

Mr. and Mrs. Burt Deorling celebrated their thirty-ninth wedding anniversary on Apr. 28. Congratulations, folks!

Pollution Solution . . .
 "Ill air slays sooner than a sword" . . . This saying, popular back in the 14th century, proves that the air pollution problem has been with us for sometime. It has gotten worse; but finally, action is being taken to combat this potential killer. Tough clean-air laws are being enacted throughout the country. Major industries are investing sizeable sums to get and keep the air clean. Important is the active interest everyone is taking in bringing about a solution to the problem. There is a common awareness that the 4,000 gallons of air each one of us breathes daily, must be kept clean - not be mixed with dangerous gases having damaging effects on our health.

Your health is important to DEL RX PHARMACY, and we try to do our part by furnishing dependable medical supply service, and prompt prescription handling. Rely on DEL RX PHARMACY, Cor. Sandusky & William Sts., Delaware. PHONE: 363-5861.

King-Allen Ceremony Performed Saturday Evening

by Doris Wampler

David C. Whitney of Des Moines, Ia., and Brenda Whitney of Dayton spent Sunday with their mother, Mrs. Hoyt Whitney.

Minnie Wampler of Worthington was a Saturday overnight guest of her grandson, Darrell Wampler, and they spent Mother's Day with the Eugene Wampler family. Dwayne and Dale Wampler were Sunday overnight guests of Darrell.

Callers at the Eugene Wampler home the past week have been Mr. and Mrs. William Garree, Marcia and Charles Glaze, J.R. Smith and Wayne Tompkins.

Mother's Day dinner guests of Mr. and Mrs. Larry Ulrey were Mr. and Mrs. Donald Ulrey, Phil, Dan and Paul and Mrs. Viola Keen, Terry, Sue, Mike and Walter.

Sunday evening guests of Mrs. Viola Keen and family were Mr. and Mrs. Ernest Goff and Mr. and Mrs. Charles Goff of Mt. Gilead.

Mrs. Edward Cockrell and Miss Almira Dustin of Delaware and Mr. and Mrs. Merwin Fisher were Mother's Day dinner guests of Mr. and Mrs. James M. Fisher and children of Wilson Rd.

Nell Budd and her daughter-in-law, Nancy Havens, enjoyed seeing Joan Fontaine in "Bye Bye Spirit" at the Country Dinner Playhouse last week. Nell spent Mother's Day with her daughter and family in Columbus, Gall and Wea Uhl and Sandy.

Guests at the Bill Havens home Sunday were Nancy's mother, Mabel Goss, and her sister, Pat Arnold.

Mother's Day guests of Grace Frakes in Sunbury were Mr. and Mrs. Eldon Frakes and family and Mr. and Mrs. Henry Henson of Delaware. Mrs. Frake's daughter, Rita Hardin of Aiken, SC, called her mother that day and reported that her daughter, Shell, 6, had participated in a May Day exercises and that it was a beautiful celebration. Mrs. Hardin told her mother that day and reported that her daughter, Shell, 6, had participated in a May Day exercises and that it was a beautiful celebration.

Terri Wolfe is celebrating her birthday today.

Mr. and Mrs. Luther R. White, Jr., recently returned from Parris Island, SC, where they attended the graduation ceremony of their son, Pvt. Steven L. White, who completed his basic training May 3. He is on leave until tomorrow when he will leave for Millington Naval Air Base, Memphis, Tenn., where he will be stationed. He will be studying in the field of aviation electronics.

Searchlight Club Hears Panel Discussion

Searchlight Club met Monday, Apr. 26, at the home of Mrs. Marvin Miller, whose co-hostesses were Mrs. Jack Lake and Bea Hottle. Sixteen members and one guest answered roll call with a quotation on peace or liberty.

Mrs. Haldon Zink, Mrs. Richard Sechrist, Mrs. Carl Godshall and Mrs. Harold Curran presented a panel discussion on historical documents, the purpose of which was to create a desire to delve into our heritage of freedom and enslave a desire to keep this freedom for our future generations, they said.

The panel members urged members to stand up and be counted. The program closed with a reading, "I Am an American".

Sunday Is Tour of Homes Time To Plan for Summer:

Tickets for the Tour of Homes sponsored by the Community Library Friends are on sale in the library during regular hours. Tickets purchased for adults will save 50¢ if purchased before Sunday.

Summer will soon be here so now is the time to plan the family vacation or short outings. Check the wide selection of vacation guides available in the 917 section of the library. Among the newer books are Meyer's America's Top 500 Sights to See and Cure's Mini Vacations, USA which features small trips on short funds. Windham's Alabama: One Big Front Porch. Kaufman's The American Farmhouse, McClug's The Amateur's Guide to Caves and Caving or Around Columbus with Kids are a few examples of the specialized areas one may visit or interests one may pursue.

If travel is not for you this summer, relax at home by improving a skill or learning a new one such as watercolor painting or tennis. Smith's Guide to Better Tennis, Pittaway's Traditional English Country Crafts, Stephen's Water-

skilling or Schultz's Backyard Games.

If gardening is your thing, check the newest hints from the experts. Some of the books are on organic gardening and others are gardening in general: Faig's The Complete Garden, The Gardener's Diary, Blanchini's The Complete Book of Fruit and Vegetables, and What's New in the Garden from Organic Gardening editors.

Sunbury Girl Wins \$100 In State REC Program

Nancy Forman, daughter of Mr. and Mrs. Ned Forman of Sunbury and a student at Big Walnut High School, was an area contestant in the 23rd annual statewide scholarship program of the Ohio Rural Electric Cooperatives. The awards were presented at a banquet Monday night, which she attended with her parents. Nancy received \$100 as the top Delaware county female recipient and all 44 contestants won tape recorders.

For something educational and entertaining try Bellard's Gone for a Soldier, a memoir of an obscure Civil War private who made notes and watercolor prints of the war.

Whatever your reading needs check the library files and if you are unable to locate the book you wish, ask the librarian and maybe she can get it for you.

Community Library is open Monday through Wednesday from 1-8, Thursday 10-8, Friday and Saturday 1-6. Stop in and see the display of old pictures and prints of the area. Can you name them?

Mrs. Daniel Robert Allen

Miss Kathleen Rae King and Mr. Daniel Robert Allen were married Apr. 24 during an evening ceremony in Grace Lutheran Church, Westerville. Rev. Ronald E. Wolter officiated.

Parents of the couple are Mr. and Mrs. Jack C. King, 583 Mohican Way, Westerville, and Mr. and Mrs. Robert C. Allen of Galena.

The bride wore a formal length gown of white silk, crystalline designed, with a high duchess neckline and empire bodice and sheer yoke embellished with floral Venice lace. The Shakespearian sleeves were lace bordered. An A-line silhouette encircled the chapel train with lace bordering hemline. The Camelot headpiece of matching lace held the chapel mantilla, also bordered in lace, in place.

Mrs. Bernard Doyle was her sister's matron of honor. Bridesmaids were Miss Kristine King, another sister, Miss Nikki Hodgson, Miss Susan Ayers and the bridegroom's sisters, Mrs. Richard Hill and Miss Treana Allen. The attendants wore identical gowns of mint green tiffany knit designed with a V-neckline, short capped sleeves and sashed waists. They carried hurricane chimneys with lighted candles surrounded with green and white daisies and baby's breath. Cindy Schiele was flower girl.

Scott Winn served as best man. Ushers were the bridegroom's brothers, Tom Allen, Richard Hill, and the bridegroom's cousins, Bob, Bill and Brad George of Baltimore. The bride's brother, Kyle King, was ringbearer.

A reception was held at the church.

The new Mrs. Allen is a graduate of Westerville High School

4-H CLUB ACTIVITIES

Kingston Jr. Farmers by Dwayne Wampler
Kingston Jr. Farmers met for their first regular meeting of the year, April 20 at the Kingston Township Hall. The advisor, Bob Seitz, passed out the project books for the year. The club decided that they will sponsor one of the rabbit trophies at the Delaware County Fair. It was also decided to participate in some way in the Big Walnut Centennial celebration. A committee was formed to find information for the club on the celebration. The committee consists of Jim Hildreth, Jeff Stimmel, Dwayne Wampler, Jack Stimmel, Nancy Norman and Judy Winkler.

Berlin Bakers and Bobs by Owen Wheeler
The Berlin Bakers and Bobs met recently at the West Berlin Presbyterian Church. The name of the club was changed from Ohio Homemakers to the present name and officers were elected. Shelly McNamara was elected president; Carol Buckingham, vice president; Owen Wheeler, secretary and reporter; Cheryl Melten, treasurer; Lisa McNamara and Amy Roll, health and safety; Annie Haas and Pam Stover, recreation leaders; and Becky Lewis, song leader. Julia Roll is the advisor.

Berkshire Country Kids by David Hale
A meeting of the Berkshire Country Kids 4-H Club was held at the home of Jeff, Doug and Mark Miller on Monday, April 19, with Clay Dygert, president, presiding.

Recreation and community service committees were set up and 4-H club activities were discussed. The club also set up its program of activities, which was approved.

At the previous meeting the 1976-77 officers were elected. The officers are as follows: Clay Dygert, president; Jeff Miller, vice president; Cassy Spurrier, secretary; Terrie Klamloth, treasurer; Pam Spurrier and Amy Lieurance, health and safety; Larry Wollett, recreation leader; and David Hale, news reporter.

Harlem Livestock 4-H Club by Ann Arnold
Harlem Livestock 4-H Club held their awards banquet at the New Hope United Methodist Church April 24. They also went to the Johnston Feedlot April 3. A meeting was held at the Carpenter's May 7. Dues were discussed and books were worked on. The next meeting will be held May 21 at Doug Hergatt's house.

Berlin Bunnies 4-H Club by Carolyn Voelker
Berlin Bunnies 4-H Club met two weeks ago at the home of advisor, Mrs. Della Flora. A discussion was held on future trips and 4-H camps. Project books were passed out. Prize money was mentioned for posters on the 4-H barbecue dinners June 19. The group made ice cream which was served with a birthday cake baked by Rosemary Ward to celebrate Carolyn Voelker's birthday.

Harlem Garden Trotters by Kathy Stacy
John Piper gave a demonstration of bicyclist safety and Todd Blain demonstrated tractor safety at the meeting of the Harlem Garden Trotters last Wednesday evening. The club is planning to ride their bikes in the Old Fashioned Days parade June 26. Money-making projects were discussed.

Sunbury Halter and Saddle by Ann Arnold
Sunbury Halter and Saddle 4-H Club had a meeting May 4 at the home of Julie Fox. Demonstrations were presented by Renee Salyers on horse gaits and Chris Fravel on parts of the saddle. The guest speaker was Bob Gulick on stable management.

Final plans to attend the Longhorn Rodeo May 9 were made. Club fun show will be May 22 at the farm of Keith Kintner on Carter Corners Rd. and will begin at 11:00 a.m. All showers must have negative cognis test. The next meeting will be a clinic at Fiddle Twist Acres on Creek Rd June 7 at 6:30.

BV FFA Urges Safety During Planting

Buckeye Valley FFA's Tim Harns, left, and Jeff Thompson warn area farmers that farm tractor safety is most important during the planting months of April and May.

"Slow down and think about safety" is the FFA's theme as members point out statistics from their regular accident occur in these two months than any other time of the year as farmers hurry to get their planting done, often with little regard for safety.

The Buckeye Valley FFA urges one person only be on a tractor; slow down to a drawbar; reduce speed on corners and when braking; avoid hazardous situations; slow down; and lock both brakes together when traveling on the road. The FFA urges the following of these safety tips to avoid farm accidents while planting.

News from Olive Green

By Mrs. Opal Easthom

A. C. Metzger attended the 23rd annual meeting of the Delaware County Mental Health Assoc. held at the Kilbourne United Methodist Church Tuesday night.

Mr. and Mrs. Harold Cole of Fredericktown were Friday night callers of Mr. and Mrs. Grover Bird. Mr. and Mrs. Gary Young and sons took her mother, Mrs. Grover Bird, to a restaurant in Columbus where they hosted them to dinner in honor of Mother's Day. What a nice way to celebrate Mother's Day. Look, Mom, no dishes to wash.

Mr. and Mrs. Richard Noland arrived at Columbus Saturday after a business trip to Trinidad, S. America. They were met at the airport by Raymond Potts. Then they visited Mr. and Mrs. Zane Potts and picked up their little daughter, Maria, who had been entertained in the Potts home during their trip abroad. They also visited with her parents, the Fred Potts. They had found South America to be a very interesting and beautiful country, with lush vegetation and large, brilliant flowers in gay profusion in the warm climate, which was usually 80-85 temperature range. They told that they had gone out to buy some hamburger and had had to pay \$6.00 for two pounds. It seemed that the prices were very excessive in comparison to those in the good old USA. Richard passed where they were having a cremation out in the open.

Callers at the Potts home last week were Mrs. Wayne Reynolds of Mt. Vernon, Morris Blair of Delaware, William Potts of Columbus, Mrs. Paul Richardson of Cardington and Mrs. Don Cory of Columbus.

Rev. and Mrs. Dwight Long, Mary and Steve were guests of his mother Saturday evening when they had a family get-together at her home in Marion. The Long family had supper with the mother Sunday afternoon, then drove to Forest Hill, Ohio, where they visited Mrs. Long's parents, Mr. and Mrs. Walter Pfeiderer. Mr. and Mrs. Edward Deaton, Pat and Tim were Sunday evening callers of the Longs and attended church with them. The Deaton family sang some special numbers for the evening worship service.

Ye Olde Trail Garden Club will meet Wednesday at 2:00 p.m. at the home of Virginia Kenney. Mrs. Christine Jones will give a demonstration on how to dry flowers. All members are urged to attend.

Mr. and Mrs. Arthur Dorn were Mother's Day dinner guests of Mr. and Mrs. Max Gordon of Delaware. George Dorn of Columbus called at the Dorn home Sunday evening.

Mr. and Mrs. R. Marvin Collins, Chris and Carol spent Mother's Day with her mother in St. Clairsville where they enjoyed a family get-together. Mrs. Sally Erlenwein of Reynoldsburg visited with her sister, Mrs. Collins, on Thursday.

Mr. and Mrs. Eskham Hayes were Mother's Day noon dinner guests of their daughter and family, Mr. and Mrs. Jack Stimmet. Sunday evening they dined with Mr. and Mrs. Kenneth Mackley and family. Mr. and Mrs. Larry Sweet and children visited Mr. and Mrs. Wally Disbennett of Johnstown, where they celebrated the birthday of Thomas Jason. He was two years of age.

I think we have all been enjoying this fine sunshine the past three days. There is an old poem that says, "Oh, could the lovely springtime know why we poor mortals love her so?", and those are my sentiments exactly.

Mrs. Jessalee Weese of Columbus and Gary Roe of Berlin Station were Sunday guests of Mr. and Mrs. O. L. Crow. Jim, Mrs. Jean Roy, Greg and Renee.

Later Sunday evening Mr. and Mrs. C. Crow called on Mrs. W. J. Crow of Sunbury. Their son, Kenneth Crow of Sunbury, was a Saturday caller.

Mrs. Della McKay was a guest of her son, Doug McKay, and family for dinner on Mother's Day. Also present was Jim Fry.

I was pleasantly surprised to hear from a new News reader, Mrs. Ted Aisel out on Porter-Central Rd. The Aisel family has only been living in the area about six months. They moved here from Columbus and Mrs. Aisel told that they love it in the country. They have two children, a son, Jeff, age 12, and a daughter, Jodi, six years. And, I might include, Barney, the beagle dog, which I hear is Jodi's constant companion and loves to take walks in the woods with her. I am sure we are glad to welcome this family to the community, a bit belatedly, perhaps, but nonetheless sincerely.

Mother's Day guests of the Aisel family were Mrs. Davis Aisel from Dublin. They all enjoyed a cookout. That is such a pretty location out there with woods in back, and their new home is located near that of Richard and Carol Scholl. Both homes are lovely.

Mr. and Mrs. Homer Rader were Mother's Day dinner guests of their daughter and family, Mr. and Mrs. Richard Diehl and family of Sunbury.

Porter Twp. Firemen's Auxiliary met Monday night with Jeanne Hayes, president, presiding for the business meeting.

New business on the agenda was the planning for a food stand during the bicentennial celebration in July. Looks like all signs are on "go" for this big event. On entering the firehouse I saw R. Marvin Collins and son, Chris, and Zane Potts working away at the remodeling. It is looking better every day all the time. There has been a tremendous amount of work involved in this project.

Hope you all have a good week and keep smiling. Don't be sad or sick or you may get thrown out. No ho!

Sparrow Lodge To Meet Tuesday

Sparrow Lodge 400 F & AM will hold a stated meeting May 18, 7:30 p.m. All masons are invited.

Jack Winebrenner, WP Neal Perfect, Secy.

Highland EMR Teacher Gets Certificate

Linda Hedges, Highland Junior High EMR teacher, was recognized and certified for having successfully mastered the performance criterion established for the Educational Assessment Workshop which was held at Galion.

BOAC Project Protects Toddlers

Big Walnut FFA Chapter has taken on a new BOAC (Building Our American Communities) project the past few weeks. The chapter has put up 400 feet of 42" chain link fence around the playground equipment at the Sunbury Playground near the ball park.

The purpose of the fence is to keep cars from parking in the playground area in hopes this might keep the children safer while at play. A fence also tends to keep a child from darting into the path of a moving vehicle.

The fence is being put up by the Conservation Class, under

the direction of Leon Snyder, with a \$1000 grant from the Farmers Home Administration. The chapter also plans to purchase more equipment for the playground and welcomes any other community organization to join them in purchasing more playground equipment to improve the facilities for the children.

Class members were caught by the photographer as they worked on the fence. They are Brent Williams, Connie Stringer and Jim Christy. In the background Kevin McKee and Kris Snyder enjoy the swings safely inside the fence.

Fifth Graders Display Bicentennial Kites

Spring is in the air and the kites flying over Hylen Souder's Elementary School are proof of the fact. Pictured above is Joe Sabo's fifth grade class displaying bicentennial kites they recently constructed. Some of the kites show pictures of George

Washington, American eagles, stars and stripes, among many other patriotic symbols. The other fifth grade classes at that school have also been engaged in a similar project.

Big Walnut Junior-Senior Prom Saturday

Big Walnut High School's junior-senior prom will take place at Ilonka's Provincial House, Inc., 4040 E. Broad St., Columbus, Saturday night. The evening begins with dinner at 8 p.m., dancing until 12:30 a.m. Sunday followed by a closing at Holiday Lanes on E. Broad St. until 3 a.m.

News Notes from Galena Vicinity

by Mrs. Bea Potts

Mr. and Mrs. M. C. Slagle on Red Bank Rd. received a call from the family of Loo Neira and Bravo of Santiago, Chile, that their baby had died found dead in his crib, and it was their first child. Loo was an exchange student of 1973. We all send our deepest sympathy to these young folks.

Mayor Willie York entered Grant Hospital last week. He was home over the weekend but will be back in Grant and he will have surgery this week. So, folks, let's remember all these fine friends with cards but especially with prayers because we love them all.

Mr. and Mrs. Delino Grove called on his mother, Alga Grove, Sunday and took her out for dinner. In the afternoon they all went to the home of Mr. and Mrs. Dorance Grove to enjoy a family cookout.

Congratulations to Becky Nelson. She passed her driver's test with a very good grade.

The G and T Club of Galena was held at Marie Bates' this week. It was guest night.

The Advance Club met at the home of Ed Chambers this week with Marilyn Fleak and Doris Pierce as co-hostesses.

My niece, Sue Russell from Whitehall, visited with me last Friday all day. She has been one of my favorite nieces and I am so happy to see her.

The Galena Slow Pitch League has begun its playing. They had two games Monday evening.

Mr. and Mrs. Roger Daugherty of Galena are really proud of their children and rightly so. We heard them Saturday evening at the place by the MCL Cafeteria. They had their band there.

Roger, Jr., plays the organ and their daughter, Nancy, is one of their vocalists. I must say I have never heard an organ played quite like their son plays it. Boy, it really does talk. They have two weeks at the night club back of the MCL and an engagement of four weeks at the Rosa Villa.

The Tuesday mixed bowling banquet was held at a restaurant last Saturday and Okie received a beautiful trophy for his 288 game score. Bill Bobo is president for the coming year and Bill Kikic is vice president.

The Thursday night league of Southern Bowling and Billiards banquet was held at Indian Run Golf Course. The winning team consisted of Bill Kikic, Bob and son, Denny Wood, Don Galloway and Okie. Their new sponsor will be Lou McGuire Ford of Westerville. This team also went to Marysville for the Champ of Champs last Sunday.

Mrs. Eda Chambers went to Mother's Day. She was taken by her daughter and husband, Mr. and Mrs. Howard Williams. Mr. and Mrs. Dave Nisbet were callers of Eda also on Mother's Day.

Mr. and Mrs. A. L. Zimmerman were callers at the Charles

Longshore home last Friday evening. Jim Longshore and his wife, Julie, called the Longshores to wish his dad a happy birthday and to wish his mother a happy Mother's Day. Charley, is it 35 or 36? Sunday afternoon the John Bowman family and Betty, Armando and Carlos Munoz were also at the Patterson's to celebrate two occasions. Mr. and Mrs. Paul Jackson and family were there for Charley's birthday and Mother's Day. The Longshores were given a family portrait.

It has been brought to my attention that Galena square really looks very nice, so I took a look and you know, it really does look very nice. Well, we have but one man to thank for that and he really does work hard every evening and weekend. That's none other than "Red". Goodrich. Nice going. "Red".

Library Makes Improvements

by Lori Brown
The Olentangy library is now ordering new supplies to meet the needs of students to a better degree. These supplies include new books, new video equipment and perhaps most important the installation of a new system called microfiche.

Microfiche is a system where magazines are stored and organized by means of small slides. Each page from the magazine can be easily read by a special viewer. This system is similar to microfilm which is used by large companies and libraries to store information conveniently. This system would save Olentangy not only storage space but time and money!

Club Elects Officers
by Natalia McCormick
The campaigns were over and the votes tallied as Olentangy's French Club elected its officers for the 1976-77 school year May 3.

New officers chosen at the club meeting were Jacki Mann, president; Chris Hensel, vice president; Eleanor Ford, secretary; and Paul Luback, treasurer. Jeanne Cole was elected club historian.

Next year's advisor is not yet certain.

Freshmen Shows Movie
by Cindy Thatcher
The freshman class made around \$150 at a recent showing of the movie, "Wait Until Dark." Admission was 50¢ and the movie was shown May 3 during sixth, seventh and eighth periods.

The class has other new possible moneymaking projects that include bake sales and a possible party. Plans are not yet definite.

The class is still encouraged to save newspapers for their newspaper drive.

Journalists Initiated
by Wendy Dodd
Seven Olentangy High School students were initiated into Quill and Scroll International Honor Society for high school journalists for their work on the Brave Beacon newspaper.

Lori Bowen, Janice Christensen, Wendy Dodd, Sherri Kaller, Kim Kramer, Natalia McCormick and Brenda Prose were presented with their pins in the high school library.

To qualify for Quill and Scroll, the journalists must be in the upper third of their class and have done superior work in some field of journalism.

Advisor for the paper is Miss Mary Anne Higgins.

NHS Elects Officers
by Janice Christensen
National Honor Society of Olentangy High School held a meeting

May 3 for the purpose of electing new officers.

Officers for the 1976-77 school year are Rod Grist, president; Steve Davis, vice president; Jan Hoffman, secretary; and Joy Thatcher, treasurer.

The possibility of a summer activity was discussed but nothing definite was decided upon.

Advisor for the society is Donald Esber.

Choir Performs at Festival
by Janice Christensen
Last Friday and Saturday evenings, the Concert Choir of Olentangy High School performed for the Spring Festival of the Arts. The festival was held in the high school gym.

Choir members performed several songs pertaining to our country's bicentennial. The girls were dressed in costumes of different time periods such as the 1800's, the 1920's and the 1950's. The gentlemen dressed in uniforms representing the different branches of the armed forces.

This is "My Country" and "America the Beautiful" are just two of the many patriotic songs sung by the choir. They also performed a number of songs from the services such as "The Marine Hymn" as well as such wartime songs as "Over There".

The choir presented a sample of their concert to the students of the high school during an assembly held Friday.

Members are now working on songs for Olentangy's bicentennial exercises which will be held June 6.

Advisor for the choir is Mrs. Glenna Nuttall.

Seniors Make Decisions
by P. Mertz
At a recent meeting of the senior class at Olentangy High School some final notices and decisions were made concerning graduation.

The meeting began with the minutes from last month and then a final decision was made for the class motto. The motto for this year's seniors is "Time is not measured by the passing of years, but by what one does, what one feels, and what one achieves."

The class of '76 has definitely decided on a class gift and the location. Both have been authorized.

Volunteers were called on to decorate before the graduation ceremonies. Senior class president, Zane Wright, Rod Mitchell, Megan Cole, Betty Doughty, Anita Zimmerman, Tom Sord, Carol Amos and Jim Gallaher formed a decorating committee and will take care of all the graduation decorations.

The meeting was closed with a reminder to all seniors to pay all dues and fees before June 6.

Bicentennial Celebration
by Masley
In order to celebrate the American Bicentennial, the Olentangy Drama Club presented the "Freedom Bell" recently in the

high school gym.

The choir and the band performed for the Drama Club.

The art students had an art display of ceramics and drawings.

JVS HERO Club Presents Check to Hospital

HERO club at the Delaware City-Joint Vocational School presented a check to Children's Hospital in Columbus this week as part of a statewide Future Homemakers of America project.

In the above picture, Judy Cooper, left, representing Child Care; Cindy Lowrie, center, representing Food Service II; and Kathy Stover, of Food Service I, display the check which was donated to the hospital after club members toured it last Thursday.

HERO Club, standing for Home Economics Related Occupations, is part of FHA, concerned with wage earning programs.

Mary Ellen Hall, instructor for Food Service I at the JVS, also reports the students of the school brought their mother's for a special Mother's Day luncheon last week.

Sunbury PTO To Install Officers
Sunbury Elementary PTO will meet Thursday, May 20, at 7:30 p.m. in the school cafeteria.

Officers for the coming year will be installed. Faye Owens will serve as president; Betty Townley, vice president; Carolyn Sambaugh, secretary; and Barb Waldo, treasurer. Following the meeting there will be a "pie supper". Those attending are asked to bring a pie.

KINGSTON AREA NEWS

Kingston Grange Hears Reports

By Mrs. Robert Seliz

Kingston Grange met on Thursday evening at the Kingston Two House. The group donated \$10 to the cancer drive. Frank Dally, legislative agent, reported on the Estate Bill for Farms, which is designed to make it more possible to pass land down from generation to generation. Also, the grange's stand in opposition of the closing of some post offices and the proposed Saturday rural delivery. Many rural people receive their newspapers by rural mail service.

Mr. and Mrs. Lewis Beck were guests and gave a very nice report on their attendance as delegates to Ohio State Grange Convention in Cleveland last fall. Earl Cleland, lecturer, gave an interesting lecture hour that included the thoughts of the effects of herbicides to our soil in the future. He also told of some gardening books available that are helpful.

Delicious refreshments were served by Mr. and Mrs. William Sheets. The next meeting will be June 4, and Mr. and Mrs. Corwin Heinlen will serve refreshments.

Social News
Well, we celebrated two birthdays at our house this past week. Beth was a year older and Bob says he's coming back the other way now (not going to get any older), but I tell him it won't work.

We send get-well wishes along to Joseph Bartok who has been confined to the house for several weeks with a foot infection.

Kellie Johnson spent Sunday afternoon with Tammy Dally. On Saturday Tammy and Diana traveled with the Kingston Cookies 4-H Club to purchase fabric for their projects along with their advisors.

Kingston Ladies Auxiliary met on Thursday afternoon at the home of Mrs. Herb Brenner. Plans are being made to place a memorial at the Old Blue Church site.

Mark Dally, Benny Johnson and Kenda Mackley were in the confirmation class that was received into church membership on Sunday morning at the Sunbury United Methodist Church.

Tammy Dally spent Friday overnight with Tammy Heine. Mr. and Mrs. Frank Dally, Mr. and Mrs. John Flory of Columbus and Mr. and Mrs. Bernard Dally, Jeff and Mark all had an

early Mother's Day dinner out on Friday evening.

Mr. and Mrs. Ekham Hayes were Mother's Day supper guests of Mr. and Mrs. Kenneth Mackley and family. Mr. and Mrs. Larry Sweet, Maundy and Jess were also callers.

My family treated me to dinner out on Mother's Day, and our other special guest was my father, Orville Tuller.

The Mackleys and Tim and Kenda also ate dinner out. Mr. and Mrs. Terry Buell, Kim and Lisa of near Dayton, were Mother's Day guests of Mrs. Betty Brookens and Mr. and Mrs. Gary Condit and family.

Mrs. Loma Brookens was also a recent caller.

We, our daughter, Beth, and my father called on the Gary Condit's, Ben and new baby sister, Maundy, on Sunday afternoon.

Five reasons for fertilizing soybeans.

And six reasons for letting us help.

For top profit and performance, a soybean fertilization program is essential. The reasons why are simple.

You get a faster start, an earlier harvest, and vital soil fertility balance. These promote higher yields and increased quality. So it pays to give your crop only the best...an Ortho program.

It starts with complete soil testing and analysis. We can get into your soil to determine exactly what's needed to reach high fertility levels.

A fertilizer program recommendation is next. One that's just right for

your crop and soil. We'll show you local demonstration plots. And comparative programs. Your order can be delivered. And we'll help insure it's applied when the time is right. Or you can do it yourself.

That's the Ortho effort. A total program designed for GrowPro's like you. It's backed up by our own real Growth Promoters... Ortho fertilizers and the entire Ortho team. Anything less would risk your success and our reputation.

Let's get together and get started on your soybean profit and performance program today.

PITCH BIG WALNUT TO FIRST TOURNAMENT VICTORY...

NORTHBRIDGE HERE TODAY FOR TOURNAMENT GAME...

Eagles Edge Tough Granville 9-8 in Nine Innings

Big Walnut broke a two-game losing streak here Monday afternoon when they clipped tough Granville 9-8 in nine innings to move into second round action

In the Central District AA Tournament today they will square off against Northridge here, after the Vikings won over Marion Pleasant 4-2 Monday afternoon. The winner of this game will face today's Buckeye Valley-Johnstown game winner on their field Monday afternoon at 4:30.

Dalley's Single Wins It

Big Walnut waited until the ninth inning to sideline Granville, now 16-7 on the year. Mike Dalley singled in the home half of the frame and stole second to start it.

Rick Daugherty reached on an error and Paul Muhlbach was safe on an infield single to load up the bases with the infield drawn in. Mark Dalley punched out a single to bring home Dettilo with the winning tally.

The Eagles opened with a 6-0 lead after two innings of play but

were able to score only two more in regulation play while Granville gradually pulled even. Three runs in the top of the seventh tied it at 8-8.

Dan Haines started on the mound for the Eagles with Mike Cooper coming on in the fifth. Coach Mike Neher sent in Tim Newland later in the fifth and he pitched the remainder of the game.

Coach Mike Neher sent in Tim Newland later in the fifth and he pitched the remainder of the game.

Dixon went the route for the losers and gave up 15 hits. The biggest hit he gave up was a home run to Muhlbach in the second inning with the bases empty, his second of the year. Muhlbach ended the game with 3 RBIs, the same as Dalley, who finished with a 3 for 4 game with two stolen bases. Dettilo finished with a 3 for 5 effort, including four stolen bases. He now has 51 for the season.

Lose to Northland 8-3

Last Wednesday, Northland won a big 5-run second inning to trip BW 8-3 on the Columbus field. The winners only out-hit BW 5-4 with Rick Smith, Newland and Dettilo pitching for the Eagles.

Mike McCusker had 2 of the 4 hits, finishing with a 2 for 2 effort. He also had two stolen bases. Don Stover was the RBI batter with all 3 of them.

MT. Gilead 3-Hits Eagles

MT. Gilead stayed in the MOC race here Thursday afternoon when they held the Eagles to three hits in winning 3-1. The loss was the fourth in seven games for BW in the league.

Duran went the distance for the Indians and spaced out three singles to Mike Counts, Stover and Dalley.

EAGLES EDGE KNIGHTS 4-3 ON FOUR HITS

Big Walnut won its fourth game in eight Mid-Ohio Conference starts Tuesday afternoon when they used only four hits to bring home a 4-3 decision over Northmor. The victory not only evened BW's record in the MOC but brought its all-games slate to 14-14.

The Eagles were scheduled at North Union yesterday, play their tournament game today and hopefully continue on Monday. On Tuesday Buckeye Valley will be here for a game at 4:00.

The Eagles hit for two runs in the second inning and scored what proved to be the winning pair in the third. Don Stover singled and went to third on an error.

Dettilo walked and stole second. Daugherty then struck out and the Knight catcher threw to third trying to catch Stover. He threw wildly allowing both Stover and Dettilo to score.

Big hitters in the game were Dalley with a triple and RBI and Muhlbach with a double. Tudor had the other hit, a single. Daugherty ended with 2 RBIs and Counts and Tudor had the others.

Smile started for the Eagles and picked up the win although Dalley came on in relief in the seventh. Snively went the distance for the Knights. They had a 2-run homer by Zagar in the fourth to lead their hitters.

FROSH GO TO 9-4-1 ON SEASON...

Newland 1-Hits Delaware For 8-0 Shutout Win

Todd Newland was in fine form last Wednesday afternoon as he tossed a 1-hitter at visiting Delaware Hayes freshman team, winning 8-0.

The victory increased the record of Coach Ron Stemen's team to 9-4-1 on the year going into last night's game against Westerville North. Friday afternoon at 3:30 Columbus Ridgeview will

be here seeking revenge for a 10-2 peating BW gave them in their opening game Apr. 1.

Sweep Delaware Series

Newland's near no-hitter gives the Eagles a sweep of its 3-game series with the Hayes Frosh. They won 9-7 and 15-4 at Delaware on Apr. 8 with Newland pitching one of the wins.

Newland came close to a perfect, according to Coach Stemen. Jeff Cain's tremendous effort to preserve the no-hitter failed when he dove for a Texas leaguer and couldn't come up with the ball as they recorded their lone hit in the sixth inning.

Newland fanned 7 and walked only 5 in breaking the freshman's 2-game losing streak. He is now 2-1 on the year.

Big Walnut pounded out 12 hits with Doug Gulick leading the way as he went 3 for 4. Les Lanning was 2 for 2 with a triple and Kevin Layton 2 for 3. Lanning had 3 RBIs and Jeff Miller 2 RBIs. Twelve stolen bases also helped BW's cause with Cain having 3 of them.

Freshmen Lose 4-3 To Woodward Park

Big Walnut's freshman team went down to strong Woodward Park for the second time this season Friday afternoon when they returned home from Columbus with a 4-3 defeat at the hands of the 9-2 team.

Coach Ron Stemen said, "We played them almost even but the talented Columbus team was able to hold off the Eagles' last inning rally as BW had the tying run on second when the final out was made."

"Keith Barney threw an excellent game allowing only 6 hits, walking 1 and striking out 1 as only 2 of the 4 Woodward runs were earned," he added. John Petruska had 2 singles and the other BW hits were scattered. The loss was only the second for Barney in six games.

Moe Agler Resigns Otterbein Post

Robert "Moe" Agler, a guiding force in Otterbein's athletic program for two decades, has announced his resignation as the school's athletic director, effective September 1.

Agler also will step down as director of the Rike Physical Education Recreation Center and as golf coach. "It was a tough decision because I've been at Otterbein a long time," said Agler. "But I want to devote more time to my sporting goods business and have more free time to myself."

"I've had a good association with the students, alumni and administration. It's been very enjoyable. I somewhat regret leaving, but I thought it would be in my best interests to do so."

Agler added that he plans to continue his association with Otterbein with regard to alumni affairs such as the Variety-O Club.

Agler led the Otterbein gridders to eight winning seasons and an overall record of 74-63-5 between 1955 and 1974, excluding 1966-1969 when Larry Lintner was in command. With assistant Rich Seils taking his place, Agler assumed full-time duties as athletic director and as director of the Rike Center.

An Otterbein alumnus, Agler was one of the best fullbacks in

the school's history and was a member of the 1946 team heralded as one of the top small college teams in the nation.

After graduation in 1948, he played two years with the National Football League's Los Angeles Rams and, later, a season with the Calgary Stampeders of the Canadian Football League. He was a member of the 1949 Ram team that won its first division title since moving to the West Coast from Cleveland.

After an injury forced his retirement from pro ball, Agler coached Central Ohio high school teams at Johnstown and Dublin before retiring to Otterbein as an assistant football coach in 1953.

Agler coached cross country briefly in the mid-sixties and has been the school's only golf coach.

5 Unearned Runs Spill Scots, Creates Tie in MOC Title Chase

Cardington's Pirates, the defending Mid-Ohio Conference champion, threw this year's race into a two-way tie for the top spot, with another team close behind Tuesday night when they upset leading Highland 6-3 at Sparta.

The loss drops Highland's MOC record to 7-3, the same as Mt. Gilead with Buckeye Valley close behind with a 5-3 record. The loss was the third in the last four league contests for Highland.

Last Wednesday Highland took a 7-0 forfeit game from New Albany to break a three-game losing streak and Thursday night broke a 2-game MOC losing streak as they thumped North Union 10-4 at Richmond.

Last night, the No. 1 seeded Scots were slated to open Central District A tournament play by hosting Ridgedale. The Rockets were 11-10 on the season going into the game this week.

The Scots, 14-3 three weeks ago when they were first seeded, are now 18-9 on the season, having dropped 6 of their last 10 games.

If Coach Bob Partington's team won last night, they will play the winner of the East Knox-New Albany game next Tuesday at Elgin in the District semi-finals.

Friday the Scots are scheduled to play at Danville and next Monday play a big game at Mt. Gilead at 4:00 against the co-leaders. Today's scheduled game against BV will have to be rescheduled because of BV's tournament game.

John Hitts Fourth Homer
Jeff Hitts hit his fourth homer of the year and evened up his pitching record at 2-2 at New Albany last Wednesday. Ironically, Hitts was trailing 4-3 when the umpire ruled the game a forfeit as the NA coach failed to leave the field after being ejected.

On Thursday, a big 6-run sixth inning lifted the Scots over the Wildcats, 5-1 on the year as he recorded, hitting Larry Squires

pitched a steady 5-hitter. He fanned 5 and walked 6.

Larry's wildness cost him 3 out of the 4 runs but a big sixth inning really helped behind him.

was 2 for 4 and Earl Squires scored 3 runs and his single and two walks. Highland's biggest threat was a homer by Porter in the second with the bases empty, his first of the season.

Only two pitchers were able to break 40 in opening action, Steve Routh of the defending champions and Vern Couts of Hoke Electric. Most low score was Livingston's 41.

Following Livingston for the lead was substitute Kevin Clark who finished with a 43 For Nestles. Bob Hoover led with 45 and John Evans had 48.

Bank won 22 1/2 1/2 1/2 over Breese Florists and following Routh was Jack Gibbons with a 47. For Breeces, Bill Jones led with 44 and Marvin Miller had 46.

Big Walnut State Club won over Kintner Oil Co. with Jim Wilson leading with a 42. Arnold Bryant went with 49. Lou Guidotti and substitute Harry Baum both had 43's to pace Kintner.

Hoke Electric won 22 1/2 1/2 1/2 over Sherret's Sales with substitute Tom Buell following Routh with his 45. For Sherret's, Frank Bergandine was low with 44 and Nick Mulbach went with 47.

LK LOSES TO SGC, STILL LEADS IN INDUSTRIAL LEAGUE
Sunbury LK Restaurant went down 23-17 to Sunbury Golf Club in action last Wednesday in the Industrial Golf League but maintained its lead in the loop as the other contending teams also lost.

Burrer Shoes moved into second place, replacing Dewey's Rug Cleaning, although they too lost 28-18 to Malco.

Another loser, C.J. Wilson, moved up a notch into third place despite a 23 1/2 1/2 1/2 defeat at the hands of Gray's Shoes. Norm "Brownie" Kinnip topped scorers for the second straight week as he hit 36 for his SGC team. Crawford Carter followed with a 42. Van Bennett hit a 37 to pace the losing LK team and he was followed by Dr. Max Livingston with 41.

Larry Kingpacer Burdett shared with a 39 and Howard Stewart followed with a 42 in their loss to Malco. Fred Shewchuk hit 39, Larry Clum 40 and Harold Shoemaker 41 to lead the winners.

Denny Fleming topped Grays with a 41 and he was followed by Rich Moore with a 46 as they beat Wilsons. Herb Wenger had 45 and Russ Wenger 46 to lead the losers.

B.C. Plumbing piled up the most points as they moved from last to fourth place as they ripped Downey's 26 1/2 1/2 1/2. Ward Banner led with 42 and Dwight Blamer had 44. For the losers Jim Turney hit 40 and Dave Simpson 41.

Livingston's 41 Lifts Pauleys to Lead in Sunbury Golf League

Dr. Max Livingston scored a 7-2 decision over 11 opponents to pace Pauley's Machine Shop to a 26-14 win over Nestles in opening play in the Sunbury Golf League Monday night.

Pauleys, who finished sixth in final standing last year, holds a 3 1/2 point lead over defending champion Galena Bank and last season's last place team, Hoke Electric, who both share second with 22 1/2.

Only two pitchers were able to break 40 in opening action, Steve Routh of the defending champions and Vern Couts of Hoke Electric. Most low score was Livingston's 41.

Buckeye Valley and Big Walnut knocked off two pretty good baseball teams in opening action in the Central District AA tournament Monday afternoon.

The Barons edged Mid-Ohio Conference co-leader Mt. Gilead to gain revenge for an earlier league defeat while the Eagles needed nine innings to edge a very good Granville 9. Highland, the other MOC co-leader, took second in the tournament, started action last night due to a bye in the first round. All four of these teams are still in the MOC title chase.

Coach Dick Meyer's team, Mt. Gilead and Coach Bob Rutledge's squad all have three losses and Coach Mike Nethers' Big Walnut team has four. They are not out of it yet. I've said it before, but I think it needs repeating: the coach at Mt. Gilead who is doing such a fantastic job with their baseball program is ex-Oleantangy great Kevin Keller. He is the son of Mr. and Mrs. Forrest Brown. Quite a job he is doing there. He started in baseball and basketball for the Braves.

Another name that has been in this column many, many times is Kevin Keller, the 5' 7 1/2" 160-pound nephew of the OER Keller of Delaware, the OER originator. The former Elgin senior, now attending Ohio State, won the pole vault last Saturday, May 8, at the Pittsburgh University Invitational Track Meet with a vault of 15' 6".

He was the only Buckeye to win a first place in six dual, triangular or quadrangular track meets, indoor or outdoor. Kevin has won first all six times. His best height was indoors at The Ohio State Invitational where he vaulted 16 feet to tie for first but he lost the vault-off to actually get second place. In talking with Paul, he tells us recently he received a letter from Eldon Miller, the new Buckeye coach in basketball who wrote: "We will need an OER kit as we get started with our new program here at Ohio State." Keller said, "Naturally, I was delighted to hear that. I don't want to continue my system that he used at Wittenberg, but at Western Michigan. But, he wanted to be the first of all."

Keller went on to say he received Ray Mearns' Tennessee state this week and their season's average OER was a nifty 1.06 p.p. "This is LOW for Ray's team," added Keller. "I don't think it is a 37 applications until May 21 for the position of head football and basketball coach. Jobs at the Richmond school to replace Chuck Warthen and Bud Hawkins, who have resigned their coaching positions, are also open."

Dr. Richard Coulter, superintendent, and Dave Camp, athletic director.

Oleantangy's wrestling captain for the 1975-'76 school year, Ed Fraccaso, has announced he will be entering college this fall at the University of Cincinnati. Ed, who was state AA runnerup in the 126-lb. weight class, plans to wrestle at UC. He picked Cincinnati over several other schools.

Don't forget the MOC boys' track and field championships set here next Tuesday on the all-weather track. The girls' event will be the following Tuesday. Big Walnut girls finished in the top spot at the first annual Mt. Gilead Invitational last Friday with 147 points. Gail Vance, a senior, was named the "Outstanding Athlete" as she won the 100 and 420-yd dashes, placed third in the shot and anchored BW's winning 880-relay crew. She set a new school record of 33" 8" in the shot in Tuesday's dual against Mt. Gilead. She was also part of the 880 relay team which established a new school mark of 1:53.6 in this event. Other relay members include Felicia Mack, Ann Law-

rence and Mary McCusker. Big Walnut boys' finished fifth at the Mt. Gilead Invitational Saturday. North Union won with 140 and will go into the MOC championships here as the odds-on favorites.

BW baseballers are building up some good averages. Mark Todor is the team leader in batting with .425, Mike Dattilo is over .500, Mike McCusker is around the .400 mark and Mark Dattilo at .380. Dattilo also has 51 stolen bases to his credit and McCusker has 38. Coach Mike Nethers certainly has a bunch of winners in this group.

Don't forget to take a trip out to Mt. Phil Flattery's Sunday afternoon between 2-4 to visit his new Canadian Geese young. Phil told they swim with poppa in front, little ones in the middle and mama guarding the rear. They had them in the water an hour after hatching and pay no attention to the nest anymore. "She had seven eggs in the nest and all of them hatched," told Phil. Two more Canadians came in Monday and the drake keeps busy driving them away, he added.

VFW Gives Ice Machine, Inflatable Splints to Big Walnut

Commander John Gunder of the Sunbury VFW post receives thanks from Russ Fravel, Big Walnut athletic director, after Gunder presented the school with a new ice machine and inflatable splints Monday afternoon.

"On behalf of the athletes at Big Walnut, I would like to thank the VFW. It was a generous gift. We have been in dire need of these two items," said Fravel.

The inflatable splints are used

on suspected or actual fractures, helping to relieve the pain until the athlete gets to a doctor. "It was very thoughtful on their part to think of something like this," Fravel concluded.

Barons Rip Indians 13-5 in Tournament

Buckeye Valley slugged out four home runs as they beat second-seeded Mt. Gilead 13-5 Monday afternoon in Central District AA Tournament action at Mt. Gilead.

The win moved Coach Dick Meyer's team into a second round game against Johnston today. If BV wins this game they will play the winner of the Northridge-Big Walnut game at Radnor Monday.

The Barons are now 13-10-1 on the year as the tournament win gives them a split in four games during the past week. Last Tuesday Mt. Gilead beat them 7-5; Thursday BV topped Cardington 7-6; and Friday Bexley won their fifteenth game as they clipped the Barons 5-2.

IRISH TRACK CLUB DEFEATS BARONS, TROJANS

Despite the scoring efforts of Buckeye Valley's Ira Hill, Centerburg's Woodruff and Kerschner, Marion Catholic still produced a well-balanced team attack by grabbing 7 of 15 categories in immobilizing the two competitors for a 79 1/2-45-34 1/2 victory last Thursday on the Irish cinders. BV finished in the runner-up spot.

Hill, the meet scoring champion with 11 points, earned a win in the high jump and seconds in the 100 and 220 yard dashes while Woodruff tallied his two victories in the 120-yd. high and 180 low hurdles. Teammate Kerschner got his firsts in the 100 and 200 to close the Trojan pointmaking.

Other finishes for BV include Chris Koloff in the discus and the 880-yd. relay squad. For Centerburg, Jeff Quirk received a top place as he won the shot put event.

Cheshire, Johnnycake Folks Busy

By Mrs. Eleanor Griffith

Callers of Mr. and Mrs. Melvin Green this Sunday were Mr. and Mrs. James Green and family of Radnor, Mr. and Mrs. Lawrence Green and family of Delaware, and they had Mother's Day dinner with Mr. and Mrs. George Strohman and family. Mary Louise Green called her mother from California. Mary Green expects to enter Grady Memorial Hospital this week for surgery.

Mrs. Jo Watts, Mrs. Becky Shoemaker, Chris and Julie of Rochester, N.Y. and Mrs. Rachael Mushrush of Newark accompanied their mother, grandmother and great-grandmother, Mrs. R.T. Galbraith, to the mother-daughter banquet at the Berlin Presbyterian Church. It was a musical evening including Mrs. Jewell Roll and daughter and the Sweet Adelines (they sang at Ashley that night before coming to Berlin Presbyterian).

Mother's Day guests of Mr. and Mrs. James Rogers, Christy and Cathy were Mrs. Dorothy Rogers, Mr. and Mrs. Robert Sparks and evening callers were Mrs. Cecelia Sparks and Mr. and Mrs. Ralph Reda. Mr. and Mrs. Ralph Reda, Mr. and Mrs. Linda Reda and Sammy spent Monday at the Columbus Zoo.

Saturday afternoon Mrs. Chloe Vanatta and Jack Hornish went to Urbana to see Chloe's good friend, Mrs. Grace Dean, and she is not progressing as well as had hoped following surgery and treatment. Monday callers of Chloe were Mr. and Mrs. H.E. Deuchle of Columbus.

Mr. and Mrs. Ralph Sherman, Randy, Rodney and Rayne, Mr. and Mrs. George Sherman and Mary E. Sherman were Friday evening callers of Mr. and Mrs. Homer Sherman in Delaware. Homer is not progressing as well and has another appointment with the surgeon next week.

Mrs. Marie Wilson and Mrs. Wanda Wilson attended on Friday evening the bicentennial celebration at Orlentany High School. Play was presented by the Drama Club, concerts by choral group and also by the bands; the art department had an art show.

Mr. and Mrs. Malcolm Wilson journeyed to Toledo on Sunday for Mother's Day to visit and view the newly purchased home of Mr. and Mrs. Terry Lodge and John Brilla.

Mr. and Mrs. Herbert Lackey have spent the last two weeks with Debbie Wilcox at Chardon, while her folks, Mr. and Mrs. Marion Wilcox, took a vacation through

the south. Marie attended the mother-daughter banquet at Chardon on Thursday and then returned home to attend the mother-daughter banquet at Berlin Presbyterian Church that evening.

Mr. and Mrs. Herbert Lackey were Mother's Day dinner guests of Mr. and Mrs. Paul Wilkinson. Mr. and Mrs. Donald Ross and Melody attended the bicentennial program at Orlentany on Friday evening.

Saturday dinner guests of Mr. and Mrs. Ralph Monk were Mr. and Mrs. Don Weaver and family of Columbus.

Saturday morning Jinny Buell took the Orlentany High School Band to Brookhaven High School for the State Band Competition and they received a rating of One. Saturday evening they attended the bicentennial celebration at Orlentany and following this were among the chaperones at the party for participating students held at Berlin Twp. House.

The Ohio Wesleyan women's chorus will sing in morning worship service at Rural Chapel on Sunday morning.

Max Griffith came back down on Sunday and took his parents out to eat. He had a picture of Elgin High School students from the drama group that won "State Reader Theatre Festival" on Saturday at Otterbein College. They performed an excerpt from Elwood's, "The American Dream". They were the only group to receive a superlative rating.

Also required are nip-point guards (sometimes called "pinch" or "mesh" points), on all driven gears, belts, chains, sheaves, pulley sprockets, idlers and rollers.

Employee operators must be instructed in the safe operation and servicing of tractors, field implements and farmstead equipment that they operate.

Farm Owners Asked To Comply With New Guarding Standard

Beginning June 7, farm employers engaged in agriculture will be required to meet some of the safety provisions of the new Machine Guarding Standard for Agriculture issued by the Occupational Safety and Health Administration (OSHA). The purpose of the standard is to protect farm owners and their employees from hazards associated with moving parts of farm machinery.

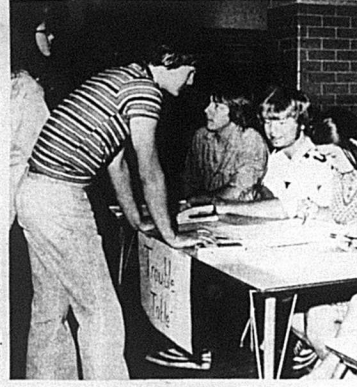

According to a recent OSHA report, guards or shields must be placed on power take-off drives for such field equipment as tractors, swathers, cotton pickers, hay balers, bale loaders, forage harvesters, hay cubs and vegetable harvesters. Self-unloading forage wagons, gravity-unload grain trailers, all types of manure spreaders and portable grinder-mixers are considered field equipment.

Farmstead equipment such as auger and flight elevators, mechanical bunk feeders, silo unloading systems, grain dryers, grinders, mixers, sorting tables, coolers and all other types of material-handling equipment must be guarded.

Lack of adequate power take-off guarding is considered a recognized hazard for which farmers can be cited and penalized even in the absence of a specific standard, the report stated. Farm employers cannot permit any employee to operate machinery around the farmstead unless the power drive is guarded.

Also required are nip-point guards (sometimes called "pinch" or "mesh" points), on all driven gears, belts, chains, sheaves, pulley sprockets, idlers and rollers.

Employee operators must be instructed in the safe operation and servicing of tractors, field implements and farmstead equipment that they operate.

Incoming Frosh Register at Buckeye Valley

One table which seemed to get busier and busier as the morning wore on Monday at Buckeye Valley was the Trouble Table as over 200 8th graders from Ostrander, Radnor and Ashley converged on the high school gym to make out schedules for next year.

In the above picture, Tom Marks, Rick White, Susan Duval and Colleen Ulmer (just out of the picture) were manning the troubleshooting table helping the incoming freshmen to work out their scheduling problems.

High School Principal Earl Brown said the new method of registration for classes next year was put into effect this spring as members of the high school classes registered last week.

"Everything went very smoothly last week with the upper grades and we feel this new concept will work effectively for the incoming freshmen as well," Brown told

the News. All the 8th graders were bused to the high school Monday morning to meet with their prospective teachers and register for classes. The Trouble Table became busier as scheduling conflicts arose throughout the morning.

NOTICE OF ELECTION ON TAXLEVY

In Excess of the Tax Mill Limitation

Notice is hereby given that in pursuance of a Resolution of the Township Trustees of the Township of Genoa, there will be submitted to a vote of the people of said Genoa Township at a Special Election to be held in the township of Genoa, Ohio

at the regular place of voting thereon, on Tuesday, the 8th day of June, 1976, the question of levying, in excess of the tax mill limitation, for the benefit of Genoa Township for the purpose of providing and maintaining fire apparatus, fire engines, buildings, or sites therefor, or sources of water, supply and materials therefor, or the establishment and maintenance of lines of fire alarm telegraph or the payment of permanent, part-time, or volunteer fire men or fire fighting companies to operate the same.

Said tax being a renewal of an existing tax of eight tenths (8/10) mills to run for five (5) years, at a rate not exceeding eight tenths (8/10) mills for each one hundred dollars (\$100) valuation, which amounts to eight (8/10) cents for each one hundred dollars (\$100) valuation for fire (5) years.

The Polls for this election will be open at 8:30 o'clock A.M. and remain open until 7:30 o'clock P.M.

By Order of the Board of Elections,
David H. Staley, Chairman

Harlem Livestock & I held the annual banquet on Saturday, Apr. 24, 7:00 p.m., at New Hope Methodist Church. After everyone had dinner Teri Rannebarger gave a report on a camping trip with 4-Hers, Mr. Fling and Mr. Stein handed out achievement pins and books. Each member told everyone his name and project for the year. At the last Harlem Livestock II meeting, which was held at the Blen home on Mar. 31, members filled out enrollment sheets and discussed what to do with the money in the treasury. The club voted to donate the money to Hartford Jr. Fair Board. Regular meetings system was set up and meetings will be the first Friday of every month. Officer elections were held and the officers for the coming year are Mark Ryder, president; Teri Rannebarger, vice president; Linda Blen, secretary; Peggy Rannebarger, treasurer; and Sandy Blen, news reporter. Some of the members taking lamb projects went to Cindy Thatcher's home to pick out their lambs for their projects on Saturday, Apr. 17. The next meeting will be Friday, May 7, at the farm of Mark Ryder. Mark will give a demonstration on how to show a lamb.

Up to Date Trailers

A meeting of the Up to Date Trailers was held recently at the Porter Grange Hall with Mrs. Lucille Harding, advisor. An officers meeting was set at this time for May 3 at the JVS at Delaware.

Harlem Trailwalkers

Harlem Trailwalkers met Apr. 23 at the home of Gina Garce. Seven members were present. We read and discussed chapters 4 and 5 in our book. We will meet May 7 at Mark Daugherty's home, 52 Old St., Sunbury. This meeting will begin the training of our dogs.

Kingston Cookies 4-H Club

Election of officers took place at last week's meeting of the Kingston Cookies held at the home of the advisor, Mrs. Larry Caudy. Tammy Dally was elected president; Deana Glenn, vice president; Jean Poderys, secretary; Pam Caudy, treasurer; and Tracy Limings, news reporter. The next meeting is June 8 at Mrs. Caudy's home.
