

Student Council, Principals Ready for 'Golden Eagle' Week

Student Council members have been busy planning activities for Golden Eagle Week that officially began Monday.

Shown in the photo are left to right, Mary Murphy, student council president; Eagle, the school's mascot and Charles Workman and Jerry Hensel, assistant principals, as they proclaim the special week in conjunction with homecoming.

According to Murphy, paper chain sales started Monday and will continue through Friday. Senior links will be red, juniors, gold, sophomores, green, and freshmen, white," states Murphy. Proceeds of the sales will go to the Fellowship of Christian Athletes.

Tuesday was designated as "Red and Gold Day" and all students were asked to wear red and

gold to school. Baked goods were awarded to the teacher showing the most school colors.

"Baby Pictures Day" was held Wednesday and continues today. Each student uses a penny to vote for their favorite baby picture of senior football players. The winner will be announced at Friday's pep rally.

This morning, there will be judging of the door decorating contest held by the Future Homemakers of America. The winning room receives a pizza party.

Tonight at 7:00, the annual "Snake Dance" will start at the post office in Sunbury, continue up the hill on SR 37 and end in

the parking lot on the east side of the high school. Shortly thereafter a huge bonfire-pep rally will take place.

Pre-game activities will begin 7:30 and feature the crowning of the 1979 Homecoming Queen. Following the game a dance has been scheduled at Big Walnut elementary (former middle school).

Murphy tells the news that free refreshments will be served and the dance will last from 10:00 until 12:00. Tickets will be on sale at the school on a date to be announced.

Authorities Bust Carter's Corner Man

Sheriff's office, Columbus Police Organized Crime Unit and the prosecutor's office busted a Carter's Corner Rd. man Friday morning for drug trafficking.

James P. Grove, II, 28, of 4911 Carter's Corner Rd., is free after posting \$50,000 bond in Municipal Court. Charges in that court have since been dismissed as the prosecutor's office prepares to take Grove's case to the Grand Jury Oct. 17.

Prosecutor Duncan Whitney

says Grove was arrested after he allegedly offered to sell 10 lbs. of opior powder, a drug used as a sedative, to an undercover agent at his home. Whitney explains the powder would have about a \$25,000 street value.

After obtaining a search warrant from Common Pleas Judge Henry Shaw Thursday, Sheriff William Lavery, Whitney and the Columbus agents stalked out Grove's home while the one undercover agent met Grove to try to buy the drugs. The undercover agent was wired with a taping device in the encounter.

From the papers filed in obtaining the search warrant, Grove allegedly sold 400 grams of opior powder to another undercover agent Sept. 24.

"With the two sales, we hope to have him indicted on two counts of selling narcotics and on one count of possession," the prosecutor tells The News.

Take Tractor From Todd St. Garage

Persons unknown pried a lock and stole a tractor with lawn mower attached from a garage belonging to Robert L. Weikert on Todd St. recently. Weikert, who lives in Westerville, told Dep. J.W. Mooney the break-in occurred sometime between Sept. 1 and last Friday. He valued the tractor at \$1500.

Anyone wishing to give of his or her blood and/or time is asked to call Sue Butterfield, recruitment chairman, 965-2651; Joanne Schaaf, assistant, 965-3619; or Mary Ellen Miller, overall chairman, 965-1818.

Sports Meeting Changed To Intermediate

Due to an expected overflow situation, tonight's community sports meeting has been switched to the Intermediate School.

Annette Mullins, in charge of rounding up the different groups in the community, called The News Monday saying that a lot of people have been asking about the session.

Mullins thought it would be a better idea to move the 8:00 meeting from the municipal building to the roomier Intermediate cafeteria.

Asked to come to the meeting are several sporting groups and many non-related interests as they attempt to hammer out the problems facing each sports organization. Mullins tells that the general public is also welcome.

The Intermediate is located next to Sunbury IGA.

Sunbury Council To Study Water, Sewer Money Crisis

Mayor Harold Kintner has set next Wednesday night for a joint meeting between council, the board of public affairs and Village Solicitor Peter Manos to discuss money problems in both the water and sewer departments in the village.

The mayor told council last Wednesday that two storm sewer projects, one between S. Columbus St. and Vernon St. and the other on McGill St., could cost the village in the neighborhood of \$35,000.

Mayor Kintner also reported to council that water revenues were failing to keep up with the expenses for running the department. Clerk Becky Jo Hayes reported that spending was \$2,000 to \$3,000 more per month than receipts.

Mayor Kintner told council they might have to issue bonds to repair the sewers and council agreed. However, several expressed concern over the lack

of funds in the water department.

"I thought the 15% increase we put onto water rates in April would cover added increases," said Bob Reed.

Marviline Wilson Resigns
Marviline Wilson's resignation letter from her village post as license plat clerk and clerk of the board of public affairs was read by Mayor Kintner.

In her letter, effective Oct. 31, she said, "I feel that I cannot keep up with the work of both the agency and board of public affairs as they both have grown to be more than one person can take care of properly."

Martha Reed, who has been

working part-time for the village, has been hired to fill the post.

Several council members questioned whether the school board did not create the problem of kids on the property at the Lett's.

Trenton Twp. Drops Second Junk Car Suit

County prosecutor and Trenton Twp. dismissed its second "junk car" suit against residents this week as this defendant also complied with the zoning code.

Case was that of the prosecutor and Trenton Zoning Inspector Roy H. Guyer against Vince Tanarelli, 14311 SR 37E. As in the first suit, this was dismissed with costs paid by the defendant.

Other case, dismissed two weeks ago, was against Bob Powers, 13607 SR 37E.

Foam-Form Construction Introduced

by Jack Brehm

First use of Foam-Form construction in the area was introduced last week in the construction of underground house on Dustin Rd. at Galena.

Ellis Brothers, Inc., producers of ready mix concrete, are shown in the two accompanying pictures, using the new Foam-Form for the DonSturges home in his subdivision on Galena's western edge.

Foam-Form, manufactured from one of the most widely accepted and economical insulation materials, polystyrene, offers unique possibilities when used as a construction material. The Foam-Form method of construction uses the pre-formed units as the form to retain poured "in-place" concrete.

After concrete is poured into the units, as shown in the photo, the unit is left in place to provide permanent insulation.

The 8-inches of insulation, in addition to concrete, provides an estimated R-Value of 20. Total width of the wall in this type of construction is eleven inches. High insulating properties are excellent for reducing heat losses and the heat generated by the setting concrete is sufficiently contained to allow pouring in temperatures below zero.

Technical advantages include the durability of reinforced concrete with minimum maintenance, low thermal conductivity which saves energy, excellent structural strength. It is versatile, allowing for all designs, including high rise, will not lose its insulation value; and is not affected by mold, moisture or dry rot.

Foam-Forms come in 4-foot lengths and are 16-inches high. They are self-aligning with no wood forms or ties needed for construction, other than bracing for outside corners.

For information or brochure contact any Ellis Brothers Concrete plant in Sunbury, Mt. Vernon, Loudonville, Mansfield or Millersburg.

County United Way Campaign Begins

Two events opened the 1979 Delaware County United Way Campaign. One was the Oct. 2 breakfast hosted by the Gathering Inn, the United Way Board and the boards of the 12 member agencies to honor the 17 division captains and their chairman, Russ Nippert.

The other was The Peoples Store, United Way 2-Mile Run.

Adams Rd. Man Pleads 'No Contest' To Receiving Charge

Adams Rd. man entered a 'no contest' plea Monday to a count of receiving stolen property against him, and then applied for probation as the court found him guilty.

Donald Zaiser, 23, 10574 Adams Rd., entered the 'no contest' plea at a hearing Monday. Zaiser is free on a \$500 recognizance bond awaiting his next court appearance.

Zaiser was indicted June 7 on the receiving charge. He allegedly had the frame and body of a Jeep stolen from a Columbus man in February, 1978, in his garage last Dec. 22. The Columbus man, himself, apparently tracked the stolen vehicle down, bringing authorities to filing the felony charge against Zaiser.

THOUGHT FOR THE WEEK
By Richard DeVore
During the early years a child is frequently asked his or her age. It is one of the first things learned. Birthday cards mentioning an exact age are often seen. Candles on cakes correspond in equal number to the age.
In later years, family records, court records, school records, employment records, Social Security records all mention age. From the birth certificate to the death certificate, age is a dominant concern. In many cases the concern is unwarranted, even absurd. It is ridiculous when either the young or old attach a mistaken importance to the number of candles on the cake. Behavior, ability, achievements, skills, health, attitude and mental outlook are the indicators of a realistic age. For example, in your own case, if you did not actually know how old you are, how old would you realistically think you are? (Your comments are welcome on this or any other thought you read here - and are appreciated!)...DEVORE FUNERAL HOME, SR 2 at 61, Sunbury, Ohio, Phone 965-2536... Marengo, Ohio, Phone 419-253-2541.

Highlights From Bloomfield Area

By M. Glorean Higgins
Some fields of soybeans and corn were harvested the past week before the rains stopped the activity. The cold nights are ripening the crops rapidly and hopefully harvesting will be in full swing by the middle of the week.

Sympathy is extended to the Paul Orsborn family. Their brother-in-law, Duke Harlen of Toledo passed away the past week.

Mr. and Mrs. Louie Altizer sr. have returned from a vacation visiting friends and relatives in Newport News, Va. and visiting their son, Mr. and Mrs. Jack Evans of North Carolina.

Visitors the past week in the Al Robey home were Pat Sherman and Cedric Cooftare. Sunday the Robeys were dinner guests of Mr. and Mrs. John Beymer of Dayton.

Mr. and Mrs. Bill Elagon have received word their aunt, Margaret Hanna, of Barnesville was taken to the hospital following a severe stroke.

Pat Wiggins was a Friday supper guest of Mr. and Mrs. Paul Orsborn.

Bernice Spearman of Mt. Vernon visited Tuesday with Mr. and Mrs. Henry McCann.

Mary Shedy and daughter, Kay, of Westerville were Friday callers of Mr. and Mrs. Charles Barr.

Mr. and Mrs. Roy Sands were Sunday dinner guests of Mr. and Mrs. Dewey Altizer.

Druella Hankins of Sparta was a Saturday overnight guest of Mr. and Mrs. Jay Addison.

Sept. 29, Mr. and Mrs. Charles Jeffers, of Columbus, enjoyed a cookout with Mr. and Mrs. Chester Jeffers. On Sunday, Mr. and Mrs. Arthur Jeffers of Mt. Vernon and the Chester Jeffers drove to Parkersburg and visited with Lana Sams at the Turtle Creek Nursing Home.

Mr. and Mrs. Frank Higgins Jr. visited Thursday with Mr. and Mrs. Joe Resler of Mt. Vernon. Friday night they had ice cream and cake with J. R. and Darlene Hankins to celebrate Darlene's birthday. Other guests were Mr. and Mrs. John Hankins and sons, Todd and Chad, of Mt. Vernon and C/Is Hankins.

County Extension Office Offers Tailoring Seminar

By Ellie Kersh
Co. Ext. Agent, Home Ec.
Ellie Kersh announces the Cooperative Extension Service will offer a Tailoring Seminar. Mary Ann Krauss, former instructor at Wittenberg University and The Ohio State University, will conduct the seminar. She will discuss the latest techniques in tailoring and use ten current styled garments cut from designer patterns to illustrate her presentation.

Mrs. Krauss will also talk about pressing and proper pressing tools, linings, hems, top stitching, interfacing, pockets plus more. A handout of materials will be presented to each person who attends.

Seminar will be held Tuesday, Oct. 23, from 10:00 a.m. to 2:30 p.m., at the Asbury United Methodist Church, located at the corner of Franklin St. and Lincoln Ave., Delaware.

Registration fee is \$7.00 and should be sent to the Cooperative Extension Service, 110 N. Franklin St., Delaware, 43015 by Oct. 19.

Couple Live in Connecticut After September Nuptials

Mr. and Mrs. Daniel T. Wolfel

Miss June L. VanHouten, daughter of Mr. and Mrs. Howard VanHouten of Cardington, and Mr. Daniel T. Wolfel, son of Mr. and Mrs. Thomas Wolfel of Sunbury, were united in marriage Saturday, Sept. 8 at 2:30 p.m. Rev. Kenneth Neselrode at the Christian and Missionary Alliance Church in Marion officiated.

An arrangement of mums, carnations, sweetheart roses and baby's breath graced the communion table with garlands of flowers decorating the altar curtains. Yellow boxes designated family pews. Mrs. Sharon Corser of Cardington, pianist and soloist, presented a program of nuptial music preceding the service.

Escorted by her father, the bride wore a gown of white organza with a taffeta underlay. The dress was highlighted with a Queen Ann neckline and long,

sheer sleeves, both trimmed in Venice lace. The skirt featured lace appliques which also trimmed the hemline and train.

Her fingertip veil of white net was attached to a crown of pearls and iridescence, which the bridegroom's mother wore at her wedding. The bride carried a bouquet of mums and yellow carnations. Her jewelry consisted of a pear-shaped diamond ring, belonging to her great-grandmother, and a pearl necklace, a gift from the bridegroom.

Miss Diana Bowers, maid of honor and Miss Barbara Murphy, bridesmaid, both of Cardington, wore matching dresses of sheer

brown with orange-flowered print and a cream-colored taffeta underlay. They carried bouquets of carnations, sweetheart roses and baby's breath with orange, streaming ribbons.

Mr. Ronald Squiers of Los Angeles, Ca., served as best man. Mr. Ned Hand of Cincinnati served as groomsmen. They are U.S. Navy friends of the bridegroom. Ushers were Mr. Dennis Bowers, friend of the bride, and Denny Rengert, cousin of the bride, both of Cardington.

For her daughter's wedding, Mrs. VanHouten wore a floor-length dress of blue polyester with long sheer print sleeves made by the bride. Mrs. Wolfel chose to wear a floor-length dress of mint green crepe with spaghetti straps, with a sheer, pleated cape to match. Both wore corages of white carnations with fall-colored ribbons.

A reception was held in the church fellowship hall following the wedding. Hostess was Mrs. Gerald Davis of Cardington. Also helping were Miss Sherri VanHouten, sister of the bride, and Tammi Wolfel, sister of the bridegroom.

A four-tiered cake centered the table topped with a miniature bride and groom. The table was also decorated with brown, yellow and orange streamers, made by Mrs. Dan Hayman of Marion. Miss Lynn Wolfel, sister of the bridegroom, was the guest book attendant.

The new Mrs. Wolfel is a 1979 graduate of Cardington Lincoln High School. Her husband graduated from Big Walnut High School in 1977. He is in the U. S. Navy and is stationed in New London, Ct., where they will be making their home.

When the couple left on a wedding trip through Tennessee and the Smoky Mountains, the bride wore a rust-colored pant suit.

Annette Is on Her Toes

Annette Noyes, of Galena, has been dancing classical ballet for over 12 years and as she says "I love it."

She began dancing in Alabama with the Birmingham Metropolitan Ballet Company. After moving to Ohio she continued her dancing under the supervision of Mrs. Bachman in her private studio here in Ohio.

Wicked Fairy, in the June production of "Sleeping Beauty," was the first role that Annette performed for the Worthington Civic Ballet Company. She joined this company about a year ago. "We have auditions," Annette said, "in the fall, which are like cheerleader tryouts."

Member of the Eaglettes' drill

team. Annette felt that she had a certain advantage because of her dance training. Now as captain of the drill team, her past training has helped Colleen Thatcher and her when choreographing new dance routines.

Annette said, "Many people feel that ballet is a bunch of pretty girls floating around in pretty costumes. That's what it may look like," she continued, "but if you move down front you can see the sweat on our bodies and the strain in our faces." According to her the practices are rigorous like an athlete's. This is to achieve eye-pleasing poses that "look easy but are very hard work."

In college, Annette said she really has no plans to make it her profession.

Souders PTO To Have Fun Fest October 20

Oct. 20 from 4 to 8 p.m. will be the Fun Fest at Hylen Souders Elementary School. Bring the whole family and enjoy a dinner at the cafeteria of spaghetti, meatballs, salad and drink, all for \$1.50. Pizza will also be served.

There will be all kinds of fun games for the kids with popcorn and cotton candy to make you believe you are in the middle of a carnival. Clowns will dance through the halls so that you will think you are part of a circus. You can buy raffle tickets for prizes or you can get a thrill of a lifetime at the "fun house," says the publicity committee.

A special bake sale is planned for all those who look forward to taking a treat home.

Two new booths are being opened this year. The Country Store is a booth where residents can take donated articles to sell. Mrs. Arthur Vrancken, 965-2037, is in charge of this booth. The Flea Market is a booth where articles can be taken for consignment sales with the owner retaining a percentage of the money gained from the sale of the item. (See ad in Oct. 4 Sunbury News.)

The Fun Fest is under the sponsorship of the Souders Parent-Teachers Organization and the receipts of the evening will be used to enhance the school programs.

Participates in Otterbein's Co-op Education Program

Hazel Burkholder of 633 Ross Rd., Sunbury, is currently participating in Otterbein's Cooperative Education Program. Employed by Westrecto, Inc. as a chemist, Mrs. Burkholder will work through December, 1979 gaining on the job work experience.

Otterbein's Cooperative Education Program provides as many as two, six-month paid internships to students for credit. Usually one internship is done in the sophomore or junior year and another may be taken the senior year.

Affiliated with the United Methodist Church, Otterbein is a liberal arts institution located in Westerville.

OLIVE GREEN AREA NEWS . . .

Be a Beauty Bug, Not a Litter Bug

By Opal Eastham

People who discard banana peels carelessly may not be aware that they may be endangering other people's lives or limbs by such careless actions. Personally, I have known of two incidents where serious and permanent injuries might have been incurred due to a heedlessly tossed banana skin.

In one such instance, I was involved. It was while I was living in Columbus a good many years ago. I was pregnant with Bob and had gone to a drug store and made a purchase. As I hurried out the door I slipped and went sprawling headlong. I hadn't noticed the banana peel lying there. The manager came rushing out and helped me to my

feet. He was very concerned and wanted to know if he should call my doctor. I was really frightened as the baby was due in a few days and I was afraid the hard fall might cause me to go into labor right there on the street corner. It was a most embarrassing and shocking experience, but I pulled myself together and went on home, which was only half a block.

Fortunately, I suffered no ill results and Bob was born about five days later, a normal, healthy baby, and of course to me, the most beautiful baby in the whole world. Many years later, after moving here to Olive Green, a friend was coming to visit from Chillicothe. She wrote that she would come by bus and would call on Sunbury when she arrived there.

So I was expecting her call when suddenly the phone rang. It was the manager of the bus station in Columbus. My friend had stepped off the bus on a banana peel and fallen and broken her ankle and was taken to the hospital. Later, we visited her in the hospital but she did not get to visit us as her injury caused her a great deal of misery and she never recovered from her home upon her dismissal.

I know that bananas are a very nutritious food, but please put the peels where they belong, in the garbage, not on the sidewalks or streets, and be a beauty bug, not a litter bug.

together and a potluck dinner and guests included Belle Richardson and Viola Betts of Cardington, Mrs. Ernie Potts, Mr. and Mrs. Donald Coning of Columbus, Bill Potts and Mr. and Mrs. Paul Belcher of Sparta. Bill brought along a book he has been compiling on the Potts family history. Mrs. Potts told that it was very interesting and it had been several years since they had all been together, so it was a

really enjoyable occasion. Mr. and Mrs. Floyd Newell of Leonardburg were Monday afternoon callers at the Potts home.

One chilly night recently I decided to turn on my electric blanket, but it did not heat up. On checking to see if it was attached to the bottom, I discovered that my dog, Sally, had chewed the wire completely through. So far, he has outsmarted me in these mischievous acts, but one of these days I'll catch him, I hope.

Have a good week and God bless.

Nationwide Distributes New Books

Complimentary copies of a new book, "Ohio's Natural Heritage," were distributed to public libraries and to public and non-public school systems locally by the Nationwide Insurance Companies during the week of Oct. 1.

Glenn Evans is pictured giving the books to Rachel Edwards, librarian at Community Library, and Dr. Richard Miller, superintendent of Big Walnut Schools. Dr. Miller received a book for each school library.

The 320-page book was commissioned by the Ohio Academy of Science to describe accurately and in detail the natural forces and resources that helped shape the land and the people of the Buckeye State. The result is a book filled with useful and interesting facts about Ohio's resources.

It is richly handsome, abundantly illustrated with numerous photographs, drawings, and maps -- many in full color -- and is very readable. Twenty-six

writers and specialists contributed to the narrative portion of the book, which is believed to be the first comprehensive study of an individual state's natural heritage.

The book tells about Ohio's geology and geography, its native animals, plants and minerals, how their interrelationships affected the people who settled in the state and what man's impact has been on the land and on nature's elements.

The Columbus-based Battelle Foundation and Nationwide Insurance Companies underwrote the initial printing of 15,000 hard-backed copies of "Ohio's Natural Heritage." Nationwide is giving 5,000 copies of the book to the public libraries and the school systems in Ohio as a public service. Nationwide's Glenn Evans is making the distribution locally.

"Ohio's Natural Heritage" also is being offered to the public by the Ohio Academy of Science through commercial and museum bookstores. Copies retail for \$17.95.

The finished volume was 10 years in the making. Dr. Charles C. King of the Ohio Biological Survey conceived the general format in 1969. His idea led to the planning and development of text and illustrations by the Ohio Academy of Science.

The material was edited by Michael Lafferty, staff member of the Columbus bureau of the Associated Press news service. "Ohio's Natural Heritage" is dedicated to the late Trent D. Sickles. Until his death in 1976, Sickles was a Columbus community leader and a potent force in the environmental and conservation fields, according to a news release.

Sunbury Woman Dies Unexpectedly Thursday Afternoon

Beverly Davenport Means, 61, of 8063 Twigg-Hupp Rd., Sunbury, died unexpectedly Thursday afternoon in Grady Memorial Hospital, Delaware. She was a retired employee of Dennison Engineering, Abex Div. Survivors are husband Joseph E., one daughter, Mrs. Karroll (Joan) Matlack of Delaware; four sons, Kenneth L. and Nelson E. of Delaware, Douglas A. of Maringo and Paul J. of Ostrander; one step-son, Joseph C. Means of Grand Prairie, Tex.; eight grandchildren, three step-grandchildren, four sisters, Or Meeker of Marysville, Eya Atkins and Delise Estep of Salisbury and Mary Baldeser of Galena, and three brothers, John Hasham of Largo, Fla., Frank Hasham of Pataaska and Bill Hasham of Sunbury.

Services were Sunday in Delaware with Rev. Richard Fry officiating. Burial was in Cheshire Cemetery.

Cheshire, Johnnycake Vicinity News Events

By Eleanor Griffith
A family dinner was held at the home of Mr. and Mrs. Melvin Green. It was the first time all the family has been together for some time. Those attending were Mr. and Mrs. James Green, Randy and Kelly, Mr. and Mrs. George Strohm, Angie and Tom; Mr. and Mrs. Curt Livingston; Mr. and Mrs. Lawrence Green and Larry; Mr. and Mrs. Rick Kingley; and Mr. and Mrs. Tim Calvin.

Rev. Dennis Rinehart announced in church on Sunday that he and his family would be leaving Rural Chapel United Methodist Church. His last service will be Oct. 28. We are sorry to be losing him, but his new assignment will be a larger church and an advancement for him. He will be going to the Coshocton Park Methodist Church in Coshocton.

Mr. and Mrs. Malcolm Wilson spent the weekend in Toledo with Mr. and Mrs. Terry Lodge and John Brilla. To celebrate John's 40th birthday they all went to Crane Creek game preserve on Lake Erie to see the geese come

in, but there were very few geese this year.
There was an open house at Olenangy schools on Monday, both in the day and in the evening. Virginia Buell drove the bus to take the girls' volleyball team to DeSales High School's round robin tournament. They won the first game and lost the second. Jackie Buell and Rayne Sherman are players from our community.

Overnight guests of Larry's and Jenny's were her sister and husband, Rev. and Mrs. Ernest Phillips of Jackson. Mr. and Mrs. Harry Buell were Sunday guests. Other guests were Reed Lee and Doug Lee.

Joe Lee went back to Riverside hospital this past week, but in hopes she will be released this week.

Football homecoming is at Olenangy this Friday. They will be playing Jonathan-Alder. The theme is "Burn the Pioneers."

Sunday evening callers of Mr. and Mrs. Charles Hall were Mr. and Mrs. Emerson Shuster. On Saturday evening, the Charles Hall's attended the Olenangy Dance Club meeting. Mr. and Mrs. Larry Wilson sold the home on S.B. & K.Rd., south of Cheshire Rd. and have released possession on Friday of this week. So, they have moved in with Mr. and Mrs. Malcolm Wilson until their new home is finished just south of the corner on S.B. & K.Rd. At the present time there are six houses being built there. So, we will be having lots of new neighbors.

Our community extends sincere sympathy to the family of Judd W. Ferguson, age 72, of Boston Rd., Delaware. He went to Berlin School and was a native of Berlin twp. He is survived by his wife, Wilma; three daughters, Juddan Creasy, Darlene Monroe of Lima, Donagene Jewett of Connecticut; and six grandchildren. Services were held Friday. Mr. and Mrs. Donald Ross went to the funeral home to pay their respects. Edward Griffith also called.

Melody Ross was home from Malone College again this weekend. Happy birthday to Craig Hall on Thursday and to Ralph Gooding on Friday.

Happy wedding anniversary to Bob and Norma Davenport. Callers of Mr. and Mrs. Ralph Sherman, Randy, Rodney and Rayne have been Mr. and Mrs. Robert Weaver and Doug of Westerville.

Callers of Mildred Griffith this past week have been Mr. and Mrs. Marvin Ramsey and Max Griffith.

Willbur Reeder is being moved from Cleveland Clinic to Grant Hospital this week. Hope he will

improve.
Anabel Angel remains about the same, but is confined to her bed.

Rev. Alton E. Lowe is some better although the pain is still very bad. But, he can eat more now and looks better.

I understand the streets in Cheshire are being macadamized so it will be smoother and not so much dirt from all the traffic.

John Heilig played with the Defiance High School band for the football game on Friday evening and on Saturday morning was on the radio from Archibald with a group from the band.

After Virginia, Dick, Rick, John and Beth arrived here, we began gathering produce from the garden—acorn, butternut and cashew squash (one weighed 21 lbs., 6 oz. and another 30 lbs.), also red and yellow tomatoes, both ripe and green, pear tomatoes, sugar snap peas, rhubarb chard, watermelons, chisee cabbage, beets, both hot and sweet, banana peppers, mangos and pimento. Also gathered some celery and sunflowers. We took up some parsley to put into a pot to bring in the house for the winter and potted a couple of the flowering kale; they are very showy with the green, outside leaves and center of an orchid color on

the plain white (this is new for me as a flower). Virginia took me home with her.
Our Sunday dinner guests were Edna Shade and the Heiligs. They took dinner to Delaware to Aunt Mima and Uncle Alton Lowe, even though we could not eat together.

Now, your small savings can earn high interest too!

The Delaware County Bank has three new ways to help you earn high interest on small savings.

New 4-Year Investment Certificate

Deposit any amount you want for four years during the month of October and it will annually earn 8.25% interest. The actual annual yield will even be more because we daily compound your interest. A substantial interest penalty is required for early withdrawal.

The New Investment certificate's annual interest rate for four years is established each month three days prior to the end of the preceding month.

New 5 1/4% Regular Savings Rate

Now, your savings earns one quarter of one percent more at the Delaware County Bank. Your New 5 1/4% annual interest is from day of deposit to day of withdrawal and of course you can deposit or withdraw any amount at any time.

Since Aug. 1, your 5 1/4% annual interest is daily compounded to annually yield 5.46%.

New: No minimum deposit requirements on passbook savings or certificate of deposit

All minimum deposit requirement for higher interest on passbook accounts and certificates of deposit have been eliminated, with the one exception of the \$10,000 six month Money Market Certificate. Now, you can earn the high interest that previously only the big investors could afford.

When it comes to savings, we're all the bank you'll ever need.

Severance's Serving Silences Buckeye Valley

by Steve Kesler
5'8" Thresa Severance and her Big Walnut volleyball teammates withstood the slings and arrows of a tall Buckeye Valley group last Thursday.

The junior server for Coach Dave Collins' crew accounted for 19 points as the Eagles won their second straight game, 12-15, 15-9, 15-7 on the Baron court.

BW trailed 10-0 in the first set and things looked mighty grim. However, BW bounced back with an incredible flurry of points to only lose by only three points.

In the second game, things were different as Big Walnut

regrouped with Severance scoring 6 of her points in this game. "It was good hustle and positioning that did the trick," stated Collins.

This set up the fun and excitement of the third game as BW tallied the first six points on Severance's serving ability. After BV made a brief comeback, Severance went to work again as she scored the last three points for the victory.

Collins was absolutely elated after the match and told The News, "We did things right when we needed it." And for the second game, we got balanced scoring."

Indeed they did as Donna Mullins followed with 7 points (3 on spikes). Jennifer Godshall, Sue Millem 5, Molly McCaughey 4 and Sheri Girberd 2.

"I'm just proud of the girls. It was teamwork all the way," concluded Collins.

JV's Beat BV in Two
"It was a good team effort," remarked Joanna Krech as the junior varsity got things off on the right foot with a 15-8, 15-12 victory.

Becky Jackson came through with another superb match by scoring 13 points. Ten of these were in the first set.

Jackson received plenty of back-up help as Laura Conley

scored 7, Lisa Chapin 3, Gretchen Godschall, Gina Zinser and Susie Webster 2 and Candy Jones 1. Conley's points came in the second game.

Big Walnut saw its brief winning streak end as host Dublin won 15-15, 15-10, 6-15.

Mona Richardson and Donna Mullins paced the Eagles with fine performances as each scored 8 points.

Thresa Severance followed with 6, Sheri Girberd 5 and Molly McCaughey and Jennifer God-

scoring attack.

JV's Dominate Shamrocks
Everyone got to participate in the junior varsity game, according to Coach Joanna Krech, as BW dominated Dublin 15-2, 15-7.

Pam Spurrier and Laura Conley teamed up for 7 points each as the JV's increased their Central Buckeye League record to 5-1 and their overall slate to 6-3.

Those helping out were Lisa Chapin with 5 points, Susie Webster with 4, Candy Jones 3, Becky Jackson 2 and Gina Zinser and Amy Hoke with 1 apiece.

HARRIERS SNAP FREDDIE FIVE YEAR WIN STREAK

by Steve Kesler
Big Walnut wiped out a long losing streak against Fredericktown Tuesday.

Running at the Kokosing Dam, the Eagles broke a five-year Freddie stranglehold in winning a four-way meet.

BW totaled 33 points, Fredericktown had 36, Hillsdale 78 and Cardington 85 as the local harriers won their first and only quad event this season. Currently, the team sports an impressive 41-10 record.

Top finishers for the Eagles included Mark Forman 2nd (14:17), Bill Richardson 4th (14:48), Scott Hamm 7th (15:03), Bob Hubbard 8th (15:06), Joe Bloom 11th (15:30), Ron Price 13th (15:36), and Jeff Hull 15th (15:50).

Dallas Hubbard placed 16th (15:51), Mark Gallagher was 22nd (16:18), Brian Lacy 26th (16:31), Mike McLane 31st (16:51) and John Kelly 35th (17:18).

"It's been a long time since we've been able to beat them in

cross country," stated Eagle coach Jim Boyd. "It was a good feeling to be able to beat them on their own course."

Vikings Win
"I was disappointed in losing to River Valley," stated Big Walnut cross country coach Jim Boyd after the Viking Pentagon last Thursday.

Big Walnut placed third at the Whetstone Country Club with 63 points while Marysville was first (20) and River Valley second (53). Mt. Gilead finished fourth (103) and Seneca East had 144 points.

One highlight of the rain-soaked meet was Mark Forman's top ranking as he crossed the tape in 12:52. This time currently ties Forman with Marysville's Jeff Wolstenholme on Central Buckeye League statistical list.

Scott Hamm followed in 10th place (13:15), Bill Richardson was 16th (13:27), Joe Bloom 17th (13:41), Dallas Hubbard 20th (13:46), Bob Hubbard 21st (13:48), Ron Price 27th (14:09), Brian Lacy 30th (14:39), Mike McLane

42nd (15:12) and John Kelly 45th (15:19).

"We had beaten them (River Valley) twice before and we should have stayed with them again," commented Boyd. "They worked hard to stay together in a pack and we didn't. We did an excellent job in winning the race, but we let too many runners in between our people."

Girls Edged
Big Walnut girls also lost to the Vikings as they placed second with 45 points. RV won with 39 and was able to get its first victory against BW in three tries.

Karen Haban continued in top flight form as she was first with a clocking of 15:29. In team standings, Mt. Vernon had 46 points and Seneca East 86.

Third position belonged to Linda Spencer with a time of 16:17. Mary Murphy was 11th (17:22), Maria Seeger 14th (17:36), Cindy Hayes 16th (17:48), Christy Gerwig 20th (18:37), Kathy Kain 21st (18:38), Jan Haban 32nd (19:36) and Chris Fravel 35th (19:27).

INTERCEPTED PASS IS MARGIN OF VICTORY...

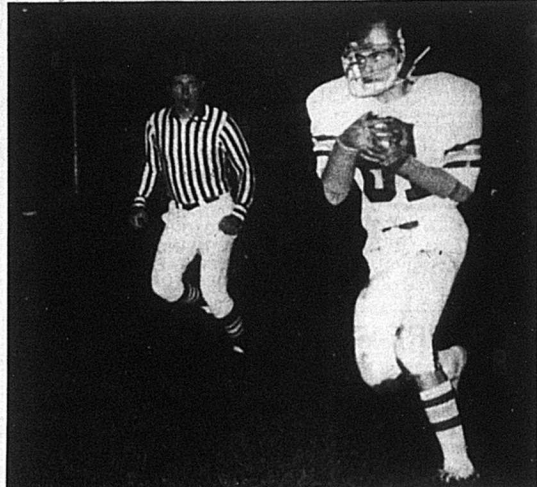

Former BW Student's TD Gives BV 19-13 Victory

Mike Link, who until two years ago lived in Sunbury and played his football for Big Walnut, intercepted a pass in fourth period and ran it back for a touchdown that provided his Buckeye Valley team with a 19-13 win over Big Walnut in the Barons homecoming Friday.

Mike, the son of Mr. and Mrs. Phil Link, picked off a deflected Greg Hunter aerial and ran in back 36-yds. for the go-ahead points with 5:43 remaining to be played. The win broke a string of five straight games Big Walnut had won over the Barons and increased their Central Buckeye League mark to 2-1. They are 2-3-1 overall. For Big Walnut, losers of six

straight this season (three in the CBL) and eight in a row over the past two seasons, it was a bitter defeat as they saw their first two touchdowns (both by Denny Gray) and their top offensive effort of the year go for naught.

Big Walnut now has the task of stopping undefeated Dublin in the Eagles' homecoming game Friday night. Last week the Shamrocks thumped Marysville 31-6, a week after the Monarchs beat Big Walnut 27-0. A year ago the Eagles surprised Dublin 9-8 in their homecoming contest.

victory against the winless Wildcats. It has been years since the Barons have put together two straight wins.

Miss On First Two Chances

Big Walnut drew blood first in the game when they scored on the second play of the second quarter and up until this point they completely dominated the play.

BW stymied the Barons on their first possession and starting from their own 47, drove to the BV 18 where they had second down and a foot to go. Hunter ran to the 7-3-yd. line only to see the play nullified by an off-side call, which moved the ball back to the 23.

On the next play BW was called for holding and this pushed the ball back to the 38. Billy Helton was dropped for an 8-yd. loss and the next play saw a pass going incomplete. Keith Baer then punted to the S.

On BV's second play Pat Edwards fumbled and Marty Facey recovered on the 7-yd. line. Steve Mohler ran the ball four straight times and BV ended up taking over on the 1-yd. line. Giving up only six yds. in three running plays, the Eagles forced BV to punt and Bill Buckley's punt went to the 15-yd. line as the quarter ended. After Mohler lost a yd. to the 16, Hunter then hit Gray in the end zone for BV's first TD of the year. Dave Gibson's kick was wide with 11:12 on the clock.

After a 5-yd. penalty on the Eagles, Buckley returned Jeff Smithberger's kickoff to the 35 and on the first play Buckley picked up BV's initial first down of the game as he ran to the 46. Despite a 15-yd. penalty, BV moved for another to the BW 40.

These were the only first downs the Barons were to get in the first half. However, the Eagles were unable to do more than two more first downs. Both teams had major penalties which slowed them and the half ended with BW in possession on the BV 35-yd. line.

Hughes Recovery Nets TD

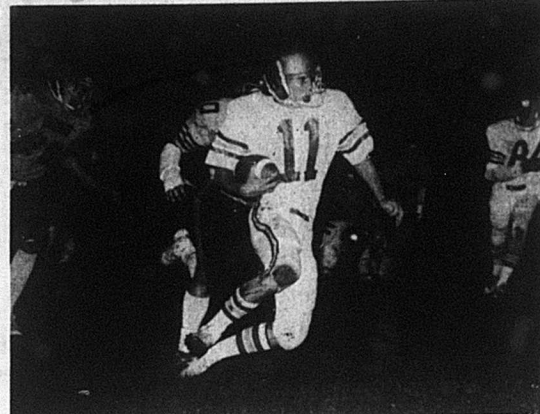

Junior Eugene Hughes recovered a BW fumble on the first running play of the second half and BV moved to its first score, from the BW 29. Three running plays netted only 3 yds. and on fourth down senior quarterback Ed Daley broke free and ran 26 yds. to paydirt. Buckley's run for the 2-point conversion failed with 9:13 on the clock.

Big Walnut came right back and after junior Jeff May returned the kickoff 11 yds. (to the BW 36) they marched in six plays to score. Included in this drive was a 21 yd. run by Helton to the BV 42, Mohler's 7-yd. run to the 35, and Hunter's run of 19 to the BV 18. After Mohler gained 3 to the 15, Hunter connected with Gray for the touchdown. Gibson hit the PAT with 6:03 showing on the clock.

BV came right back to pull to within one point five minutes later, with Buckley taking the kickoff and returning it 17 yds. to the BV 33. In 10 plays the Barons scored with Daley going the final six yds. for the TD. His run for the extra points was stopped.

After the kickoff Big Walnut, from their own 42, picked up two first downs, the second one on the BV 38. Three plays later, Baer fumbled and Pat Edwards for BV on the 39. They failed to move the ball and punted to the BW 14.

The Eagles marched again with Mohler going 14 for a first on the 28 and Hunter getting another on the BV 49 after his 16-yd. run. Hunter hit Baer on the 35

Greg Hunter Shows Running Ability

Greg Hunter (11) turns on the steam in the above photo as he breaks into the secondary early in the game Friday night and runs to the BV 7-yd. line.

Hunter's 11-yd. pickup on this play was nullified by an off-side penalty against the Eagles and the ball moved back to the 23. Hunter carried three other times in the game and picked up 43 yds., an average of over 14 yds. per carry. He also completed six passes for 67 yds.

Gray's TD Catch Is Cause for Joy

Denny Gray (81) gathers in the ball in Buckeye Valley's end zone for Big Walnut's first touchdown of the year. Gray's catch came in the second period and put the Eagles out front 6-0.

Moments later (lower photo) he ran from the end zone into the waiting arms of his teammates. In the third period Gray caught another pass from Greg Hunter for BV's second score of the game. BV came back to win the contest 19-13.

Gray finished the game with three receptions for a total of 39 yds.

Eagle JV's Shutout BV 27-0

By Steve Kesler
Big Walnut Reserves revved up their engines and turned on the jets in defeating Buckeye Valley 27-0 here Saturday morning. Three different individuals—Jeff Aisel, Jeff May and Mike Hogg—scored touchdowns three different ways. It was also the Eagles' largest offensive output and their second shutout of the year.

Aisel hit paydirt with 6:00 left in the first quarter by catching a 17-yd. pass from Pete Hill. Dave Gibson added the extra point kick.

May got on the board three minutes later as he bulled in from 1 yard and in the third

quarter, May crossed the goal line again on a 18-yd. scamper with 4:38 left.

Gibson had no choice but to run in for two points after May's second TD as he had a bad set on the placement. He missed an extra point kick following May's first score.

Mike Hogg was able to get free on a punt return in the third and promptly raced 75 yds. to the end zone untouched with 2:38 on the clock. Gibson's kick missed its mark.

Hogg also set up May's second TD as he broke loose for a 50-

yard gain. BW was then slapped with a 15-yd. clipping call although they moved in for the score.

"It was a total team effort all the way," remarked Coach Lou Sartori. "They were ready to play." Jim Pope, who assisted Sartori, commented that, "I saw a lot of improvement in the younger kids."

IN BW LITTLE LEAGUE FOOTBALL...

Sluggish Frosh Defeat Barons

By Steve Kesler
When they told the kids put the ball in the end zone, Skip Lassak told The News as his freshmen Eagles dealt Buckeye Valley 14-8 loss.

In fact, BW scored the winning touchdown with 2 seconds left as Joe Cotter scrambled in from 3 yards. The Barons set up BW's tally after a bad punt on the 27 with 2:00 to go.

"The offense was sluggish but we had a couple breaks because of our defensive play," Lassak stated. When the offense was moving, the Eagles went in for their first TD in the second quarter as Low ran 7 yards. He also carried in the 2 point conversion.

Lassak also credited Rob Sigman (2), Dan Hale (1) and Scott Day (1) for their recovered fumbles and Sigman (9), Day (10), Dave Baughman (9), Tony Roach (8), Low (12) and Cotter (9) as leading tacklers.

Individual rushing shows Cotter carrying 14 times for 57 yards and Low 13 for 43. Cotter also had 3 passes for 17 yards and Bobby Bowers one for 25 (which set up the first TD).

As a team, BW had 32 rushing plays for 105 yards with Quarterback Brian McClary hitting on 4 of 8 passes for 42 yards. BV had 85 yards rushing and 45 through the air.

SPORTS WINDOW

BY JACK BRIDGES

If Homecoming is what it takes to inspire a football team to a super effort, Big Walnut will have that motive when they host Dublin here Friday night. Buckeye Valley used homecoming to good advantage in coming back against the Eagles last week and Highland put together one of the very best efforts in their illustrious sports history when they overpowered Marlon Catholic 48-0. The score caused me to check back in the records and I found only two other teams that had been able to score more points against the Irish in the past ten years. In 1970 the Irish went down 49-0 at Bucyrus; and that same year Big Walnut beat them 52-20. My records on Catholic go back to 1965 and included in their accomplishments are several State football championships. Coach Gus Marquis was naturally quite pleased with the effort of his team. "We needed one like it," he said, "the kids really played well, they deserved a win after some of the losses they have had. We moved the ball well offensively and completely shut them down defensively. We had some outstanding individual performances as the entire squad played in the game." Heading the list has to be the passing of junior Dan Grooms and the running of sophomore Tracy Nauman. Grooms passed for 164 yds. and 4 TD's. He hit Dave Steele (3 catches for 34 yds.) with two of them going for TD's, and

Galen Chapman (4 receptions for 37 yds.) and Drew Orecchio (2 for 29 yds.) with one TD apiece. Nauman carried the ball 9 times and picked up 155 yds. while scoring twice and he also caught one pass for another 9 yds. Orecchio carried the ball 9 times and gained 47 yds., scored a TD and ran on a PAT and a 4 of 6 PAT's. Pat Miller carried 5 times, gaining 30 yds. while scoring a TD and also passed to Art Morlan for a 2-point conversion. Shawn Morgan carried twice for 21 yds., Morlan 5 times for 12, Grooms 2 times for 3 yds. and Ken McKenzie once for 4 yds. Fred Adkins was the leading pass catcher, grabbing 4 for 55 yds. The Scots travel to Crestline for the "big one." "And as I said last week, we want these last five games," said Marquis. "The kids are looking forward to going—they'll be ready." He went on to tell me the Bulldogs are hard to beat at home. "They have been extremely tough defensively, giving up only 20 points to date. I have seen a team move the ball consistently on them. In the past they have used power football offensively although this year they are opening up, throwing the ball more. On the first play against Northmor last week they passed and it went 86 yds. for TD," Marquis concluded. "We wish them luck—that would be a great win to bring home."

contest. And, a win would be the perfect way to climax the night, wouldn't it? Highland's Junior Varsity team went to 4-0-1 on the year Monday night as they took the Marlon Catholic futures 18-12. Ken McKenzie scored twice for the Scots on runs of 4 and 5 yds. and Shawn Morgan had the other on a 5-yd. run. The Scots led an enrollment of approximately 2,000 students. David is the son of Mr. and Mrs. Norman Shoaf.

GROOMS PASSES FOR 164 YDS., 4 TD'S...

Scots Tag Catholic With Worst Defeat in 9 Years

Coach Gus Marquis Highland Fighting Scots made up for the frustrations of two straight narrow defeats and in the process handed Marion Catholic its worst defeat in nine years as they won 48-0 in their homecoming game at Sparta Friday night.

Junior quarterback Dan Grooms and a host of others paced the Scots to their largest-ever victory over the Irish as they won their first game in the Mid-Ohio Conference against two defeats. Overall they are 3-3.

The defeat was the fourth straight for Catholic after they opened the season with two wins. Friday night the Scots travel to Crestline to take on the defending champion Bulldogs who went 10-0 a year ago and to date this season stand 5-1.

Last Week Crestline dumped Northmor 22-0 to go to 3-0 in the MOC. A year ago the Bulldogs won 14-0 against the Scots at Sparta.

Scots Dominate Statistics
Highland completely dominated the statistics against the Irish, rolling up 436 total yards and 22 first downs while holding their opponents to 100 total yards and 3 firsts.

Highland rushed for 272 yards with Tracy Nauman, who scored two touchdowns, the leader with 155 yds. gained on 9 carries and one pass for 9 yds. His touchdown runs covered 48 and 52 yds., and both were scored in the second period.

Grooms passed for all the Scot aerial yardage, connecting on 14 of 22 for 164 yds., with two of them picked off. He passed 20 yds. to Dave Steele for Highland's first touchdown on 9-28 showing on the clock in the second period. Drew Orecchio booted the PAT to put Highland out front 7-0.

Steele came through with his second TD of the night when he caught another from Grooms thirty-eight seconds into the final period, this one covering 5 yds. Orecchio also booted the extra point after this one.

After Grooms hit Steele with Highland's first score in the period, they came back to score two more before the half, to lead 21-0 at the break.

Nauman raced 48 yds. with 6:29 showing on the clock and came back with 1:17 remaining and covered 59 yds. Orecchio added his second and third straight PAT's after Nauman's TD's.

9:54 showed on the clock in the third quarter when Grooms caught Orecchio open in the end zone and he hit him with a 12-yd. strike. Orecchio then missed the PAT kick.

Four minutes and twenty-one seconds later, Grooms hit Galen Chapman with another touchdown

pass, this one covering 9 yds. Orecchio missed his second straight placement.

With reserves playing the fourth quarter after the early touchdown by Steele, they drove for the final score of the night with Pat Miller getting his first variety touchdown with 2:27 remaining to be played. Miller then passed to Art Morlan for the 2-point conversion to make the final score 48-0.

The determination of the Highland defense in the game is illustrated by action early in the game. The Irish received and were forced to punt after three plays. Orecchio fumbled the punt and Catholic recovered on the Scot 26.

Three plays later, facing a fourth down and 16 yds. to go, they punted the ball back to the Scots. This was a close as the Irish were to get to the Highland goal.

Ironically, the longest touchdown drive of the game was pulled off by the reserves when they went 75 yds. for the final touchdown of the game.

The first drive went 49 yds., the second 53 and the third one 59 yds. Nauman going the distance on the first play after Highland took over.

The Scots drove in 50 yds. with the second half kickoff and their second drive of the quarter, 47 yds., was set up as Chapman recovered a fumble.

The first touchdown in the fourth was set up by Chapman

when he intercepted a Pete Schuler pass and returned to the Irish 5-yd. line. The line of

scrimmage was the 16 when Chaplain intercepted and returned it to the 5. Grooms hit Steele on the next play.

Marion finished the game with only 54 yds. gained by rushing and 46 through the air. Schuler hit 4 of 8 passes with one intercepted.

Marion had six fumbles and the Scots recovered four of them. Highland bottled the ball five times and lost it only once. Thirteen penalties for 116 yds. were stepped off against Marion while the Scots had 4 for 45 yds.

The domination of the game is also shown in the fact that the Scots did not have to punt the ball. Meanwhile, Marion punted 5 times for a 26.2 average.

Gary Hall's 224 Is Bowling High

Westerville Lawn & Garden continued to roll over opponents in the Sunbury Men's Bowling League at Westerville Lanes Monday night while substitute Gary Hall came through for Sunbury IGA.

While L & G was disposing of runnerup Diehl Plumbing 3-1, Hall fashioned a 244 game that establishes a single game scratch high for the year. He only missed by one pin in tying Dave Nelson of L & G for the high handicap game. Hall won this honor for the night with a 253.

Hall's effort helped IGA clip May's Roofing 4-0 and in the process lifted IGA into fourth place, a jump of three positions. IGA won both of the team single game highs, rolling 906 scratch and 990 handicap.

Murphy Siding, paced by Ralph Murphy's 628 handicap series, jumped from sixth to third place as they whipped Sparks' Sohio 4-0. Murphy's bid was the high team handicap series with their 2785 effort.

Delaware County Bank, with substitute Bob Hoover hitting a 581 three-game scratch series, beat Hoke Electric 3-1.

wood-burning
with ADVANCED
TECHNOLOGY

The uniquely designed Ember Hearth Stove combines the romance of an open hearth with the improved efficiency of a wood burning stove. Its features include:

• A secondary air intake which preheats air to combust with gases from burning fuel for greater heat output, less fuel waste, fewer pollutants

• A variable speed heat exchange blower for even heat circulation

• Greater surface area for maximum heat output

• Heavy gauge steel, double wall construction for maximum heat transfer and durability

• Thermostatic control

• Free standing or fireplace models

• A substantial savings on home heating costs

Big Walnut Has 'Budding' In-The-Know Program

By Steve Kestler

Big Walnut continues to grow in the area of academics as evidenced by the recent performance of the school's In-The-Know team.

Members of the squad include, front row, left to right, Eileen Mudd, Mike Hobbs, Kathy Price and Scott Robinson. Back row shows Ben Trotter, Beth Vogeley, John Mudd and Scott Ferko, alternates and Albert Hogue. Trotter and Hogue are co-advisors.

The In-The-Know television program began 13 years ago on Channel 10 and has since grown into a popular show. Requirements include quick recall to questions on different and varied subjects.

Several years ago, the producers of the show started the Challenge Round due to the increase in schools wanting to participate. In order to play in

the regular show, one must advance in the Challenge Round.

Monday, a large Big Walnut delegation drove down to the Channel 10 studios for the second straight year in hopes of doing well and advancing in the Challenge Round tournament.

Big Walnut was matched against Washington Court House, a team that beat them by 50 points last year. This didn't seem to faze the Eagles one bit as they won 200-40.

Big Walnut now moves on to play Franklin Heights on Monday, Nov. 19. This match will be taped and shown following

Saturday.

Advisor Trotter tells The News, "While we're interested in winning, that's not our primary goal. We want the kids to learn and have fun in exploring new areas."

Both advisors encourage more students to come out this year in order to keep everyone sharp and build for next season.

One interesting note is Trotter was a member of Mifflin's team back when the program started. He teaches social studies and is athletic faculty manager. Hogue teaches Spanish and is in his first year with the program.

Catching Up with Kilbourne Community

By Mrs. Karl Smith

Mr. and Mrs. Wilson Edwards, of Galena, celebrated their 50th wedding anniversary with a dinner party at the home of their daughter and son-in-law, Mr. and Mrs. Walter Fickie, Kilbourne.

Mrs. Gary Day of Salinas, Cal., flew here for the affair. Their other sons or daughters attending were Mr. and Mrs. Charles Edwards of Westerville, Mr. and Mrs. Charles Daugherty of Mt. Vernon, and Mr. and Mrs. Judson Edwards of Sunbury. Dinner was at 1:30 p.m. and the afternoon was spent singing and visiting. They received some nice gifts. One was a quilt made by their granddaughters, Karen Hoos, with names and birth dates on the blocks.

Mary Louise Sheets received her 15 year advisor pin to 4-H work, last Wednesday, at the Ohio Union of The Ohio State University. Natalie Wigton also attended the award luncheon. Harriett Pittman, formerly of Leonardburg, received her 40 year pin and was honored for her service as advisor of the Leonardburg Silver Thimbles 4-H Club. Beatrice Cleveland, a Delaware County native, retired as associate leader for state 4-H programs, was one of four Ohioans named in the Ohio 4-H Hall of Fame. Ed Johnson presented the awards to the advisors by reminiscing from the present back as far as 45 years.

Mrs. Stuart Caudill and family visited at Mr. and Mrs. Harold Caudill's Saturday.

The United Methodist Women met last Wednesday afternoon at 7:30 p.m. at the Mt. Vernon U. M. Church. Mr. and Mrs. Philip Snyder of Cleveland will be the speakers. A banner will be made for the meeting showing 'Joy in Mission and Joy to the World.' Mable Dawson is making the U. M. Women's History to play in the near future.

The society started in 1900. Opal Hickman, president; Helen Fleming, vice president; Miriam Jones, secretary; Ebel Jones, secretary of program resources; Rosemary Marshall, Christian personhood; Milly Humes and Mary Sheets, supportive community; Dolores Breece, Christian social involvement; Mable Dawson, Christian global concerns; Ebel Jones, chairman of nominating committee; and Gladys Humes, chairman of visitors of Ruth Boston, the week of her birthday, were Mr. and Mrs. Jim Boston, of Whitesburg, Ky. and Mr. and Mrs. William Henry Boston, of Marion, Sunday. Sunday evening Glenn A. Sheets and Mrs. Boston were dinner guests of Mr. and Mrs. Larry Wickline and daughter. Last Monday evening Jim Boston and Mrs. Boston were dinner guests of Mr. and Mrs. Keith Duncan of near Sparta.

Sunbury Woman's Mother Dies Last Week

Thelma J. (Sally) Keyser, 65, of 329 S. Knox St., Westerville, died last week. She was a member of the Church of the Messiah United Methodist Church.

Survivors are husband, Paul L.; sons, Paul E. of Westerville and J. Thomas of Chicago, Ill.; daughter, Mrs. S. E. (Carol) Moody; nephew, Eugene of Columbus; and nieces, Evelyn Bombard of Columbus and Marce Ford of Redwood City, Calif. Several nieces and nephews.

Funeral services were Saturday afternoon with burial in Central cemetery.

Ohio Northern Counselor To Be At Big Walnut

Tom Stein, an admissions counselor at Ohio Northern University in Ada, will meet with interested students at Big Walnut High School on Tuesday, Oct. 16, at 2 p.m. Persons may contact the school to make an appointment.

Ohio Northern is a United Methodist-related institution with 2,700 students enrolled in the college of arts and sciences, business administration, engineering, pharmacy and law.

ORDINANCE NO. 79-673

AN ORDINANCE APPROVING, ADOPTING, AND ENACTING A BUILDING CODE FOR THE VILLAGE OF SUNBURY, OHIO, AND DECLARING AN EMERGENCY.

WHEREAS, the Village of Sunbury does not have a Building Code and that it is necessary to enact a Building Code for the complete preservation of the public peace, health, safety and welfare of the municipality and for the proper conduct of its affairs;

WHEREAS, the Building Code of the Village of Sunbury, Ohio, is hereby suitable and necessary for adoption for said Village;

WHEREAS, it is necessary to provide for the usual daily operation of the municipality, and for the immediate preservation of the public peace, health, and safety that this ordinance take effect at an early date; now, therefore;

BE IT ORDAINED BY THE COUNCIL OF THE VILLAGE OF SUNBURY, OHIO:

SECTION 1. The building code for Sunbury, Ohio, as revised codified, rearranged, and published in book form, and as reviewed and approved by Council is hereby adopted and enacted.

SECTION 2. One (1) copy of the Building Code for Sunbury, Ohio, certified as correct by the Mayor and Clerk of Council, as required by Sec. 731.23 of the Revised Code of Ohio, shall be kept in its initial form in the file in the Office of Clerk of the Village and retained as a permanent ordinance record of the Village. The Clerk is authorized and directed to publish a summary of all new matters contained in the Building Code for Sunbury, Ohio as required in Sec. 731.23.

SECTION 3. It is found and determined that all formal actions of this Council concerning and relating to the adoption of this ordinance were adopted in an open meeting of this Council, and that all deliberations of this Council and of any of its committees that resulted in such formal action, were in compliance with the public requirements including Section 121.22 of the Ohio Revised Code.

SECTION 4. That this ordinance is hereby determined to be an emergency measure, the immediate effectiveness of which is necessary in order to provide for the preservation of the public peace, health, safety, and public welfare, wherefore this ordinance shall be in effect from and immediately following its adoption.

This and That at Harlem

By Betty Johnson

The Harlem Garden Club hosted the Delaware County Assoc. of Garden Clubs annual meeting at the Harlem Grange Hall on Tuesday, Oct. 2. The new officers elected were Joyce Sandusky, president; Virginia Faulkner, vice president; Penny Curmude, secretary; and Dorothy Swisher, treasurer. Door prizes were won by Charlotte Sexton-Sewell, Miss Lowe, Virginia Fehner and Penny Curmude.

Eulalie Green presented the afternoon program by showing us many uniquely contrived flowers she had made with all natural materials and a number of wall memory plaques of materials she had collected on various trips.

The county group will hold a Christmas flower show at Mingo Park on Dec. 1 and 2. Last year's Christmas flower show won first in the regional contest and tied for first in the on-state competition for flower shows with eight other clubs participating. Therefore you can be assured this show will be well worth your time to visit. You will probably see some ideas you could use for your own holiday decorations.

New Hope Church's Sunday school class will sponsor evening of folk dancing Oct. 27 for all ages of kids. There is a pictorial church directory in the making. The Youth Fellowship is planning a hayride-wiener roast life weekend at Julie Stein's farm.

Mary Endlow's family had a surprise birthday party for her last Saturday evening when the family of Pete Endlow, Dorothy Scarborough and Ruthie Yoder brought in all the goodies for the celebration. Mary Endlow visited her granddaughter, Christie Hague of Satterfield Dr., on Sunday.

Letha Braskett's grandchildren, Wayne Scott Braskett, Jr., Lisa Kay Braskett and Marcia Fisher of Arkansas visited Saturday night.

Letha Braskett called on Ruth Shoaf on Sunday afternoon.

Ruth and Everett Garrahrant spent Saturday and Sunday with Ivan Garrahrant and family near Chardon.

The blackbirds are massing together again. I saw the first big group Oct. 4. These were almost all Grackles. As the fall progresses the population in these flocks will grow and become more varied. Last year I saw some with patches of white feathers here and there. Even when all seems the same, Mother Nature puts in some variations.

Big Walnut's Homecoming Court Closes Out Week With Many Activities

Excitement fills the air as tonight's and Friday's Big Walnut Homecoming festivities draw closer. One of the prettier happenings

of the event is the crowning of the queen. Pictured in the front row of the adjoining photo are the candidates in the running for the coveted honor.

From left is Katy Mudre, Lori Knodell and Sheri Girberd, all juniors. Along the back, Jerri Weekly, freshman attendant; Laura Houser, sophomore

representative; Erin Finn, senior 1978 queen and Tammy Fling, senior attendant.

The girls have been participating in various activities throughout the week. They will also ride in Thursday night's parade and take part in the bonfire immediately following.

Community Up-Date from Vans Valley

By Mrs. Bernas Bell
The Rural Home Club met Thursday afternoon at the home of Francis Rowland. The response to roll call was "My Favorite Dessert". The theme was "Good Eating". Joyce Stockwell had the program, "Foods with a Flair". Arle Matthews read a poem about fall. There were 10 members present. One of the members, Hazel Jackson, is in the hospital and had surgery. Monday, the next meeting will be held at Arle's home.

Wednesday evening, Mrs. Dean Stockwell attended the Galena United Methodist Women's meeting held at the home of Barbara Powell. Friday afternoon, Mrs. Stockwell attended the dinner held at the Rural Chapel United

Methodist Church. Monday evening, Mrs. Stockwell attended a baby shower at the Galena United Methodist Church for Donna Hogg. Thursday evening, the School Ladies Aid meeting was held at the home of Arbutus Swackhammer. There were eight members attending. Saturday afternoon, Mrs. Swackhammer attended the wedding of Maxine Jones and Donald Price held at the Seio Valley Christian Union Church in Delaware.

Mr. and Mrs. Henry Refinati, Mr. and Mrs. Marion Evans and son, Harold, returned home Saturday, after spending two weeks fishing in Michigan. They caught a lot of fish and had a very nice time.

Cora Clayton returned home Sunday morning after spending two weeks with Mr. and Mrs. Elmer Clayton in Florida. The weather is not so nice in Florida, either. It rained most of the time she was down there. She was 65, Tuesday.

Little Jay Clark celebrated his first birthday on Thursday. There was a big birthday party for him. Those attending were Mr. and Mrs. Paul Russell, Mr. and Mrs. Randy Russell, Tara and Levon; Mr. and Mrs. Danny Curmiste and Danny Billy Helton; Kim Conley, Brown Huffer, Lili Price and Greg Hubbard; Mr. and Mrs. James Clark and family; Ruthie Sheppard, David and Sally; and Little Jay's parents, Mr. and Mrs. James "Bub" Clark. Everyone enjoyed ice cream and cake.

Norma Enlow celebrated her 39th (7) birthday, Monday. Her daughter, Diane Durley, and Rebel Bell escorted her to a favorite restaurant for a surprise birthday supper. Monday evening in Columbus. Mr. Enlow was unable to attend because he is in Riverside hospital.

Annie Sunshine is off and gone again. Annie and Marge Wheatley visited Norma Knowles in Cambridge, Sunday. Saturday, they visited Mr. and Mrs. McCune at the Senior Citizens Towers at Upper Arlington. Annie isn't back home, yet, she will probably have some more for us then. She has been staying home pretty good, so we'll let her have a few days to visit before cold weather hits. Hurry home though, Annie.

Jean Scott and Tim and Scott Hubbard visited our former neighbors, Mr. and Mrs. Donald Marshall, and Donnie near Laurelville, Sunday. Donnie has joined the army and was home on a weekend pass from Virginia.

Rev. and Mrs. Everett Swackhammer and Eddie visited Mr. and Mrs. Ned Gaulke at Heath, and Elsie Swackhammer and Richard at Newark. Mrs. Swackhammer visited Mr. and Mrs. Merle Curtiss and family at Delaware.

Mr. and Mrs. Norman Skivers' granddaughter, Tresa, and Greg Radduck are the proud parents of a baby boy. The Skivers are very happy with the new arrival. Monday, Mr. and Mrs. Kenny Hackley and son visited the Skivers. Wednesday callers were Mr. and Mrs. Robert Pileager and Mr. and Mrs. Kenneth Worsler.

Our daughter, Nondus "Kitty" Jervis, was married Friday morning in Columbus to Greg Inboden from Logan. They are making their home on Elmire St. in Columbus.

We visited Mr. and Mrs. Everett Miesse at Twelve Trees and Mr. and Mrs. Lawrence Reedy on SR 66, Saturday afternoon. They had the wedding reception for their daughter at their home. Some of the callers at our home during the weekend were Mr. and Mrs. Bud Price, Greg Hubbard, Mr. and Mrs. James Clark, Bub, Danny and Jeff Clark, Mr. and Mrs. Red-Malter and family, Mr. and Mrs. George Morris, Diana, Durley, Stalla Hill and Ryan, Spook Bell, Gladys Miesse, Kathy Kincaid and the Hardy boys.

We would like to welcome Cheryl and Clark Agnew and two children to the Vans Valley area. They have purchased and moved into the old Vans Valley United Methodist Church since it closed.

Mr. and Mrs. Bill Yarbner were Sunday dinner guests at the home of Mr. and Mrs. Lester Goodyear.

Have a nice week.

SUNBURY COUNCIL

(Continued from Page 1)

East interchange when they closed the smoking area at the school.

They agreed nothing could be done about anyone on the sidewalks when Neace said he regularly patrols the area and attempts to keep them off private property.

Neace also showed council pictures of a village lot where many old cars are parked. He said he had sent the owner a letter telling him to clean it up.

Want Greenbrier Closed
Eleven residents of Greenbrier Rd. appeared before council and were able to get their street closed by a split vote before a telephone call to the village solicitor confirmed that certain procedures must be followed.

Mayor Kintner recognized the problem and said he would like to help but did not think closing the street was advisable. "We have it on our books not to do this any more," he said.

School buses, snow plowing, fire protection and mail service were all discussed at length. "Ninety-nine percent of the people have petitioned this closing. As far as mail service and school bus routes are concerned, we can handle that," said Jack Kuhn.

Several spoke out that children were unable to ride tricycles on the street due to speeding automobiles. Another said it was hard to see over the hill on the road.

Councilman Donna Baranek added, "I have a hard time getting my car out of our driveway to go to work," while citing the dangers that also exist on Fairview Drive in Northern Heights.

Mona Kuhn asked Neace if the police would sit and watch for speeders. "We know the critical times — after high school lets out until whenever," she said.

Neace said his officers regularly patrol the area and suggested getting license plate numbers and filing charges. He also asked for and received permission to sit in driveways.

Councilman Jack Brehm told council that if they granted the closing they would be setting a precedent. "We have been through this before in zoning. We'll not be able to turn down

anyone else," he said.

After much discussion, council voted on the measure with Adrian Abolins, Reed, Dan Conant and Baranek voting yes and Denny Bell and Brehm nay.

Immediately the clerk called Peter Manos and returned to explain that council should accept the petition and the solicitor would make up the necessary papers for a required public hearing.

A vote was then taken to withdraw the original motion and another was made to accept the petition. Both passed 6-0.

UNITED WAY

(Continued from Page 1)

Thirteen teams were entered. The 20 trophies will be held for the next year's team members who are the tournament winners.

The county fair contest, held from 8 to 9 each evening at the United Way booth, was won by 12-year-old Sarah Sidner, 34 Stonebrook Drive, Delaware, a student at Willis Middle School in Delaware.

She guessed the exact number of peanuts, 8,768 in the plastic bag. The contest prize was a portable TV set and was contributed by BancOhio.

Roger Davidson, branch manager of Delaware County Bank in Galena, will head the Sunbury, Galena commercial division campaign which will take place later in the month.

Ashley Woman Gets Probation

Ashley woman indicted last May for passing a \$300 bad check at Jamesway Discount Store was placed on probation Friday in Common Pleas Court.

Mary Bender, 27, 414 Taylor St., is on up to five years probation after she pleaded guilty to the count May 7. She apparently wrote the check on an account of a business run by her and her husband, and cashed it at the store in Delaware.

Councilman Donna Baranek added, "I have a hard time getting my car out of our driveway to go to work," while citing the dangers that also exist on Fairview Drive in Northern Heights.

Mona Kuhn asked Neace if the police would sit and watch for speeders. "We know the critical times — after high school lets out until whenever," she said.
