Three More Indicted Concerning Paul's B&E

Three area men were indicted Tuesday in connection with having stolen items taken from Paul's Marine & Camping Center, Miller-Paul Rd., last Oct. 27. Jack Holobough, Jr., 34, 3211 Green Cook Rd., Johnston; Danny Ray Gullett, 26, Hilliard; and Kenneth Hardy, 19, 13184 SR 37E, Sunbury, were all indicted for one count each of receiving stolen property. None had been picked up as of Tuesday afternoon. Indictments all say the three allegedly had skis, depth finders, a super winch and cassette player taken from Paul's Marine in their possessions Oct. 30. An 18-year-old Galena man, Frank A. Lafferty, 8270 Beech Ave., has already pleaded guilty to a count of breaking and entering for the Paul's Marine burglary. He is awaiting his probationary hearing. Former Galena man and two others arrested last Monday in a drug bust at the 23 Lounge, U.S. 23 at Peachblow Rd., were indicted on one count each of trafficking in drugs. John S. Baker, 25, now of Delaware, is in jail in lieu of \$5000 cash bond. Gary Steven Williams,

26, 4819 US 23N, Apt. A, and Christopher M. Lerch, 26, Columbus, were also indicted. Baker is facing the charge for the alleged offering for sale of less than an ounce of cocaine to an undercover agent the Friday evening before, May 2. Williams and Lerch are charged with selling 112 grams of cocaine to the same agent on Monday evening, May 5. Two Columbus men who were arrested in a stolen truck in the parking lot of the Sunbury LK Apr. 7 were indicted on one count each of receiving stolen property. Michael Ray Wallace, no age available, and Patrick Craig McGraner, 28, were allegedly arrested in the semi rig owned by J. B. Hunt Transport, Inc., Atlanta. Authorities, acting on a tip that the truck was to be sold in the LK parking lot, had it under surveillance when the two were arrested. The vehicle had earlier been stolen from along Busch Blvd in Columbus. None of the new indictments had been arraigned as The News went to press. In other Common Pleas action this week, one of two young Westerville women who pleaded guilty to breaking into a Berlin two-home last September was placed on up to five years probation Friday. Kim Sue Coleman, 19, 7071 Cooper Rd., pleaded guilty Jan. 10 to a count of aggravated burglary at the Ralph E. Fisher home, 1826 Berlin Station Rd., last Labor Day. Her accomplice in that breaking and robbery, Shelly Ann Edwards, 18, of the same address, was sentenced Mar. 4 to a 5-25 year term in the Ohio Reformatory for her part in the incident. A 23-year-old Hilliard man who pleaded guilty Dec. 31 to a count of grand theft was placed on up to five years probation May 2. Alfred G. Sharrock had pleaded guilty to stealing the wheels from a pick-up truck the Al Room home, 2743 E. Powell Rd., last Oct. 8.

Engineer Buys New Excavator

County commissioners Monday accepted the lone bid for a new excavator for the engineer's dept. Dravo Marks Co., Columbus, bid \$24,500 for the motorized gradall, which, Engineer Fred Stults says, will replace a worn out backhoe. The new machine is larger and can also do more jobs. Stults has told The News.

Reports Lawn Mower Stolen

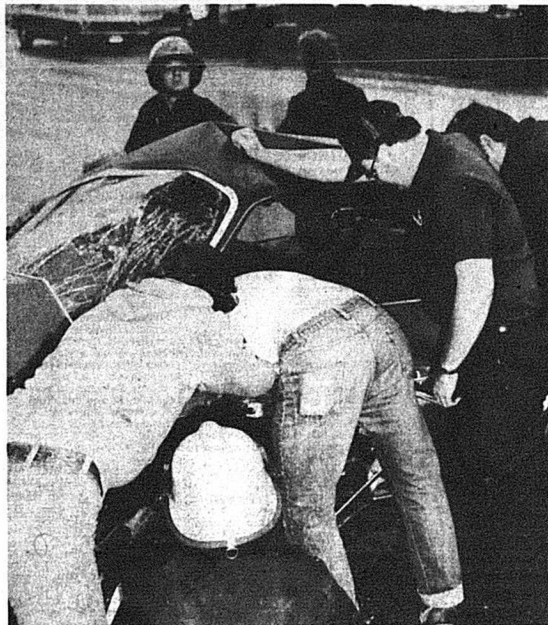

Samuel M. Reppart, 13685 N. Old JC, Sunbury, reported to Dep. R.L. Carson that someone had apparently stolen his lawn mower from his back yard sometime Thursday or Friday. Reppart valued the mower at \$200.

Council To Meet At Town Hall

Sunbury Village Council and Planning and Zoning Commission will be moving their meetings to the Community Library (Town Hall) for their meetings according to an announcement by Mayor Jeannette Curran. After the council held their last meeting at the Hopkins House Wednesday, the mayor arranged with Rachel Edwards, librarian, for the move to the former council chamber. Council's regular meetings are held on the first and third Wednesdays while the planning and zoning board meets the last Wednesday of the month.

Commissioners Open Bids For Road Materials

Commissioners Monday opened bids from several companies wishing to supply road materials for repairs this summer to county roads. County awarded no exclusive bids for asphalt, cold mix and hot mix, nor for crushed limestone, saying the purchases will be made according to price, need, availability at the time the materials are needed. Medusa Aggregates, Columbus; Northwood Stone & Asphalt, Ostrander; Ohio Road Paving, Columbus; and Owens Stone Co., Ostrander, submitted bids for hot and cold mix. Owens; Medusa; Perry Stone Co., Radnor; National Lime & Stone, Findlay; Union Aggregates, Ostrander; bid on crushed limestone. Bidders for liquid asphalt included Koppers Co., Inc.; Heath; Ashland Oil Co., Findlay; Columbus Bituminous Concrete Corp., Columbus; and Central Oil Asphalt Corp., Columbus.

Crew Works Half Hour to Free Body from Smashed Car

BSTAG firemen and county emergency squadmen worked with Delaware city's hydraulic "Jaws of Life" apparatus for half an hour to free a man from his wrecked vehicle Monday morning on US 36 near I-71. Delaware post of the Ohio Highway Patrol reports that at 9:10 a.m. a 1974 Pontiac driven by

Clarence DuKin, 71, of Shelby pulled out from a service station just past the freeway on US 36 in front of a truck driven by Timothy Miller, 22, of Sugar Creek, going west. The truck struck the car on the left side, killing Durkin. His wife, Anne D., 58, was taken to Grady Memorial Hospital where

she was in stable condition on Tuesday. Miller was not injured and his passenger, Melvin Muller, 46, also of Sugar Creek, was treated at the scene. The truck was severely damaged while the auto was demolished.

Mayor Initiates Move For Municipal Building

Sunbury Mayor Jeannette Curran is asking council members to start action at their next meeting, May 21, towards the building of a new municipal building for the village. She told council at its regular meeting last Wednesday that the option to purchase the building next to the present structure from former mayor Harold Kintner was running out next month. "We should be making a decision on what we are going to do," she said.

"We could get our plans and put it on the ballot November. I have checked and there are not any other money issues facing the voters this fall," said Councilman Dennis Bell.

The cost of a new building, the question of whether or not federal funds are available, and the millage required were questions immediately posed by council. Becky Jo Hayes said that one mill creates approximately \$12,000 yearly in revenue. Village Solicitor Peter Manos told council they should determine several factors before moving ahead. The cost, location and searching for federal funds should be of the first priority.

"If you go to three or four mills, this could be devastating to many considering the present financial situation. The chances of prevailing in the fall could be near impossible," Manos said.

The mayor said she would inquire at the mayor's conference she is attending this week at Perryburg as to how others acquire federal funds.

Councilman Bob Reed suggested the village look over a new building Alexandria recently built. "Perhaps we could find others to look at," he said.

Other business saw council approve by 6-0 votes the placement of a private water line on East Street. They also authorized the mayor to enter into a contract with the FFA for farming part of the 39 acres the village owns on the north side of a highway where a reservoir will eventually be

built. Council also authorized the use of the NOW Youth Program for the village this summer. Jack Brehm presented figures showing the village received \$4,259.52 of work through the CETA program last year. "It could amount to more this

year since the minimum wage is now \$3.10 as against \$2.90 a year ago. Last summer three youths worked with the street department and two with the waste-water treatment plant. They worked thirty hours a week during the nine-week program," Brehm reported.

Purchase Beams For Longshore Bridge

County accepted the bid from Reliance Universal Co., Columbus, for five pre-stressed concrete beams to be used in replacing the Longshore bridge. Reliance bid \$10,620 for the beams, and submitted the only quote. Engineer Fred Stults says delivery is expected in 30 days, and has estimated the entire bridge replacement project at \$24,500. Longshore Rd. has been closed to through traffic since last fall.

Ernest White Ford To Celebrate Opening

Ernest White Ford, at 1599 Columbus Pike, U.S. 23 So., Delaware, is having a Grand Opening Sale this week (May 12-17, 1980) with slashed prices as well as the Ford rebates. To wrap up the Grand Opening Sale they will be featuring hot air balloon rides on Saturday afternoon along with free Coke and hot dogs from noon to 5 p.m. According to Sue Putman, Public Relations Manager, everyone will be able to register for the tether

rides from today until noon Saturday, the 17th. Drawing for the tether rides will be from 1 p.m. to 4 p.m. as weather permits. And there will be a grand prize of an hour of tether riding with pilot Jim Sluda, for two over Delaware after the tether rides, also as weather permits. You must be present to win a ride but no purchase is necessary to or win. See ad in today's News

Porter Trustees Hear Stockwell Rd. Residents

Stockwell Rd. residents were on hand for the Porter Trust Trustees meeting last week to complain about road conditions in their area. Porter and Trentonships share responsibility for maintaining a portion of Stockwell Rd. The dividing line, set some 30 years ago by county officials, has disappeared, resulting in a complete breakdown of road maintenance for one section of the road. Robert Chadler, spokesman, pointed out. Porter trustees promised to contact Trenton trustees immediately to try to straighten out the situation. In addition, plans were made for new drainage ditches along Stockwell Rd. Ditching projects are also planned for Chambers, Plantation, Utery and Moody Rds in May weather permitting.

Four township roads remain to be stoned this spring. Kenney, Chambers, Utery and Fredricks. Marvin Collins, clerk, told the trustees only \$2,000 is left in the budget for what is estimated to be a \$4,000 job. Trustees James Thorpe, Ellis Lewis and Jennie Kavage decided to take part of the money budgeted for road oil to finish the stoning work. Plans had already been made to obtain used engine oil for dust control this year. The used oil is half the price of the heavy duty product used last year.

Trustees had hoped to cover more roadway with the cheaper oil. Instead, oil will be applied to the same area as in previous years with money saved going to cover stone costs. CETA officials attended the meeting to explain the CETA program to trustees and township residents. CETA funding has been obtained to train Rick Lewis for 18 months in grader

operation, road maintenance and other areas of township work. At the end of the training period, trustees intend to hire Lewis as the township's first, fulltime employee. In other business the trustees decided to order lot markers for East Liberty Cemetery. They also agreed to try to get all fallen tombstones reset before Memorial Day.

Sunbury, Galena Memorial Services Will Be on Sunday

Sunbury VFW Post Surgeon Randle Hughes reports Memorial Day services in both Sunbury and Galena will be held after-noon of Sunday, May 25, so as not to compete with the annual Memorial Day Flea Market on Monday this year.

Hughes, in charge of community affairs for the VFW, is organizing the Sunbury Memorial observance and coordinating activities with Galena as well.

Service will be held in Sunbury at 2 p.m. at the Sunbury playground. Hughes has invited the Big Walnut Marching Band, and all area Boy and Girl Scouts, as well as veterans and community members to participate. "We'll begin assembling at the playground about 1 p.m.," Hughes says.

Following the service which will include speeches by three Big Walnut High School seniors who had the top essays in the VFW's Americanism Award contest, the VFW and American Legion Color Guards will combine to lead a parade to the war memorial on Sunbury's square, and then to the Sunbury Memorial Park for the traditional 21-gun salute.

Hughes reports the service in Galena will then begin about 3:30 at the village's square. Galena's service will include the dropping of a wreath into Big Walnut Creek in observance of the Navy veterans and dead who have fought for America.

Hughes says the combined color guards will then lead a parade to the Galena Cemetery for a short service and 21-gun salute there as well.

More specific details, including speakers and other participants in the two services, will appear in next week's News.

Dog Ordinance To Be Enforced

Sunbury Village Council is announcing that the dog ordinance requiring them to be confined will be enforced in the village. If a resident does not keep his dog confined to his yard, the owner is liable for any damages the dog does and any fees required to obtain its release from the county dog pen.

The County Dog Warden may be reached by calling the sheriff's department at 548-7313. If village residents wish to sign a complaint, they should call the police department.

Big Walnut Girls' Track Team Poses With Third Straight Central Buckeye League Trophy

Big Walnut's lady track team, above, retained the Central Buckeye league championship last weekend before their home crowd. The three-time titlists are quite happy as they pose in back

of the commissioners' trophy to the center. The Eagles scored 118 points to win the 1980 crown. In the front row, left to right, Lori Williams, Sue Miley, Mary Murphy, Pam Ishler, Kathy Beaver, Nora Seeger, Karen

Poderys and Kathy Kain. Second row, Debbie Wolff, Lori Fravel, Jan Haban, Linda Spencer, Anneliese Altenbach, Chris Fravel, Holly Arrington, Jeanne Schilder and Violet Hale. Back row, Don Red Edwards,

assistant coach, Dorrie Meeker, Karen Haban, Molly McCaughey, Amy Baker, Maria Seeger, Marcia Fichtelmann, Jerri Keller, Katy Mudre, Suzie Schumack and Jim Boyd, head coach. Further details of the girls ex-

plots, including a report on the boys' can be found on the sports pages.

VFW Presents Flags to Village

Sunbury Veterans of Foreign Wars Post #736 presented six flags to the Village of Sunbury Friday, including three American flags and three Ohio flags. In the above photo, VFW Post Commander Chuck Mumaw, center right, and Sunbury Mayor Jeannette Curdren display the Ohio flag and American flag above which now fly outside the municipal building.

VFW Quartermaster Don Clark and Post Surgeon Randy Smith, in charge of community affairs, look on. The new flags, furnished by the VFW, will fly at the Sunbury Memorial Park at the memorial on the northeast corner of the square and at the municipal building. The VFW members also presented Mayor Curdren with a pen set to show their appreciation for her cooperation with the activities this spring. Commander Mumaw recognized the mayor's help with the Easter egg hunt, the Americanism award contest to the defendant. Court granted judgment of \$21,283 plus interest and costs for an unpaid promissory note, and foreclosure on property on Locust Dr., Sunbury.

Cases Dismissed
Court dismissed the easement encroachment suit of Ohio Power Co., Canton, vs. Charles McKee.

* Reminder to all advertisers And correspondents - a week from Monday will be Memorial Day and we at The Sunbury News office will be holidaying along with the rest of you, which means we'll have one less day to work on this week's newspapers. Please have your copy for the May 29 paper to us by next Friday if it is possible.

* Memorial Day is the Day the Big Walnut Swimming Pool opens. Those of you who wondered about the missing number in last week's pool ad might like to know that the telephone number for R. T. Recreation Inc. is 868-0430, at Reynoldsburg.

* Be sure to fill out And return the questionnaire (if you got one) sent to you by Big Walnut Board of Education on what course to take on the Harlem school building. Otherwise, you will have no right to complain about what's eventually done and the board does want direction.

* Big Walnut students, John Lueurance and Jeff Miller, marched and played in the OHS Military Band for the pre-game and half-time ceremonies at the university's annual spring football game. John played baritone and Jeff, trumpet. The band also played for the Presidents' Club afterwards.

* The News received a Pat on the back from Beth Seitz, president of the BW FFA this year, who gave a speech at the Future Homemakers of America banquet Friday night, which we'd like to brag about. She said one can read and hear about deaths, killings, robberies, etc. from the big city news media, but the local newspaper puts youth accomplishments right on the front page and it is appreciated.

Ohio Forestry Camp Still has openings available, according to a news release. The camp will be held in June in the Mansfield area and is open to any high school student who is interested in forestry and conservation.

Countians Play Role in 1980 DHIA Confab

Ohio Ag Services, Ohio's dairy herd improvement organization, was host for the 15th annual National DHIA Convention held in Columbus. Aside from their role as hosts, a number of Ohioans played important roles in the convention program. Reappointed executive secretary was Richard Sechrist of Sunbury, who was the first general manager of Ohio Ag Services. Sechrist was appointed executive secretary in 1975. He received Cincinnati radio station WLW's "Citizen of the Day" award from Joe Corley, agricultural director for WLW. Charles Baldwin, general manager of Ohio Ag Services, presented information to the delegate body on protein testing. National DHIA is a federation of 44 state dairy herd improvement organizations and represents 60,000 dairy farmers who own four million dairy female.

servation. Contact them at Suite 205, 665 E. Dublin-Granville Rd., Columbus, Ohio 43229, phone 846-9436.

* Sure is nice of the VFW to donate six new flags to Sunbury Village. They were badly needed. The three Ohio flags and three American flags will be erected at the municipal bldg., the cemetery and the square.

* Marian Whitney called Her son, the News editor, Monday night to say that she would send a story with in-depth coverage of the Tampa Bay bridge disaster. She lives in a mobile home village right at the south end of the bridge and didn't know about the accident until the next day. Visibility was nil, she said, and winds gusting to 90 mph so she couldn't have heard anything, either.

* Marian is a correspondent For a Palmetto newspaper, writing the Winterset news. Last week she sent us a feature story about herself that had appeared in that newspaper recently telling about her having been an editor of a small weekly newspaper, that she had been married to one, that her son is now editor-in-law, and she was a sports editor, etc.

* 'Jaws of Life' - a Hydraulic instrument for prying open cars smashed in accidents, was used to extricate a body from wreckage Monday morning. It belongs to the Delaware city emergency squad. We understand the county is also purchasing a similar tool and it, too, will be housed in Delaware. That means that side of the county will have two and our side, none. Does that make sense?

* 'Civil Rights & Women' Will be the subject of Dr. Arthur Fleming's talk at Ohio Wesleyan University tonight at 8 in Phillips Auditorium. Dr. Fleming is a former president of the University and is currently chairman of the U. S. Commission on Civil Rights.

* Jazz lovers can hear OSI's Jazz Lab Ensemble both tonight and next Thursday night at 7:30 at Mirror Lake Hollow on the campus.

* 6th Annual Dulcimer Days Will be held at Lake Park Recreation Area located one mile from Roscoe Village in Coshocton this weekend.

* Other festivals in Ohio This weekend include Appalachian Festival in Cincinnati Convention Center, Cherry Blossom Festival in Barborton, Deer Creek Dam Days in Williamsport, International Festival in Toledo Sports Arena, Muskingum Valley Wine Festival in Waterford, Children's Arts Festival in Nelsonville, Herb Festival in Hanna and Spring Festival Days in Massillon.

* Intensive Phonics Workshop Will be held Tuesday, May 20 at the Minerva Park Community Center located on Minerva Lake Rd. It is sponsored by the Montessori Room Pre-School. It is open to all parents and interested persons who would like to better understand phonics. To register, call Linda Wilson, 885-7580.

Colorectal Cancer Clinic Screens 180

Reports were sent out this week by the local unit of the American Cancer Society to the last of the people who completed the Hemocult tests issued at the Colorectal Cancer Clinic held recently at Grady Memorial Hospital.

Attendance at the clinic was 180, with an additional 20 test packets issued for members of families of those attending.

A positive test does not necessarily mean cancer. It could result from benign colorectal diseases that need treatment and could also be caused by meat or iron in the diet. Often, the doctor will have the test repeated under closer supervision of the test diet in order to determine whether other tests are necessary.

The Hemocult test is considered 95% reliable if the dietary instructions are followed closely. These consist mainly of not eating meat or certain medications for several days while collecting the specimens, while at the same time adding bran and other forms of roughage to the diet to stimulate the colon.

Coincidentally, this is the same kind of diet that is recommended for people in high-risk population groups that have a high incidence of colorectal cancer.

As Grady, nutritionalist Nancy Schaefer pointed out at the clinic, a modified form of this diet could be continued after the test is done as a way of avoiding this kind of disease. The American Cancer Society

recommends regular proctoscopic examinations every two years and the Hemocult test every year in people over 40. Doctors increasingly are asking their patients to do the Hemocult test prior to routine check-ups, bringing the completed test cards along with them for analysis at the time of the examination.

As you can see these are mostly questions. But, these are questions we have asked the school administration and the school board and for some reason have never received a straight answer. And it isn't that we haven't tried. We've been working on finding answers for over a year now. It is time to get back to basics! Our concern is for the children. We'd like to hear from you. EXPRESSING YOURSELF

GENOA RESIDENT FEELS STRONGLY ABOUT THIS ELECTION

Dear Editor

I would like to take this opportunity to commend Sheriff Lavery and his staff for the fine job they are doing now. In the past, and with the votes from the people in Delaware County, will continue to do so in the future.

Please remember that if any opponent states he will do this, that, etc., he can only do with what the County Commissioners allow him.

Personally, I would like to see the Sheriff's department take over full control of Genoa Township again. We would be much better protected if we contracted for their services, that way we would have full 24 hour protection which at this time we do not have. With the levy that we have, it is impossible.

There are reasons that I feel so strongly about the upcoming election - and it goes back to the past history of Genoa Township Police Department. I'm sure that the majority of the residents of Delaware County recall all this. If any of you would like more detailed information, please see me at my home, and I will gladly explain more fully. Also, I cannot understand why one would give up a \$20,000 plus job for a \$16,000 job.

In the past I've tried to call certain incidents to the attention of the Trustees of Genoa Township - not much satisfaction could one get - replies like "playing games" etc. Finally, the CETA officials were called, also officials from the State Department from Chicago, Illinois, after investigation and other happen-

ings the CETA personnel were pulled from the department. The CETA program was a waste of my tax dollars and your dollars as well.

The reason I'm mentioning the above in relation to Genoa Township, is to point out my statements in the past were proven to be facts, not idle chatter. So, please, Delaware County residents, get out there and vote to reelect Sheriff Bill Lavery. We know what we have now and let's keep it.

Thank you,

WRITERS SAY THEY CAN'T GET STRAIGHT ANSWERS TO QUESTIONS

Dear Editor,
As concerned parents of elementary children in the Big Walnut School district, we would like to hear from parents who are concerned because their child has not been allowed to bring any books home with which to study. Has your child been tested without your knowledge? Has your child been put in a class outside of the regular classroom for extra help, but, somehow it just didn't quite work out? Has your child been referred to a Doctor or Dentist only to be told that there is nothing wrong? Has your child been asked to participate in an extra curricular activity only to be told that the whole grade will not be performing and will be kicked out of the activity? And why weren't all of the children

asked to participate in the first place?

How many parents feel that Open Court Reading is a very difficult and complex reading program for the children? Do you feel that it appears to be a grade level ahead of what the child should be doing? Do you know that Open Court Reading has been taken out of the 4th and 5th grades because of being too difficult for the children? How many of you feel that there is just too much pressure put on our elementary school children in the classroom? How many parents have been told that their child has been doing fine all through the school year only to hear at the end of the school year that the school wants the child retained? How many parents have been told not to have their child tutored?

Why are parents taking their children out of the elementary schools and putting them into private schools? And at the same time are paying taxes for the public schools? By the way, our tax dollars are also paying for the books the children are not allowed to bring home to study with.

As you can see these are mostly questions. But, these are questions we have asked the school administration and the school board and for some reason have never received a straight answer. And it isn't that we haven't tried. We've been working on finding answers for over a year now. It is time to get back to basics! Our concern is for the children. We'd like to hear from you. THOUGHT FOR THE WEEK
By Richard DeVore
Keep cool . . . Keep calm . . . The ability to keep calm when trouble raises its ugly head is, indeed, a tremendous task. It can be done. It is done by cultivation by practice. It takes determination and persistence. We all have these qualities within us and we can develop them into any state of mind we choose . . . How? Remember few jobs are done better for being rushed. Think things through and try to make the right decision. The pace of our modern world tends to shove us along faster and faster. Resist it. Create an island of intelligent calm around yourself and keep your emotions from being agitated. Think of someone conspicuous for his imperturbability. It may be Emerson who said: "Keep cool! It will be all one a hundred years from hence." It may be someone you know and whom you admire. Ask yourself, "How would he react?" The same principle is true in spiritual life. Fill your mind with God's peace. Repeat to yourself such words as "In quietness and in confidence shall be my strength." Whenever some crisis happens that would otherwise upset you . . . apply these techniques. You can handle it. You can gradually make inner calmsness natural to you. You can develop inner calm. You'll be far wiser and a lot happier, and certainly more efficient, by learning to keep calm. . . . DEVORE FUNERAL HOME, SR 3 at 61, Sunbury, Ohio, Phone 965-3938. . . . Marengo, Ohio, Phone 418-253-5441.

Sunbury Woman Receives Award For Road Story

Esther McCormick of Sunbury has received a special citation from the Ohio Federation of Women's Clubs for the story which she researched and wrote about two old highways in the Sunbury community.

"Legend of Two Old Roads" is about the Columbus-Ms. Vernon and the Delaware-Granville Rds. from 1804 to the present.

Through the Searchlight Club, the story was submitted for competition under the Ohio Legends division. Cash prize won fourth place in the state.

Mrs. O. W. Davis, president of Ohio Federation of Women's Clubs, cites Miss McCormick's "outstanding work" in the contest. The road story will appear in the "Ohio Legends" book to be published by the federation.

Clean Face ...

by Cheryl A. Tuller
As a third year resident of Sunbury and a mother I would like to see some community effort made to paint over the drug references on Sunbury's water tower.

The graffiti embossed upon the tower suggests that the community doesn't care and all our youths are users. Sunbury is not a drug capital and I find the advertisement distasteful.

So, come on, let's encourage some local organization to take pride in their community and paint our water tower.

I realize that simply painting the tower won't solve any drug problems, but it is always nice to greet newcomers with a clean face.

Kim Kenney Gets Scholarship to Beauty Academy

Kimberly Kenney, daughter of Mr. and Mrs. Allen Kenney of Sunbury, has been honored with a scholarship to attend Nationwide Beauty Academy.

She was selected on the basis of a combination of her academic achievements, creative and leadership abilities and her sincere interest in the hair designing and skin care (cosmetology) profession.

She will start her training on Sept. 15 after graduating from Big Walnut High School.

Tots to Teens Install Officers At Dinner Meeting

Members of the Tots to Teens CCL met last Tuesday evening and traveled to Delaware for a dinner meeting at an inn.

Following dinner, Linda Johnson, outgoing president, presided over the business meeting. Patty Holobaugh was received into membership. Summer plans were discussed. It was decided to take the children to the zoo in mid-June and have a family picnic the end of July.

Installation of officers for the 1980-81 year was held, closing with the OCCL slogan. The president's gavel was then turned over to the new president, Sue Butterfield, who adjourned the meeting.

Couple Lives in Columbus Following April Nuptials

Mr. and Mrs. Mark Allen Haley

Miss Vicki C. Shull, daughter of Mr. and Mrs. Vernon T. Shull of Sunbury, became the bride of Mr. Mark Allen Haley, son of Mr. and Mrs. Harold R. Haley of Jackson, on April 19. Rev. Sam Bayse officiated the double ring ceremony in the Sunbury Church of the Nazarene.

Given in marriage by her

father, the bride was attired in white organza over bridal tulle. The gown featured a yoke, neckline and bishop sleeves accented with re-embroidered lace. The full skirt fell from an empire bodice which swept to chapel train. Highlighting the skirt was a matching lace blouse. Completing the bride's ensemble was a Juliet cap made of Venice lace scattered with seed pearls.

Maid of honor was Miss Tammy Curmude of Columbus. Bridesmaids were Miss Gail Vance and Miss Debbie Cross of Columbus.

The maid of honor wore a peach chiffon, floor-length gown. The bridesmaids wore yellow, floor-length gowns.

Acting as best man was Mr. John Haley of Bremen. Ushers were Mr. Tom Yeager of Columbus, Mr. Jim Richards of Jackson and Mr. Ed McKenzie of Columbus.

Nuptial music was provided by Miss Alyce Smith of Jackson, playing the organ.

Reception was held at the Sunbury United Methodist Church. Hostesses were Mrs. Beverly Shorter and Miss Susan Shorter of Cleveland and Miss Cheryl Phillips of Sunbury.

The bride is a secretary for Keith L. Brown, Realtor in Columbus. The bridegroom is a draftsman for R. S. Fling & Partners in Columbus.

The couple reside in Columbus.

County Sweet Adelines To Have Tryouts May 19

New officers were installed May 5 in the Delaware chapter of Sweet Adelines during the regular rehearsal time at the Zion Church of Christ, Corner Frank Church of Christ.

Those installed were Phyllis Brewer, president; Marge Matthews, vice president; Fay Thorne, recording secretary; Lucille Stone, corresponding secretary; and Jean Gulliger, treasurer.

The group is in the process of selecting a new director and will have a "try-out" night on May 19 at the Zion church between 7 and 9:30. Anyone interested in trying for director may obtain details on the procedure by calling Pat Reichelderfer, 362-8293, Ginny Trotter, 881-5564, or Marge Matthews, 362-9375.

Free Blood Pressure Tests To Be Wednesday

Free blood pressure tests will be given Wednesday, May 21, from 10 till noon at Dr. James Connor's office, north side of the square in Sunbury. All ages are welcome.

Community Up-Date from Vans Valley

By Mrs. Berman Bell
Rev. Ernest Holley held a beautiful service for Mother's Day at the Vans Valley Community Church, Sunday. Mr. and Mrs. Joe Tantarrell and Billy and Edith Tantarrell and Chris took Emma Skiver to church with them.

Sharon Tantarrell had a book for being the youngest mother at church, Sunday.

Fannie Morgan from Columbus is spending the week with her sister, Ellen Refinati. Robert Refinati from Bedford, Ga., and Joan Thompson from Clanton, Ala., each called their mother, Ellen Refinati, to wish her a happy Mother's Day.

Sunday evening, Mrs. Stockwell attended the Pabulum to Prom CCL meeting held at the home of Lee Miller near Condit. Tuesday, she went with the women from the Galena United Methodist Church to Camp Wesley, Wednesday evening, Mrs. Stockwell attended the United Methodist Women's meeting held at the Galena church.

Mr. and Mrs. Bill Pfeiffer brought Emma Skiver flowers for Mother's Day. They came on Saturday. Also, the Scotts got Emma a planter. Sunday callers at the home of Mr. and Mrs. Norman Skiver were Frances Brannan, Mr. and Mrs. Richard Race, Kipp Race, Tim Scott and Julie, Jean Scott, Jodi Webb and Sheila Jervis. Laverna Clark visited on Monday.

Mr. and Mrs. Lester Goodyear visited Mr. and Mrs. Bill Yarber

In Columbus, Sunday. The Good-year family visited Cora Bailey in Johnston, Friday.

Mr. and Mrs. Forrest Hale and girls, Fern Hale and, and Mrs. Marlan Hale from Pemberville were dinner guests Sunday at the home of Mr. and Mrs. Glen Hale and boys. The Glen Hale boys and the Forrest Hale girls cooked the Mother's Day dinner.

Mr. and Mrs. Dean Stockwell and Todd visited the Kingswood Center near Mansfield, recently. Monday evening, Mrs. Stockwell attended the Pabulum to Prom CCL meeting held at the home of Lee Miller near Condit. Mr. and Mrs. Lester Goodyear visited Mr. and Mrs. Bill Yarber

Sunday, for Mother's Day. Phil Scott and Tim, along with five others took Jean Scott out for dinner on Mother's Day. Phil took the bill, too.

Annie Sunshine spent the week-end with her son, Charles Blizard, and Harold Smith at Reynoldsburg. They took Annie and Marge Wheatley out to supper, Saturday evening. Sunday they went out to eat again, then went to Baltimore and Greenlaw cemeteries. Charles and Harold brought Annie home Sunday evening.

Mr. and Mrs. Roger Ingmire and family, Mr. and Mrs. Bill Fisher and girls and Mr. and Mrs. Leonard McGee and girls from Gahanna were Sunday dinner guests at the home of Hattie O'Quinn and Cora Clayton. Mrs. Clayton visited Mr. and Mrs. Paul Poe Sunday afternoon. She also visited the James Clark family one evening last week.

Callers here during the week-end were Glen Salisbury and children, Kathy and Greg Hubbert and Jeff Jervis. We visited Mr. and Mrs. George Morris. Saturday, Kitty Jervis and Sheila spent Sunday overnight with us. Speaking of Kitty, the girls were on a bowling team this winter. The banquet was Friday evening, but the four girls didn't attend. We wondered why. Today I found out. Each of the girls was awarded a four inch trophy saying: LAST PLACE, with their names engraved on the trophies. It always comes out, girls.

Have a nice week.

Personal News

By Nancy Havens
Bryn Fravel, daughter of Mr. and Mrs. Russell Fravel (former Big Walnut football coach) of Bowling Green and daughter of Mrs. Jim Fravel of Sunbury, has been chosen to attend Buckeye Girls State in June. She is a junior at Bowling Green High School.

Mr. and Mrs. Walter Borchers attended the graduation last Tuesday of the traveling college chorale and was on the dean's list in her senior year. Her husband majored in Bible and minored in ancient languages. He was in the college quartet with Annette as pianist.

Jim Rose says his son, Jim, Jr., 25, is in the intensive care unit of University Hospital with Legionnaires' Disease. He's been hospitalized since April 19 and is not doing well, according to his dad.

Ray Tudor, Shelby Williams, Mike Havens and Jeff Kuyler traveled to Oxford over the weekend for the graduation of their son and friend, Mike Tudor, from Miami University, and accompanying party.

Ondus Horsleys have another grandson and his wife from Grace Baptist Church, the Davin Cramers, also have a new baby. Barb Caudle of Burbank came for the weekend to help her friend, Susie Crowl, celebrate her birthday and to visit her mother for Mother's Day.

Other guests, Mother's Day, in the Havens' home were Nancy's mother, Mabel Goss, and her friends from Skokie, Ill., Marge and Ed Perlick, and Nancy's sister and fiancé, Pat Arnold and Harry Williams. Call and Wes Uhl of Columbus came to help her mother, Neil Budd, celebrate Mother's Day in her home.

'Muppet Sounds' Is Theme of Walnut Intermediate Show

Under the direction of Jean Scott, the choruses of Big Walnut Intermediate School are hard at work for the spring concert for presentation on May 22 at 7:30 p.m. "Muppet Sounds" will feature music from "The Muppet Movie," written by Paul Williams and Kenny Ascher.

The seventh grade chorus will sing "The Rainbow Connection," "Movin' Right Along," and "Never Before, Never Again." "I Hope That Somethin' Better Comes Along," "Can You Picture That?" and "I'm Going Back There Someday" will be performed by the eighth grade.

The groups will combine for the choral renditions of "You For The Music" as recorded by ASBWSA. "Scatter the Joy" by Ruth Ayman, teacher composer who wrote the seasonal "Twas The Night Before Christmas."

Intermediate school band, under the direction of Paul Shivers, will also participate in the program. Songs include "March," "Boogie Woogie," "You're A Grand Old Flag," and "Stars and Stripes Forever" will be performed by the seventh grade band.

Eighth graders will play "Overture: Court of Henry VIII," "Dreamin'," "Three Songs of Colonial America" and "Don't Cry Out Loud."

Concert is free to the public and the participating students and teachers would appreciate your support.

Couple Marnies in Double Ring Ceremony

Mr. and Mrs. R. Alan Norman

Shirley Jean Webb, daughter of Mr. and Mrs. Herbert Webb of Delaware, became the bride of R. Alan Norman, son of Mr. and Mrs. Roy Norman of Sunbury, Apr. 26 in Delaware Baptist Church. Rev. James Ebbert performed the double ring ceremony. Mr. and Mrs. Donald Askey presented special music.

Given in marriage by her father, the bride wore a white lace gown originally worn by her mother. She carried a bouquet of red roses on white ribbon.

Matron of honor was Margie Thompson of Radnor. Bridesmaids were Lynn Norman sister of the bridegroom, and Joyce (Webb) Clemmons of Iowa, the bride's cousin.

Matron of honor wore a floor-length gown of bright pink with a

matching bouquet of white and pink daisies. Bridesmaids wore floor-length, pleated gowns of blue with matching bouquets of white and blue daisies. All wore matching, wide-brimmed hats adorned with a pink rose.

Sam Norman was his brother's best man. Ushers were Dean and Danny Webb, brothers of the bride.

Reception was held at the home of the bride's parents.

The new Mrs. Norman is a Buckeye Valley High School graduate and is employed by Fidelity Federal Savings and Loan Assoc.

Bridegroom graduated from Sunbury's Big Walnut High School in 1978 and is employed at Gruman's Electric.

The couple belong to Delaware Baptist Church and will live at 226 S. Sandusky St. in Delaware.

Mr. and Mrs. Terry Crooks and Mr. and Mrs. Greg Leaf, Mary and Peter were Mother's Day callers of Mr. and Mrs. Laverne Crooks.

Mr. and Mrs. Kenneth W. Mackay, Tim's and Kenda's Mother's Day guest was Mrs. E. B. Hayes Sr. They enjoyed dinner out.

Remember your B. W. Alumni Banquet reservations are due now!

I'll be glad to put your news items in the column if you'll call me. I don't know your company unless you tell me about it.

This is a free service I'm trying to give the community, so please call if you have news, as I only have so much time to donate to it weekly. So, please call with your news through Monday evening.

The annual FFA Banquet of the Big Walnut chapter was held on Friday evening at the Sunbury United Methodist Church. As usual it was a lovely occasion and well attended. Mr. and Mrs. Kenneth Mackley, Mr. and Mrs. John Shultz and Dr. and Mrs. Carl Godshall were honored along with us as chapter parents. We appreciated the plaque from the chapter for our four years as chapter parents.

Others I saw in attendance from this area were Mr. and Mrs. William Weber and Susie, Mr. and Mrs. Jack Stimmel and Mr. and Mrs. Eskham Hayes and our youth who are members.

Beth ended her year as president. We'll all find a large empty spot in our lives after so many enjoyable years of being a part of the FFA and FFA organizations.

Bob Beth and I attended the State RFA banquet at an inn on Monday evening as guests of the Delaware County RFA. It was a very enjoyable evening.

Mr. and Mrs. John Irvin, Mrs. Doris McClary, Mr. S. R. Chaney also attended along with Mr. and Mrs. John McDavid and Brad Kingston Jr. Farmers 4-H Club met on Monday evening. Next meeting will be June 9.

Mr. and Mrs. Frank Daily enjoyed Mother's Day dinner out on Sunday.

ABE Course Helps Sunbury Woman Achieve Life's Goal

by Nancy Havens
Sunbury woman has come forward to say that she has just received her high school diploma after taking the adult basic education course at the Delaware City-County Joint Vocational School and it means a great deal to her.

Alma Shannon said she dropped out of high school to marry her high school sweetheart because her folks wanted to move out of the area (it turned out they didn't move after all) and Alma has wanted to get her diploma ever since.

"It means so much to have a diploma," she says. "It's something I've wanted for so many years. I even thought about attending high school with my children, but there was no way I could complete with teenagers."

In the adult basic education program, there is no competition. Each person works independently. There's a more work outside the classroom. There is a two-day exam to be taken after each student completes the work.

Mrs. Shannon drove to the JVS two nights a week from October through February to review four years of high school. She took English, reading in social studies and science and also literature, math, including algebra and geometry. Each student starts where they have the need.

The course is free of charge. It's funded by the state and federal governments. "It's a good way for an adult to get a diploma," says Mrs. Shannon.

"I wanted to feel better about myself and I've had this goal for a long time." There are presently adult basic education (ABE) courses at the Community Library in Sunbury which are being moved to the Hopkins Hotel on Tuesdays and Thursdays until Memorial Day. Then they will meet just two evenings. There is no Tuesday evening session.

Persons can join anytime throughout the year. There are people from 18-80 in the program presently. Pat Jordan, counselor re-

quired for the program, says that there are more people needed in the Sunbury area to keep the program here. At the beginning of the year there were 15 or more, now there are 10. "We'd like to keep the class here," she says.

Mrs. Jordan said that there are 8,500 people in Delaware county who did not graduate from high school. Many jobs are available only to those who do have their high school diplomas.

Mrs. Jordan said that Mrs. Shannon helped with many things such as serving on the advisory committee and helping to get the classes in Sunbury. "She has guts, too, to come out in public and say she had no diploma."

Mrs. Shannon says she wants to help anyone who would like to get their high school diploma. If anyone has questions they are welcome to call her at 965-2164.

Someone from Sunbury who also took the classes wrote a poem in the class newsletter about why that person "came back" to school. It was summed up by saying that everything he or she had learned over the years was that standing today had a great foundation.

The places and buildings that are standing today had a great foundation.

Sunbury Student Is Nurse at Children's

Diane Cheddie

Diane Cheddie, daughter of Mr. and Mrs. Robert Cheddie of Sunbury and former Westernville resident, was among the recent Capital University graduates.

She holds a bachelor of science degree in Capital's School of Nursing and is practicing at Children's Hospital in Columbus.

Best wishes to Mr. and Mrs. Ray Lytle, who celebrate their wedding anniversary on May 20.

On Sunday, Jim, Doug and I visited with my parents, Rev. and Mrs. A. C. Burger of Warren, and Jim's parents, Rev. and Mrs. Howard Mescham of Warren.

Psychologist Tells HA Youth Suicide Increases

At the invitation of Twig 3, Dr. Carl Tishler addressed that group and Help Anonymous volunteers on adolescent suicide last Wednesday night at the Asbury United Methodist Church.

As emergency room psychologists at Children's Hospital in Columbus, Dr. Tishler is an authority in the field.

The doctor cited some startling statistics. "Among teenagers and children 4 1/2 to 10 years of age, suicide is the second highest cause of death, replacing even cancer," he said. "Accidents are credited with causing the greatest number of deaths, according to emergency room

research done at Children's, and many of these may disguise actual suicides."

Five thousand young people complete suicide each year, not counting accidents. There has been a 150% increase in adolescent suicide since 1975, according to Dr. Tishler. Three girls to every one boy attempt to kill themselves, but reverse statistics are true of those who accomplish the act, the psychologist told the group.

He also pointed out that contrary to popular opinion, drug deaths were caused, generally speaking, not by the taking of street drugs but from prescription and over-the-counter drugs found in mother's purse or in the family medicine chest.

The speaker went on to define depression as it occurs in the young and to suggest to his listeners some of the life situations most likely to spark suicidal thoughts. He said that situations he referred to as "potentialities of suicide." His emphasis was that signs of depression and threats of suicide should never be taken lightly, no matter how young the child.

Happenings In Tussic Way Area

By Sandra Meecham

Delma Ramsdellberg attended a party at the home of her daughter and husband, Mr. and Mrs. Carl Fritzsche, on Sunday afternoon, in honor of Mother's Day, with many family members on hand for the celebration.

Hattie Thompson traveled to Dayton to be with her mother on Mother's Day.

We wish a speedy recovery to Martin Muford following his stay in St. Anthony Hospital.

A special happy anniversary wish this week goes to Mr. and Mrs. James Mahr, who celebrate their anniversary on May 18.

Mr. and Mrs. Wilbur Van Tassel attended the "Promenaders" open house on Tuesday evening in Westerville. The Van Tassels will also be celebrating a wedding anniversary this week.

Best wishes to you both. The Cub Scouts of Den #3, Pack 201, enjoyed a picnic and hike on Tuesday at Sharon Woods Park.

Inez Belcher visited her daughter and family in Grove City over the holiday weekend.

The Sunday School dept. of Grace Chapel had a skating party on Sunday evening in Sunbury. Congratulations to Mr. and Mrs. Ralph Hodges on the birth of a granddaughter this past week.

Out-of-town guests of Mr. and Mrs. Ralph Pollock on Sunday were their son and family from Cleveland.

Art Van Tassel was recently in University Hospital for surgery. We wish you a speedy recovery, Art.

Best wishes to Mr. and Mrs. Ray Lytle, who celebrate their wedding anniversary on May 20.

On Sunday, Jim, Doug and I visited with my parents, Rev. and Mrs. A. C. Burger of Warren, and Jim's parents, Rev. and Mrs. Howard Mescham of Warren.

4 Phases of Illness

Research discloses that there are at least four phases in any illness.

1) The production of cause (interference with nerve transmission somewhere between the brain and one or more organs of the body).

2) Response malfunction (failure of some organ or organs, depending on which nerves are affected and the consequent upsetting of the chemical balance of the body).

3) The appearance of outward symptoms of malfunction.

4) The actual structural (anatomical) change in tissue in the organs affected.

Ask yourself this question: "How do we expect a return to normal health until the cause of all phases has been corrected?"

BALLOT LANGUAGE, EXPLANATIONS, ARGUMENTS, AND RESOLUTIONS FOR AMENDMENTS TO THE OHIO CONSTITUTION PROPOSED BY THE GENERAL ASSEMBLY TO BE SUBMITTED TO THE VOTERS AT THE PRIMARY ELECTION, JUNE 3, 1980

PROPOSED AMENDMENT TO THE OHIO CONSTITUTION

1 PROPOSED CONSTITUTIONAL AMENDMENT
To adopt Section 14 of Article VIII of the Ohio Constitution
THIS PROPOSED AMENDMENT:

1. ALLOWS PUBLIC FINANCING OF ELECTRIC GENERATING FACILITIES BY ALLOWING, THROUGH LEGISLATIVE ACTION, NON-PROFIT CORPORATIONS TO BECOME POLITICAL SUBDIVISIONS OF THE STATE TO OPERATE ELECTRIC UTILITIES. THE ELECTRIC POWER PRODUCED BY SUCH POLITICAL SUBDIVISIONS SHALL BE SOLD AT WHOLESALE RATES TO MUNICIPALITIES FOR THEIR OWN USE OR TO BE SOLD AT RETAIL. EXCESS POWER MAY BE SOLD TO ANY OTHER ELECTRIC UTILITY AT WHOLESALE, WITH OHIO UTILITIES GIVEN FIRST PREFERENCE.
2. PERMITS THE LEGISLATURE TO PASS LAWS: (A) REGULATING SUCH POLITICAL SUBDIVISIONS AND THEIR OPERATIONS, (B) LIMITING ADVERSE EFFECTS UPON OTHER ELECTRIC UTILITIES AND PRESERVING FAIR COMPETITIVE RELATIONSHIPS, AND (C) ALLOWING SUCH A POLITICAL SUBDIVISION TO BE TAXED.
3. ALLOWS SUCH POLITICAL SUBDIVISIONS TO ISSUE BONDS TO FINANCE, ACQUIRE, AND OPERATE THEIR FACILITIES. TAX MONEY SHALL NOT BE PLEDGED, BUT MAY BE USED, FOR THE PAYMENT OF THE BONDS.
4. PROHIBITS THESE POLITICAL SUBDIVISIONS FROM USING THE AUTHORITY OF THE STATE TO TAKE OVER ANY PROPERTY OF EXISTING ELECTRIC COMPANIES.
5. EXEMPTS THE BONDS, AGREEMENTS, PAYMENTS, AND SALES OF SUCH POLITICAL SUBDIVISIONS FROM OHIO CONSTITUTIONAL LIMITATIONS RELATING TO DEBT, LENDING CREDIT, AND MUNICIPAL CORPORATION OWNERSHIP OF A UTILITY AND SALE OF ITS SURPLUS ELECTRIC POWER.

IF ADOPTED, THIS AMENDMENT SHALL TAKE IMMEDIATE EFFECT.

(Proposed by Resolution of the General Assembly)
A majority yes vote is necessary for passage.

YES	SHALL THE PROPOSED AMENDMENT BE ADOPTED?
NO	

EXPLANATION OF ISSUE No. 1 (as prepared by the Ohio Ballot Board)

1. This amendment would allow non-profit corporations, through legislative action, to become political subdivisions of the state to generate electric power. This power may only be sold at wholesale to municipalities. If excess power is generated, it may be sold to any other electric utility, public or private, with Ohio utilities given first preference.
2. The legislature will decide the methods by which these political subdivisions will be formed and the rules under which they will operate.
3. The amendment would authorize passage of laws that provide for these political subdivisions to issue bonds and other securities to finance, acquire, and operate their facilities. While taxes may not be pledged to secure the bonds, the amendment does not prohibit the use of taxes to pay some or all of the obligation.
4. The amendment prohibits these political subdivisions from using the authority of the state to take over any property of existing electric companies.
5. Certain constitutional limitations regarding public debt and the use of public funds would not apply to such political subdivisions.

ARGUMENT FOR THE PROPOSED AMENDMENT NEW ENERGY FOR OHIO THROUGH COOPERATIVE ACTION

State Issue One offers every Ohioan the opportunity to do something positive about the energy crisis. In order to maintain the health of Ohio's business climate, attract new industry, protect our tax base and provide new jobs, Ohio must double its capacity to generate electricity by the year 2000. That means all segments of the state's power industry must cooperate to meet our current and future energy needs.

- State Issue One... will permit Ohio's 83 municipal electric systems to do what investor-owned utilities, rural electric cooperatives and cities in more than 30 other states can do... to jointly build electric facilities.
- State Issue One... will increase the use of Ohio coal by at least 2.5-million tons per year... will aid Ohio in attracting and keeping industry through competitive electric costs.
- State Issue One... will contribute to stabilization of electric rates by financing new plant construction with tax-exempt revenue bonds and delaying the need for investor-owned plant expansion.
- State Issue One... will save an expected \$1-billion in electric rates for the citizens of Ohio during the next 25 years.
- State Issue One... will NOT increase taxes... will NOT add new taxes... will NOT increase the debt of the State or any Ohio municipality.
- State Issue One... will NOT add to the bureaucracy of the State.

The Ohio General Assembly voted overwhelmingly to place Issue One on the June Primary Ballot. Issue One is being supported by a non-partisan, broad coalition of Ohioans representing business, labor, civic organizations, governmental leaders and private citizens.

HELP SOLVE THE ENERGY CRISIS. VOTE YES ON ISSUE ONE NEW ENERGY FOR OHIO

Committee For the Amendment: Kenneth Cox, Mike Fox, Michael Schwarzwald, Mike Stinziano and Tom Walsh

ARGUMENT AGAINST THE PROPOSED AMENDMENT

The passage of Issue I would promote yet another unwelcome governmental intrusion into an already over-regulated sector of economic activity—the provision of electric utility service.

The idea of citizen-owned and operated electric utilities to the extent to which that practice currently operates in Ohio, is sound and is not under attack by the opponents of Issue I.

But Issue I proposes, over-ambitiously, by the creation of a quasi-public corporation, to permit Ohio municipalities—in cooperation with one another—to launch into multi-million dollar power generating projects. And that corporation would have the power to issue bonds and assume massive debt which would be required to build and operate an electric generating facility. Such an arrangement would be an unwelcome departure from a current constitutional prohibition to prohibit any municipality to "loan its credit" to any company or corporation.

On at least two counts Issue I provides no satisfying answers. The language of Issue I provides no mechanism for the people, by referendum, to reject a plan by their municipal government to embark upon a project the voters feel is unwise. Such decisions are too important to leave to the mayor and council alone.

Secondly, Issue I promotes an approach to the provision of municipal electric service which is blind of the ultimate cost. Electric generating

facilities require huge investments and wise management; nothing in Issue I convinces Ohioans that such expenditures are prudent or that the public sector can actively manage a modern electric generating project. Experience has taught us that when government operates a service monopoly, for example, the U.S. Postal Service, good service at a low cost is anything but the result.

For these reasons the defeat of Issue I is urged.

PROPOSED AMENDMENT TO THE OHIO CONSTITUTION

2 PROPOSED CONSTITUTIONAL AMENDMENT
To adopt Section 14 (or 15) of Article VIII of the Ohio Constitution
THIS PROPOSED AMENDMENT:

1. ALLOWS THE STATE, CITIES, VILLAGES, AND COUNTIES TO BORROW MONEY FOR THE PURPOSE OF MAKING AVAILABLE LOWER COST FINANCING OF PRIVATELY OWNED HOUSING FOR PERSONS OF LOW AND MODERATE INCOME, BY LENDING THE MONEY TO RESIDENTIAL MORTGAGE LENDERS OR BROKERS.
2. ALLOWS THE LEGISLATURE TO PASS LAWS AUTHORIZING SUCH BORROWING AND LENDING AND PROVIDING FOR THE ISSUANCE OF BONDS FOR THIS PURPOSE.
3. PROVIDES THAT TAX MONEY SHALL NOT BE PLEDGED, BUT MAY BE USED, FOR THE PAYMENT OF THE BONDS.
4. EXEMPTS THE BONDS, OBLIGATIONS, AND LOANS FROM OTHER OHIO CONSTITUTIONAL LIMITATIONS REGARDING PUBLIC DEBT AND PUBLIC WORKS.

IF ADOPTED, THIS AMENDMENT SHALL TAKE IMMEDIATE EFFECT.

(Proposed by Resolution of the General Assembly)

A majority yes vote is necessary for passage.

YES	SHALL THE PROPOSED AMENDMENT BE ADOPTED?
NO	

EXPLANATION OF ISSUE No. 2 (as prepared by the Ohio Ballot Board)

1. The purpose of this amendment would be to allow a method of making lower cost loans available for the acquisition, construction and improvement of privately owned housing in Ohio. A three-step procedure is involved:
 - a. The state, counties, cities, and villages would be permitted to borrow money and issue bonds or other obligations.
 - b. This money could then be loaned only to residential mortgage lenders or brokers (such as banks, savings and loan associations, and mortgage companies).
 - c. The mortgage lenders or brokers may then loan the money for acquisition, improvement and construction of privately owned housing for persons of low and moderate incomes.
2. The amendment permits the legislature to pass laws regulating the method by which the state, counties, cities, and villages may borrow money and issue tax-exempt bonds and other obligations to raise funds to achieve these purposes.
3. Moneys raised by taxation may not be legally pledged for payment of the bonds or guarantees. The amendment does not prohibit the use of tax moneys to assist repayment of the governmental unit's obligations.

ARGUMENT FOR THE PROPOSED AMENDMENT

Ohio's citizens deserve a positive, aggressive approach by its state government to ensure housing for its low and moderate income residents.

Witness today's housing market:

- Mortgage rates are over 16%
- New home loans in Ohio are down \$500 million over a year ago
- The housing construction industry, which means jobs for our citizens, is depressed.

The net effect of all this is that most Ohioans cannot afford to buy a new home.

Issue 2 would alter Ohio's Constitution to permit Ohio to use its credit resources to extend mortgage arrangements to its citizens at a cost lower than private lending institutions.

The need for the passage of Issue 2 is evident. In 1979, the average house was selling at the inflated price of \$63,800, and this translates into a sobering monthly mortgage payment of \$637, based on a 13 percent interest rate that is no longer available. The terms of today's mortgage rates are clearly unaffordable and unacceptable to average-income Ohioans.

The overall effect of this situation is staggering. As inflation spurs purchasing power, Americans must continue to draw down their savings. Saving for a home, which ideally is the first priority of many people, realistically has given way to meeting everyday living costs.

Interest rates charged by private lenders are a discouragement to prospective home-buyers. The impact of these interest rates is felt not only by the poor and near poor, but also by moderate income families. At the same time, there is a substantial stock of housing available, particularly in central cities, that can be re-introduced into the housing market. What is needed is a program to provide financial assistance.

In 1977, forty-one states had bona fide state housing finance agencies. Ohio and Ohioans deserve no less.

Vote for Issue 2.

Committee For the Amendment: William Bowen, Richard Maier, Kinsey Milson, Edward Orlett and Paul Pfeiffer

ARGUMENT AGAINST THE PROPOSED AMENDMENT

It is not a function of the government of the State of Ohio to provide low cost financing for the purchase or remodeling of homes by low and middle income families. Making low interest money available to those regularly engaged in the residential mortgage loan business will simply create another level of government bureaucracy to hinder more than help the free market place.

Intervention into the free market place by the government in the manner prescribed by this proposal is another step closer to total government control of the economy and one step closer to Socialism.

Owning a home is a desirable goal for every American. This goal can best be achieved by creating incentives in the private sector through interest income exemption to those who finance homes for low and middle income persons. Interest income from home mortgages could be treated the same as income from municipal and state bonds in order to bring about lower interest rates.

Inflation can only be controlled when government limits its power and authority to spend—this constitutional amendment would not be consistent with this philosophy.

This plan is nothing more than a ruse to take advantage of existing internal revenue laws by using the state or local governmental unit to provide low interest tax free bond money for housing.

The voters have recently expressed their distaste for this type of proposal on the part of the state. The potential for abuse is staggering, not only due to political currents, but also due to sheer lack of experience in this type of venture.

The proposed changes to the Constitution spring from well intentioned motives held by a great many citizens of this state who recognize the need for the revitalization and construction of housing, but this method of doing so is ill-advised.

Committee Against the Amendment: Larry Manahan

PROPOSED AMENDMENT TO THE OHIO CONSTITUTION

3 PROPOSED CONSTITUTIONAL AMENDMENT
To adopt Section 2k of Article VIII of the Ohio Constitution

1. THE PROPOSED AMENDMENT ALLOWS THE LEGISLATURE TO AUTHORIZE THE ISSUANCE OF BONDS AND NOTES FOR CONSTRUCTION, RESTORATION, OR OTHER PERMANENT IMPROVEMENTS OF BRIDGES, HIGHWAYS, ROADS, STREETS, AND HIGHWAY REST AREAS; FOR THE ELIMINATION OF RAILROAD GRADE CROSSINGS AND FOR RELATED ACQUISITION AND PERMANENT IMPROVEMENT OF REAL ESTATE. THESE BONDS AND NOTES WOULD BE GUARANTEED BY STATE REVENUES.
2. THE AMOUNT OF BONDS AND NOTES WHICH COULD BE ISSUED IS SUBJECT TO THE FOLLOWING LIMITATIONS:
 - (A) THE AMOUNT WHICH CAN BE PAID FROM SPECIFIED EXISTING HIGHWAY TAX SOURCES AND ANY FEDERAL GRANTS OR SUBSIDIES AVAILABLE FOR THEIR PAYMENT;
 - (B) NOT MORE THAN TWO HUNDRED MILLION DOLLARS (\$200,000,000) IN NEW BONDS AND NOTES MAY BE ISSUED IN ANY FISCAL YEAR;
 - (C) THE MATURITY OF THESE BONDS SHALL BE BASED ON THE LIFE USEFULNESS OF THE IMPROVEMENTS, UP TO A MAXIMUM OF THIRTY (30) YEARS.
3. THE PROPOSED AMENDMENT EXEMPTS THESE BONDS AND NOTES FROM OTHER CONSTITUTIONAL LIMITATIONS ON DEBT.

IF ADOPTED, THIS AMENDMENT SHALL TAKE IMMEDIATE EFFECT.

(Proposed by Resolution of the General Assembly)
A majority yes vote is necessary for passage.

YES	SHALL THE PROPOSED AMENDMENT BE ADOPTED?
NO	

EXPLANATION OF ISSUE No. 3 (as prepared by the Ohio Ballot Board)

1. This amendment would allow the legislature to authorize the issuance of bonds and notes for the construction, restoration, or other permanent improvements of bridges, highways, roads, streets, and highway rest areas, for the elimination of railroad grade crossings, and for the related acquisition and permanent improvement of real estate.
2. The amendment would impose two limitations on the amount of bond and notes that could be issued. The first limitation would prevent the issuance of more than two hundred million dollars (\$200,000,000) of bonds and notes in any fiscal year, not including any bonds or notes issued to refund or retire bonds or notes that had been issued earlier. The second limitation would prevent the issuance of more bonds and notes than could be paid from the following sources: (A) the existing gasoline tax levied by section 5728.16 of the Ohio Revised Code, (B) the existing tax levied on commercial vehicles with three or more axles and (C) any federal grants or subsidies for the payment of any highway bonds and notes. Previously issued bonds or notes which are to be paid from moneys or securities earmarked for their payment are not subject to this limitation.
3. These bonds shall have a maturity based on the life usefulness of the improvements, up to a maximum of thirty (30) years. The authority to issue such bonds does not expire.
4. The proposed amendment exempts these bonds and notes from certain constitutional restrictions on debt. These bonds and notes will be general obligations backed by the credit and revenues of the state.

ARGUMENT FOR THE PROPOSED AMENDMENT

THE NEW HIGHWAY BOND ISSUE WOULD NOT REQUIRE ANY NEW TAXES, AND THE BONDS WOULD BE PAID OUT OF THE PRESENT DEBT SERVICE FUND EARMARKED FOR THE REPAYMENT OF PREVIOUS BOND ISSUES VOTED FOR BY THE ELECTORS IN 1964 AND 1968.

The Highway bond referendum will allow the state to use these existing earmarked funds which includes one-cent of gasoline tax plus the axle mill tax paid by trucks, to create a carefully controlled state funding method for the purpose of matching federal-aid road funds.

AS THINGS NOW STAND, OVER \$450 MILLION IN AVAILABLE FEDERAL ROAD FUNDS CANNOT BE USED IN OHIO BECAUSE THE STATE'S MATCHING SHARE DOES NOT EXIST. IT IS THE PURPOSE OF THIS REFERENDUM TO ASSURE THE USE OF THOSE FEDERAL FUNDS ON OHIO ROADS AND BRIDGES.

For over 25 years, highway bond issues have saved Ohioans millions of dollars by furnishing available instant funds for the timely construction of the Interstate and Primary road systems.

THIS CONSTITUTIONAL AMENDMENT WOULD NOT PERMIT THE ISSUANCE OF MORE THAN \$200 MILLION IN BONDS IN ANY ONE YEAR. IT WOULD NOT PERMIT THE ISSUANCE OF BONDS OR NOTES THAT THE DEBT SERVICE FUND COULD NOT REPAY. THE LEGISLATURE RETAINS THE AUTHORITY TO REVIEW THE DEPARTMENT OF TRANSPORTATION'S REQUEST FOR BOND FUNDS IN EACH BIENNIAL.

WHILE NO IMMEDIATE GASOLINE-TAX INCREASE WOULD BE NEEDED TO FINANCE THIS PROPOSAL, the highway and bridge improvements would save Ohio drivers a billion dollars or more over the next five years in unnecessary auto-maintenance and fuel-waste expenses incurred by driving on poor highways. IF YOU WANT AN OHIO ROAD IMPROVEMENT PROGRAM YOU SHOULD VOTE FOR ISSUE # 3.

Committee For the Amendment: Arthur Bowers, Tom Johnson, Donald Lukens and Harry Meshel

ARGUMENT AGAINST THE PROPOSED AMENDMENT

Issue 3, a proposal allowing the state to sell bonds for highway construction must be defeated! This proposal jeopardizes the financial well-being of the state treasury by overextending current revenues.

Too many unanswered questions surround this issue for it to be passed by the voters and included in our state Constitution. For instance:

- Issue proponents assume that gas tax revenues will remain constant for the next ten years so that the bonds can be repaid by a combination of axle-mile tax and 1/2 of the state gas tax. Gas consumption and gas tax revenues, however, have been declining due to high gas prices, supply shortages, and more efficient cars. It is irresponsible to base the state's ability to pay back the bonds on a declining revenue source.
- Ohio's bond rating has been lowered. This means higher interest rates on bond sales. It is foolish to expect bond rates to remain stable and thus affordable in this time of excessive inflation.
- If gas tax revenues decline and bond rates continue to increase, the proposal will cut even deeper into the dollars needed by the Ohio Department of Transportation for its daily operations.
- Ohio's roads need massive repair work. This proposal would not solve the problems of repair and resurfacing affecting our highways.
- Among the assumptions surrounding Issue 3, one fact stands out: this proposal costs too much for what it is worth. Ohioans would pay a total \$2.6 billion for only \$1.2 billion in actual road improvements!
- Issue 3 must be defeated because it is financially unsound. Long term debt increases long-term costs. This is a price that Ohioans cannot afford to pay.
- Vote against Issue 3.

Council Puts Load Limit on Walnut Street

By Donna Brewer

Galena Village Council unanimously voted for a load limit on Walnut St. at the meeting last Wednesday. When the ordinance is set, this limit will be 25,000 lbs. This will allow all houses and empty trucks use of the road.

This was set to help eliminate road damage. All trucks will still have complete access from Old 3C as the road was designed to withstand the excess weight.

Guests from Big Walnut Area Chamber of Commerce were Bob Quette and Clifford Cook. Their visit was to acquaint council with some of the chamber's facilities that are available to all members of the chamber.

Quette said the membership was open to all Big Walnut area residents and if anyone was interested come to Mr. Tom's Country Inn's Restaurant at 8:00 the last Thursday of each month.

The vote on the gas cost adjustment was held over till next month. Walter Morton, president of the council, said the consumer Council didn't send him their evaluation.

Plan Memorial Day Ceremony
Paul Shivers set the program for 3:30, May 25 on the square in Galena. Rev. Max Powell will have a short service preceded by a march to the cemetery with a gun salute and taps. Mayor Willie York will add his own special remembrance to our veterans.

Social News
Carl Miller is home from the hospital, but he is still very weak. The Millers' daughter and husband, Andy and Kevin Campbell, celebrated their first anniversary.

Tooth Or CONSEQUENCES

Views On Dental Health by MICHAEL S. ANTHONY, D.D.S.

WHY A GOLD CROWN?

You normally associate gold crowns with kings or queens. But the average person can have a gold crown also - not on his head but in his mouth. And it will probably be a lot more practical than the king's headpiece.

Gold is an ideal restorative material for use in reforming the shape and function of a tooth. In fact, of all restorative materials, gold is the strongest and most long-lasting. There are other reasons for the use of gold as well as long life. Gold can provide maximum resistance against the forces of chewing on tooth surfaces. Fluids and the mouth cannot affect gold. Gold will not shrink or expand once it has been cemented into the prepared surface. Breakage of the restoration is less likely.

Girls Win 3rd Straight CBL Crown

Schumick, McCaughey, Powell,
Brown Sparkle Before Home Crowd

by Steve Kessler

Freshman, Freshman, Freshman,
Sophomore, Sophomore, Junior, Junior and Junior.

This is not a riddle. The above class members were a key part in winning Big Walnut's third straight Central Buckeye League ladies' track championship.

The Eagles, who have added two previous Mid-Ohio Conference titles to the trophy case, scored 118 points on the local all-weather surface last Friday and Saturday. This easily outdistanced runner-up Buckeye Valley with 74.

"Our girls have tremendous talent," said a tired Coach and

Meet Director Jim Boyd. "I'm not sure if our girls realize how good they can become. This could be a start to them on realizing their abilities." Several girls were on the right wave length for the event, starting with sophomore Molly McCaughey. She personally accounted for 31 1/2 points with

victories in the 100-meter, 440 and 220 dashes along with anchoring the third place mile relay team.

"I was surprised but the wins are special," remarked Molly after taking the 100 in 12.8, the 440 in 60.6 and the 220 in 26.3. The mile relay crew was timed in 4:25.8.

In close pursuit of McCaughey point-wise was Suzie Schumick. The Eagle freshman totaled 20 points with wins in shot and discus.

The latter event provided the most excitement and a few turned heads as Suzie lofted the discus an incredible 122'3" in the preliminaries on her last attempt. Needless to say, the meet and school record effort sparked pandemonium by Suzie and the crowd.

Schumick explained the situation. "I went into the last throw with a what-the-heck attitude so I could just make the finals. I was completely shocked - the throw looked like a line drive. Afterwards, I was so happy and it was a great moment."

Dorrie Meeker eased on around the track for her 10 points in the mile while teammate Karen Haban made a last second leap into the tape for her 10 in the 800-yard run.

Meeker was clocked in 5:35.5, well below her CBL record set a year ago. Haban, who defeated Connie Yamvoutannis of Okemuncie, made a second straight close finish, became the new CBL record holder. The former mark was held by 1979 BW graduate Kelly Roach.

Lori Williams achieved a personal best in the high jump by going 5'3". The LW junior had to settle for second, however, as Terri Trabue of Dublin set a new record of 5'5".

Freshman Linda Spencer just missed placing third when Mary Willard of Bexley zoomed by in the last few yards to edge her out. Spencer's time was 5:49.1. Kathy Kain, a junior, pleased the BW coaches when she finished fifth in the long jump with a 15'5 1/2" leap.

"We still have many young girls who are picking up a tremendous amount of points for us. Confidence and experience will make this outstanding team even tougher," added Boyd.

Powell, Brown Star
Meanwhile, in the boys' di-

vision, seniors Brian Powell and Roger Brown (along with the Young Pups) provided Big Walnut with a fourth place finish as they scored 51 points.

Powell's dramatics came in the pole vault where he lifted his body 13 feet for a Big Walnut school and stadium records. The previous school mark of 12'6" was held by Ty Weber and Otterbein performer Jeff Grose.

Asked about how long the record will last, Powell responded with, "I don't know. Chip (Klinedinst) and Eric (Arrington) should have a chance at breaking it."

Brown added his first CBL crown in the shot to the Class AA indoor title won earlier this season. Roger won the competition with a 47'9 3/4" heave, defeating favorite Beddow of Jonathan Alder by about three inches. Beddow had thrown over 50' in the middle part of the season.

Sophomore Jeff Alske came out of nowhere to place second in the 440-dash. Jeff stunned the BW coaching staff (and others) with his 54.2 run as he was not even considered to place higher than sixth. Boyd was beside himself in the pressbox, rallying Alske on as he made his move to the tape.

Three athletes were fourth with Arrington in the pole vault, senior Scott McCaughey in the high jump and sophomore John "Dutch" Piper in the shot. Arrington, a junior, finished in tie with Schontzler of Dublin at 11'6". McCaughey leaped 6'0" and Piper was another pleasant surprise with his 42'11 3/4" toss. Freshman Brian McClary was sixth in the high jump by going 5'10".

"The boys had a tremendous meet," commented Boyd. "Our field events gave us a tremendous lift. I'd really thought we would have trouble finishing in the top half of the league. With so many of our young runners coming on and our seniors doing the job, we had a super finish." The BW coach concluded.

On The Horizon
Boyd reports a change in the Class AA sectional. Big Walnut will travel to Mt. Vernon (instead of Upper Arlington) for the preliminaries scheduled today at 3:00 and Saturday at 1:00 p.m.

The following week, the Central District meet will be held as planned at Arlington.

LOSE TO DeSALES, CENTERBURG

Scots Lose Pair, Record Dips to 17-8

Highland's baseball magic came to an abrupt end last Thursday afternoon as Ohio's defending AA champions, Columbus DeSales, knocked the Scots out in the sectional finals by an 11-6 count.

And, for the second straight year, the Scots returned to the diamond following a tournament loss and dropped a Mid-Ohio conference game. This happened Friday at Centerburg where the Trojans, sent in the Central District A tourney, slugged Highland by a 9-1 count.

A year ago, the Scots lost to Lakewood in the district semi-

finals on Monday, May 14. On Wednesday they dropped an MOC game to Cardington, giving them their second loss in the league. The Pirates went on to take not only the league title but the A State Crown.

The twin losses dipped Highland's overall record to 17-8 and their MOC mark to 6-2. Their league loss lifted Cardington, also still alive in the A tourney, into the MOC lead with a 6-1 slate.

Highland was scheduled for a home game with Fredericktown

yesterday and tomorrow are scheduled at Mt. Gilead and then return home for their final pair the next two days. Olentangy is scheduled on Tuesday with Northmor coming in to complete season's play in the Wednesday game.

Get Within 2 In Sixth

DeSales took advantage of every break in their game against the Scots in the cold and rain at Sparta Thursday. They scored a total of five unearned runs in the game with four of them coming

in the first four innings as they jumped off to an 8-1 lead.

Larry Daniels knocked a lead-off home run in the fourth inning and Tim Belcher socked another with two men on in the fifth to cut DeSales margin to 8-6 but this was as close as Highland could get.

The eventual winners went on to get three more in the top of the sixth and were able to shut off the Scots without a run in both the sixth and seventh to win the game.

The Scots missed a chance in

the third when Loren Marcum walked and was thrown out trying to steal second. Reeb, the DeSales starting pitcher, proceeded to walk Mike Keen and Pat Miller and then Greg Hack drilled a double which scored Keen. Tim Belcher walked to fill the bases.

Jay Santo was brought in to pitch to Dan Grooms in two men out and he proceeded to strike him out. Ironically, Daniels led off the next inning with his solo homer, his fourth round tripper this year.

Belcher's blast in the fifth was also his fourth of the year. Pat Miller, who singled and Greg Hack, who walked, scored ahead of Belcher. Hack finished with a 3 for 3 day.

Hack also took the loss, dropping his record to 4-2 on the year. Hinkle came on in the fourth and Keen in the sixth. They combined to allow 6 hits while walking 3 and striking out five. Reeb and Santo gave up 7 hits while walking 8 and striking out 7.

Big Innings Help Centerburg
Centerburg struck for four runs in the bottom of the third and added four more in the fifth as they thumped the Scots 9-1 on Friday while holding them to four hits.

Belcher and Grooms doubled for the extra runs in the fifth. Highland with Grooms driving in the only run in the game with Hack scoring ahead of him after he got on with a single. Belcher started and took the loss, his first of the year after three wins. Keen came in to pitch the sixth frame. Belcher allowed 8 hits while the pair combined to strike out 11 while walking 6. Argento, Centerburg's starter and Cline, who relieved in the sixth, fanned 7 and walked 4.

Luthi's 33 Is Lowest In League for 3 Years

Larry Luthi, a new member of the Sunbury Golf League this season, set a new standard for all members to shoot at in firing a 33 for the Big Walnut State Club in play Monday night at Sunbury Golf Club.

Luthi had a 39 while subbing for Whitney Insurance a week ago. He had a 33 for the Big Walnut State Club in play Monday night at Sunbury Golf Club.

However, Bob Hoover, league secretary, said Marvin Miller had a 33 "several years ago." A year ago the low score was a 36 achieved by Bob Morris, Gary Condit and Charlie Bergandine while in 1978 the low was 35 by Fred Shumway.

Luthi's 33 overshadowed Delaware County Bank taking over first place with a 24 to 16 win over Hoke Electric. Last week's leader, Nestle, fell to fourth as they lost 24-16 to the State Club. Breece Florists moved up two spots to third with a 26 1/2 to 13 1/2 victory over Whitney Insurance and Pauley's Machine Shop moved up one spot to fifth with a 23-17 decision over Kinner Oil.

Behind Luthi's 6-3 winover his

opponent for the State Club was Ed Lake with a score of 45. Low for Nestle was Dr. Max Livingston with a 42 while Adrian Ablesin and Harold Stanforth followed with 47's.

Lou Guidotti hit a 38 for a 6 1/2 to 2 1/2 win over his opponent to place The Bank into first place. Herb Ward followed with a 46. Low for Hokes was substitute Vern Counts with a 37 while Bob Hoover was next with 43.

Charlie Bergandine was low for Breecees with a 40 with Warner Breece following with 46. For losing Whitneys, Bob Morris had 43 and Richard Pauley 49.

Clyde Butler's 42 topped Pauley's and he was followed by Tom Buel with 46. Low for Kinnors was Jim Heine with 38 while Tom Borror had 48.

Behind Luthi's 6-3 winover his

opponent for the State Club was Ed Lake with a score of 45.

Low for Nestle was Dr. Max Livingston with a 42 while Adrian Ablesin and Harold Stanforth followed with 47's.

Big Walnut Eighth Gains Double Wins

By Steve Keeler
Both the Big Walnut boys and girls enjoyed victories after last Thursday's eighth grade track action at the high school stadium. The boys swept 11 events in defeating Grandview 80-27 and the girls used four to slip by Worthington Christian and Grandview 51 1/2 - 50 1/2 - 29.

Matt Rose, Bret Snyder and Bobby Gibson captured two events each as the boys increased their record to 4-3-1. Four separate individuals — Janet Poderys, Trish Schoonover, Tammy Dally and Sonja Lester — helped the girls to register their fourth win.

Rose edged teammate Dean Peterson in the high jump and won over Yeager in the pole vault. Snyder won the 120-yard high hurdles and 100-yard dash. Gibson, after battling the flu, took the mile and 800-yard runs. Brad Tuller had his best effort of the year to win the shot.

Mike Hicks captured the discus, Craig Hull easily won the 400-yard dash and Kevin Yates was first across the tape in the 220-yard dash. The mile relay of Hull, Yates, Peterson and Gibson was no match for Grandview. In the girls' event, Poderys won the discus. Schoonover leaped to the top place in the high jump. Dally was first in the hurdles and Lester was the top finisher in the 400.

Lester and Schoonover, along with the 800-relay of Dally, Lisa Severance, Schoonover and Susan Morton, added key second place finishes. Third was also a big factor with Beth Denton (discus) and 800. Severance (long jump), Denise Hergatt (mile) and Kathy Foley (220).

Important fourths went to Lori Fewster (shot), Jana Layton (100), Poderys (mile), Hergatt (800) and Lisa McKibben (220). What's Up?

"Reaping the benefits" continued at Big Walnut Friday and Saturday under the coaching of two former Big Walnut track stars. With Don "Red" Edwards and Jim Boyd guiding the fortunes of the Golden Eagles track team, the defending District AA girls champions put together their third straight Central Buckeye League Championship and their fifth overall. (They won the last two titles in the Mid-Ohio Conference before going into CBL.) And the best part of it is they did it with a team dominated by underclassmen. Sophomore Molly McCaughey scored 31 1/2 points by winning three events (100 meter, 220 and 440 dashes); freshman Suzie Schumaker scored 20 (shot and discus); sophomore Karen Haban and junior Dorrie

3 GAMES REMAINING ON SCHEDULE...

Eagles Dip Below .500 After Two Straight Losses

Big Walnut, in the thick of the Central Buckeye League title chase a week ago with a 7-4 slate, saw their title chances all but eliminated as they suffered two defeats during the past week. In a game played here last Thursday in the cold and rain, Dublin scored three runs in the first inning and went on to win 3-2; and on Monday, at Bexley, the Lions scored a single run in the bottom of the seventh frame to win out 6-5. The two losses dropped Coach Dave Collins' team to 7-6 in the league and to 7-8-1 for the season. The team has three games remaining on the schedule. Today the Eagles will be at home against North Union. Monday West Jefferson will be here in the home finale and next Thursday the Eagles close out the year when they travel to New Albany. All games are slated to start at 4:30.

"Great Game - After last!" "It was a great game after the first inning," said Coach Collins about the Dublin game

Edwards, Boyd Coaching Dynasty Netting Big Dividends for Tracksters

Meeker had 10 apiece with Haban winning the 880 and Meeker the mile; and Junior Lori Williams had 8 points with a second place finish in the high jump. "They were just super under pressure, and it was so special because this is our fifth straight league title... and it came at home! All of us were nervous about performing before the home crowd... they really came through... all of them were really great," said Coach Edwards. And what a super effort these girls did, beating out runnerup Buckeye Valley by a whopping 44 points (118-74). Coach Boyd said, in looking ahead, "This could be the start of them realizing their abilities." Both of these coaches have their sights set high for these girls, and with good reason. They are extremely talented. But, by the same token, they are a definite reflection of their coaches. They expect nothing but the best from their charges and they get it with a lot of hard, dedicated work, and a lot of fun! And, isn't that what it's all about? They take pride in what they are doing. It's going to be interesting to follow these athletes as they continue in their high school and college years. Later on, applying the same principals for themselves into "life after school," they can't help but be successful. A big "thank you" is certainly due Red and Jim. The boys' team also did very well for themselves in finishing in the top third in final standings. "I really thought we would have trouble finishing in the top half but our young runners and seniors did a tremendous job - it was a super finish for them," said Coach Boyd. Senior Roger Brown was the top pointmaker with a first in the shot and a second in the

discus. Senior Brian Powell captured a first in the pole vault by going 13', setting a new school and stadium record. Sophomore Jeff Aisel finished second in the 440, which was a pleasant surprise to his coaches.

The meet was a huge success, running like clockwork. "I was very pleased with all the people who did so much work to help me run the meet and I would like to thank all of them," said Coach Boyd, meet director. And, The News would like to thank Gary Avis for the fine pictures he was able to get for us. He took over for Steve Kesler, who was the official announcer, and did a super job. Kevin Kesler vaulted his highest to far this spring at the Ohio State Relays when he went 16' and finished in third place. The winner went 16'6" and looked to be 6'3" or 6'4" tall. "If Kevin had 4 or 5 more inches of height, I think he could vault 18 feet," commented his uncle, Paul Keller.

The top season average OERs turned into Paul so far by college coaches shows Alabama (first year under OER and winner of the SCC title by two games) and Delancey College at 1.15. Toledo University was close behind with 1.12. "Marv Hohenberger at Delancey and Bob Nichols at Toledo both do a super job with OER," says Keller.

AT ANNUAL AWARDS BANQUET

FHA Honors Retiring Principal, Estel Miller

Big Walnut Future Homemakers of America honored retiring Principal Estel Miller Friday evening at their annual banquet held at the Sunbury United Methodist Church.

Former chapter member and National FHA President Estelle Hunter Park made the special presentation to Miller with a plaque commemorating his 23 years of support to the FHA chapter and student activities. "You'll never know what it means to me," Mrs. Park recalled. "Mr. Miller, when they announced my election as national president at the convention and I saw you standing in the aisle leading an ovation for me."

Principal Miller's recognition led the chapter's members bestowed on non-members of the FHA. Big Walnut Secretary Sherry Buell, and substitute and student teachers Miss Carol Mitchell and Miss Barbara Romohr were recognized as Honorary Members this year.

The chapter members also recognized parents who have gone out of their way to support us during the past year, as chapter parents. They included R. and Mrs. Calvin Godshall, Mr. and Mrs. John Shultz, Mr. and Mrs. Ken Mackley, Mr. and Mrs. Glenn Hayes, and with special recognition as chapter parents for the past four years, Mr. and Mrs. Robert Seitz.

Chapter members also paid special tribute to their advisors, Shirley Gray, Patsy Jenkins, and Kay Miller, and to two student teachers who helped with the program this past year. They were Miss Linda Graham and Mrs. Sue Andrews.

Retiring President Beth Seitz was named Outstanding FHA Member of the 1979-80 chapter, and was presented a silver tray by Delaware County Bank.

Beth, in noting the accomplishments of the chapter, pointed to successes at Rally Days for the Parliamentary Procedure team, Demonstration team, Scrapbook competition, and individual speech winners, as well as the Award of Merit team's winning the highest honor bestowed on an FHA chapter at the state level for another year.

Carrie Russell recognized state Homemaker Degree recipients for the year, including Eileen Mudd, Karen Poderys, Kenda Mackley, Laura Garee, Sharon Graham, Serena Buell and Karen Brown. And, Eileen Mudd recognized the chapter's first Encounter Degree recipient, Beth Seitz.

Special trophies were sponsored by Davidson Realtors, Kenney Auto Parts, and Murphy Siding.

Other individual award winners included Karen Brown, Most Improved, and Eileen Mudd, Scholarship, both awards sponsored by Dollar Savings & Loan Ass'n.

First National Bank Ohio sponsored the Miss FHA Representative, Jona Shultz, and Junior Fair Queen candidates, Serena Buell and Kym Carpenter.

A candidate will vie for the 1981 Fair Queen's crown and the other for the Delaware County Junior Fair Queen.

Outstanding Class awards went to Donna Dunch, freshman, sponsored by Hoke T. Value and Appliances, Gretchen Godshall, sophomore, by Hing Hardware, and Kenda Mackley, junior, by Hayco Refrigeration.

Frassco's Village Pizza sponsored new class awards this year. Special recognition honors to those in each class who showed the most enthusiasm for the chapter's activities the past year.

Winners included Janice Hinton and Susie Webber, freshmen, Jona Shultz, sophomore; Laura Garee, junior; and Carrie Russell, senior.

Members receiving their Junior Homemaker degrees this year included Leslie Baer, Kym Carpenter, Janice Hinton, Jennifer Lenegar, Becky Jackson, Annie Pierce, Katrina Preece, Valerie Southard, Susie Webber, Jerrie Weekly, Donna Dunch, Lori Barney, and Jamie Milen.

Chapter Homemaker Degrees went to Laura Conley, Chris Fravel, Gretchen Godshall, Becky Murphy and Jona Shultz. Scholarship honors to each member having an 'A' in Home Economics classes went to Carrie Abolins, Kathy Beaver, Karen Brown, Serena Buell, Tammy Fling, Laura Garee, Sharon Graham, Becky Jackson, Kim Kenney, Stephanie Knowlton, Jennifer Lenegar, Molly McCaughey, and Kenda and Tim Mackley.

Other scholarship honorees included Kelly May, Eileen Mudd, Carolyn Nash, Karen Poderys, Tammy Powell, Kathy Price, Carrie Russell, Beth Seitz, Melody Shultz and Susie Webber.

The past year's officers introduced and gave the oath of office to the newly-elected officers at the close of the banquet. Past officers include: Beth Seitz, president; Melody Shultz, vice president; Laura Garee, 2nd vice president; Gretchen Godshall, secretary; Kenda Mackley, treasurer; Eileen Mudd, news reporter; and Jona Shultz, student advisor.

Also, 1979-80 officers were: Karen Poderys, parliamentarian; Serena Buell, historian; Karen Brown, awards chairman; Laura Conley, recreation leader; Carrie Russell, district president; and Kim Kenney, district officer.

Newly-installed were Kenda Mackley, president; Serena Buell, vice president; Laura Garee, 2nd vice president; Kym Carpenter, secretary; Jona Shultz, treasurer; Jerrie Weekly, news reporter; and Karen Brown, student advisor.

And, Janice Hinton, parliamentarian; Laura Conley, historian; Becky Murphy, awards chairman; Gretchen Godshall, recreation leader; and Susie Webber, and Donna Dunch, district officers.

FHA Honors 'Big E' for His Support

Big Walnut FHA honored retiring Principal Estel Miller with a special award as former chapter members and National FHA President, Estelle Hunter Park, made the presentation at the local banquet.

Estel is flanked, above, by Mr. Park, right, and Walnut Secretary Sherry Buell, left, who was selected as an Honorary Member of the Big Walnut chapter during the banquet.

Mrs. Park commented on Miller's support throughout his 29 years at Big Walnut of all the students' activities. She commented on Miller's affectionately being named 'Big E' by his students, and on his attendance at the national convention when she was elected president of the national association.

This 'n That from Around Olive Green

By Opal Easton
A group of members and friends of the Tri-County Craft Club went to the Country Dinner Playhouse Thursday and enjoyed the play *Arsenic and Old Lace* by Joseph Kesselring. This proved to be a delightful occasion. I rode over with Lucille Harding and her daughter, Carol Scholl, and Luisa Bousher. We had a nice chat enroute. It was a lovely time to be out seeing the pretty trees and flowers around the countryside. I was a bit disappointed in the appearance of the club as I had imagined it would be more elaborate. But the buffet style dinner was very good.

The M.C. introduced the various clubs and other groups in attendance including the T.C.C.C. One funny incident occurred when Lucille Harding, who was seated opposite me at the table, over-turned a glass of iced water in my lap. That really gave me a cold chill. The play was much better than the movie version which I saw several years ago at a theatre in Columbus. About half way through we found it so dull and boring that we left. The play had plenty of action, so it was better. Emphasis was on Mother's Day at the Olive Green Church of Christ in Christian Union Sunday morning. Nettie Sturgeon received a pot of flowers as the oldest mother present. Judy Brooks and Carolyn Stambaugh were the ones with the most children there. Mrs. Rodney Kroninger was the youngest mother.

Eksham and Jeanne Hayes and Mr. and Mrs. Eksham Hayes Jr. celebrated Little Jason Hayes' birthday Wednesday by having a birthday party at a local restaurant. Also present was Little E. B. Hayes.

Thursday the young Hayeses went to the home of her parents, Mr. and Mrs. Wally Disbennett, in Johnston where they celebrated Mr. Disbennett's birthday. Jason's birthday and also

Mother's Day. This was a triple occasion. From what I have heard most mothers really were Queen for a Day. Just wonderful! Mr. and Mrs. Gary Young and sons observed Mother's Day by treating her mother, Mrs. Henrietta Bird, to dinner at a restaurant in Columbus. Saturday night Mr. and Mrs. Grover Bird were guests of Mr. and Mrs. Robert Cheside when they entertained with a dinner party for their daughter, Dian, who is graduating from Capital University.

Porter Grange will host the Pomona meeting on May 22, at Porter. The baking and sewing will be judged that evening. The baking contest is a sponge cake. So members do try your hand at this delicacy. And if you're not a winner, at least be a runner-up. Have fun, try it. You'll be glad you did.

Mr. and Mrs. Homer Rader were Mother's Day dinner guests at their daughter and family. Mr. and Mrs. Richard Diehl and children Robbie and Kelly Sue. Also present was Richard's mother, Mrs. K. W. Diehl.

Mother's Day dinner guests of Mr. and Mrs. Thomas J. Harris were Mr. and Mrs. Tom Harris and children of Gallon Sunday morning Mrs. Harris received a phone call from her daughter, Mrs. Zesner, of Sarasota, FL. She also got to talk to little Joshua, her grandson. That really made her day. Mr. and Mrs. Larry Caudy and children and her parents, Mr. and Mrs. Bob Corwin, and Jim and Joe Ross celebrated Mother's Day together by dining at a popular Columbus restaurant Friday night.

Mr. and Mrs. Eksham Hayes attended the F.H.A. banquet at the Sunbury United Methodist Church. Mother's Day they had lunch at noon with Mr. and Mrs. Kenneth Mackley and children Sunday evening the Hayeses were guests of their daughter, Lucille, Mr. and Mrs. Jack Stimmler.

where they enjoyed birthday cake and ice cream and helped celebrate Jack's 18th birthday.

Virginia Page received a call on Mother's Day from her son, Lloyd Page, and son, Joshua, of Akron. Her other son, Keith, gave her a heart shaped Mother's Day cake. Then Arnold, Keith and Rebecca took her to Westerville to dinner. To top her day off her daughter, Ruth, called her from Oregon that evening.

Rev. and Mrs. David Rutherford have visitors this week. They are her sisters, Mrs. Vern Davis and husband from Newcastle, IN, and Dorothy Luckridge of Greensburg, IN. Mr. and Mrs. George Hardwick, of Hagerstown, IN, visited them over Mother's Day.

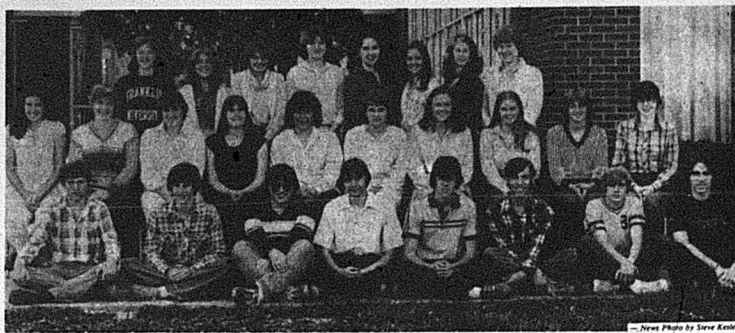

Mr. and Mrs. Mark Scholl and baby daughter visited the Daniel Schools on Saturday Sunday. Mr. and Mrs. Daniel Scholl and Mr. and Mrs. Dane Scholl and little Daniel visited her mother, Janie Pottler, and her sister, Mrs. Gienola Ullom, of Croton.

Martha Boyd will be having a birthday May 18. Best wishes Mr. and Mrs. Daniel Vism. Mr. and Mrs. Karl Keene were their sons and daughter, Mrs. J. L. Kenny Keene and son of Ashley, and Mr. and Mrs. Jimmy Keene of Delaware.

Henrietta Bird visited me Monday morning. She brought me a big red apple - homegrown. It was delicious. We had a real nice little chat.

Kenneth Crowl, of Sunbury, was a supper guest Saturday evening at Mr. and Mrs. G. L. Crowl. He brought his mother a corsage for Mother's Day. Jean Roy and Renee of Columbus were weekend guests of Mr. and Mrs. G. L. Crowl.

I was entertained at a restaurant on Mother's Day by my son and wife, and Mr. and Mrs. Grego, of Ashland. They also gave me a lovely bouquet of flowers and a card. I literally tore the house apart searching for my September issue of the Grange Monthly which had the sponge cake recipe in it. Then I called two Grange members to no avail. Finally I called a sister Granger, Mrs. Mabel Heinlen, and she had her magazine handy and very graciously gave me the recipe. That was really nice of her.

Big Walnut High School Installs New NHS Members

Big Walnut chapter of the National Honor Society held its installation ceremony at the High School on Wednesday, May 7. Reception followed installation in the library for parents and students.

In order to become a member of National Honor Society, a student must meet the qualifications in four areas: scholarship, service, activities and character.

New members for the 1980-81 school year are pictured above. They include seniors, Kathy Beaver, Tina Cooper, John Dible, Amy Houser, Karen Longshore, Don Moreland, Nancy Neff and Jon Paxton.

Juniors are Ann Arnold, Serena Buell, Mark Forman, Sharon Graham, Mike Hobbs, Dana Huey, Jeff Hull, Kathy Kain, Lori Koo-

dell and Teri Kochensparger. Lisa McAfee, Michael McElene, Tom McElwee, Karen Meldrum, Annette Noyes, Ron Price, Betsy Ransom, Jeanne Schilder, Jane Sherrets and Carrie Wirick.

Initial eligibility to the society is based on point average. New members are then selected from the list of eligible students qualifying on the basis of service to the school and community, activities and character.

The following were elected officers to serve during the 1980-81 school year: Elizabeth Ransom, president; Dana Huey, vice-president; Kathy Kain, secretary; Lisa McAfee, treasurer; and Jean Schilder, news reporter.

CARD OF THANKS

My children and I wish to express deep appreciation and heartfelt thanks to the members of this community, friends, neighbors and relatives for the many prayers, cards, flowers, food and kind words spoken in person. Rev. Newland for special words, DeVore Funeral Home for friendliness and special service, United Methodist Church and the Searchlight Club.

Words cannot adequately express our love and thanks to all who kindly assisted us during the sadness and loss of our husband and father.

This and That at Harlem

By Betty Johnson
The rain Sunday evening was really welcomed. The ground in surrounding gardens was really getting dry and hard. Now just stand back and watch the grass and everything grow.

Dr. and Mrs. Melvin Wurm were treated to a smorgasbord in Belleville by Betty's children and grandchildren. Dr. and Mrs. Terry Day, Dr. and Mrs. William Ross and Marcella Rhodebach. Bobby Rhodebach was missing from the celebration because he had just had all four of his wisdom teeth removed.

Visitors of Mabel Wurm, Saturday, were Mary Jane and Deane Fisher of South Vienna, Betty Wurm and Marcella Rhodebach. On Sunday her visitors were Ted and Ann Wurm and Lisa.

Many of Chad Oliver's friends helped him celebrate his eightieth birthday, Friday evening.

The Harlem Guys and Gals 4-H Club will meet Saturday May 17, at New Hope church to begin their sewing projects.

The Harlem Garden Club ladies will travel to the Delaware County Joint Vocational School Friday, for luncheon, a tour of the greenhouses and some instruction concerning landscaping.

This week is the start of the final of the school year. All of these programs are the culmination of a lot of fun and hard work on the part of the students and the teachers.

Don't forget about the Big Walnut Art Show which will be held May 24 and the Big Walnut school's art show at the Hopkins House that weekend. The next weekend is the Harlem School's Alumni Banquet, so don't say you forgot or that you didn't have any time to go this week and next. You will all take the time to fill out the questionnaire sent out by the school board. Being Harlem residents makes our need to be heard even that much greater. Remember, fellow Harlemers, our schools were small but debt free when the consolidation occurred.

Have a nice week
