Council Discusses Higher Mayor's Pay

Sunbury Village council discussed doubling the mayor's salary and banning the parking of vans and pickup trucks on the north side of Cherry St. today took no action on either last Wednesday night.

Currently, the mayor receives \$3,000. The new salary ordinance would pay the mayor \$6,000.

Councilman Dan Conant asked the mayor what increases in duties warrant the salary increase.

Mayor Robert Reed replied that he is conducting Mayor's Court, which had been discontinued in the past ad-

ministration. He said the former mayor sent the cases to Delaware instead of using the mayor's court system.

He added "we don't need to bring up how much mayor's court is taking in, but everyone's duties have increased."

Reed continued that he does not earn enough money to be able to take time off from work to attend meetings without compensation.

Conant replied that perhaps council should consider offering the mayor mileage instead of the increase in salary.

Councilman Doug Lober asked the village solicitor, Keith Boger,

if, should the pay increase end in a tie vote the mayor would be able to vote on the issue.

Boger replied the mayor could vote on it.

Conant commented he is opposed to an increase in the salary during the mayor's term in office.

Council discussed an ordinance that would ban pickup trucks and vans parking on the north side of Cherry St., between Vernon and Columbus, and in the four parking spaces on the east side of Columbus St., immediately north of Granville St.

The ordinance stated "in order to allow vehicles to exit safely from parking places" as the reason for the ban. This same ordinance also included a section that would allow commercial vehicles to block private drives and other vehicles for 15 minutes or less, while the commercial vehicles are loading or unloading.

Mayor Reed commented that many people own only trucks or vans and he feels it violates their rights to prohibit the parking on Cherry St. He commented he drives a van, and he has never come close to being hit in backing out of one of the spaces.

Reed also suggested that instead of banning the trucks and vans from the four Columbus St. spaces, council go away with the spaces altogether.

Boger suggested council have the police chief attend the next council meeting to discuss the need for the prohibitions.

Regarding the parking ordinance, the council agreed a 30-day grace period be included in the language of the ordinance to permit the public to become accustomed to the change.

Councilman Dennis Bell voted against the ordinance, except at the cost to the property owner.

He concluded, "It's one thing to grant permission to tap into existing lines, but it's another to put in the lines."

Councilman number Dennis Bell took exception to McCreight's statement that he would refuse to comply with council's order in the future.

McCreight was stating he would refuse to follow a direct and legal order issued by council.

McCreight replied that he would resign before he would take action that would bankrupt the water department.

Laber commented that he thinks McCreight feels that "council made a mistake."

He suggested in the future council should look at a matter, then "run it before the Board of Public Affairs" to prevent this kind of thing happening again.

McCreight replied that the annexation process had not been completed.

Reed replied "when the Board of Public Affairs got a direct order from council, it should have been put in. Council sets the laws."

McCreight replied he would like to see council participate in the cost of the line.

He said that if the other people coming to me and asking for the same treatment." Council in-

dicted it is not legal for them to do so.

Boger said new annexation petitions will state the utility lines will be at the property owner's expense.

Council discussed an ordinance that will transfer the emergency services in the village from the BST&G fire district to the

Artists, Craftsmen Will Decorate Green

Over 150 artists and craftsmen from all over Ohio will be in Sunbury for the 11th Annual Arts and Crafts Fair sponsored by the Community Library.

No admission is charged for the event which is open to the public from noon until 6 p.m.

Fairgoers will be able to stroll through the exhibits at their own pace, says coordinator Polly Brehm. Many of the exhibitors will be dressed in period clothes to accent their crafts.

Some will have items for sale. Some will be demonstrating their craft. All will be able to share their knowledge of the craft and answer any questions concerning their work, says Brehm.

Buckeye Harmonica Club will furnish music which they have done since the first fair in 1976. Members of the Condit Presbyterian church will finish applying their 150th Anniversary Quilt and begin quilting it. The quilt will include all the surnames of members of the church since its beginning, Brehm

adds.

The original fair consisted of only colonial arts and was phase of the nation's Bicentennial. "To accommodate the requests of both the exhibitors and the public, the fair has grown to include all arts. About 40 more exhibitors are expected this year than were on hand last year," Brehm says.

All exhibits will be set up on the village square surrounding the Town Hall, a registered National Historic landmark. "The shade from the trees adds to the leisure atmosphere created by the event," Polly continues. Families are encouraged to attend. There is space for picnicking if families choose.

"No fees are charged to artists nor to the public," Brehm

adds. "We are trying to make the arts affordable for all." Expenses are underwritten by the library as a public service.

For additional information about the fair, call the Community Library, 965-3901, during hours of 10 a.m. Monday through Thursday or 10-5 Friday and Saturday.

PIN Sponsors Annual Swim

People In Need, Inc. will sponsor the second annual 24-hour Swim-for-PIN this weekend at the Mingo Park Swimming Pool complex, in Delaware.

The swim will begin Friday at 4:00 p.m. and will continue through Saturday afternoon.

Ann Schackne, the Executive Director of People In Need, Inc., explains that this year's fund raiser is more important than ever. "This has caused neither services division of PIN has had a great deal of client requests and is averaging payments of about \$1,000 per month. She says at this rate, she expects the fund to be depleted by December.

PIN is more than a food pantry and Christmas Clearing House.

Schackne explains. In addition to those services, PIN aids the community through an emergency services fund, a dental fund and a newly instituted emergency housing fund.

The emergency service fund is used to assist with unusual and unexpected expenses through a limited loan program. The service is funded through public contributions, according to a PIN brochure.

"Emergency Services deals with unusual requests for help, and we must be able to meet them," Schackne says. "This fund may help with utilities, medical care, gasoline or transportation, whatever emergency expenses the client may have. She explains the guidelines are flexible enough to allow the staff to help a large number of people in varying economic need.

The new emergency housing service is being funded by the local United Way and a grant from the Federal Emergency Management Agency, FEMA. The United Way contributed \$4,000 to begin the program, and FEMA gave \$3,044. These funds will only be used by the emergency housing program, and not for any other purpose, Schackne says.

She adds the housing fund is already spending almost \$1,000 per month with the average payment of \$158.

To gain additional funds for PIN services, the organization is sponsoring the Swim-for-PIN this weekend. Pledges of 25¢ or more per lap will entitle the donors to swim lap numbers in a member of the Delaware DARTS Swim Team swim the laps.

Schackne says this year, to encourage more participation, businesses, churches, families or anyone else who want to join are being encouraged to enter teams of 10 members in the event.

Pledge cards are available at the PIN house, 274 N. Sandusky St., Delaware.

Swimmers will be awarded according to age categories. For further information, contact People In Need, Inc., 363-6284, in Delaware.

but the responsibility for sounding the sirens in the case of alarm would remain with the B&T&G firemen.

Mayhew said the telephone lines to the sirens have been disconnected and the sirens are no longer being used for fire alarms. He added the B&T&G will sound the alarm for tornado warnings only.

Monday morning, Bill Fling, Chief of the B&T&G Fire Department, said the sirens are not used for "some time now." He added the sirens will only be used for tornado warnings, not watches, "so if you hear it, it's the real thing," Fling said.

Council approved an across the board pay increase of three percent for all village employees. According to a recommendation from the finance committee, beginning village employees will start at \$3.50 per hour, with a review after 90 days. Salaries will be raised to \$4.25 after the 90 day period. The committee also recommended that four current salaries be raised, and the across the board increase be given.

Labor cast the lone "no" vote against the measure.

Council discussed an ordinance allowing the police chief to hire auxiliary police from outside the village. Mayor commented that the chief couldn't get experienced people from inside the village and wants to hire from outside. Labor and councilman Bob Nichols voted against an emergency passage of the ordinance, so it will be read two more times, before the final vote.

In addition, a pay ordinance linked to the auxiliary police ordinance will also be read two more times, before a final vote.

Council agreed to annex properties belonging to the Living Word Fellowship and Emmet Gardner into the village. The annexation passed unanimously.

Council also agreed to the emergency transfer of \$40,000 from the general fund into the street fund. Clerk Becky Jo Mayhew said the \$40,000 was the last appropriated money for streets.

Council Gene Sparks asked that money be set aside in the next budget for improvements for parks and recreation. Hayes suggested that if any other council member has requests for the budget to submit them before the July 9 meeting.

Mayhew, reporting for the fire board, said the board discussed allowing 18 year olds to join the department on a one-year trial basis. He explained the youths would not be permitted to operate the equipment.

The next meeting of the council will be held July 9, so the 1987 budget can be passed before the deadline of July 15.

"no hands" speed and direction changes get more work done

There's no gearshift lever on the new 655/755/855 Tractors. Instead, you use John Deere's unique dual-pedal hydrostatic control to change speed and direction on the go, in high or low ranges. That and standard cruise control keep your hands free for steering or operating other controls...and they keep you productive the whole day through with less fatigue.

You can get more different jobs done in a day, too. With these models, one man can change attachments in minutes. And live independent mid- and rear-PTO add more versatility.

Liquid-cooled 3-cylinder diesels with a glow plug starting feature give you the power you need - 16, 20 and 24 hp. Standard differential lock and optional front-wheel drive give you the extra traction you want, as well.

Call for a demonstration and see how much you can get done "no hands" style.

to bypass some preventive type maintenance on the systems on the other part is due to the fact that there are actually two types of controls hooked up to the system.

"It appears," said Tumeo, "that one type of control seemed not to be working properly, so another and newer type of control was connected to the system. Yet the first set of controls was never removed. This has caused a lot of set of controls to operate properly." He adds, "It appears that due to the age of four of the units, it would cost more to repair than to replace them." The architects should return their assessment by the end of June.

At Souders Elementary, scraping, staining, and painting are the order of the day. All the wood and the metal capping on the building are being replaced where the weather is good. "On rainy days, we move inside," said Tumeo, "and work on patching and painting the dry wall and concrete block sections of the building." By the end of the summer, the building should look good as new.

Tumeo says the water chiller will be drained during July, flushed with nitrogen, related and treated with a rust and oxidation retardant type chemical. "This is long overdue and should show a reduction in the cost of operating the equipment," according to Tumeo.

Other maintenance projects for this summer include the patching of the drive at Souders, filling with chip and sealing the holes in Big Walnut Elementary and Big Walnut Intermediate drives, installing a new type of watering device for the football field, and generally trying to beautify the grounds by grading, filling, planting flowers and shrubs in appropriate places.

"Stop by and take a look," invites Tumeo. "These are your buildings, come in take a look and see what your tax dollars are doing for our students," he concludes.

Reports Items Taken From Car

Owner of Dublin Motor Car Co., 5427 S.R. 37E, Delaware, reported to Dep. J. Sonner Thursday that someone had entered a car on his lot and taken several items from it. Mark K. Creek, 8285 Berkshire Rd., told Sonner two T-100s, four center hub caps, three chrome beauty rings and an AM-FM stereo were taken from the locked car, sometime between 9:30 p.m. Wednesday and 10:20 a.m. Thursday. He had no value for the total loss.

FmHA Reports Assistance in Farm Financing

Farmers Home Administration office in Morrow county will begin immediately to participate in "Operation Assist," Marsha Maurer, County Supervisor, announces.

Operation Assist is a new effort by FmHA to help farmers obtain guaranteed operating loans. County Supervisors for FmHA will take completed farm credit applications to local banks or other lenders, along with the farmer wishing to apply for a guaranteed loan, Maurer explains.

"We will handcarry the applications, and personally introduce the applicants to our local lenders," she says. "We will present a complete loan package including cash flows, financial statements, and appraisals. If necessary, we will make a commitment to work with the lender to do an interest buydown. We will do everything we can to help the lender, and the borrower, by committing to guarantee the loan at our maximum 90 percent."

While direct operating loan funds are used up in some areas, there is still nearly \$800 million available for the guarantee program. County FmHA officials hope other lenders will make operating credit available under the guarantee, with most of the loan funds used beforehand by FmHA.

Borrowers and lenders interested in an FmHA guaranteed loan should contact the FmHA county office, Maurer concludes.

YOUR EYES

By Dr. Brian A. Dittenber

GLAUCOMA

A complete eye examination includes a glaucoma test for all patients over 40, and for any other patients with a history of glaucoma in the family.

The test for glaucoma is simple and painless, so there is no need to be afraid or put it off. Using a tonometer, the optometrist measures the intraocular pressure of the eye. He or she also looks into the eye to check the health of the optic nerve and will, if deemed necessary, measure your field of vision (how far to the sides you can see, and how far up and down you can see while looking straight ahead).

Since glaucoma may develop gradually and painlessly, there are no early warning signs that this eye disease is beginning. By the time a patient experiences blurred vision, reduced visual fields or pain, glaucoma has damaged the eyes.

Although there is no way as yet to prevent the disease, early detection and treatment reduce the danger of permanent eye damage or visual loss.

Brought to you as a community service by Dr. Brian A. Dittenber, Optometrist, 20 1/2 South Vernon Street, Sunbury, Ohio, 965-4871.

"A SPARE DENTURE TO THE RESCUE"

Any person that wears a
denture worries about being
in public without them
because of damage or loss.
This is very understandable,
but it is preventable. If you
are a denture wearer and
care about your ability to eat
and your appearance, it
makes sense to have a spare
denture just in the event that
yours is lost or damaged.
Your dentist can have an ex-
act duplicate of your present
denture made in a short
amount of time and at a fair-
ly reasonable cost (probably
half of what it currently
costs for a set of dentures).
You can have it with you
when you travel (just like it
makes sense to carry extra
eyeglasses). It will come in
handy if your original den-
ture needs repair.
Having a spare denture can
certainly ease a person's
mind in the event of an ac-
cident or loss.

First Baptist To Screen True Drama, 'Joni'

First Baptist Church in Sun-
bury will screen the true-life
drama, *Joni*, this Sunday, at 8
p.m. at the church.

According to a news release,
Joni is a true story of a young
woman's struggle to find useful
life in the wake of a tragic
accident which left her a quadri-
plegic.

Joni Eareckson portrays her-
self as the story relates her
struggle following a swimming
accident which left her handi-
capped. Joni had been voted the
"most athletic girl" in her high
school class, prior to graduation
and her accident.

The difference is people.

Sometimes, when you need medical care, you don't need a hospital. What
you need is the best medical treatment available in the comfort and security of your
home.

Grady Home Care meets the needs of many ill, handicapped and
confined patients with intermittent medical or rehabilitation ser-
vices provided through scheduled visits to the home. Attentive,
personal care in familiar surroundings contributes something
special to the patient's well being.

It's part of Grady's emphasis on treating people, not just their ills.

BW Lioness Club Honors Guthrie, Installs Officers

Big Walnut Lioness Club honored one of its own and installed its officers for its fourth year in existence at a banquet Monday evening, June 16.

Lionesses honored Mary Guthrie as Lioness of the Year, as president Marge Day pointed out, "she started working almost before she was inducted as a member."

Marge and Mary are pictured top photo, center, along with Lions District 15-E Governor-elect James Rohrer, left, and Lioness District President Pauline Rogers, who installed the new officers of the Big Walnut Lioness Club, including left to right, seated, Dorothy Sechrist, secretary, Jeannette Curran, president, Debbie Bowsher, treasurer, and Mary Boda, director.

Standing are Lisa Oldfield, assistant secretary, Teresa Pravel, vice president, Louise Pauley, director, and Pat Wise, director. Tail Twister Marge Deuschle was unable to attend the ceremony.

Lioness president Marge Day also handed out attendance awards prior to the installation.

First year pins went to Guthrie and Bowsher; second year, to Curran and Pravel; and third year pins, to Pauley, Oldfield, Day, Deuschle and Margaret Milen.

Judy Morris presented her slides from Japan as the program for the evening, and Bette Roberts, on the piano, and Rob Houser, singing, provided music and entertainment for the group.

These funds were awarded to Turning Point by the Children's

Trust Fund boards in Delaware and Morrow counties.

The program is designed to assist educators in better recognizing and dealing with the domestic violence issues faced by their students. Turning Point will provide in-service workshops to school personnel throughout the 1986 school year.

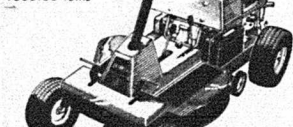

In addition, Turning Point will provide education and prevention information to junior and senior high school students through handouts and in-class presentations.

Students will learn what domestic violence is, its effects, why it is a complicated family problem and what the patterns are often found in an abusive relationship. Students will also learn how to handle conflict in non-violent ways in their relationships and what to do when faced with violence in their lives.

"One of the best ways to eliminate violence in society is to educate the public. It is our hope that by bringing domestic violence information into schools, we can start breaking the cycle of violence at an early age," stated Cheryl Burgess-Ellison, the agency's executive director.

Westerville Y Plans Babysitter Course July 9
New Babysitter Certification class for 11-16 year olds begins July 9 from 9:30 a.m. to 11:00 a.m. at the Westerville Y.W.C.A. The 3-day workshop will "teach" teenagers to be qualified, responsible adults, according to publicist Kathy Thompson. They will learn about children, responsibilities and emergency procedures.
A fun, invigorating Dance Aerobics class for 6-12 year olds begins Monday, July 7 from 10 a.m. to 11 a.m., Thompson relates.
Thursdays will be "Y.W.C.A. Crazy Combo" dance for 3, 4, and 5-year-olds starting July 10 from 10 a.m. to 11:30 a.m. and Preschoolers will enjoy a combination of songs, exercises, crafts, stories and play, says Thompson.
Registration is being taken for the 1986-87 Learning Tree Preschool. The Y.W.C.A. Learning Tree offers structured activities for children ages 3, 4 and 5, three days a week from 9:30 a.m. to 11:30 a.m. Our preschool provides creative instruction in letters, numbers, sizes, shapes as well as stories, field trips, crafts, games, art and other activities, says Thompson.
For membership or class information please contact the Westerville Y.W.C.A., located in the Army building, 200 S. State St., Westerville, 662-6646.

Interesting Activities of Sparta Area Residents

by Virginia Kinney

I must retract this statement from last week's column. I said "Mr. and Mrs. Lewis Kinney entertained members of the 1930 Sparta alumni class." It should have read, their class of 1956. I graduated in 1930. A little difference.

Rev. Jim McDonald and Mary Lloyd attended the annual U. M. C. Conference at Lakeside the past week. Rev. McDonald was ordained deacon last Tuesday evening. Mr. and Mrs. Carroll Throckmorton attended the ordination.

Zana Harris of Country Court Nursing Home, Mount Vernon, was honored with a birthday party at the home of her daughter and son-in-law, Mr. and Mrs. Dale Sporeman, Sunday, June 15. She was 95 years old. She talked to her sister, Florence Uery, of Chicago, who is 97 years old. There were 29 relatives present.

Paul Linkous returned home from K.C.H. on Tuesday of last week.

Brett Belcher, son of Larry Belcher, left Tuesday for Ft. Lee, Va., where he is to be stationed.

The 50 Plus meeting was held last Tuesday at the church with lots of visiting and a bountiful dinner which was enjoyed by all. Manzie Buck recently visited Pearl Linkous at the Morning View Nursing Home in Condit.

Mr. and Mrs. Donald Harris hosted the Harris Family Reunion at their home on Saturday, June 14. Guests were: Bertha Harris and Sarah, and Mike Dugan, and Elma Hewett, all of Columbus; Wm. Linda and Blanche Harris and children and Dale and Jan Amstutz, all of Amhurst, Ma.; Marsha Erbersman and children of Fairport, Sandi, John and Karl of Tiffin; Bonnie and John Green and family of Westerville; Ruth and Midge Cantlin of Buckeye Lake; Hilda and Richard Geyer of Lake Worth, Fl.; Toni and Bob Wallace and family of Hawthorne, Fl.; Cristie and Mike Kelly and daughter of Jacksonville, Fl.; Gerrie

Barbade of Dixon, Mo.; Anita and Dallas Thomas and family, Joe Lorei, Carlene Marshall and family, all of Leavenworth, Kas.; Pam and George Krauss and family of Johnsville; Pat and Tom Vitale and family of Marengo; Dan and Cheri Harris of Cardington; and the host and hostess.

Mr. and Mrs. Steve Templin and Jud and Mr. and Mrs. Gordon Stryker toured the Amish country on Saturday.

Sunday dinner guests of Mr. and Mrs. Stryker were Mr. and Mrs. David Stryker and children of Mount Vernon.

Friday dinner guests of Virginia Kinney were Mr. and Mrs.

Jim Mangus of San Jacinto, Ca.; Mrs. Merle Wondrack of the Masonic Home in Springfield, Mo.; Lois Sawyer and daughter, Nicole and Richie, of Belleville, and Lewis Kinney.

Monday visitors of mine were my cousins, Peggy Hampson of Itasca, N.Y. and Marta Wendt of Itasca, N.Y.

Among visitors of mine the past week were Mr. and Mrs. Frank Jordan and Marion, Doris Harris, Kathryn Patrick and Mrs. Edith Belcher, Louise Horn, Jean Fulton of Mount Vernon, Maxine Keller, Mr. and Mrs. Judy Kinney, and Mr. and Mrs. Lewis Kinney, Sandy and Jim Smith of Centercorners were Sunday evening callers.

Sparta held their town yard sale last Saturday.

Delorous White of Marion and Edith Belcher were Saturday evening visitors of Margaret Belcher.

Edith Belcher, Jeannette Saunders and Mr. and Mrs. John White and sons of Marion all attended the wedding of Mrs. Belcher's grandson, Michael Nichols, son of Mr. and Mrs. Richard Nichols and Michelle Lathay, daughter of Mr. and Mrs. Elmer Lathay, all of Centerville. The wedding was at the Millford church Saturday afternoon. A reception followed in the church social room.

Mr. and Mrs. John Kinney attended the Clippers' ball game in Columbus Saturday evening.

The Farm Bureau Farm View Council met Saturday night at the home of Mr. and Mrs. Eric Robinson of Mount Gilead.

Mr. and Mrs. Roger Buck of Mount Vernon, Steve Buck and sons of Fredericktown, and Kelly Buck of Marengo were Sunday afternoon visitors of Manzie Buck.

Dick Pound of Mansfield spent Monday visiting his mother, Bernice Robertson. Sunday dinner guests in the home were Mr. and Mrs. Joe Blubaugh and son, Joe, of Mount Vernon.

Dailys Celebrate Golden Anniversary

Mr. and Mrs. Ralph Daily

Ralph and Claribel (Brooks) Daily will celebrate their Golden Wedding Anniversary at an open house at the Holiday Inn in Delaware.

The celebration will be held from 2 to 4 p.m. at 351 S. Sandusky St. in Delaware. The couple, 170 W. Fountain Ave., Delaware, was married June 27, 1936 in Cardington by Rev. Ralph Alton. They were attended by Maxine and Kenneth Link of Sunbury. Both were graduates of Sunbury High School, and both were former residents of Kingston township. Included in the family are three children: Diane Cox of Delaware; David Daily of San Diego, Cal.; Rebecca Viers of Miami, Fla.; and seven grandchildren. Daily retired in 1974 after 30 years with City Loan and Savings Company, which he managed for 17 years. He was also active in City Recreation for many years. The couple requests no gifts.

History proves it. Cake is a fine food for festive occasions. The Greeks presented honey cakes in their worship. In ancient Egypt, artisans fashioned cakes as animals, birds and humans. New Englanders made election day an event and their Election Day Cake was the celebration centerpiece. Chinese mooncakes honor the full moon at the time of harvest.

In our time we still celebrate with cakes. What's a birthday without cake? What would the bride and groom gather around at the wedding if not a luscious cake? Sometimes the mere presence of cake turns the no-hum into an event.

Create this triple-layer Coconut Cake with Coconut-Cream Cheese Frosting and start thinking about making history yourself.

Coconut Cake

(Heat oven to 325°)

3 round pans, 8 1/2" x 5 egg whites
2 1/4 c. Softasilk cake flour
1 tsp. baking soda
2 c. sugar
1/2 c. margarine or butter, softened
1/2 c. vegetable oil
5 egg yolks, slightly beaten
1/2 c. buttermilk
1 tsp. coconut extract
1 tsp. vanilla
1 pkg. (7 oz.) flaked coconut
(2 1/2 cups)
Coconut-Cream Cheese Frosting
2 c. flaked coconut
Beat egg whites in medium

bowl on high speed until stiff peaks form. Beat remaining ingredients, except frosting and 2 cups coconut, in large bowl on

low speed 30 sec., scraping bowl constantly. Beat on high speed 3 min., scraping bowl occasionally. Fold egg whites into batter. Pour into 3 greased and floured pans, 8 1/2" x 5".

Bake until wooden pick in-

serted in center comes out clean, about 40 min.; cool 10 min. Remove from pans; cool cake completely.

Fill layers and frost side and top of cake with Coconut-Cream Cheese Frosting, sprinkling 1 cup coconut on frosting on each layer and remaining coconut on top and sides. Store frosted cake in refrigerator.

A favorite recipe of mine is Apple Blossom Cake. The recipe was given to me by Mary Johnson of Harlem Rd., Galena. It is a delicious cake.

Apple Blossom Cake
1 1/4 c. cooking oil
2 c. sugar
2 eggs, unbeaten
1 tsp. vanilla
1 c. nut meats
3 c. chopped apples
3 c. flour
1/2 tsp. soda
1/2 tsp. salt
1 tsp. cinnamon
1 tsp. nutmeg

Beat oil, sugar and eggs; stir in vanilla, nuts, and chopped apples. Add soda, salt, cinnamon, and nutmeg to flour. Stir dry ingredients into batter and blend. Pour into 12" x 8" x 2" pan. Bake at 350° for 30 or 40 minutes.

Topping: Combine 1/4 cup sugar, 1 tsp. cinnamon and 1/2 cup nuts. Sprinkle over top before baking. (Mary says she likes the cake just as well without the topping.)

Fish Oils: Weapon For Heart Disease?

by Eleanor R. Kersh
Co. Ext. Agent, Home Ec.

Reports that fish oils actually improve blood fat levels are just fish tales, right? Wrong, says Alma Saddam, Extension nutritionist, The Ohio State University. There's increasing evidence that including fish in your diet may reduce levels of blood fats related to heart disease.

Interest in fish oils as a heart disease preventative began when researchers found that populations normally consuming large amounts of fish tend to have very low levels of plasma cholesterol and triglycerides. High levels of these blood fats are linked to coronary heart disease. The fish-eating populations not only had very little incidence of heart disease and stroke, but those who ate the most fish had even less.

This news encouraged more studies of fish in the diet. In one study, subjects with normal blood fat levels ate diets in which all fat was derived from salmon or vegetable oil. In both groups, plasma cholesterol levels decreased by 11 percent. Triglyceride levels fell by 23 percent but only in the fish oil group.

Studies show fish oil increases the level of high-density lipoprotein. It is called the "good" cholesterol because it appears protective against heart disease. Also shown is a decrease in blood platelet adhesiveness, which means a decrease in the chance of developing blood clots. In a German study, subjects eating a diet high in mackerel experienced a slight blood pressure decrease. Further research is needed to see if fish oil could significantly reduce blood pressure, Saddam says.

Don't be misled by the term "fish oil"—fish itself, even in small amounts, gives the desired results. Studies show that as little as one or two servings of a high-fat fish, such as salmon or mackerel, each week may reduce triglyceride levels substantially, Saddam says. More servings

would be needed with low-fat fishes, such as cod or flounder.

If you already have high triglyceride levels, fish may be even more beneficial. Research has shown that patients with high triglyceride levels experienced a greater decrease in these blood lipids than normal subjects. Much more research is needed before doctors write fish oil prescriptions for heart patients, Saddam stresses.

Will eating as much fish as Greenland Eskimos save us from heart disease? Research in both nutrition and medicine show us, the truth of the old moderation of the truth of the old advice—moderation and variety. A diet based on the four food groups—meat, fish, and legumes; fruits and vegetables; milk and dairy products; breads and cereals—consumed at a level that maintains normal weight is still an excellent health guide.

Remember, diet is not the only factor in heart disease. Other factors, particularly smoking, heredity, lifestyle and stress, may even more important. Including two or more fish meals in your diet each week may not prevent a heart attack. But fish with its high-quality protein and possibly beneficial fish oils is a fine food that deserves a place in your menus.

AIDS Expert Will Lead Local Talks

Jeanne Parker Martin, Director, AIDS Home Care and Hospice Program of San Francisco, Cal., will be in Delaware on Wednesday, July 2 and Thursday, July 3.

Big Bear Farms in Powell is the site of an all day workshop conducted by Martin on Wednesday. The program will be for professionals who want to know how to deal with AIDS patients in the community.

On Wednesday evening, a lecture open to the public will be held at William Street Methodist Church in Delaware. The topic will be "How does a community understand and cope with AIDS?" Thursday, Martin will be available for discussion with the medical and nursing staffs at the hospital. She also will be meeting with the Hospice of Delaware Advisory Board.

Jeanne Parker Martin attended Saint Mary School and graduated from Delaware Hayes High School. She received her undergraduate degree in nursing from Georgetown University in Washington, D.C. and holds a Masters in Public Health from Yale University in New Haven, Ct. Prior to her present position as Director of the San Francisco program she was the AIDS Program Coordinator at the Yale New Haven Hospital.

She is the daughter of Dr. George and Ann Parker, 528 West Central Avenue, Delaware. Martin's visit is being sponsored and coordinated by Hospice of Delaware county at Grady Memorial Hospital.

For more information call Grady Memorial Hospital and ask for "Hospice" or the Community Service office, telephone 369-8711.

Make Some History — Bake a Cake

Coconut-Cream Cheese Frosting
3/4 c. powdered sugar
(about 1 lb.)
1/2 c. margarine or butter, softened
1 tsp. coconut extract
1 pkg. (8 oz.) cream cheese, softened

Beat all ingredients until smooth and of spreading consistency.

A favorite recipe of mine is Apple Blossom Cake. The recipe was given to me by Mary Johnson of Harlem Rd., Galena. It is a delicious cake.

Apple Blossom Cake
1 1/4 c. cooking oil
2 c. sugar
2 eggs, unbeaten
1 tsp. vanilla
1 c. nut meats
3 c. chopped apples
3 c. flour
1/2 tsp. soda
1/2 tsp. salt
1 tsp. cinnamon
1 tsp. nutmeg

Beat oil, sugar and eggs; stir in vanilla, nuts, and chopped apples. Add soda, salt, cinnamon, and nutmeg to flour. Stir dry ingredients into batter and blend. Pour into 12" x 8" x 2" pan. Bake at 350° for 30 or 40 minutes.

Easter Seal Speech Program Numbers 63

Sixty-three children are participating in the Delaware county Easter Seal Society's summer speech program, Beverly Appier told the Easter Seal board of directors Thursday evening. This is an increase over the 52 enrolled last summer.

The Society's classes are being conducted at the township hall in Radnor, the Senior Citizen building in Ostrander, Brown elementary school, Big Walnut elementary school, and Woodward elementary in Delaware.

Certified speech therapists teaching the classes are Jan Robbins, Joanne Burkholder,

Linda Jenkins, and Terri Stamp.

The Easter Seal Society also is assisting with financing speech therapy classes at St. Mary School and Delaware Christian School being taught by therapists from the Delaware Speech and Hearing Center.

Society executive director Dorothy Jones reported one application has been received for a county disabled child to attend the Easter Seal summer camp. Jones also reported meeting the needs of two requests during the past month and presented three additional cases for board consideration. She will make further inquiries before assistance is determined.

Dr. David Smith, president of the Delaware county Diabetes Association, presented a check for \$1,000 to the Easter Seal Society to repay the Society the amount given to the Diabetes Association when the group needed assistance to get started.

President William Swisher appointed Joanne Radabaugh to the post of accessibility committee chairman to fill the post vacated by George Feltham.

Lyn Doudna, reporting for June Byrnes, director of the annual 10-K Jug Classic run, said registration forms now are available for entry in the Oct. 11 event. She said registration forms can be obtained from Bob Whitaker at Whitaker Pharmacy, Sandy Miller at the Health Dept., Lyn Doudna at Imperial Maintenance Inc., or by writing to the Easter Seal Society, P. O. Box 144, Delaware.

This is the eighth annual 10-K run and will be held at the Delaware State Park starting at 10 a.m. on Oct. 11. Entry fee is \$7.00. All profits are used to assist disabled residents of Delaware county.

What Folks Say Down Harlem Way

by Betty Johnson

Harlem Garden club held a tour Sunday afternoon of some of the members' gardens. It was a very hot afternoon. Gardens on the schedule were those of Willie Hayes, Betty Johnson, Marge Day, Carl Wilcox, June Tackel, and Billie Bower.

The Harlem Garden Club's June meeting will be held at the home of Nancy Singer, Kean Road. Roll call is to name a wildflower. Eloise Collier will share a Hogarth arrangement, 'A Long, Long, Trail A-Winding' will be critiqued by Norma Jean Hill. There will be a workshop to get us honed up for the Fourth of July

flower show.

Kathleen Johnson has returned from her week in Washington, D.C. where she participated in the Presidential Classroom with around 350 other juniors and seniors from all over the country. Kathleen had roommates from Puerto Rico, Poseyville, Ind., and Louisiana, so she got a good education from her time in the room at the Sheraton Hotel. The students were invited guests to the state meeting with President Reagan and the president of Uruguay. They laid a wreath at the tomb of the Unknown Soldier and they had lots of sessions with important people of our nation's capital. Eloise Collier and I drove Kathleen out to D.C. and spent our time visiting Lisa (Wurm) and John Yavorski of Ellicott City, Md., and a cousin, Martha Hardy, of Silver Spring, Md. We visited a lot of the Smithsonian museums, took in the National Zoo, the National Aquarium in Baltimore, went shopping at an outlet mall in Pennsylvania, and poked around in historic Ellicott City. The weather was clear and beautiful, the company cordial, the sights were things we have

always wanted to see, so we had a great time. Now it is time to get down to serious summer activities, 4-H, softball leagues, summer band, getting ready for fairs, gardening, preserving! Enjoy it all.

Too hot to cook or bake? Come on, Mom, take a break. Give us a call, we'll gladly make Your dinner, snack, dessert, or shake.

Mr. and Mrs. Richard Gaddis, Mr. and Mrs. John Weber and family, and Mr. and Mrs. Phillip

Casteel and son attended the Columbus Symphony Orchestra at Orlentangy River Rd. They saw "Show Stoppers."

Mary E. McCurdy and Juanita Witt and Benjamin visited Dalton E. Houck and Jim and Emily Houck and family Sunday afternoon.

Rev. and Mrs. Andrew Wilson are retiring from the Fargo Wesleyan Church on Aug. 3. This will be his last sermon at this church and there will be a community dinner at noon. The Wilsons will be greatly missed as Andrew has been the minister there for 30 years. Their son and daughter-in-law, Mr. and Mrs. Mark Wilson, live in California where Mark is the minister at the Sunny Mead Wesleyan Church there.

Visitors of Sibyl Lewis were Bob and Marion Lamb, Margaret Hoskinson and Bill Keen. Wilma and Lenore Gornes and Mollie Hack and family spent Father's Day in Kentucky visiting friends and relatives. I want to wish Mary Hart a speedy recovery. Have a nice week and God bless you.

David Hoover Earns Degree at Georgia Medical

David C. Hoover, of Washington, D.C., son of Charles A. Hoover, and grandson of Mary McDonald from the area, graduated from the Medical College of Georgia in Augusta on June 7.

According to his grandmother, David graduated Summa Cum Laude with a Bachelor of Science degree in Medical Records Administration.

During an honors ceremony, held preceding the commencement ceremony, David was presented a plaque for being selected the outstanding student in his department, says Mrs. McDonald. He also received a certificate for being chosen a member of Who's Who in American Colleges. He is a member of the Alpha Eta Honor Society, Georgia chapter which is a national Scholarship Society in Allied Health. In addition David also has a bachelor of science degree in business administration from Miami University.

David's graduation was attended by Mr. and Mrs. Charles Hoover and Mrs. McDonald. His aunt and uncle, Mr. and Mrs. Mundtuk of Alexandria, Va., were also present at the commencement.

Former Resident, Eleanor (Kempton) Jeffers, Dies Suddenly

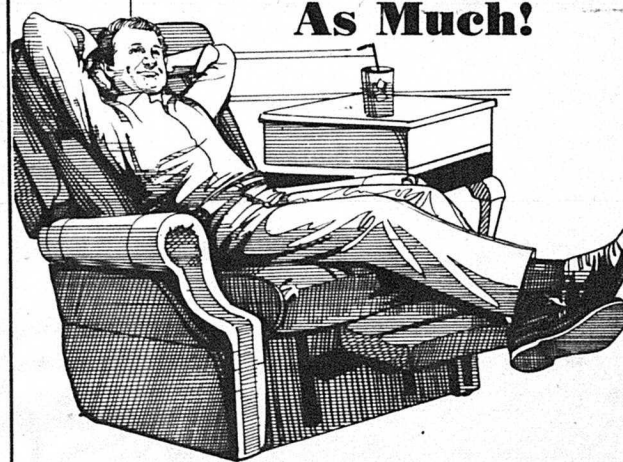

Eleanor Louise (Kempton) Jeffers, 60, of Green Camp died unexpectedly last Wednesday at the residence of a heart attack. She graduated from Sunbury High School in 1942 and moved to Green Camp in 1944.

Surviving are her husband, Floyd Jeffers; a daughter, Debra, at home; two sons, Daniel, of La Rue and David, stationed with the Army in Germany; her father, Herbert D. Kempton, of Marion; a brother, Donald H. Kempton, and a sister, Kitty Marsh, both of Green Camp; and five grandchildren. Arrangements were handled by the Boyd Funeral Home in Marion.

VFW Colts Prevail In One-Run Games

by Steve Kesler

Coach Glenn Evans has grown a few more gray hairs after watching his Sunbury VFW Colt baseball team win back-to-back one-run games.

"The Comeback Kids," as the team has now dubbed itself, held on to beat the Westerville Athletics and rallied to defeat Westerville "K." Sunbury now stands 7-2 overall and in the Eastern Metro Six League.

In a 5-4 win over the Athletics last Thursday at Big Walnut High School, the VFW survived a threat in the bottom of the seventh inning.

Pitcher Pat Murphy found himself in a tight situation, to say the least, with the bases loaded and one out. A deep fly to center that was caught near the fence scored one run, but Sunbury preserved the triumph on a routine shortstop-to-first grounder.

Sunbury scored its run in the early going, the first in the opening frame. After walking and then stealing second and third, Rob Geddis came home on a passed ball.

VFW jumped into the lead in the second inning. Steve Neale singled and advanced to second on a steal. Craig Prim then rapped out his first hit of the season to score Neale.

Prim moved into scoring position on a steal and later came in on a wild pitch. Following a fly-out, a pop-up to second, a hit pitch and a walk, Murphy drilled a single that scored Geddis.

The final run came in the third inning. Keith Hartzler walked and then stole second and third. Neale brought Hartzler to the plate with a hard single, but he was left stranded at second following a steal.

Murphy lifted his record to 3-2 in going the seven inning distance. He finished with seven strikeouts and one walk.

Murphy was also the leading hitter in going 2-3 with three runs batted in. Neale, Prim and Geddis were all 1-2 while Eric Allen was 1-3 with a stolen base.

Sunbury 3, 'K' 2. Hartzler was in the right place again as he brought in the winning run on Wednesday, June 18 at the BWHS diamond.

With the score tied at 4-4 heading into the last of the seventh, it looked like extra innings as Chris Feele grounded to second for the first out. Joe Price, hitless in three previous attempts, beat out an infield chopper. Following a strikeout, Westerville intentionally walked Geddis and Murphy. The play backfired on the visitors as Hartzler stepped to the plate. With the bases full, the

incoming BW senior drew a walk, sending Price in with the game-winning run.

Hartzler is accustomed to these kind of heroics. Against another Westerville team, the Raiders, he lashed a double to score Murphy with the winner on Friday the 13th.

In order to get into victory position, Sunbury had to rally from a 2-0 deficit. They did just that in the sixth inning as Jim Howard singled in Geddis and Murphy later scored on a wild pitch.

Howard (4-0) helped himself with the timely hit as he went the complete route on the mound. He fanned seven and issued three free passes.

Murphy was again the batting leader as he was 3-3 with a run and three stolen bases. Geddis was 2-3 with a run and stolen base.

Howard was 1-2 with two RBI and a stolen base. Neale finished 1-3 with an excellent bunt and came up with a defensive gem as he nailed a runner at home in the fourth on a superb relay throw from centerfield. Price was 1-4 with two thefts.

(Class A) Tigers 18, Expos 17

Trailing by one run heading into the bottom of the sixth inning, Mr. Build All Systems rallied on Tuesday, June 17 at Southworth Park in Sunbury.

With the score 17-15 in favor of the Expos, the Tigers of Coach Bob McNamara scored three runs to pull out the thrilling win. Dawn Butler collected the second triumph.

In the batting department, Gary Fravel and Butler were 3-4 with the former picking up two runs batted in and the latter a homer and four RBI.

Mandy McNamara and Andrea Fravel were 2-3. Nicole Jacobs was credited with an RBI.

For Coach Tina White and her McDonald's Expos, Sondra Kamberling was 4-4 with a homer and four RBI.

Jessie Hall was 3-3 with a homer. Amanda White, Courtney Frank and Joie Herritt were 3-4 with White adding two RBI.

Astro Fastpitch Team Stands 5-3-1

By Steve Kesler

With a recent doubleheader sweep, the Big Walnut Astros fastpitch softball team is now 5-3-1 overall.

The BW Girls Softball Association-sponsored squad plays two games in each outing, each lasting six innings. There is also a 75-minute time limit, so a game can end in a tie.

On Tuesday, June 17, at Walnut Ridge High School, the Astros took a pair from the Eastsiders. Coach Bill Richardson's team won the opener 10-8 after four innings on the time rule and the nightcap 3-1 in the full six frames.

Melissa Bryan started on the mound in the second game and went the complete distance with seven strikeouts and no walks. She held the Eastsiders to three hits.

As far as hitting, Kelly Robbins was 1-1 and Susie Churchill 1-2. Karen Dority was 1-3 with a triple and two runs while Tracy Morrison scored once, had two stolen bases and one run batted in.

In the first game, Jennifer Kayser was the starting pitcher with Bryan relieving in the third. Kayser fanned one and walked seven with Bryan walking one. Both gave up only four hits.

Kayser helped herself as she finished 2-2 with two runs. Morrison followed at 2-3 with a run and RBI.

Jill Hawk and Bryan were 1-1 with Hawk adding a run and RBI. Robbins was 1-2 with two runs and an RBI. Churchill had two runs and an RBI and Michelle Dumaree and Dority both crossed the plate once.

Speaking of the second game, Richardson said, "We played some great defense to stop them and took advantage of each opportunity as an offense."

Blendon 6, Astros 4

The hosts prevailed in game three of a round robin tournament on Saturday, June 14 at Blendon Park.

Astros mounted an attack in the seventh inning as they scored one run. Blendon was able to put out the fire and collect the win.

Debbie Dority was 1-1 and Hawk 1-2 with a run. Danielle Morrison was 1-3 with a run and RBI while Churchill closed out 1-4. Bryan and Dority each has a run.

Robbins began the contest on the hill with Bryan spelling her in the fifth. Robbins had two strikeouts and three walks and Bryan whiffed two and walked one.

Blendon could get only two hits off the BW pitchers. They scored all their runs in the fourth on three walks and the same number of Astro errors.

Astros 7, Utica Pepsi 5

"The girls wanted to prove they could play with Utica," said Richardson following this triumph in the second game at Blendon. The high school team lost two times against Utica this past spring.

Hitting: Karen Dority, 3-4 with two runs and one stolen base; Tracy Morrison, 2-4 with two runs; Dani Morrison, 2-4 with a run and three RBI; Churchill, 1-3 with two RBI; Bryan, 1-3 with a run and Hawk, 1-4 with an RBI.

Pitching: Bryan went the distance with six strikeouts, one walk and six hits. "Melissa was very strong on the mound and was backed up by good defense," said Richardson.

Astros 2, Blendon Two 2

Big Walnut won the opener at Blendon as the game was called in the fifth after the hosts used an illegal substitution.

Hitting: Dani Morrison, 2-2 with a run and stolen base; Bryan, 1-2 with a run; Hawk, 1-3 with an RBI; Cheryl Smithberger, RBI; Debbie Dority, two stolen bases.

Pitching: Kayser started with Bryan relieving in the fourth. Kayser had two strikeouts and nine walks while Bryan fanned three and issued one free pass. Both hurlers allowed only one hit.

Astros 5, Blendon One 0

In the second game of a twin bill on Thursday, June 12 at Blendon park, Bryan tossed a one-hitter.

Hitting: Dumaree, 2-2 with a double and two runs; Kayser, 1-2 with two stolen bases and a run; Kim Groom, stolen base;

Bryan, run and Robbins, run. Pitching: Bryan finished with five strikeouts and no walks. "Good defense, good pitching and aggressive offense along with better spirit won this one," remarked Richardson.

Blendon One 6, Astros 0

The visitors were held to no hits in the first game that was halted in the fifth on the time rule.

Pitching: Kayser went the route with five strikeouts and nine walks.

Astros 2, Northland 2

The time limit came into effect again during the second game on Tuesday, June 10 at Northland High School.

Hitting: Churchill, 2-3; Robbins, 1-1 with a stolen base and run; Bryan, 1-2; Groom, 1-2 with a double and stolen base; Hawk, 1-2 with a double; Tracy Morrison, 1-3 and Dani Morrison, 1-3 with a run.

Northland 2, Astros 1

In this first game, the hosts scored the game winner on a wild pitch during a downpour in the sixth inning.

Hitting: Tracy Morrison, 1-2 with two stolen bases; Groom, 1-3; Karen Dority, run, two stolen bases and Kayser, RBI.

Pitching: Bryan once again tossed a one-hitter. She had ten strikeouts and four walks.

Are Tug Teams Ready?

Always wanted to display your strength?

Big Walnut Area Chamber of Commerce will hold its annual Tug-O-War as part of this year's two-day celebration. So start forming those teams.

Competition will take place on Friday, July 4 in back of Big Walnut High School on the freshman football practice field. Weigh-ins run from 3:30-4:30 with pulls beginning at 5:00 p.m.

There will be three divisions this year - men's, women's and high school (boys and girls). Men's and high school have a limit of 1000 pounds while the women's will be at 750.

Organizers Ken Bucel and Steve Kesler want to stress that there will be no spiked shoes of any kind and that no one will be allowed to participate barefooted. Team members may wear tennis, basketball or work shoes.

It will be a double elimination event with no substitutions. Sudden jerking or loosening of the ropes will not be allowed. First place team winner in the men's division only will receive

Chamber T-shirts. All squads will be invited to eat at the watermelon they wish after the Tug is finished.

Just for fun, the young kids will have a chance to pull. Maybe even Mom and Dad can show their talents as well.

Plan ahead now for an exciting evening of community entertainment.

Track Club Members In Lancaster Invite

Sunbury Track Club was represented in competition at the Lancaster Invitational last Saturday. Kim Hyatt won the 400-meter hurdles in 69.1 seconds. She was second in the 100-meter hurdles in 15.8.

Chris Hyatt, Kim's sister, placed fifth in the open 100-meter hurdles.

Mike Young ran the 100-meter dash in 11.57 and the 400-meter dash in 56.1. He did not place in either event.
