CAGERS EARN SECOND CBL TITLE  
HAMM, BACHMAN END WITH BEST GAME

By Steve Keeler

A large supportive home crowd and determination produced a second straight Central Buckeye League crown for the Big Walnut lady cagers.

Coach Dean Duffley's junior varsity won their first-ever title in the preliminary contest and made it a clean sweep for the night. Further details of this game are located on today's sports pages.

Coach Tom Peyton's crew, aided by the cheering of the capacity Eagle followers, staged a brilliant comeback to hand North Union its first league loss of the year.

The Wildcats had come into the fray with an unblemished 9-0 record. Big Walnut scored its first point of the game when Senior Connie Bachman hit a 15-ft. jumper with 5:30 on the clock. The Wildcats' largest lead of the second quarter came with 6:53 left when Teri Rea hit a lay-up for a 20-11 edge.

Third quarter action was uneventful and North Union maintained a 10-point margin heading into the last period. After trading baskets for the first four minutes of the quarter, the Eagles began their comeback with 4:47 left as Bachman hit another jumper for a 49-42 NU edge.

Senior Karen Hamm then went to work with her clutch corner jumpers and foul shooting as she mounted an 8-0 score. Big Walnut scored its first point of the game when Senior Connie Bachman hit a 15-ft. jumper with 5:30 on the clock. The Wildcats' largest lead of the second quarter came with 6:53 left when Teri Rea hit a lay-up for a 20-11 edge.

In a recap of the battle, the Eagles fell behind early as NU

## County Is Updating Central Sewer Standards

County commissioners Monday signed an agreement with an area consultant to draw up policies and procedures governing central sewerage treatment operations in the county.

County administrator Don Fisher explains the set of standards will be made available to any developers or contractors who are planning to install central treatment plants in their developments. "These central plants will eventually be a part of the county's sewer system, and with the changes in law over the past few years, the county needs to update its regulations and standards regarding these treatment facilities."

County hired Frank S. Baum, a retired civil engineer from Lockbourne, to make the study and draw up the policy and procedure standards. He is to be paid up to \$2,000 for the work.

Commissioners set viewing and hearing dates for the vacating and abandonment of roads and parts of roads taken by the Alum Creek Lake project. Viewing will begin Monday, Apr. 30, at 2 p.m. and continue until all the roads have been studied by the commissioners.

Hearing on the vacatings is set for June 4, at 2:30 p.m. Fisher explained the county

## Motor Vehicle Registration Begins Friday

Vehicle registration will get underway Mar. 1 when non-commercial vehicle, motorcycle, motor home and house vehicle owners may begin early-bird renewals.

In addition, commercial trucks and trailers, farm trucks and buses may begin registration on this day. Passenger car registration begins on Friday, Apr. 2. Deadline for displaying validation stickers for all types of vehicles is midnight, May 31.

Marvelline Wilson, Sunbury registrar, says she'll be open for business from 8:30 a.m. to 4:30 p.m. daily, but won't open on Saturdays for a while. She also says fees will be the same as last year.

Registration is set aside strictly for owners of non-passenger vehicles -- trucks, farm vehicles, trailers, buses, house vehicles, motorcycles, motor homes and non-commercial vehicles. No passenger cars will be registered.

provided by the county as routine services. Charges totaling \$1,740.78 were charged against various patients' accounts and examined records that these accounts be reimbursed for the improper purchases made.

## Bloodmobile To Be In Sunbury Mar. 15

Delaware County Red Cross Bloodmobile will be in Sunbury at the Sunbury United Methodist Church on Thursday, Mar. 15 from 12 noon until 6 p.m., announces Mary Ellen Miller, chairman.

Volunteers will be calling for appointments. At least 200 donors of all blood types are needed to meet the quota.

Those wishing to make an appointment may call Mary Ellen Miller at 965-1816 or Joanne Schaeff at 965-3619.

## Jim McKenna Resigns Eagle Grid Position

Jim McKenna, Big Walnut's head football coach for the past two years, resigned his post and his teaching position Tuesday and he will leave the system at the end of the school year.

McKenna, who has been at Big Walnut for the past eight years will be going into sales work dealing with real estate people.

"I have this opportunity and I felt I had to resign early before I decided to back out," he said. McKenna has been head football coach for the past two seasons, compiling a 7-2 record in 1977 and last fall finishing at 3-6-1. He served as varsity track coach for eight years, assistant football coach under Bill Havens and Russ Frawel for seven years and one year as eighth grade basketball coach.

Jim and his wife, Mary, and two daughters, Melia and Molly, will be moving to Marietta, their home town, at the end of the school year. He teaches OWA (occupational work adjustment) at Big Walnut.

## Band, Athletic Boosters to Share May 28 Flea Market

Big Walnut Band Boosters and Big Walnut Athletic Boosters agreed Tuesday night at regular meetings to share the operation of the Memorial Day Flea Market set May 28 on the Sunbury Square.

Both groups made application to Sunbury Village Council for the operation and council asked if they would share it. Big Walnut Drill Team and Flag Corps Parents Club will operate the food concessions for the day.

The latter group will use the monies they raise for helping students in attending camps this summer while the Band Boosters plan to upgrade band instruments and provide funds for summer band camps.

The Athletic Boosters have several major projects including an addition to the seating capacity at the football stadium and the re-surfacing of the all-weather track and converting it to the metric system.

## Chamber Discusses Seniors' Transportation

Big Walnut Chamber of Commerce last week discussed senior citizen transportation services and flea market prices for the July Fourth celebration this year.

Heleen Cline, of the Senior Citizens Supportive Services, told the group she is in need of more volunteers to assist her in driving area seniors to doctor's appointments, etc. during week-day hours.

Mrs. Cline said most trips run

about two hours, and several must be made to hospitals in Columbus. She added that some of the trips may involve handicapped persons as well.

She also requested persons interested in helping her efforts to contact her, Hawthorne Ct., in Sunbury.

Chamber agreed to increase the rate charged by the July Fourth committee to \$8.00 for rental of flea market spaces

## State Examiners Question North-Credit Center's Account

State examiners have found accounting records and procedures of the patients' personal allowance accounts of the North-Credit Convalescent Center to be "inadequate, inaccurate and not in accordance with state and federal regulations."

Examiners cited the lack of proper documentation for expenses charged to the personal allowance accounts as the major problem.

Invoices, receipts and sales slips were not in detail so as to indicate what the expenditure was for, or for which patient the item was purchased, examiners said.

The special investigation of the 65 bed intermediate care facility was conducted by State Auditor Thomas E. Ferguson's office, following receipt of complaints about the handling of patient personal accounts. Improper expenditures from the patients' personal allowance fund totaled \$11,041.93, examiners said.

Federal regulations require that Medicaid recipients residing in nursing homes be allowed to retain \$25 per month of their resources for their own personal needs, according to examiners.

Each patient is allowed a maximum of \$300 in his or her account.

An analysis of items purchased with patient personal allowance funds disclosed purchases charged against the patients' accounts which should have been

WITH STATE APPROVAL

## Auditor Foregoes Some Procedures With CAUV

County Auditor Dave Thomas urges farmers and farm owners who haven't already done so to make their applications for the Current Agricultural Use Values (CAUV) by closing hours Monday, Mar. 8.

Auditor's office reports about 80% of the farms in Delaware county are now under the CAUV tax credit for this year, and Thomas says his staff is still processing applications. Actual deadline, according to the 1974 law, is the first Monday in March for filing.

Thomas told The News Tuesday that with this year's triennial reassessment and some confusion over the new law, he's asked the state to allow him to forego some of the requirements as set up for the procedure this year only.

"Normally, farmers have to make application for the tax credit by the first Monday in March in the year for which the

taxes will be paid. That is, they have to make application now, for instance, to qualify for 1978 taxes, payable in 1979," the auditor explains.

"Also, according to the law, I'm supposed to send renewal applications to those farmers who qualified the year before, and then follow up with a certified letter to them if we don't get the renewal returned within a certain period of time," Thomas adds.

But this year is different, the auditor says. "We are letting farmers make application year around, due to the reassessment, on their 1978 taxes. So we'll actually process their applications through the closing of tax collections for the first half," Thomas explains.

"We're also automatically renewing those qualifying for 1978 adjustments for the 1979 taxes" (Continued on Page 2)

## Treasurer Collects Taxes Here Wednesday

County Treasurer Marge Conklin will be in Sunbury next Wednesday, Mar. 7, from 9 a.m. to 3 p.m. at the Community Library for the collection of taxes.

Mrs. Conklin will be available to the library to collect taxes from anyone who wishes to pay them in person, but not drive to Delaware to do so.

Marge says she still has a few tax statements returned to her office because of insufficient mailing addresses. She warns that it is the responsibility of the property owner to pay his taxes, even if he has not received a statement through the mail.

Deadline for the collection of first half real estate taxes is Mar. 20.

Sure Sign of Spring!

Lambing time this year is a sure sign Spring is on the way, and at the Zane Potts' home, 7357 SR 656, that sign came all at once Saturday night. In the above photo, two of the Potts daughters, Michele, left, and Karen, right, show off their 4-H projects for this year, a set of twins and a set of triplet Suffolk lambs, all arriving Saturday night.

Zane, back left, and his wife, Carolyn, back right, steady her new mother ewe, Lilly and Violet, while Michele and Karen

try to corral the frisky young ones.

Members of the Pegasus 4-H club, sheep division, under advisor Mrs. Sandy Powers, this year marks the first time Karen and Michele have tried lamb projects. The twins and triplets, born between 10 p.m. Saturday and 3:30 a.m. Sunday, seem to say the Potts girls are having quite a bit of success in their new ventures.

The girls plan to show their lambs in the pure breed classes at both the Hartford and Delaware county fairs this year. They were sired by last year's Grand Champion Ram at Hartford, which the Potts bought from the Utry Brothers farm, Johnston. Both ewes were purchased from Neal Springer, Mt. Vernon.

The twins, named Petunia and Bachelor, were born to a ram, 12 1/2 and 13 lbs. at birth. The triplets, Carnation, Narcissus and Chrysanthemum, were two rams and a ewe, all in the nine and ten lb. range at birth.

## United Way Annual Meeting Is Next Thursday

Many people in the Sunbury area have received invitations to the annual meeting of the Delaware county United Way on Thursday, Mar. 8. This meeting is open to the public.

The only official business conducted at this meeting is the election of officers and board members, Nancy Frankenberg, executive director says. All other business is for the purpose of the program to symbolize the presence and vote of the membership-at-large is conducted at other times.

The annual meeting of the United Way is planned to honor the volunteers, individuals and groups, who each year conduct the county-wide campaign to raise funds for the members agencies. And it is to recognize those individuals and groups that contribute to the campaign at a level which singles them out for special recognition, Nancy continues.

The Annual Report of the United Way organization is available at this meeting which is held at noon at the Holiday Inn in Delaware.

This year's theme for the United Way is "We're all in this together." The program to symbolize the presence and vote of the membership-at-large is conducted at other times.

"When so many work so hard to make possible the continued existence of programs and services that are not controlled by government but by local civic-minded volunteers we need to have a once-a-year celebration in order," says Nancy.

"What we would really like to do is go throughout the county and thank each person individu-

ally but this is impossible," said Tom Bernard, 1978 campaign chairman. "The March 8th luncheon meeting at the Holiday Inn is the next best thing we can do."

Janie Wilson, president, and Bernard will be in charge of the program. Al Williams, Deputy Sheriff, will give the report of the Nominating Committee.

The committee charge includes Marge Day and Toni Veneziano, board members, the United Way Staff, Marge Adams of the Speech and Hearing Staff and Jean Wickum, director of the Mental Health Association.

Those who want to know more about how the United Way member agencies use the funds allocated to them for 1979 are urged to find out when the agency's annual meeting is to be (Continued on Page 2)

## Editorially Speaking...

### School Financing Proposal Is Hogwash

Ohio Education Association's (OEA) recent proposal to increase state aid to education is like all the rest as far as we're concerned - pure hogwash!

It, like all the rest of the proposals we've seen coming from various groups, individuals, and legislators, accepts two false premises - that more money necessarily means better education; and the state should be the one to bail us all out.

The proposal, which the OEA says is supported by various surveys taken around the state, would increase the state tax, and increase state income taxes for those earning \$20,000 or more. The plan would decrease some taxes, including real estate taxes collected locally.

It all sounds good. But so did the state income tax and lottery.

In essence, all this proposal would do, as well as any other proposal which would increase the state's basic aid to local school districts, is give the state more control over our schools, and you and I at the local level, less voice.

We still feel increases in taxes, pumping more money into our schools, is only a means of softening the financial problem - but not correcting the problem itself. If the state would get its clenchers out of our schools - i.e. mandates, per pupil spending ratios, and the like - and local schools were able to operate to the satisfaction of local voters, we feel those same voters would eagerly support their own schools.

Of course, power groups like the OEA, those that draw their base from around the state, would lose their power. Local teachers, local maintenance people, and local administrative personnel would then again have to become totally answerable to local persons footing the taxbills.

Wouldn't it be terrible to have control over our own lives?

who were no longer residents of the facility, while four inactive

accounts were overdrawn a total of \$123.40. Examiners recommended that the Ohio Department of Public Welfare and the Delaware County Welfare Department take immediate action to properly dispose of all balances in the inactive accounts.

Two findings made by the examiners were resolved by the facility between visits of the state examiners.

Excessive accumulated personal allowance funds of 27 patients, totaling \$13,132.21, had been withdrawn and deposited in a patient burial fund savings account, which was found to be improper by examiners. The money was returned to the individual accounts by the facility, examiners said.

After reclassification of the funds deposited in the patient burial fund, six personal allowance accounts contained balances in excess of the maximum allowable \$300. The facility made expenditures for clothing for those patients and the balances were returned within the \$300 limit according to examiners.

which will be payable next year," Thomas says, "forgetting the annual cost of letters and the certified letters, as well as the \$2.00 renewal fee." Thomas says normally the application period begins January 1 of each year, through the first Monday in March.

"Hopefully, by next January, we'll be able to have the letters out with renewal applications for 1980 taxes, just as the law asks us to do," Thomas says.

Meanwhile, there is a movement by the Farm Bureau to amend the bill to make all real estate automatic, once the original application has been processed. However, that is not the law at present.

## Contractor Says

### Tools Taken From Van

Worker with Kokosing Construction Co., Fredericktown, reported to Dep. Frank Kirby last Wednesday that someone had stolen \$795 in tools from the company's construction shed at CR 10 and Cheshire Rd. Dan Walker said the theft apparently occurred sometime on Jan. 28.

## CHAMBER

(Continued from Page 1)

This year, July Fourth chairman Polly Brehm brought up the idea, saying her committee members felt that since the chamber will be donating a percentage of its total income from the celebration to the Marble Tree Fund for the Sunbury square, the rate should be raised.

Mrs. Brehm said her parade committee is still contemplating the theme for this year's celebration, with the main concern regarding 1979 as the "International Year of the Child." Mrs. Brehm said she should be able to make the theme available publicly before the next chamber meeting.

Chamber voted to place a disclaimer in this year's News to the effect of a salesman in town last week selling subscriptions to a national magazine. The salesman, apparently representing the U.S. Chamber of Commerce, in no way represented the local chamber of commerce.

Next meeting of the chamber is set for the last Thursday in March, against Mr. Tom's Country Flax's.

## JVS Board Employs Secretary, Treasurer in February Meetings

Delaware County Joint Vocational School Board of Education met in regular session last week and hired a secretary for the superintendent.

She is Carolyn S. Frayle of Delaware, who has had 14 years of secretarial experience and attended Bliss Business School. Her employment was effective Feb. 26 and ends June 30, 1979.

She replaces Rosalyn Reese, whom the board employed as treasurer at a previous February meeting. Mrs. Reese was the superintendent's secretary since the school began.

Board also employed Don R. Stout, Phillip Reichert and Earle Quillen to teach the following adult education courses: fire training (Scioto Twp.-Ostrander F/D), fire training (Tri-Twp. F/D) and school bus driver basic training.

Members decided to increase substitute teachers' pay as an incentive. The last pay increase was granted on July 21, 1977, according to Dr. John Toth, superintendent. Daily rate increased \$3 and \$4 for continuing teaching in the same program for 10 consecutive days.

They also decided to amend the severance pay policy, calling it retirement pay policy, to conform with the requirements of the Ohio Revised Code.

They voted to participate in the vocational supplemental equipment program with the state funding half and the JVS paying half.

Accepted was the resignation of Margaret Scott as food service aide effective April 9, because of the work being too strenuous for her health.

Board authorized any members and the superintendent to

held and attend it, since these meetings are for the public to attend too, the director says.

### COMMON PLEAS COURT

**Damages Suits Filed**  
Harold D. and Judith F. Long, 10400 Center Village Rd., Galena, filed suit asking \$2,155.24 in compensatory damages and \$10,000 in punitive damages against John B. and Norma A. Bowman, 1705 Mink St., Ostrander, and Murray Realty, Columbus, et al. Plaintiffs claim they bought real estate at the address on Oct. 15, 1978, and sellers warranted there was a sufficient water supply. They claim there is not a sufficient supply and the realtors knew this fact as well when the transaction took place.

Eugene E. and Gertie O. Gunn, Columbus, and Robert Carson, Columbus, filed suit asking a total of \$60,000 in damages against Mark H. Fisher, 1778 Berlin Station Rd., Delaware. Suit is the result of injuries to Gunn and his passenger, Carson, in an accident with Fisher on U.S. 235 on Feb. 27, 1977.

Minnie M. Barr, 16277 Montgomery Rd., Johnstown, filed suit asking \$2,500 in back support, \$432.90 in alimony, and \$15,028.16 in unpaid alimony against Walter S. Barrett, Jr., executor of the estate of Harry D. Barr, deceased, Columbus. Plaintiff says she filed a claim with the fiduciary within the allotted time after her former husband's death, but that claim has not been honored.

She says the support and alimony are due her as a result of her divorce decree from her former husband.

FROM SUPER ACTIVE TO EXACT OPPOSITE...

## An Experience Of The Heart

Editor's Note: Sunbury's optometrist, Dale Brevort, shares his experiences after suffering a heart attack which almost took his life.

By Dale M. Brevort, O.D.  
From a super active life to the exact opposite all at once? That's what happened and the reason was a heart attack.

Out of all the risk factors, I had practically none. I was slim (my wife says skinny), active in sports, normal cholesterol level, didn't smoke, no hypertension and I would like to share some of my experiences.

Let me explain a bit: busy optometric practice, handball three nights a week, Saturday nights always social, dances, dinner, etc., busy family life including home with two acres to keep up and enjoy.

Then, out of the blue, the heart attack that changed all of that - right now.

If you will bear with someone more used to doing eye examinations and participating in sports, rather than a writer, I would like to share some of my good (believe it or not) and some of the bad that ensued.

It makes you MUCH more appreciative of family, health and other people - with the occasional exception such as the friend (?) who tried to get me signed up as a dealer for cleaning products while I'm about half dead in a hospital bed. I have to admit that he knew when he had a captive audience!

You think back and realize just how much something means to you such as my Sunbury practice - the friendly people, the small town atmosphere, etc. Speaking of people, I shall never forget the sweet, pretty, young, little nurse who was caring for me in the intensive care unit. I said something rather morbid to her - she thought I was kidding and she said, "B.S." That put me back on the proper track. I'll never forget that.

I also will not forget Wilbur.

## Otterbein Plans Varied Series of Cultural Events

"Rainbow" of cultural events are being presented this spring in Westerville as part of Otterbein College's Celebration of the Arts. Varied series of dance, music, art shows and theatre are scheduled during the three-month period.

Twelve events are currently on the schedule, according to Thomas J. Kerr IV, Otterbein's president.

"The fine arts events of the next few months serve to re-emphasize Otterbein's commitment to the arts," Kerr states. "Through arts presentations and major arts facilities, such as the new Battelle Fine Arts Center, Otterbein College provides a well-rounded program in the fine arts for students and the community."

Besides local presentations involving Otterbein students, several prominent artists from outside the Central Ohio area will appear.

Feb. 22-24 at 8:15 p.m. and Feb. 25 at 3 p.m. the department of music will present *Trouble in Tahiti* and *Didio and Aresas*. Gene Tucker, tenor, will perform Feb. 27 at 8:15 p.m.

## Yates-Shaw Exchange Vows

Mr. and Mrs. Stephen Shaw

Mr. and Mrs. Elden L. Yates of 292 W. Orange Rd., announce the wedding of their daughter, Miss Terri Lynn Yates to Mr. Stephen Lewis Shaw, son of Mr. and Mrs. Robert L. Shaw, 170 Cheshire Rd.

Ceremony was Feb. 24, at 7:30 p.m., at the Grace Lutheran Church, Westerville. Pastor John Zimmerman presided over the nuptials.

A reception was held following the ceremony at the Berkshire Party House, Galena.

The bride's gown was an ivory

colonial style of brushed Quiana with Chantilly lace insets in the sleeves enhanced with seed pearls. Her hat was matching Chantilly lace with a back illusion veil. The bouquet was colonial of beige, peach and brown silk flowers with brown velvet ribbon.

Attendants were Mrs. Karen Wynne, maid of honor, and bridesmaids Mrs. Kirt E. White-side, Mrs. Jeffrey Hoffman (sister of the groom), Ms. Deena Sheets (sister of the groom) and Miss Kelly Yates (sister of the bride), all of Delaware. All wore peach colored Quiana gowns with colonial headpieces.

Mr. Dale Pierce was best man to the groom. Ushers were Mr. Brian Shaw (brother of the groom), Mr. Jeffrey Hoffman (brother-in-law of the groom), Mr. Jim E. Yates and Mr. Trent R. Yates (both brothers of the bride).

Others in the entourage were Jill Fromson, flower girl and David Fromson, ring bearer. Flower arrangements were hurricane candles surrounded with peach and brown silk flowers.

Terri is a legal secretary and Stephen is employed with PPG Industries.

The couple will reside in Charlotte, North Carolina where the bridegroom will be transferred to the newly opened PPG plant.

## YWCA Offers Workshops from Herbs to Easter

Herbs -- how to grow them, how to dry them and how to cook with them -- will be the focus of the North Community YWCA Spring Luncheon, Mar. 21, beginning at noon.

The luncheon will be held at the North Community YWCA headquarters in First Presbyterian Church, 41 W. College Ave., Westerville.

YWCA volunteers will prepare the luncheon using a variety of herbs.

Rita Ritchie, YWCA House Plant Instructor, will show how to grow, dry and store herbs. A representative of Columbia Gas of Ohio will discuss the use of herbs in cooking.

There will be a charge for the luncheon. Advance reservations should be made by calling or visiting the North Community YWCA, 882-6846, weekdays from 9 a.m. to 1 p.m.

YWCA is also sponsoring two new programs to help welcome the arrival of the Easter Bunny.

First, learn how to make delicious and beautiful candy eggs for Easter during a two-week workshop, to be held Mar. 20 and Mar. 27, 9:30 to 11:30 a.m.

Then you can learn to make beautiful Easter Egg Trees that will brighten your home, on Thursdays, Mar. 23 and Mar. 30, 9:30 to 11:30 a.m.

There will be a fee for instruction and supplies for both workshops.

You must register in advance for these activities. Call 882-6846 or visit the North Community YWCA offices, located in First Presbyterian Church, 41 W. College Ave., Westerville, weekdays between 9 a.m. and 1 p.m.

## Area Woman Gets 3.67 at College

## Suds, Skillet & Stitches

by Dottie Clapham

Here is a rather cheap recipe that you may like to try.

You take a can (12 oz.) of pork luncheon meat, cut it into 8 sections (not all the way through) and place it in a small ungreased baking dish. Place 1/2 tsp. of prepared mustard between each two sections and insert 1/2 slice of pineapple. Sprinkle 2 T. brown sugar over the top. Bake in a 375 degree oven for 20 minutes. To serve, cut through each two sections. Makes four servings.

**Hint of the Week:** If, for some unknown reason, you happen to run out of cocoa or chocolate for the children's milk, add 2 tsp. chocolate pudding to a glass of milk. It's delicious. It is also good hot. Just heat your milk, add a little to the 2 tsp. of pudding, stir into a thick paste, and finish filling up the cup with the hot milk.

### Local Residents Are On Sick List

By Nancy Havens

Linda Grooms of Olive Green suffered a light stroke a week ago Sunday and has been placed in the Delaware Park Care Center, 2270 Warrenburg Rd. This is a skilled nursing care facility for rehabilitation which opened last fall. Linda is expected to be there about a month.

Lorann Gullett of Sunbury is in Riverside Methodist Hospital, Columbus, for surgery.

The Roger Robertises and the Bill Havens enjoyed the home and garden show in Columbus, Sunday, and forgot the rainy and icy weather for a while.

Rev. and Mrs. Dale Riggs of Westerville, formerly of the Mansfield United Methodist Church, were part of a group of over 550 people who returned last week from a tour of the Holy

Land.

BW Senior Citizens News  
By Neil Budd

Thursday, Mar. 8 will be our monthly meeting. It will be a covered dish luncheon and a book sale.

If you haven't attended recently, why don't you come this month? It gets better all the time and there are interesting things planned for the future.

Martha Boyd fell on the ice recently and injured her shoulder. Luckily, she is becoming quite proficient with her left hand.

We're glad to report Ruth Downing continues to make progress.

### Galena Couple To Celebrate 45 Years Together

Mr. and Mrs. John R. Moore of 12605 Vans Valley Rd., Galena, will celebrate their 45th wedding anniversary on Saturday, Mar. 3.

John and Bertha are the parents of eight children, grandparents of 24 and they have four great-grandchildren.

### Church World Service Holds Clothing Collection

The Church World Service Clothing Collection days for Delaware and vicinity will be Wednesday to Friday, March 7-9, from 9:30 a.m. to 4:00 p.m. at Asbury United Methodist Church, corner of N. Franklin and W. Lincoln, Delaware.

Items should be packed in sturdy cardboard boxes and tied with strong twine or rope and not weigh more than 40 pounds a box. If all one kind of item is in a box mark the category along with contributor's name on the outside of box.

Special needs are good-as-new or new layettes, soap, kits (health, sewing and school), hospital gowns and uniforms, soft household items and yard goods. Blankets which are sent in quantity when disasters occur, children's clothing and clothing for all ages are always needed.

Items must be clean, useable, repaired and usually washable. Not wanted are shoes, purses, plastic or rubber pants or girdles.

Supporting the clothing collection is the Delaware Senior Citizens. This organization is sponsoring a baby shower for Church World Service at their Wernman Center, 38 Spring Street, Monday, March 5th at 1 p.m.

Public is invited to come, bring an article of baby clothing or layette item wrapped in a bag and join in the fun. There will be games and refreshments.

For further information materials are given or sent to pastors and/or women contact persons. The county chairperson, Bertha McGartland, can be reached at 362-8385.

### Dish Garden Workshop Is Next Thursday; Calendar Needs Updating

To meet the interest, Alberta Janosch is presenting her dish garden workshop at 7:30 p.m., Mar. 8. Anyone interested in learning more about cacti or succulents, and their use as houseplants, or decoratively in dish gardens will want to attend this free workshop.

project, sponsored by the Big Walnut Area Chamber of Commerce and the Community Library, is a public service for those wishing information regarding public meetings in the Big Walnut School District. Again this month, public announcements have been taken from the band clubs.

Clubs and agencies are asked to drop a note to the library with time, day, place and telephone number where one may obtain more information about the event. In case any event is canceled or postponed, call the library to have the announcement changed. Anyone wishing to check on a meeting may do so by calling the library, 965-3901.

In connection with the calendar, Community Library is operating a Commuter Clearing House for those wishing rides to certain destinations. Anyone who regularly drives to anyplace is asked to give the library your name, time of departure, destination and phone number. Participants are asked to check for anyone with the same destination. The information will be supplied free of charge.

On the new book shelf in the library there is a wide assortment to meet the reading needs of everyone. Dore's Shinobata is a portrait of a Japanese village.

Yglesias has a book, *Starting on people who change their lifestyles either early, middle or in late years*. Each sketch is designed to give those contemplating a new life the incentive to step out.

Susan Forward has written a book called *Betrayal of Innocence* which deals with incest and its devastation which affects between 10 and 20 million Americans, leaving many with lifelong psychological scars. Greven's *The Protestant Temperament* is a scholarly work dealing with patterns of child-rearing, religious experience and the self in early America.

MacEoin has collected the dossiers of Papal candidates, including the pope, in *The Inner Elite*. Rothman explores *Woman's Proper Place* in a history of the changing ideals and practices from 1870 to the present. A biography of Adolf Hitler from 1931 to 1935 contains pictures from the life of the Führer. Propaganda about the man's life is included as well as the facts of his leadership.

A special display on books dealing with mind control are available for those wishing to be enlightened on this subject. If there are those among us practicing these techniques, everyone needs to be armed against them with knowledge.

Scan the library shelves today.

The library is open 10-8 Monday through Thursday, 1-6 Friday and Saturday. Anyone wishing information may call 965-3901.

### Galena Man Speaks At National Seminar

Forty National Dairy Herd Improvement Assoc., Inc. employees, national board members and extension personnel from 16 states and Norway participated in a two-day sales promotion seminar held recently in Denver, Co., according to Dick Sechrist, executive secretary.

Charles Baldwin, general manager of Ohio Ag Services, Inc. of Columbus, who lives in Galena, gave a presentation on "Protein" at the sales training program. Keynote for the seminar was Richard Kellogg, retired general manager of Central Ohio Breeding Assoc. of Columbus. The meeting was a first-time venture for a national dairy herd improvement sales training session, says Sechrist.

## Lady JV's Make 1st Trek to Throneroom

By Steve Kesler  
The emotion of winning a first-ever championship was experienced by the Big Walnut junior varsity basketballers and they liked the feeling very much. BW knocked off North Union for the first time in nine Central Buckeye League games and joined their varsity counterparts

with a share of the loop title. This is the first time in quite a while that a double championship in the same sport has taken place at BW and of course it is the first-ever double girls title at the school.

Big Walnut finished the season with the best record in the short history of the sport as the young girls logged a 12-5 overall mark. In the league, they closed with a 9-1 slate.

Coach Dean Duffey was simply elated in the lockerroom following the game and told his team, "This is my first championship and best record in any sport I've coached. I'm very proud of you — it was a team effort all the way."

Indeed it was. After spotting NU a 7-0 lead in the first quarter, Big Walnut regrouped and only trailed NU by three points as Donna Mullins rebounded in a basket with 33 left in the half.

The Eagles came out of the lockerroom fired up and sensing a victory. Karen Haban tied the game with a lay-up at the 1:31 mark and 12 later Mullins hit a jumper to give BW the lead it would not surrender.

Gradually, BW built its advantage as Mullins sank a lay-up (4:59), the front end of a 1 and 1 (4:37). Haban hit the front end of a two shot foul (2:03); Lisa Chapan swished in both of her 1 and 1 fouls (1:06). Haban banged in a jumper (1:48) and Mullins the final BW point on a 1 and 1 free throw (1:16). During this time, NU could only gain two points out of a possible seven tries at the foul line.

Mullins, snaring 11 rebounds and getting five steals and Haban, with two and three totals, both paced the Eagle attack as they scored eight points.

Chapan followed with four points and three rebounds and Theresa Severance and Mary Lee Hiles had two points. Severance also pulled down 11 rebounds while Hiles grabbed five. BW had a total of 35 rebounds. Kim Wenger led the Wildcats with six points.

# Scots Celebrate 1st AA Tournament Win

## Warwick, Mason, Jahn in Twin Figures As Mt. Gilead is Defeated Third Time

Highland's Fighting Scots used their board strength Saturday night to race past Mt. Gilead 62-58 to record their first AA tournament win and in the process reach the sectional final at Marysville.

A year ago, joining the AA's for the first time, the Scots bumped into Licking Valley in their first game and lost to the eventual district co-champions. This year they squared off against fellow Mid-Ohio Conference member and arch-rival Mt. Gilead.

Two weeks ago the Scots needed three overtimes to beat the Indians for the second time this season enroute to the MOC title, but Saturday they took the lead for good in the opening minute of the third quarter.

Ahead 43-39 at the last break, they hit 11 straight points opening the final period to go up 17 points and coasted to the victory. The Indians closed the final score, Mike Holtrey hitting six points in the last minute. He ended as the game's leading scorer with 20 points.

Last night at 8:30 the Scots (16-3) were to face Marysville (10-8) of the Central Buckeye League for the sectional title with the winner getting a district spot next Wednesday (7:30 at the coliseum) against the Grandview-Lakewood (Licking County) winner from the Westland sec-

tional. Lakewood (16-2) is the favorite.

Mt. Gilead Takes Early Lead  
Fired-up Mt. Gilead took the early lead as the Scots had trouble finding the basket, leading 14-10 at the end of the first period. The Scots were able to muster only 28% of their shots during this period (5 of 18) while the Indians were hitting 7 of 10 for 70%.

The Scots closed the score to 27-25 at the halftime break although they still didn't hit at the same clip they have most of the season. They bagged 7 of 17 for 41% while the leading Indians were 4 of 7 for 57%.

Wayne Warwick, who led Highland scorers with 17 points, hit a layup rebound with 25 seconds gone in the third period to tie the count at 27-27. Dan Harris, hitting one of his two goals of the night, followed with a 17-ft. shot from the side with 7:08 showing to put Highland on top for good at 29-27. The quarter ended with Highland out front 43-39.

Belcher, Warwick Mason Lead  
Highland defeated Mt. Gilead perfectly in the opening minutes of the final period and proceeded to wrap up the victory. Mark Mason, who finished with 10 points, opened the scoring with a pair of free throws and followed later with a 6-ft. rebound shot. Warwick dropped a layup re-

bound and Tim Belcher came back with a layup with 5:49 showing. Mark Mason then took over and scored three free throws, two of them tech-

CHAMBERS ROLLS 248, MURPHY 601

## IGA Takes 1st Place

After two weeks of sharing first place in the Sunbury Bowling League, Sunbury IGA moved out to undisputed possession of the top spot as they won four points Monday night while Murphy-Siding was splitting.

IGA beat Hoke Electric 4-0 as

they rolled the high team scratch series of 2484 to move out to a 21-7 record in second round standings. Murphys split with last year's champion Delaware County Bank and is now 19-9.

Murphys could get only a split

despite a 601 scratch series which amounted to a 48-handicap from Dick Murphy. These totals were high for the night. DCL rolled a 922 scratch single game which helped in their winning of two points.

Pacing The Bank in their 922 game was Eldon Chambers who hit 248 for the high scratch game of the night. Combined with handicap, Chambers totaled 262, just two pins off the league high for the year.

In other action, with fifteen bowlers hitting 500 or better, first round champion Westerville Farmers Exchange went down 3-1 to Sparks. Sohio and May's Roofing won 3-1 over Diehl Plumbing.

Sparks, who bounced around the top for some time during the first round, had their best night

the glass, getting 11 while Mason followed with 7. Harmon topped MG with 7. Turnovers showed the Indians with 19 giveaways while the Scots were charged with 13.

## SPORTS WINDOW

BY JACK BROWN

Many firsts appeared on the sports calendar the past week in the area. Highland winning their first AA tournament game. Big Walnut girls repeating as Central Buckeye League champions, and Big Walnut wrestlers qualifying eight grapplers for the district tournament stand as the top stories of the week.

A year ago, Coach Ed Foster had seven that went on after winning the sectional title. (This year, under new rules, no team or individual champions were determined — wrestlers actually sharing honors.) Individual first place winners for the Eagles include 105-lb. sophomore Jeff May, 119-lb. junior Mark Mobley, 132-lb. senior Kevin Layton and 185-lb. junior Wayne Schmidt. (Schmidt discarded the crutches he was on all last week to win his matches at BV.) One of the wrestlers, Mobley, will be missing in the district Friday and Saturday at Marysville.

He was taken to Riverside hospital late Sunday with an infection in his knee by Brigitta Linabary. "He appears to be coming along fine," she told me Wednesday noon. "His room number is 202 for those of you who would like to visit him."

All of us are proud of the Big Walnut girls basketball team — Coach Tom Peyton's varsity squad won another co-championship with North Union; the JV's of Dean Duffley also won a share of the title; and the Independent eighth grade team won the Whitehall tournament with a 5-1 record under the coaching of Lowell Mallins. (At one point of the season they were 1-7 on the season and they finished with a 6-8 record.) And, his seventh grade team finished the year with a 7-1 slate. Lowell told me, "I am proud of these girls because with only two days a week allowed to practice and with some heartbreaking losses (all of them six points or less), the girls came back. They were a team with pride and ability. They were aggressive and tough when it counted." Lowell continues to be a favorite at the News. As Steve Keeler said, "He continues to do a great job in reporting the games to me. It's not often that this happens."

Tom Peyton is certainly doing a fantastic job with his team and our best wishes go with them as they square off against the Ulica-Lakewood winner next Wednesday night at Granville in their first sectional game. He took over the program three years ago, guiding them to a 7-6 record the first year. A year ago they finished 11-5 and to date this season have an impressive 13-4 overall record. This gives Peyton a 31-15 record for the three years. Quite a mark!

... Two former Big Walnut coaches were on opposite benches last night in a sectional championship game at Worthington. Coach Bob Shoemaker's Heath team won out with a 50-36 decision over John Feasel's Olan Mills Braves. Feasel, a '63 BW grad, coached here

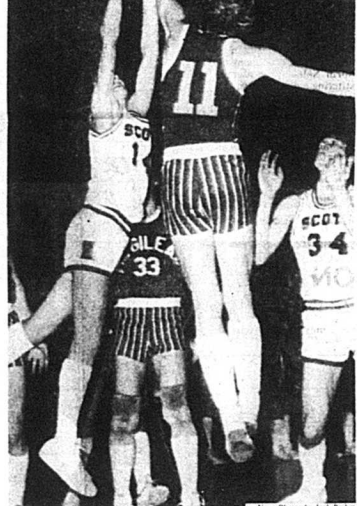

under Myron Burt and Shoemaker.

In 1970-71 Feasel's JV team here posted a record of 17-1, a school record title, while Shoemaker's varsity finished at 19-2 and won the Mid-Ohio Conference title. The following year Feasel went to Fredricktown as head coach while BV went to the regional finals before losing and closing out at 22-1. Heath will be playing Tuesday at 7:00 at the coliseum (the Westland section 2 winner) and it should be CBL champion Bealey if form holds true. Olanity closed out with a 10-10 record losing and closing out at 22-1. Heath will be playing Tuesday at 7:00 at the coliseum (the Westland section 2 winner) and it should be CBL champion Bealey if form holds true. Olanity closed out with a 10-10 record losing and closing out at 22-1.

Updated cage standings will appear in next week's News.

## Top-Seeded Mifflin Sidelines BW 79-47

### Eagles Finish With 10-9 Slate

Holding Big Walnut without a field goal for almost five and one-half minutes during the second period, Mifflin broke their opening game of the sectional tournament wide open and went on to record a 79-47 win over the Eagles Saturday night at Worthington.

The loss ended Big Walnut's season with an 18-9 record and was their second loss to the Cowpunchers in four years in sectional play. Mifflin (16-3) played Pleasant Wednesday night at 7:00 for the co-championship at Worthington and a spot in the district next week at the coliseum.

Mifflin jumped off to a 4-0 lead before Todd Newland hit an 18-foot shot from the corner for BW's first points with 6:07 on the clock. BW's next field goal did not come until 13 seconds remained in the quarter, this on a layup by Bart Gendi.

Big Walnut stayed close to the Punched, they led 17-11 at the first break, by hitting seven free throws. Early in the second period the Eagles pulled to within two points, at 18-16, the closest they were to get during the night.

After Mifflin opened the period with a free throw, Newland hit a 19-ft. stripper from the side and Scott McCaughey cashed in on one free throw on a two shot foul. Gendi followed by a 12-ft. turn-around jumper at 5:51 and trailed 18-16.

Big Walnut's shooting turned sour and Mifflin started to hit consistently, running off nine straight points before McCaughey hit a pair of free throws at 2:16.

The Punched followed with three more baskets to lead 33-18 before Newland hit a layup with 19 seconds to go until the half. BW ended the first half with only five goals, 3 by Newland and 2 by Gendi. As a team, they put the ball up 22 times. Mifflin continued to build its lead in the third frame, outscoring the Eagles 22-10. Not once did BW put together more than a basket or a free throw. They ended this quarter by hitting 4 of 13 while the eventual winners were 10 of 17.

In the fourth period Mifflin led by thirty points at 63-33 with 5:49 to go before a new team was sent into the game. Coach Norm Nelson also started substituting and BW ended with their best quarter of the night as they hit 17 points. Mifflin still won this frame as they hit for 24 points.

Match Previous Loss of 29% Big Walnut ended the night with only 28% (13 of 47) which matched the two previous shooting lows of the year recorded against Dublin (first game) and West Jefferson. They hit just over half of their free throws, finishing with 53.4 as they bagged 21 of 39.

Meanwhile, Mifflin, hitting in the middle 40's during the first half finished with 19 of 33 in the second to post an even 50% for the game on 32 of 64. At the foul line they were 15 of 24 for 62.5%.

Douglas, their leading scorer with 12 points, was 4 of 7, and McCall (10 points) finished with 4 of 8. Ten of the eleven Mifflin players who saw action broke into the scoring column.

Big Walnut was led by McCaughey who finished with 16 points as he hit 3 of 9 from the field and 10 of 17 at the foul line. Gendi was next with 13 on 4 of 8 from the floor and 5 of 8 at the stripe and Newland had 8 as he dropped 4 of 14 in his final game.

Mifflin controlled the bandboards 42-24 with Williams the leader with 8 and Spikes and Douglas getting 6 apiece. McCaughey led BW with 7 while Newland and Gendi had 5 each. OER shows Mifflin with 976 and BW with 585.

Each team had 25 turnovers with the Eagles losing 23 points on their giveaways and the Punched 11. BW had 10 steals in the contest with McCaughey also the leader in this department with 4.

### Eight BW Wrestlers Advance to Marysville

By Steve Kesler

Big Walnut will be well represented in the Class AA District wrestling tournament next week at Marysville.

Coach Ed Foster's Eagles established a new school record as they qualified eight grapplers to the Monarch mats next Friday at 4:00 and Saturday at noon. Finals take place at 7:00. Last year BW sent seven athletes as the school continues to build tradition in the sport.

BW advanced three seniors, three juniors and two sophomores in the Buckeye Valley sectional, with one in the hospital. There were no individual or team standings kept this year as several wrestlers shared top honors.

Those winning all of their matches were 105-lb. sophomore Jeff May as he beat Eddie Cayan of Highland 10-5 and Dennis Watkins of the Barons 8-3; 119-lb. junior Mark Mobley who won over North Union's Dale Ormerod 14-3 and Adkins of Highland with a pin in '43. Late Sunday night, Mobley had to be rushed to the hospital with a knee infection and is a doubtful starter Friday.

Senior Kevin Layton continued the winning ways as he beat Granda of River Valley with a second period pin and Howell of NU 6-3. Junior Wayne Schmidt pinned Coleman of Oentancy in the first period and edged Kidwell of the Wildcats 7-6.

Others who qualified were 138-lb. senior Rusty Cantrell beating Price of RV 15-1 and Simpson of BV sandwiched by a loss to Winner of Marysville via a second period pin. 155-lb. junior Mark Gallagher won over NU's Davis with an 1-0 overtime decision and pinned Thomas of RV in the second period. His only loss was to Marysville's Watson by a 4-2 count.

167-lb. sophomore Keith Tucker lost to Moffett of Oentancy by a second period pin before rebounding to edge Fisher of High-

We want to help you more.

### 8-YEAR PACESETTER SAVINGS CERTIFICATES

Deposit \$1,000 or more in an 8-Year Pacesetter Savings Certificate and earn 7.75% which, with daily compounding, yields 8.17% annually. Interest can be paid annually. If however, you leave your interest on deposit, it too, will earn interest.

**\$1,000** **\$1,875**

deposited now becomes in eight years  
If you put \$1,000 in a BancOhio 8-Year Pacesetter Savings Certificate now and leave the interest on deposit, in eight years with daily compounding you'll have \$1,875.

That's one way BancOhio helps you fight back.

### PACESETTER MONEY MARKET CERTIFICATES

For deposits of \$10,000 or more, choose BancOhio's high-yielding Money Market Certificates which mature in just 26 weeks.

### Call your BancOhio office for current rates.

Minimum deposit \$10,000, term 26 weeks. A new rate is established each week and is guaranteed to maturity. There is no purchase fee.

Federal regulations require a substantial penalty on time deposits redeemed prior to maturity. Interest will be recomputed on the amount withdrawn at the prevailing regular savings rate, less 90 days interest.

## BW 8th Girls Win Whitehall Tourney

By Steve Keeler  
Big Walnut 8th grade independent girls added luster to their season as they captured the Whitehall Invitational last Thursday.

The Eagles came back from the losers bracket to beat Whitehall No. 1 in the double elimination event. Coach Lowell Mullins' crew finished 6-8 overall including five victories against one loss in tourney play. At one point in the season, the girls were 1-7 with five of those losses by six points or less.

The championship went down to the wire with BW winning 35-34 but the Eagles, in the words of Mullins, "almost blew it."

Leading 35-30 with a minute and a half to go, Whitehall put on a press which resulted in two steals and four points. Then with :30 and a one point lead, Whitehall leading scorer Winnie Collins was fouled but missed the first of a 1 and 1. Later, Donna Keefe missed the same situation with :14 and BW's Kelly Endslow grabbed the rebound and held on for the victory. Jeanna Slope led BW with 12 points. BW averaged their only loss of the tournament by jumping out to a 10-4 first quarter lead and then outscored Whitehall No. 1 by two points each of the last three

quarters to win 42-30 on Wednesday, Feb. 21.

Slope again led BW with 15 points while guard Janice Hinton played her best game of the tournament by scoring nine points and playing tough defense, according to Mullins.

Longshore ended the night with seven points followed by scrappy Nora Seeger and Molly McCaughy with four and Sheri Gilbert two. Ren was the leading scorer for NU as she swished in 14. Sherre Roush was next with 13 before fouling out in the fourth quarter.

Bachman came right back :17 later with yet another jumper to give BW its first lead of the game. Karen Longshore made the front end of a 1 and 1 to make it 52-49 with 1:37 on the clock to end the scoring. She did have another free throw opportunity with :03 left but missed.

One interesting aspect during the last five minutes was the superb job Big Walnut did in holding North Union scoreless while scoring 12 points.

Bachman and Hamm finished their Big Walnut cage careers in fine fashion as the former closed with 18 points and

the latter 17, ten coming in the last quarter.

Bachman and Hamm finished their Big Walnut cage careers in fine fashion as the former closed with 18 points and

of Schumick, Slope, Janel Poderys and Wolfel was outstanding. Donna Dunch and Hinton also contributed great defensive play," commented Mullins.

Big Walnut's only loss of the tournament was to Whitehall No. 1 by a 39-33 count on Monday, Feb. 19. The Eagles blew a 12 point halftime lead to lose in the final quarter. Schumick led BW in scoring with 12 points while Keefe led Whitehall with 15.

The Eagles started out by defeating Whitehall No. 2 by a 32-29 verdict on Tuesday, Feb. 13. Guard Lisa Pond blitzed Whitehall with 16 points. Pacing the defensive effort were Slope and Poderys.

The second win of the event was a forfeit victory as the Grandview team was hit by sickness to most of the players, according to Mullins. Grandview later was eliminated by Westerville.

Slope finished as the tournament's leading scorer with 45 points and was second in team scoring with 107. Schumick led with 111 and Pond was third with 52.

Seventh graders on the tourney team were Poderys, Kristi Kintner, Jacque Davis and Pond. Poderys finished with 74 points to lead her team which closed with a fine 7-1 record. Kintner followed with 72 points and Davis tallied 37.

Diane and Jeanne Schilder gave a demonstration on vegetables and pizza. Kristen Schilder gave a demonstration on punch.

Mrs. Schilder and Mrs. Merdeath are advisors.

#### BW 6 Has 6 Spelling Bee Contestants

Big Walnut Sixth announces that six finalists and two alternates will be participating in the district-wide spelling contest on Mar. 6.

They are left to right, first row - Carol Reis, Michele Potts, (alternate), Mike Denton and Paul Arnold. Second row - Linda Fichtelman, George Kellogg (alternate), David Bradley and Angela Hoover.

#### Big Walnut FFA Brings Home Evaluation Honors

Big Walnut FFA again brought home honors from the annual district FFA evaluation. There are 21 schools in District including 6 counties. Members compete on the chapter level first. Big Walnut FFA Alumni selected chapter winners on January 23.

There are several types of district competition. First is the Officer Record books. They are ranked and rated on a gold, silver, bronze rating scale. Connie Bachman had 1st place with a gold rating in the Secretaries Book. Brenda Lord had 1st place with a gold rating in the Reporter's Scrapbook and Mike Arthur had a 3rd place gold rating on the Treasurers' Book. Connie and Brenda's books will compete in state level competition.

Another event is the proficiency award level. This means specializing in one of 23 areas of agriculture related projects. Big Walnut had 8 first places, 5 second places, and 3 third place winners. Each will receive a trophy at the District Awards Day. First place winners also get a \$25.00 check and will compete on the state level.

Students receiving first place include: Laura Bergman, Horse Production; Larry DeWitt, Diversified Livestock Production; Fish and Wildlife and Home and Farmstead Improvement; Joe Dible, Sales and Service; Ron Stacy, Floriculture and Fruit and Vegetable Production; Jeff Daily, Forestry.

Members receiving a 2nd place rating were: Jeff Miller, Beef Production; Jack Stimmel, Electricity; Brenda Lord, Turf and Landscape; Larry DeWitt, Soil

and Water. Receiving a 3rd place rating were: John Hale, Crop Production; Chris Hale, Sheep Production; Jody Wrinkle, Specialty (Rabbit Production). In contention were State FFA Degrees. This year six members advanced through District Competition into the State.

Those members making the first step are: Laura Bergman, John Moore, Ron Stacy, Tim Mackley, Jim Wollett and Jeff Stimmel.

The chapter also is in competition for awards. Big Walnut placed first in Marketing, 2nd in Cooperation, B.O.A.C. and Safety. This advances them to State Competition.

The chapter also received a Superior Rating and a District Gold Medal Rating.

## Events Around Cheshire-Johnnycake

By Eleanor Griffith

Well, with all the rain, sleet, ice and snow, there were many people ice fishing on Alum Creek Lake. All were along the shore so I guess they would be safe for the ice has been thick enough. I haven't tried this since we were children.

Mr. and Mrs. Melvin Green returned home on Wednesday after spending some time along the west coast. Mr. and Mrs. Jack Green, Melvin's nephew, picked them up at the airport in Los Angeles and they spent some time with Melvin's 81-year-old sister-in-law. Next they went to Melvin's niece, Mrs. James Yeun.
