## County Board Grants Runyan New Contract

County Board of Education approved a two year contract for Superintendent Smith Runyan. Runyan told the board he intends to retire in 1986 and asked them for a contract until then.

The board approved the two year contract by a 5-1 vote, with E. J. Miller voting against it. Members then approved a salary of \$40,000 for Runyan. Miller voted against the salary, too, and said he felt Runyan was adequately compensated. Miller also said "I know some people who earn more money than you do, but they're in a lot of snake fights to get it."

Runyan's salary last year was \$37,480. According to a study he compiled, his salary ranks 66 in the state.

The board also approved a contract with Delaware city schools to provide testing services for them.

Members hired William Starner as a supervisor on the county board staff.

## BW Board Gives Dr. Miller Go Ahead

Big Walnut Board of Education took no action on Superintendent Dr. Richard Miller's contract at Monday night's meeting, but said they would offer him a new contract in August.

Board president Jim Heine said the move is a positive one, and that the board only needs to notify Dr. Miller by Mar. 1, if the board is going to terminate his employment.

Heine said the board will discuss his contract again in August, when his present contract expires.

The board approved a new salary for the clerk treasurer. The new salary will be \$19,500. The board also told treasurer Sue Beardsley that they will "stand behind her in any area she wishes to pursue for her professional growth."

The board agreed to purchase three new buses by approving bus bids from Bennet Chevrolet for the bus chassis; and from Schoor Trucks for the bus bodies.

The board opted to purchase two automatic transmissions, and one standard transmission. Business manager Joe Tumeo told the board that three of the districts bus drivers are experiencing back difficulties due to standard transmissions.

Tumeo noted that all three women are short and the position of the reverse gear causes an exceptionally long reach for the gear. Tumeo said the new standard transmission bus will have the gears arranged differently, so the reverse gear will be closer to the driver.

In a conversation with Dr. Miller following the meeting, he reported on the state of the negotiations with OAPSE and with the BW Teachers Association. He explained that the negotiators will have met with the teachers after press time on Wednesday. He said if the problems between the two groups can't be solved, then an impasse will be declared. He said the negotiators will meet with OAPSE and a federal mediator next Monday.

is concerned about any safety limitations this could cause.

Dr. Miller told the board the district will receive 50 percent funding from the state. The cost of the buses will be about \$26,200 for the three bus bodies and around \$20,000 each for the two automatic transmission chassis, said Dr. Miller.

Board members approved creating a position of coach for 7th and 8th grade girls track. The position will pay between \$350 to \$525. The board also agreed to spend \$366 for optional retirement for Sherry Buel.

Board members approved creating a position of coach for 7th and 8th grade girls track. The position will pay between \$350 to \$525. The board also agreed to spend \$366 for optional retirement for Sherry Buel.

Board member Phyllis Taylor said she was concerned that the drivers of the standard transmissions must keep one hand on the gear shift, instead of both hands on the wheel. She said she

## Lawrence, Kasich To Be at Chamber

Congressman John Kasich and State Representative Joan Lawrence will be featured at next week's Big Walnut Chamber of Commerce meeting.

Program chairman Dan Williams reports Kasich and Lawrence will both make comments to the group and be available to answer questions and talk with constituents.

The Chamber meets at 8 p.m. at Mr. Tom's Country Farm's Restaurant, next Thursday evening, Feb. 23.

## Big Walnut Players Prevent Ghost Story

"The Uninvited," Big Walnut Player's first 1984 production, will be presented Feb. 24 and 25 at 8:00 p.m. in the high school gym.

Shown above are cast members: front, Lisa Werner, director; first row, left to right, Tony Burrer (Commander Brooke), Cameron McNeich (Max Hillard), Nels Roger Hadden (Hoddy Fitzgerald), and Steve Beyer (Dr. Scott).

Second row, left to right: Tammy Daily (Luzanne Flynn), Beth Denton (Mrs. Jessup), and Anita DeMatteis (Wendy Carey).

Third row, left to right: Nancy Brigham, Nurse Holloway; Sherry Shakes, Pam Fitzgerald; and Denise Hergan, Stello Mereddy.

Donna Shick is properties master and stage manager. The technical crew is Andy Schneider, Dave Eaton, Craig Hergman, Shick and Bill Hien. Advisor is Verna Hines.

The play is a ghost story in three acts, and includes eerie melodies, glowing portraits and a séance.

Tickets are \$2.00 adults, and \$1.00 children.

## Emergency Personnel Learn Rescue Techniques in BST&G Course

Area firefighters and emergency personnel received some practical training on ice rescue Saturday morning as they met at Fry-Air's pond as part of a rescue course being offered by the BST&G dept.

In the above photo, BST&G fireman Jim Evans lifts victim Ed Beacom into a Stokes basket as other members of the class man lifelines and wait their turn on the ice.

Under the direction of instructor Mike Littler, also a BST&G

fireman, some 23 personnel representing eight area depts. are taking part in the rescue course, totaling 66 hours of training over an eight week period. Littler says two members of the local Fire Explorer post, Rob Stambaugh and Dean Pettit, also took the ice rescue part of the instruction.

Littler says he and Genoa firefighter Pete Dunkel are the two certified instructors for the rescue course, which, when completed, will certify the participants in three areas. Course members will be certified by the Ohio Dept. of Natural Resources, Division of Watercraft, in both ice rescue and river rescue; and by Ohio's Trade and Industrial Division in heavy rescue.

BST&G firemen Evans and Brad Malatesta are also helping with the instruction which not only covers the ice and river rescue procedures, but also such things

as aircraft crash and bus accident rescues and even farm accident rescue techniques.

## Scholarship Fund Honors Local Woman's Memory

Scholarship fund has been created at Ohio State University to benefit students from the Sunbury area who plan to study music or the health sciences.

The Donna M. Noland Scholarship Fund was established in early February by the university's Board of Trustees with a gift in her memory from her family. Mrs. Noland, a former Olive Green area resident, lived in Worthington at the time of her death last July.

Annual income from the investment of the funds will provide scholarship assistance to undergraduate students who are pursuing careers in music or the health sciences, including nursing. Preference is to be given to graduates of Big Walnut High School or residents of rural Delaware county.

Students must show academic

ability, financial need, or both to be eligible.

Mrs. Noland's husband, Richard F. Noland, holds bachelor's and master's degrees in civil engineering from Ohio State. He is a partner in Burgess & Niple Ltd. in Columbus. Two of the Noland children, Michael and Carolyn, attend Ohio State.

The family lives in Worthington. Present Ohio State University students, or fall admission students may apply for the grant money. The application must be filed with the Student Financial Aids office by Mar. 1 for beginning students, or by Mar. 15 for students already on campus.

Leon Rubin, a publisher for Ohio State, says the information is available in a booklet students receive concerning grant money.

Rubin also says the grant will total around \$1,000, and that it is unlikely that the entire sum will go to one student.

Mrs. Noland was a 1955 graduate of Big Walnut High School, and was a member of the Lions-Orth United Methodist Church and choir. The Ohio Society of Professional Engineers - Women's Auxiliary and the Dublin Music Boosters.

## Mayor Rinehart Will Speak at Lincoln Dinner

Dana G. "Buck" Rinehart will be this year's feature speaker at the Delaware county Lincoln Day Dinner to be held in Delaware at the Eagles Club on Feb. 28, 6:30 p.m.

Rinehart was recently elected mayor of Columbus and previously had been elected to two terms as Franklin county treasurer.

For reservations, send \$12 per person to Jeanne Eckelberry, 433 N. Liberty St., Delaware, Ohio 43015. Checks should be made payable to Lincoln Day Committee. Contributions are welcome. For more information call Eckelberry (363-1432) before 11:00 a.m. or after 5:00 p.m.

## Filings for May Primary Due Thursday

With but a week remaining before the filing deadline for the May Primary, few have filed petitions for county offices.

Delaware county Board of Elections reports Clerk of Courts Betty J. Porter and Common Pleas Judge Henry E. Shaw, Jr., had filed their petitions for re-election, as of Tuesday noon. They join incumbent commissioner, Merle Law, as the only local filings so far.

Filing deadline for the May 8 primary is next Thursday, Feb. 23, at 4 p.m., according to the elections office. All county offices but auditor Dave Thomas and commissioner Fay Parrott are open for election, as well as are all precinct committeeman posts.

## Mike Zisl Is Top Big Walnut Speller

Big Walnut School District announces this year's Spelling Bee winner is Mike Zisl who attends Big Walnut High.

Other students in order of finish include Doug Brumfield, grade 8; Tricia Brown, grade 7; Amy Forman, grade 6; Dusty Smith, grade 5; Vanessa Vail, grade 8; Wayne Collins, grade 6; Casey Lide, grade 6.

Jason Lettier, 1st alternate, 8th

grade; and Diana Redmond, 2nd alternate, 8th grade.

The top eight students will compete for the position of Delaware county Spelling Bee Champ along with Orlanthal and Buckeye Valley on Mar. 12 at 7:00 p.m. at the Delaware County JVS. The public is invited.

## Reports Carpeting Stolen From Shed

Don Swindley, Wyseville, reported to Dep. A. K. Myers last Tuesday that someone had stolen \$2,000 worth of carpeting and pads valued at an excess of \$1,000 from his storage shed on Worthington Rd. at Hanawalt Rd. Swindley said the shed was entered and ransacked sometime between Feb. 1 and Feb. 7.

## Place Health Levy On May's Ballot

Commissioners Monday voted to place the 7 mill operating levy for the Delaware County Health Dept. on the May 8 Primary ballot. The levy, like last fall's, would run for 10 years. Voters turned down a 4 mill countywide levy in November.

## BULLETIN

## Highland Wins Fifth MOC Title

Highland's varsity basketball program returned to the Mid-Ohio Conference throne room with a 71-51 victory over Marion Catholic at Sparta Tuesday night. The Fighting Scots of first-year coach Richard Heath, after starting 6-4 on the season, rebounded to currently claim a 14-6 record. The team also has captured 12 straight conference wins dating back to Dec. 13.

With the decisive triumph over the Irish, Highland won its fifth league championship over the past 11 years. The school has previously won titles in 1976, '79, '80 and '81.

The Scots finished their MOC schedule with a 122 mark. Final regular season game is set this Friday, also at Sparta, against always tough Lexington. Games begin at 6:30 p.m. with varsity immediately following.

Complete details of the two contests, as reported by News sports correspondent John Gladden, will appear in next week's edition.

## Grady Hospital Has 'Vial of Life' Kits

Auxiliary of Grady Memorial Hospital is initiating the "Vial of Life" program as a community service project for the citizens of Delaware county, according to Mary Ann Keefe, Public Relations.

The "Vial of Life" contains medical information in case someone is unable to communicate in an emergency.

The kit contains a plastic vial, a medical information sheet to be filled by the individual and a bright orange sticker. The paper is inserted into the container and placed on the top shelf of the refrigerator. The sticker is affixed to the outside of the refrigerator attracting the attention of anyone finding the individual ill or unable to give information.

Information about this unique

program is being distributed throughout Delaware county, Keefe says. Contact has been made with various fire departments offering kits for them to distribute in their area.

In the Sunbury area the "Vial of Life" may be obtained by stopping at the Sunbury Police Department located at 9 West Grandville Street. If a person wants a kit and has no transportation or no way to obtain one, contact the Police Department at 965-3946 and they will deliver it.

Extra kits will be permanently available from Grady Memorial Hospital, Volunteer Department. For further information contact Grady's Volunteer Department 540-4114 Ext. 373.

## BW 'In-the-Know' Team Faces Watterson

Big Walnut "In the Know" team faced Watterson High School in their third round Tuesday, Feb. 14, at WOSU TV station.

The program was taped for later broadcast. Pictured above is the BW team, seated, left to right, Steve Grove, Jim Beardsley, Rich

Bash, Allison Lide, Edith Fisher, and Susan Ackerman. Kneeling, left to right: Chris West, Todd Stockwell, David Eaton, and Greg Babbitt.

Advisor Tom Tappan did not know when the program would appear. The Big Walnut team beat Westfall High School in the

first round and 8841 West High School in the second round. Tappan says the team practices at least once a week and says "they're a nice group of kids, and I'm very proud of them."

### What Our Readers Say

**WRITER APPLAUDS DRILL TEAM ASKS FOR COMMUNITY SUPPORT**

Dear Editor,

I, along with a handful of parents, recently attended the drill team competitions at Zanesville, following the Big Walnut "Eagles" Drill Team.

Needless to say, I came away from the competition very proud to be a parent of a team member. The dedication, pride, and performances shown by these young women were of the highest level. It is significant to point out that the squad only has three members that have ever competed in competition and they placed third in the competition qualifying them for the state finals.

During these competitions crowd support is a valuable part of the overall judging and placement of the teams. While all sports programs are important, it is seldom that a team or squad gets to compete in the state finals, and I would like to see the student body, administration, and community support the "Drill Team" with their attendance at the state finals to be held March 4 at Hike Center in Westerville. The team will also be competing in Worthington on Feb. 19. My hats off to Mrs. Charles Trent, the drill team for a job well done and keep up the good work.

Sincerely,  
Harold M. Evans

### Memories and Memos

by Joyce Stockwell

—Early Birds—  
Marie Geddis reports she saw two robins in her back yard at 89 High Street in Sunbury last Saturday. Hope these birds have not arrived too early. We sure have had spring-like weather this week.

—Presidents' Day—  
All state stores, agencies and offices will be closed Monday, Feb. 20, in observance of Presidents' Day. Many businesses and schools will also be closed.

—Holiday Schedules—  
Galena and Sunbury post offices will operate on a holiday schedule Monday, Feb. 20, in observance of Washington's birthday. Postmasters Hogg and Smith report regular residential and business deliveries will not be made, and usual post office lobby services will not be available.

For information about holiday schedules, call the Galena post office at 965-2771 or Sunbury at 965-2471.

—Dog Owners—  
Owners whose dogs are running loose will be cited says Walt Nease, Sunbury Chief of Police. Maximum fine is around \$100.

—Good Samaritans—  
Gary Hall, Sunbury policeman, and James H. Fisher, Columbus, a former Sunbury resident, called to our attention the Letter to the Editor printed recently in a Columbus newspaper.

Perhaps others of you also read it or know about it. The Tennesseeans who were stranded a few weeks ago on the freeway outside of Columbus in a diesel car which would not run in the extreme cold. They were aided by an officer of the Ohio State Highway Patrol who took them to Sunbury, Mr. and Mrs. Daniel B. White of Signal Mountain, TN are grateful for the help they received.

—Republican Delegates—  
George G. Hoffman of Delaware and Pauline S. Riel of Marengo will be delegates to the 1984 Republican National Convention for the 12th District of Ohio.

—Choirs Rehearsing—  
Church choirs from the Big Walnut Ministerial Association

have begun rehearsing the "Seven Last Words of Christ" by Theodore Dubois.

The work will be performed with combined choirs and a chamber orchestra under the direction of Nancy Powell of the First Baptist Church at the community Good Friday service on Apr. 20.

Directors of choirs who are interested in participating should contact Nancy Powell at 965-1912 after 4 p.m. to obtain rehearsal schedules for the combined choirs.

—Interesting Fact—  
Have any of you ever wondered how Ruffner Park in Galena got its name? I recently learned that the late Mabel Strider, when P.T.A. president, worked for and achieved the formation of a park for an additional recreation area for the Galena school.

Ruffner Park was named in memory of a superintendent of the school, J. Morgan Ruffner, who was killed by a train at the Walnut Street crossing.

—Flight Colds—  
Experts say the average cold lasts five to seven days. One way to keep down the number of colds in your family is to fight cross infections and re-infections by using paper and plastic disposable cups, plates and utensils which can be used once and then discarded immediately.

—Fluoridized Hints—  
These tips are for those of you who received flowers for Valentine's Day.

Check your vase daily for water as flowers get thirsty. A light misting adds beneficial humidity and gives flowers a dewy fresh appearance. Select a spot where the temperature is cool and there is bright light but not direct sunlight. Be sure your flowers are not placed in a draft.

And for those of you who will receive flowers in the future, if you've heard the hint about dropping an aspirin in vase water to make flowers last longer, don't take it too seriously. Aspirin is for a headache. If you want longer lasting flowers, it's better to use a commercial floral preservative.

Before placing your flowers in the vase, use a preservative solution, make sure to remove all leaves from stems of flowers that go under water. Cut one inch from each flower stem under water. This prevents air from entering the stem and causing premature wilting.

## PIC Begins Summer Youth Program Planning Highland Reports Spelling Bee Winners

Private Industry Council for the Central Ohio Rural Consortium (CIRC) is planning this year's Summer Youth Employment and Training Program (SYETP).

This program is designed to provide economically disadvantaged youth with a variety of educational, training and employment opportunities.

CIRC encourages activities which combine education or training with hands-on experience. Thirty youth took part in a career exploration program held in conjunction with the Delaware County Joint Vocational School.

The Delaware County Employment and Training Office, a member of CIRC, is contacting area agencies for the pre-planning stage. If any agencies have not been contacted and would like more information concerning SYETP, they may contact Marsha McCrory, Youth Programs, Delaware County Employment and Training Office, 43 1/2 North Sandusky Street, (Entrance 2 West Winter Street), or call 369-7647 or 548-6665 from 8:00 a.m. to 4:30 p.m.

Highland students recently competed in a local spelling bee. Those spellers winning the right to compete for one of the ten spots in county competition later this month include the following:

East students: Joe Cardone, Ben Loebick, Jamie Smith.

North students: David Burt, Amy Clark, Donovan Haddaway.

West students: Billy Baker, Mike Bill, Amy Condon, Lee Ferguson, Josh Grubb, Jennifer Riggelman, Shannon Rogers, Karen Smith, Sheryl Wing.

Junior high students: Lisa Bennett, Andy Brant, Bill David.

son, Pat Deel, Shelley Dickson, Shannon Duncan, Mrs. Gooder, Jason Gregg, Holly Mosberger, Nicole Ramey, Jayne Spafford, Tom Sutherland, Amy Tiller, Charles Trent, Jarrod Ulrey, Patty VanDyke, Penni Wheeler, Richard White, Tyler Williams.

The top ten winners will go to county competition which will be held at Iberia Elementary School on Feb. 28. The contest to determine the winners was held Feb. 12 at Highland West.

## THOUGHT FOR THE WEEK

By Dick & Garce DeVore

## THOUGHT FOR THE WEEK

George Washington said, "It is impossible to govern in this world without God and the Bible." As we celebrate his birthday, we wonder what he would say, in his dismay, if he saw what was happening today.

In his dismay, he would see anti-social groups concerned only with self satisfying desires. In his dismay, he would see growing numbers of anti-social youth flouting unbridled morals with a creed of live it up today, the heck with tomorrow. In his dismay, he would see rampant crime increasing at an alarming rate. In his dismay, he would see decreasing numbers of people saying Grace before meals, ignoring the once common custom. In his dismay, he would see Godlessness accepted as a gospel and Gospels of the Bible snubbed, even by serious minded intellectuals.

True, he would see a majority of Americans also dismayed by these same things. True, his dismay would be caused by a fractional minority of our people. But, unless the majority influence the minority to change their views, customs and behavior, Washington's words will eventually haunt all of us.

by Virginia Kinney  
Sympathy is extended to the family of Mrs. Herman (Tulie) Lloyd who passed away Saturday morning after a long illness. Sympathy is also extended to the family of Mrs. George Linkous. Mrs. Linkous of Tazewell, Va. passed away Sunday. She is the daughter-in-law of Barbara Linkous. Berniece Robertson and Ralph Robertson of Mt. Vernon, Mr. and Mrs. Gordon Stryker and Bob and Arthur Barr all attended the funeral of their aunt, Verla Moore, at Westerville on Saturday. After the funeral, they and Mr. and Mrs. Edward Kerscher and Doris White and children all returned to the home of Mr. and Mrs. Stryker for a late dinner. Mr. and Mrs. Gerald Stinehelfer received word last week that Edlene Sears of Utah had the misfortune to have a large deep freezer door slam shut on her arm, breaking it in two places.

Mr. and Mrs. Doyle Clark have returned home after spending the past two weeks visiting friends in Sarasota and Ruskin, Fl. They report all are well in "Little Sparta" Ruskin.

Mr. and Mrs. Robert Workman of Woodfield were Friday visitors of Mr. and Mrs. Gerald Hulise. Mrs. Robert Parnell of Mt. Vernon, Mr. and Mrs. Harold Dowden of Centerville and Mr. and Mrs. Hulise all had dinner at a restaurant in Mt. Vernon. Sunday dinner guests of Mr. and Mrs. Hulise were Mr. and Mrs. Harlin Hubbell.

Sunday dinner guests of Edith Belcher were Mr. and Mrs. John White and Jim of Marion and Mr. and Mrs. Dick Nichols and sons, Mike and Adam, of Centerville.

Mrs. David Higgins (Debbie Slack) underwent gall bladder surgery at Riverside hospital, Columbus, on Friday. She is doing well at this time and expects to be home soon.

Gerald Lloyd is at home and is doing as well as can be expected at this time.

## Hite-Hubbard Exchange Vows

Mr. and Mrs. Ronald Patrick Hubbard

Lisa Beth Hite and Ronald Patrick Hubbard were united in marriage in a double ring, candlelight ceremony at the Sunbury Church of Christ on Nov. 12.

The bride is a 1982 graduate of Big Walnut High School, and of Columbus Business University. She is the daughter of Mr. and Mrs. Jerry Hite, 4745 Carter's Corner Rd., Sunbury.

The bridegroom is a 1979 graduate of Big Walnut High School. The aisle was decorated with hurricane globes over white candles, trimmed with rose and white satin ribbons. The altar was lit by two candelabra, with 18 white candles with hurricane globes and ribbons. Blankets of white roses, baby's-breath and greenery draped the sides of the altar.

Escorted to the altar by her father, the bride wore a gown of white satin, accented with pearls and cascades of roses applied in Venetian lace. The fitted bodice featured a scalloped neckline which was also trimmed with pearls and Venetian lace roses. The front of the skirt was highlighted with tiers of lace bordered in satin and framed with white fur, which enhanced the hem of the gown and long train. The long, fitted sleeves had fur cuffs. She wore a chapel length veil of Venetian lace, with rose appliques and carried a bouquet of white roses, baby's-breath and greenery forget-me-nots.

Julie Hite was her sister's maid

of honor. She wore a gown of royal burgundy, pleated to the floor, with an empire waist and long sleeve jacket. She carried a bouquet of deep rose regal lilies and dusty rose ribbons.

Bridesmaids were Lori Pettit, from Mansfield, and Jennifer Randolph, of Sunbury. Their gowns were in the same style as the honor attendant, but were deep rose. They carried bouquets of dusty rose and burgundy lilies. Junior bridesmaids were Karen Dority and Ruth Fletcher, both of Sunbury. Their gowns were dusty rose, and they carried deep rose and burgundy lilies.

Flower girl was Carla Dority. She wore a gown of deep rose and carried a white basket decorated with burgundy forget-me-nots. The bridegroom wore a white tuxedo, and a boutonniere of white rose and burgundy forget-me-nots, from the bride's bouquet.

The best man was Joe Gartner, from Westerville. Groomsman were David Lively of Sunbury, Max Von Schritz of Reynoldsburg and Jack Keller, of Westerville.

The bridegroom's attendants wore burgundy tuxedos with white rose boutonnières.

Debra Dority was the guest book attendant. Following the ceremony, a reception, dinner buffet and dance were held at the Berkshire Party House. Hostesses were Linda Fletcher, Sharon Dority and Christi Griffith.

## Care to Share?

**EDITOR'S NOTE:** This weekly column is brought to you by the girls of The News staff. Readers are invited to submit recipes or other items they Care to Share.

By Lit Diemer

This week's Care to Share's writer is suffering from a severe case of spring fever.

I promised myself I would write the column Sunday, and hand it in first thing Monday morning, but of course the weather was just too glorious to spend the day inside.

Monday was too rainy, and besides, I had to catch up on all the things I put off doing Sunday. So now it's getting close to the deadline, and I'm running out of time. Once again, Care to Share is going to depend on the generosity of Annis Hancock, Rainbow Ave. Annis brought in quite a few recipes and, from all reports, the recipes are getting rave reviews. Thank you, Annis, you have rescued me from my case of spring fever.

**Poor Man's Steak**  
1 1/2 lb lean ground beef  
1/2 c. cracker crumbs, fine  
1/2 c. cold water  
all purpose flour  
margarine  
1 c. 10% oil cream of mushroom soup  
1 soup can of water

Mix first three ingredients well and press into flat pan (ungreased). Refrigerate overnight. Two hours before meal, cut meat into about 2-inch squares. Roll in flour and brown in margarine. Wash and butter same flat pan.

As meat is browned place close together in pan. Heat soup and water in brown pan until brown mixture clears from pan. Pour over the meat in flat pan. Bake covered, with foil for 1 1/2 hours then remove foil and lower heat to 300° until it is browned some. (Mrs. Hancock does not give us the temperature to start with, however since this takes for 1 1/2 hours, I would say to start with 325°. Correct me, Annis, if I'm wrong.)

Mrs. Hancock states that mushroom soup makes a good gravy for mashed potatoes.

**Kidney Bean Hamburger**  
1 1/2 to 2 lbs. ground chuck  
1 onion, chopped  
2 c. kidney beans  
2 T. catsup  
1/2 tsp. Worcestershire sauce  
salt and pepper and a little water

Brown meat and onion together, stirring to break up meat. Add catsup and Worcestershire sauce. Simmer meat, onion, catsup and Worcestershire sauce for 20 minutes. Add beans and simmer until meat is tender. Chili powder may be added. Annis says, "This recipe was taken from a Household cookbook which I purchased in 1936."

**Mississippi Mud Cake**  
2 c. all purpose flour  
2 c. sugar  
2 tsp. baking soda  
1 tsp. salt  
1/2 c. cocoa

Mix dry ingredients together in large bowl. Then add

1 c. buttermilk  
1 c. cooking oil  
1 tsp. vanilla  
2 whole eggs

Then add 1 c. boiling water. Beat thoroughly and pour into at least a 9 1/2 by 13-inch pan (greased). Bake in 350° oven for 35 to 45 minutes. (Test with wooden pick.) As soon as cake is taken from the oven, place miniature marshmallows closely over top. Make the following icing right away.

1 c. sugar  
2 T. light corn syrup  
1 c. milk  
2 T. margarine  
After this mixture comes to a boil, cook 2 minutes and then add 1 c. chocolate chips, 1 tsp. vanilla and 1/2 c. chopped nuts. Mix until chocolate chips melt and drizzle over marshmallows.

**Cookie Jar Honey Drops**

3/4 c. sifted flour  
1/2 tsp. salt  
3/4 tsp. baking powder  
1/2 tsp. nutmeg  
1 c. firmly packed brown sugar  
1 c. margarine  
1/2 c. seedless raisins  
1 c. chopped nuts  
1 tsp. vanilla

Sift together flour, salt, baking powder and nutmeg. Cream margarine and sugar. Beat in honey and egg. Stir in dry ingredients. Add raisins, nuts and vanilla. Mix well. Chill dough. Drop by level tablespoons onto lightly greased baking sheet. Bake in 350° oven for 10 to 12

## Spring Fever Strikes Writer

minutes.

Here are two recipes using cottage cheese. Dottie Clapham requested these recipes because she thought her kids would enjoy them, and she could sneak in a few nutrients with the cottage cheese.

**Cottage Cheese Fruit Bread**  
1/2 c. butter  
1/2 c. light brown sugar  
4 tsp. each, grated orange and lemon rinds  
2 eggs, beaten  
2 c. cottage cheese  
2 c. sifted flour  
3 tsp. baking powder  
1 tsp. baking soda  
1 tsp. salt  
2 c. dried currants

Cream butter and sugar together, add grated rinds. Add beaten eggs and cottage cheese and beat well. Sift dry ingredients together, mix with currants and stir into first mixture. The dough will be quite stiff. Pack dough into greased standard bread tin and bake about 1 hour in a 350° oven.

**Cottage Cheese Cookies**  
1/2 c. butter (or lard)

1/2 c. sugar  
2 eggs  
2 T. lemon juice  
2 tsp. grated lemon rind  
1 c. cottage cheese  
2 c. flour  
1 tsp. baking powder  
1 tsp. salt  
Cream butter with sugar until fluffy. Beat in eggs, lemon juice and rind. Put cottage cheese through sieve and add to batter, beating well. Sift dry ingredients together, add to first mixture and mix thoroughly. Drop from teaspoon onto greased cookie tin. Bake in 400° oven for about 15 minutes. Make about 4 dozen.

## News From Bloomfield Area Residents

by Karen Nordyke

Our family received news this weekend that my Uncle Ray (Hubbell) is now in a nursing home in the Kingsburg, Ca. area and Aunt Elsie was recently hospitalized but has returned home.

The Bloomfield youth, along with several others of our congregation, enjoyed an afternoon boning at Mt. Vernon. Andrea attended the Centerville basketball game with her friend, Nannette Mader, of Reynolds Rd. Although the varsity was not victorious, they're happy to relate the JV's which contain their freshmen classmates' won handily.

Saturday callers in Audie and Lucy Wright's home were Jerry Goodman of Johnston, Tom and John Meade, Wayne Potter and

Kent Fling. We're happy to greet two new families to our area. Recently moving into Don Porter's former house, are Randy and Rhonda Hengenderfer and their sons, Adam and Matthew. Adam is in Mrs. Buxton's kindergarten class and Matthew will be two on St. Patrick's Day.

New residents at Mike Harris' former home on Hall Rd. are Brian and Karen Hunter. The Hunters have one son, Nathan, who is in Mrs. Harris' 1st grade and are looking forward to twins in about 4 months. Both families were former neighbors of the White Hall. We welcome them and hope they'll be happy in our area.

Saturday, Don Sands and children of Mansfield visited Red and Jennie Sands of Uplake Rd. while their wife and mother, Harriet, visited.

The whole family shared dinner later

that evening, Sunday, Dewey and Cheryl Altizer enjoyed dinner with her parents, Mr. and Mrs. Sands.

When talking to Karen Hunter she was enjoying a visit from Brian's mother of Columbus.

The Highland chorus and choir will be competing Saturday at Mansfield. Several Bloomfield kids are singing solos, etc.

Congratulations to Duane Johnson who has been accepted for further nursing studies at Marion.

Former employees of PPG in Mt. Vernon, were saddened to learn of the death of James Percy Goodall last weekend. The funeral was Wednesday morning, and he was buried at Union Grove Cemetery near Gambier.

I hope all my readers have registered to vote by now. It is a very precious right that we are given, to choose our own leaders. It's such a shame we all seem to forget to do that we never forget to grumble about what kind of elected officials we have.

John, the children, and I attended the Ice Capades at the Big Center Sunday evening. The kids thought it was quite enjoyable. I'm not sure we got 140 benefit out of the journey. Sure would have liked to have the gate profits from just one show of it.

## Big Brothers, Sisters Need Volunteers

Big Brothers-Big Sisters of Delaware County will be launching an all-out recruitment effort aimed at reaching more adult volunteers to meet the needs of children in our community. The third week of February is designated as Big Brothers-Big Sisters Appreciation Week. According to case manager, Jane Cunningham, some 30 children have already been matched up, but 14 more are eagerly awaiting to be matched with a Big Brother or Sister.

Increasing numbers of children

are growing up in single-parent households, and their needs are often more than one individual can meet, according to Cunningham. In Delaware county, over 2,000 children live in single-parent families, and approximately 500 of these children can benefit from the program, she adds.

Many Delaware county children have been helped in the past 23 years, since the Agency's origin in 1961, Cunningham says. In the past year, 35 children were served on a one-to-one basis and this year the Agency hopes to provide the friendship of a Big Brother or Sister to 60 youngsters. Most volunteers maintain that they receive more benefits from the relationship than they give, and that the knowledge that they are needed and the joys of the good times spent with their young friends make the experience one of the most valuable in their lives, Cunningham says.

For more information, or to volunteer, call 369-8113.

## Library Has Heart, Art.

Community Library is offering February as a break to those with overdue books and records. Special invitations are being issued to those wishing to join the Art Lending Club through the library.

Brighten your home with an art print of a famous painting. Change the prints to vary your decor without additional costs. Join the Art Lending Club of the Community Library for only a \$1.00 per year. Prints are also good for decorative use in offices and schools.

Traditionally February is have-a-heart month at the library. All overdue books, records and magazines may be returned fine-free with no questions asked. Spend a little time looking under the sofa cushions, among your own bookshelves, in the back of the children's closet and recover those hidden library materials. Others would like to enjoy their use so take advantage of this opportunity to return them fine free.

More VHS videotapes have

been added to the growing collection at the library. Anyone over 18 with an active borrower's card can use the tapes after completing a video borrower's card. New borrowers must wait up to two weeks for a reference check.

New books on a wide range of subjects are filling the new bookshelves in the library. Fiction,

children, needlecrafts, history, self-helps and biographies are just a few of the many subjects available. Treat yourself to some browsing time this week.

Community Library is open 10-5 Monday through Thursday, 10-5 Friday and Saturday on Sunbury square. For information, call the library, 965-3901.

## FOLKS ARE BUSY UP MARENGO WAY

by Mary E. McCurdy  
Pam and Jim Fryman and family visited her parents, Mr. and Mrs. Lase Fraizer of Radnor celebrating her Aunt Jean's birthday.

Visitors during the week and weekend of Sibley Lewis and Ellis were Janet Engburg, Mike Gordon of Columbus, June Burns of Fulton, Marlene and Kenny Belcher and family of Lima, Barbara and Rick Moore and family of Mt. Gilead, Hubert and Lena Moore of Chesterville,

Wilma and Lennie Zornes, and Pam Fryman. Visitors during the week of Veva Ashley were Roger McCurdy, Chad Sawyer, Mary E. McCurdy, Mrs. Burns, Roger and Katherine Van Houten. Veva had an enjoyable day Sunday out to the farm. What a nice spring day for her to get out and then they went out to eat which she enjoyed. Week before Willie and Cindy McCurdy, Linda and Mandy visited her. She enjoyed having Willie as a supper guest.

Lois and Gary Sawyer and girls of Lexington stopped Sunday to pick Chad Sawyer up to take him home after spending two weeks with Grandma McCurdy. Sandy got home from the hospital Friday. They gave her the enzyme shot to dissolve the disc on Tuesday morning. I sure hope this helps her as this is two years she has been doctoring for this. Good luck, Sandy.

Want to wish everyone a happy birthday and happy anniversary for the month of February. Happy anniversary to my daughter and son-in-law, Sandy and Bob Sawyer, on their 17th anniversary on Feb. 19. Well, what a nice spring weekend after the snow and ice. Now we have to have the mud. But sure enjoy the nice warm days. Won't be long till you will see the farmers out in the fields plowing. Let's hope our winter is gone and we will have nice weather from here on out.

Glad to hear Mary Vermillion and Mary Hart are home from the hospital and recovering at home. Hurry and get well.

Want to extend sympathy to the family of John Hornsby and Jr. because their deaths. Two weeks ago Sibley Lewis and Bill Keen visited Viola Barrett at the home of her daughter, Hope, in Delaware. Viola is recovering slowly after her long stay in the hospital.

Have a nice week and may God bless you.

Norm and Emma Skiver got a note from Annie Spaulding who is in Florida. Annie says she just loves it down there, but will be home some time next month. Easter Perkins spent Sunday with Mr. and Mrs. Henry Refinati. She went back home Sunday afternoon, Ruth Crawford, Jean Scott, Tim Scott and Julie visited Juanita Pike in Columbus.

Tuesday morning, Arbutus Swackhammer attended the Christian Union Women's Fellowship meeting held at the Christian Union Church in Westerville Saturday evening. Rev. and Mrs. Everett Swackhammer and Eddie and Cora Clayton enjoyed the family valentine supper held at the Huber Ridge church. The Swackhammers and Mr. and Mrs. Dave Murphy and Eric all had Sunday dinner with Cora Clayton. Eddie Swackhammer and Eric Murphy played outside all afternoon enjoying the nice weather. Mrs. Swackhammer and Eddie visited Mr. and Mrs. Rich O'Quinn in Delaware Thursday. Mrs. Swackhammer visited Mr. and Mrs. Merle Curtiss and family in Delaware. Cora Clayton visited the Swackhammers Sunday evening.

Mr. and Mrs. Mike Spaulding visited Mr. and Mrs. Chaffin and family in Delaware Friday evening. Sunday, they visited Lena Spaulding and Mr. and Mrs. Hardin Mullins in Columbus Sunday evening. They visited Jackie and Gary Russell and Rhonda Bob Crawford visited the Spauldings Saturday evening. Mr. and Mrs. Norman Skiver visited Ross and Annabelle Reed at Otterbein College for their February meeting. Refreshments were enjoyed at a local restaurant.

Skivers got a nice valentine card from Joe and Sharon Tantarelli and children. Ron Scott had a birthday Monday. He is 26. Cora Clayton visited Hattie O'Quinn and the James Clark family Sunday afternoon. Norma Clayton visited Cora on Wednesday. Cora Clayton's brother, Herbert Hess, is in a hospital in Virginia.

Pool and I visited Mrs. Ed Timson in Columbus on Friday. We visited Mr. and Mrs. Mike Spaulding Saturday evening.

Callers at our home during the weekend were Mike and Ian Spaulding, Michelle Withrow and Greg Hubbert. Mr. and Mrs. Rich Baker, and Mr. and Mrs. Chet Emmer, Brenda Taylor visited Monday morning.

Next Monday is Washington's birthday. The banks will be closed and there will be no mail. These folks will enjoy having a day off.

Have a nice week.

## Fichtelman Wins Two ONU Scholarships

## Tooth Or CONSEQUENCES

Views On Dental Health  
by MICHAEL S. ANTHONY, D.D.S.

### HOW GOOD IS YOUR BITE?

If your teeth do not rest comfortably on each other when your mouth is closed, your dentist may want to check your bite to see if it needs correcting. One method of doing this is to use ribbons or very fine strips of paper or film coated with special marking materials. When he asks you to close your mouth he will check to see if your teeth fit evenly in the closed mouth position. Then, with the marking material placed in the upper and lower teeth, he may ask you to slide out your lower jaw in several directions. This is one way of checking to see if you have any high spots on the surface of some of your teeth when they come in

contact. He will also check the lateral movements of your jaw as well as forward movements of the lower front teeth against your upper front teeth.

All of these movements help him to discover where certain teeth may need building up or reshaping so they will meet the opposing teeth properly. It also gives him other information he may need so your bite can be corrected before serious dental problems develop.

A public service with the aim of promoting a better dental health environment. From the office of MICHAEL S. ANTHONY, D.D.S., 201 S. Vernon Street, Sunbury. Phone: 965-1898.

**EDWARDS PARTS & SERVICE**

Hello! I want to let you know that when you replace an alternator you should replace the voltage regulator and check the wiring. I found when I followed this practice very few jobs came back. Not everyone agrees with this practice. Some people believe this to be an example of causing unnecessary parts. A new customer was probably made a believer. I am not knowing just what to replace is no easy task but our experience is willingly shared with our parts customers.

changed his medicine again. Mr. and Mrs. William Leiser visited their daughter, Sue Ann Elencov, last week. He has been in India for his company as a teacher and consultant. They taught some seminars. They brought back a papier-mache bowl for Katy, very pretty painted.

Edith Main is in room 314 at Grady Memorial Hospital, but hopes to be out in a day or two. She now knows Kenny and can talk.

Happy birthday to Ralph Monk and Arthur Davenport next Sunday and to Neena Orashod next Tuesday.

Happy wedding anniversary to Dolly Bowman and Gail next week.

On Alum Creek Lake last week and this week I have seen many strange things, such as boys riding bicycles on the ice, riding through water, some of those small snowmobiles, men still ice fishing. Guess they have been catching some.

Well, this past week we have been making many trips to Grady Memorial Hospital, but as of Monday noon we have Ed home. And are very thankful. We wish to thank everybody for their concerns and prayers, all the cards, flowers and special little things. Now it is mostly rest. Up about 15 minutes and then rest.

We have much to be thankful for and the blessing that God has bestowed upon us.

Our daughter, Virginia Helwig, has been with me ever since the call to her two weeks ago. On Saturday Beth drove by herself to see grandpa, and then went back on Sunday afternoon. My, how wonderful it is to have such good grandchildren. Also our many friends and relatives.

## This and That at Harlem

by Betty Johnson

Two of our more noteworthy citizens have been written up in the Columbus newspapers recently. The first were Don and Pat Bishop of Harlem Road who became the owners of a light red railroad caboose. They have placed the new acquisition beside the pond in front of their house. It really isn't much of a surprise that the Bishops have this new treasure. Pat and Don are always

going to auctions and buying interesting things. One time it was an old fire engine. I think So, a caboose is only a little step up from fire engine. Pat has been employed by a furniture refinisher and so knows a lot of neat tricks to make antiques and just old things take on a new life. The things they have both accomplished with the house they live in is testimony to their dedication and hard work.

Secondly, Vicki Miller of Center Village Road came up with the alternate motto for the tourism department of Ohio: "OHIO-We Make Memories!"

was one of twelve mottos that Vicki entered in the recent contest. She wins a contribution to the charity of her choice, the Columbus Cancer Society, and a weekend for Larry and her at a state park. Having her picture on the banner of a daily paper caused quite a stir to Vicki's friends.

Ashlon and Rita Ritchie held a party for his high school age Sunday School class on Saturday evening. Around 15 or 20 teens came and enjoyed the evening.

The FFA sponsored a bowling party on Saturday. Eric Johnson and Jeff Paul were two of those participating. It will soon be time for the annual FFA Banquet. This is always a sight of colorful plants and flowers as the FFAers show off their landscaping talents. They also have served a very tasty meal, in the past, of beef that they butchered and cut up themselves. This will be our family's last banquet.

Bob and Margaret Gorsuch, who live way down on Harlem Road, are celebrating their 50th wedding anniversary next week. Gary's and mine is also next week, but only the 19th anniversary. Seems like most of my meaningful life, anyway.

# Scots Clinch MOC Share

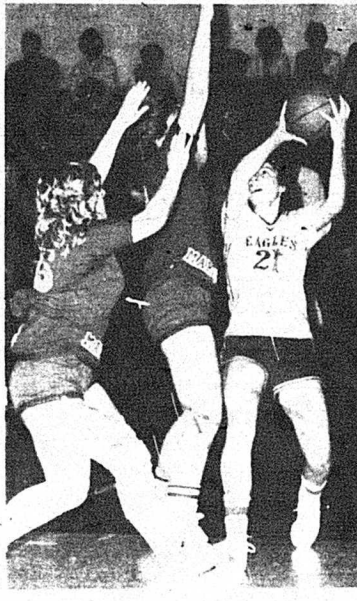

by John Gladden  
"Now the ball is in our court," said Highland coach Dick Heath after his Fighting Scots' 67-46 triumph over the Crestline Bulldogs last Friday night.  
The Scots, who have not seen a loss since December, are now in sole possession of first place in the Mid-Ohio Conference as the league race comes down to the wire. Previously, Highland had shared that slot with the Ontario Warriors, but the Scots' win coupled with Ontario's 54-50 loss to Fredericktown, was enough to catapult them into the top spot.  
Crestline, out of the championship race themselves, but still in a position to greatly influence the outcome, gave the visiting Highlanders a real run for the money that for awhile had Highland fans shifting uneasily in their seats including coach Heath.  
"I was a little bit worried there at the beginning," he said. "The kids were playing really hard, but there was no enthusiasm. We lacked purpose. Crestline is just

one of those teams," continued Heath, "that if you don't watch what you're doing, they can make you look bad."  
The Scots appeared to be reluctant in their play at the outset content to allow Crestline to set the pace of the game. Early in the first quarter the Bulldogs took as much as an 8-2 lead before the Highland offense got into gear and turned that around to a 16-13 advantage at the close of the period. The Scots continued to build on that lead, to go up 34-24 at intermission. The Scots' comeback was headed by 6-6 junior Rob-Jankous, who had 18 points in the first half, and went on to be the game's leading scorer with 22.  
"The first half we played very lethargic basketball," said the Highland coach, "but it's good that we were able to play at the other team's tempo and still win by 21 points."  
A significant element in the Scots' ninth consecutive win was the outstanding depth of the

Highland bench, most notably the performance of senior Rich Denman who traced the score-board with a total of 20 points. Denman alone has contributed 33 points off the bench for Highland the past two games. His precise perimeter shooting opened up the inside for drives by Linkous and by sophomore Jim Gray, two of the Scots' prominent post players.  
Another strong effort came from Highland's Chip Dunahugh, a 6'2", 195 lb. senior who came into the game for the Scots, scoring only four points, but providing some aggressive play under the boards and good leadership on the floor.  
One of the unsung heroes of the game, and of the entire season, has been senior Bob Castree. His blanketing defense and near flawless ballhandling have been instrumental to the Scots' successful season.  
"Bobby does the kind of things that don't show up on the score-board. He didn't have any points,

but he had two rebounds, two assists, and no errors. He knows what has to be done and he just goes out and does it."  
The Highlanders fared somewhat better in the second half, and behind the inside-outside combination of Linkous and Denman built a 48-32 deficit by the end of the third period, and went on to take home the comfortable victory.  
Highland won the battle of the boards, despite being out-rebounded 21-9 in the first half, chalking up 34 to Crestline's 31. Scot Dave Montrose led all rebounders with nine, followed by teammate Linkous with eight. Doug Bruce paced the hosting Bulldogs with seven.  
Heath was encouraged by his squad's improved shooting performance, as the Scots went 27 for 53 for 51 percent, a figure up from his team's past several outings. Crestline suffered a 16 for 42 night, for a 38 percent showing. The Bulldogs were more successful from the charity

stripe, canning 74 percent of their free throws to the Fighting Scots' 57.  
The Highland Jayvees were again winners, besting Crestline 52-41 despite being behind for the greater part of the contest. The Scots were led by freshman ace Judson Jain who totaled 18 points for the winners. Alan Thompson and Vince Brown netted 16 and 10 points, respectively.  
The Scots were slated to play their final conference game this past Tuesday night at Sparta against the Marion Catholic Fighting Irish. They finish the regular season, again at home, on Friday as Lexington visits.  
Even if the Scots lose to the Irish, they are guaranteed an MOC co-championship with Ontario, but a win would cement a Highland crown. "It's great to drive for a championship, but there's one thing that's even better," said Heath, "and that's winning one."

# Girls Whip Monarchs for 2nd Face Dublin Third Time In AA Sectional Monday

by Steve Kestler  
Big Walnut's varsity girls basketball team assured itself of second place in the Central Buckeye League Buckeye Division when it overpowered Marysville 60-27 last Thursday in Sunbury.  
The Eagles finished with an 11-5 record in the conference and Marysville closed out this past Monday with a 6-10 slate. Beasley won its first-ever CBL crown with an 11-4 mark after defeating the Monarchs while Buckeye Valley took third at 10-6.  
Coach Dean Duffey's troops (now 15-5 overall), get a chance to face the team that knocked them out of a share of first a little over a week ago. BW travels to Centennial High School to face Dublin for the third time this season in the Class AA Sectional Monday at 6:15 p.m.  
The winner will meet either East or Centennial in the championship on Friday, Feb. 24, also at 6:15. The Shamrocks finished fourth in the CBL with a 7-9 record and are currently 9-10 on the season.  
Celebrate Parents Night  
Marysville quickly found out how the evening would go as the Eagles sprinted to a 6-0 lead on baskets by Kristie Kintner, Kelly Slone and Lisa Severance. Besides parents night, it was the last home game for seniors Kintner, Severance and Kathy Foley. Janelle Podersy, another senior did not play because of an injured ankle.  
Before long, BW mounted a 12-4 edge when Slone used a power move with 2:56 left in the first quarter. After the Monarchs scored with 6:21 in the second, the home squad proceeded to rip off the next 14 points for a 28-7 advantage at half. Kintner totaled 8 and Chapan had 4 in the span.  
Duffey went to his bench in the second half, but Marysville did not score again until 6:47 of the third — nearly eight minutes without seeing the ball go in the hoop. Following two straight buckets from Lori Green and Michelle Smith, the Eagles were off and running. Chapan dropped in two consecutive seven-footers. Slone hit a power move but failed to get the free throw on a potential 3-point play; Chapan

came back with a short range jumper and Kintner missed one with 1:36 in the third. When the dust had settled, BW was ahead by an incredible 29 point margin (40-11).  
Points kept flowing in the final quarter as Duffey interchanged his starters and bench. Jill Belcher swished in two baskets. Slone tacked on two points. Severance canned four. Denise Meyer, Wendy Spurrier and Susie Churchill, playing in her first varsity game, all had single goals while Foley hit two free throws to close out the scoring.  
As the result indicates, BW was dominating. From the field, they were 42-for-64 percent, had just 16 turnovers, and controlled the

glass, 37-25. In the last category, the Eagles were paced by Chapan with 13 boards, Meyer and Severance with 5 and Kintner with 4.  
Kintner led all scorers in the game with 16 points, including a 47 foul line and 6-9 field efforts. Chapan backed that up with 14 points in a perfect 7-7 showing from the field. Slone chipped into the action with 10 points as she was 5-10 from the floor.  
Rounding out the scoring were Severance with 8 in going 4-6 from the field, Belcher with 4 and four players — Meyer, Foley, Spurrier and Churchill — all with two. BW was 6-13 at the bonus area and closed out with 26 steals, seven by Chapan and six from Kintner.  
A See-Saw Reserve Game  
Big Walnut made up for an earlier loss to Marysville by posting a 30-23 win to make it a clean sweep for the night. After

losing a sizable lead, the Eagles rallied in the last period to collect their fourth CBL win against 11 losses. On the season, the finished 11-5.  
The Eagles looked like they might run the Monarchs right out of the gym. Cindy Sever, Churchill and Wendy Spurrier scored to give the hosts an 8-1 lead after the first quarter.  
After Sever hit a short jumper in the second quarter, Marysville reeled off the next nine points to tie the game at 10-10 with 1:45. Spurrier gave BW the edge at half when she put in a rebound with 41 seconds.  
The visitors controlled the third quarter and took the lead with just ten seconds gone in the third as Green hit a 15-footer for a 13-12 margin. MV extended it to six with 1:12 on a three-point play but Amy Mathews hit the front end of a one-and-one with :47 to bring it down to five.  
Big Walnut regained the lead

for good when Heidi McDannald canned a short jumper for a 21-10 showing with 4:30 remaining. Sever added a power move and two free throws to give her team a 25-20 advantage with exactly three minutes. Spurrier later contributed a basket and free throw with Churchill scoring a goal with :05 to wrap up the game.  
Spurrier tied for game scoring honors with MV's Green as each produced 11 points and the sophomore center also hauled in 14 rebounds. Sever followed with 8 points, Churchill had 6, McDannald and Cindy Lacy 2 with Mathews getting the single free throw.  
BW outrebounded the Monarchs 48-23 with Churchill pulling down 11 while Sever and Lacy gathered in 6 apiece. Of the Eagles 17 steals, Brenda Cantrell had 4 and Sandy Haycock, Spurrier and Kelly Robbins all had 2 each.

### Coaches Are Pleased With Cage Clinic

Varsity and reserve basketball coaches at Big Walnut rated the recently completed fundamental clinic a huge success and plan to continue with the program in future years.

In the first photo, junior varsity instructor Bill Adams picks out the teams as the clinic ended last Saturday with game competition. In the second picture, reserve player Dave Grumney watches one of the sixth grade youngsters during a lay-up drill prior to the start to one of the contests.

Adams told that over 100 students in fourth, fifth and sixth grade participated in the sessions at Big Walnut Elementary School. "The kids responded well to the basic information we gave them," said Adams. "I thought the clinic went real well and hopefully, we can keep them involved in the sport."

Varsity coach Ron Walters praised both the efforts of his assistant, Ric Cavicchia and Adams, who gave up several weekends to conduct the clinic.

As for the kids, Walters said they were "enthused and anxious to learn. We're optimistic and see a lot of potential with this group of kids. It was a good start."

Cavicchia, who has a game scheduled in the near future for the sixth grade, said he was "most impressed with the kids' enthusiasm and how they wanted to learn. Going over there was a joy and it picked me up," he continued. "They are very coachable and eager to learn. I'm looking forward to the next few years."

## Frosh Coach Praises Team As Season Closes

by Steve Kessler

"It was my pleasure to have such a fine group of guys in my first year of coaching. I will miss working with these young men but do look forward to watching them progress as players over the next three years."

That comment from Big Walnut freshmen basketball coach Steve Giesenkamp sums up what has been an excellent season, despite a 23-27 loss to West Jefferson in the Central Buckeye League tournament. The Eagles finished 5-7 overall. In the league, they finished 3-4 in the East Division and 2-4 in the West Division.

The record is truly gratifying since this team did not win a game as eighth graders. "Each player on our roster has improved their physical as well as mental concept of the game," says Giesenkamp. "We certainly aren't overjoyed at being under 500, but keeping things in perspective, these guys made tremendous strides in the right direction."

Against the Roughriders, Pat Murphy came up with his

"game" in pacing Big Walnut in the Tuesday, Feb. 7 second round contest at Buckeye Valley. Murphy scored all of his 13 points in the second half and that enabled us to get back in the game," pointed out Steve.

The Eagles fell behind 9-2 after the first quarter, were down 15-10 at the half and 26-18 after the third. BW did cut the margin down to four (28-24) in the fourth but that was as close as they would get. "We felt we could beat them, but their two guys inside J.D. Bowman and Brian Ferguson were more than we could handle," remarked Giesenkamp.

Following Murphy in scoring was Rick Frost and Dan Charnas with 6 points while Dave King and Dwight Lohr came in with one point apiece. Giesenkamp also said everyone got playing time including Keith Hartzler, Bob Rhodes, Greg Detorre, Dave Farnio, Matt Cotter and Kevin Walker. For W.J. Bowman totaled 14 points and Ferguson had 12.

## JV Wrestlers Place 4th in CBL

Eight individuals finished in the top four as Big Walnut ranked high in the Central Buckeye League reserve wrestling tournament at Marietta last Saturday.

The Eagles of Coach Mark

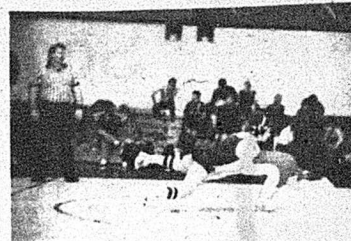

Matthews took fourth place with 86 points, an effort which tied last year's standings. Dublin was first out of 10 participating teams while Grandview and Academy were deadlocked for runner-up honors.

Bill Wentz collected a championship medal as he won the 105-lb. weight class. Winning second were Steve Siders in 112 and Steve Glenn in 145 with Scott Wessensfluh earning a third place berth in 167.

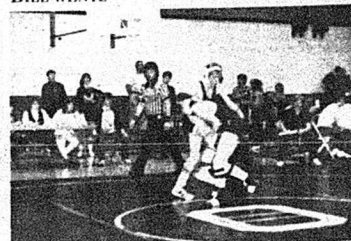

Rounding out the effort were the four from Tim Stambaugh at 119, Bill Adkins in 132, Steve Sigman in 138 and Brad Dean in 155. "The kids just did a super job as we took nine people and eight of them placed," commented Matthews. "I was very impressed with our performance."

At the Pickerington Tournament on Friday-Saturday Feb. 3-4, the Eagle matmen finished seventh out of 18 teams with 6 points. Gahanna dominated the competition with 230.

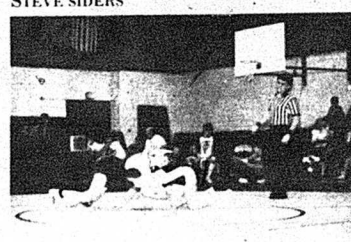

Individually, Gary Walberry was third in 98-lbs., John Waldo third in unlimited and Glenn fourth in 145. "It was a nice job by everyone," Matthews added.

## Reserves Bow Twice, Finish Against Monarchs

by Bob Kennedy

Playing perennial powerhouses like Bentley and Academy is one thing; but playing other teams with a higher classification is something else.

Last Saturday evening, Class "AA" Big Walnut met Class "AAA" Delaware on the Pacers' home floor, where they are very tough to beat. It was, in a way, a sort of David and Goliath type of match-up and one in which Goliath won commandingly, 50-32.

With their twelfth loss in thirteen games, Coach Bill Adams' reserves drop to 1-16 overall going into their final game of the season tomorrow night in the annual homecoming affair with Marysville at 6-45.

The hosts took complete control of the proceedings right from the start, scoring the game's first 15 points. Amazingly, all but one of their opening markers came from the field with the lone free throw being John Musgrave's three-point play with 2:39 on the clock.

BW's lone bucket came on Roger Cluquenoel's corner jumper at the 1:10 mark of the period. In the second period, Mike Denton sank two free throws with 2:29 to go.

Denton and Jeff Fisher both hit outside jumpers in the third to narrow the gap to 32-12. Follow-

ing six points in a row by Hayes, the Eagles came back on hopes by Cluquenoel and Denton inside of a minute apart and Fisher canned a foul shot. After two Delaware goals, Fisher then rounded out the scoring here with a seven-footer.

BW opened the fourth and final stanza with a ten-foot baseline jumper from Cluquenoel and Denton followed that with a 20-footer about thirty seconds later. Both squads then exchanged two-pointers until the Eagles closed out the game's scoring on a free throw by Cluquenoel, a rebound from Ron Robinson, and Fisher's lay-in.

For BW, Cluquenoel led scorers with 11. Rebounding was dead even at 21 with Fisher, Cluquenoel, Robinson, and Mike Tutovore all hauling in 4 with Denton coming in with 3.

**Suffer Pounding Friday**  
Maybe it was the awe at seeing such an impressive and massively beautiful structure as the gymnasium of only two years was.

Whatever the cause, it obviously bothered Big Walnut enough for them to hand over a 65-20 decision to Dublin last Friday night. The loss lowers BW to 3-15 in the Central Buckeye League.

The battle began tough as Jeff Wray and Marty Brooken each hit short jumpers within thirty seconds of each other. But the fight was soon over, for the Shamrocks proceeded to outscore their opponents 10-0 for the rest of the quarter and storm out to a 12-2 lead.

BW finally silenced the onslaught of Dublin dribblings on Roger Cluquenoel's 25-foot bomb with 4:47 left in the second quarter. Afterwards, the two teams traded off buckets until the period concluded.

For the Eagles, Robinson was tops with 6 points. The taller Shamrocks easily won the glass cleaners award, 34-18. Dan DeLong led BW with 6 and Fisher had 3.

## COSA Sign-up Deadline Is Slated for February 25

by Dr. Mike Anthony

Central Ohio Soccer Association's spring program is now open to boys and girls who were born anytime in 1966-1978. Teams will be made up by age group according to COSA rules and as far as possible by neighborhood. The 1977 and 1978 leagues will be conducted on a non-competitive basis.

All participants in the recreational program, except for those participants playing on full-size fields (age 11 and older), must play at least one-half of each game, on fields which vary in size with their age. With the older age groups free substitution rules will be followed. Playing fields will be located in the Westerville and N.E. and N.W. Columbus.

The program will start in April and run through late May (or early June). The entry fee for each participant is \$30, except for those players in select leagues, for whom the fee is \$50. However, those families enrolling three or more children need pay an entry fee of only \$50 (unless select play is involved). All applications and fees must be sent in together for proper credit. No refunds will be given after March 19 unless the child is not placed on a team.

In the event a team obtains a

sponsor (\$85), then each player on that team will receive a refund of \$6, which will be returned through the coach.

The only equipment which has to be supplied by the players will be shin guards, shorts, knee-length socks, and cleated athletic shoes (no metal cleats are permitted). The color of the shorts and socks will be decided at the first parent coach meeting.

The deadline date for applications and fees is Sat., Feb. 25. If you would like to join, please contact the COSA office at 6810 Oak Creek Drive, Columbus, Oh. 43229 or call 890-1207. You can also pick up or turn in application forms at my office, 20 1/2 S. Vernon St., Sunbury.

## Big Walnut 8th Graders End Season

Big Walnut's eighth grade boys basketball team completed their season with games against New Albany and Grandview.

The future Eagles fell 57-22 to the host Bobcats on Thursday, Jan. 26 in the final game of the season. Doug Meacham scored 6 points and was followed by Brian Campbell (4), Jamie Jones (4), Pat Gailey (3), Randy VanBuren (2), Todd Cochran (2) and Jason Lettice (1).

Against visiting New Albany on Thursday, Jan. 19 - in which BW lost by a close 34-30 count - Gailey ripped the nets for 10 points. Next in the scoreboard were Meacham with 7, Campbell and Jones with 5, Eric Brembeck with 2 and Lettice with a single point.

## Walnut Hosts Marysville for Homecoming

Coach Ron Walters Big Walnut varsity basketball team hopes to conclude their regular season on a joyful note when they entertain Marysville Friday in the annual Homecoming contest.

In the last meeting between the two Central Buckeye League teams on Jan. 6, the Monarchs prevailed 48-45 on a controversial finish. After falling to Dublin last Friday 73-51 and Delaware Hayes 81-59 in the first-ever cage match-up Saturday, BW is now 3-12 in the loop, 4-14 overall.

Jamie Wampler is shown in the adjoining photo reaching for a rebound from the Pacers Matt Weiler and Gordie Wilson. The 6-3 junior center grabbed the loose ball from Wilson and went on to score five points in the game.

Big Walnut had to overcome large leads both nights against the tough defense of the Shamrocks and the quickness of

Delaware. The Eagles did come within seven points of Dublin and four against the Pacers before the hosts decided the outcome.

Against Dublin, Gibson totaled 16 points and was 6-8 at the line. Troy Petrie followed with 14 points in going 7-14 from the field while Rolly Heyder scored 7, Jerry Williams 6, Steve Parsio 4 and Jim Foley and Paul Taylor getting 2 each. Petrie and Parsio also had 7 rebounds.

In the Delaware game, Gibson again was the Eagle leader with 18 points, this time going 8-10 at the charity stripe and hauling down 7 boards. Brehm was next with 13 (5-6 at the line), Williams tallied 10, Petrie and Wampler had 5 with Heyder, Parsio, Foley and Kevin Leymaster recording a goal each. Parsio also added 5 rebounds.

## JVS Observes Vo-Ed Week This Week

Samantha Davis, daughter of Mr. and Mrs. William Davis, Trenton Rd., Sunbury, is shown putting up one of the winning Vo-Ed Week posters. Samantha is getting ready for Vocational Education Week (Feb. 13-17) at Delaware City-County Joint Vocational School.

Davis is a senior in Diversified Health Occupations and a

member of Vocational Industrial Clubs of America. Future plans for Davis include going on to Ohio State University, where she'd like to major in nursing. Currently she works at Mann Nursing Home. Davis attended the Spaghetti Dinner and Skill Olympics which was at the Delaware JVS this past Wednesday (Feb. 15).

## Kilbourne News Events

by Mrs. Karl Smith

Kilbourne MOM'S Club had their husband's dinner party last Monday at a restaurant with 19 members and their husbands and Mr. and Mrs. Bill Headley attending. After dinner Deacon Headley of Columbia Gas spoke and was entertaining.

Kilbourne Child Study Club met Monday evening at Mary Louise Sheetz home. There were nine members attending. She gave devotions from "Ideals" on John Newton, author of "Amazing Grace" and many other hymns. After the business meeting, the program was given by Charlotte Putman, from the "Valentine Ideals." She read many poems and each read a poem she had marked to be read. The next meeting will be at Carolyn Fleming's home.

Brown Busy Bees had an election of officers at their meeting Monday evening at the Kilbourne church. Projects that can be taken were reviewed. Officers for the coming year are: Janet Stepanovsky, president; April Bunker, vice president; Elissa Heinrichs, secretary; Penny Cole, treasurer; Julie Lett, vice secretary; Rachel Stepanovsky and Starr Pauley, reporters; Suzanne LaCrosse and Leann Sheets, recreation leaders; Tammy Cole, safety leader; Jennifer Sheeler, health leader; Mandy Sheets, energy leader. The next meeting will be Feb. 20 at the church at 7 p.m.

Mr. and Mrs. Vic Conley of Upper Sandusky visited Mr. and Mrs. Harold Caudill last Sunday evening after visiting Mr. and Mrs. Henry Conley in Sunbury. Jim and Grace Boston returned home to Kentucky after a visit with his mother, Ruth Boston. Ruth is now a resident of Crestmont Nursing Center, Delaware.

Mary Fickie's mother, Mrs. Wilson Edwards, celebrated her 92nd birthday at the Sarah Moore Home, Delaware, where she has been since July. Mary Fickie and daughter, Becky Webb, a sister of Mt. Vernon, and a brother of Sunbury attended her birthday dinner at the home on Thursday. They put on a "This Is Your Life" program with her grandson, Larry Edwards, emcee. Mrs. Wilson wore a crown and a silk corsage.

Friday, Harry Cackler had his 95th birthday. I believe he is the oldest resident of the area. There was a supper birthday party for him at his home where Harry Cackler Jr. and Marge Cackler also live. Those there were Marion and Ruth Schillinger; Grace and Billy Williams; Helen Conway; Minnie Blair; Mary Wells and daughter, Sally; Earl and Erma Jean Hesse; Bill and son, Bill Cackler, and wife and daughter, grandson, Buddy Cackler, wife and family. Harry received a card from President Reagan and Nancy. He also enjoyed cards he received from friends and neighbors. Marge says he is going good for his age. We are glad he could enjoy his birthday.

Bill U. Sheets came home from Grady Memorial Hospital Saturday, after being there the week with pneumonia.

Mr. and Mrs. Phil VonVillie went to a dance performance which their daughters, Helena, took part in at Hullat Hall, OSU. They went to the performers' party afterwards with Helena.

There was a birthday covered dish dinner party for Donna Reece with her family on Sunday afternoon. Those there were Tommy and Iambi Steinmetz and four sons, Joy Baker, Candi and Wendi Cook, Wayne, Debbie Russell and son, Mr. and Mrs. Jack Huls, Mr. and Mrs. Jack Huls Jr., Mr. and Mrs. Vic Theverin and son and daughter, Kevin Hayhurst, Heidi Cook, Ron Sparks, Carolyn Basham, Ron Bouni, Albert, Peggy, Bryan and Annette Reece.

Mr. and Mrs. Doug Caudill visited Mr. and Mrs. Harold Caudill on Sunday afternoon.

Mr. and Mrs. Lowell Powell went to visit Mr. and Mrs. Clyde VanSickle of South Side, W.V. Friday afternoon. Saturday they visited Rev. and Mrs. Robert Link and Bethany at Huntington, W.V. and returned home that

evening. Last Sunday they visited Mr. and Mrs. John Scroggins at Mt. Gilead.

Karrie Stoy of 2020 N. Galena Road, daughter of Mr. and Mrs. Richard Stoy, is the 10-year-old girl who was struck by a car while turning into the driveway at her home on her bicycle last November. She was in poor condition many weeks at Children's Hospital. After she came out of traction, a body cast was put on her from her waist down, and then she was able to come home. This was in January. Neighbors and people of the Rural Chapel U.M. Church helped her mother put Karrie in the car and went with them to Children's Hospital for therapy. She is making good recovery and they feel she has been blessed. A tutor, Miss Harper, of Brown School has been coming to the home and Karrie is keeping up in her school work and is looking forward to regaining her class at Brown in September.

Mr. and Mrs. Richard Stoy and family (Richard, Robin, Karrie and B.J.) moved here from Atlanta, Ga. in 1982. I visited with Karrie and Mrs. Stoy for over an hour on Friday night on a blackboard. She is able to use her right eye, so she doesn't read much herself. She likes to listen to tapes and receive mail. She will be 11 on May 16 and is a normal girl. Her body cast will come off Mar. 1 and she is looking forward to this. We wish her a speedy and full recovery.

Mr. and Mrs. Jim Thomas and family and Mary Carmel McNamara went Sunday to visit Rita Schupke and girls at Urbana for the afternoon and evening meal.

## C&SOE Pays \$395,030 in Property Taxes

Columbus and Southern Ohio Electric Company paid Delaware county \$395,030 in property taxes. The payment was made Feb. 9.

A second payment of a comparable amount will be made later this year. C&SOE is Delaware county's largest property taxpayer.

According to Harry Post, C&SOE assistant treasurer, approximately 5 cents out of every dollar customers pay on their electric bills go toward the payment of property taxes. That figure rises to about 8.5 cents out of every electric revenue dollar when all state and local taxes are added.

In addition to Delaware county, C&SOE is the largest property taxpayer in Athens, Coshocton and Franklin counties. C&SOE will pay nearly \$18.8 million in property taxes to these three counties alone during 1984.

While C&SOE serves customers in only 25 Ohio counties, it holds property for generation, transmission and distribution purposes in 35 different counties and must pay property tax in all of those counties. In 1983, C&SOE paid a total of \$22.4 million to those counties in the form of property taxes. It anticipates paying nearly \$27 million in property taxes in 1984.
